Application for 'Any Deer' Permit Deadline Oct. 10

Hunters waiting to make their bid for some 92,700 "any deer" permits will find application cards at all Michigon license dealers early next week.

The Conservation Department expects to receive at least as many applications as in 1059 when a record 221,800 were submitted.

Applicants will have until midnight, October 10, to postmark their cards. Applications must be mailed to the Department's Lansing office.

Robt. Winchester To Discontinue Ambulance

The discontinuance of ambulance service by the Winchester Funeral Home, effective at midnight, October 10, has been announced by Robert Winchester.

Official notices regarding the anticipated move will be issued in the Charlevoix Courier later.

If any organization, agency or individual decides to provide ambulance service to replace that now offered by Mr. Winchester, it will be mentioned at that time.

Mr. Winchester earlier notified various agencies and law enforcement agences of his intentions of discontinuing the service this fall.

In making the announcement, Mr. Winchester said that he feels the ambulance service is a public service and thus could be maintained more efficiently and effectively by a public agency rather than through private enterprise.

The Winchester Funeral Home here is the only funeral home now in Charlevoix and Emmet counties still offering ombulance service. More and more, this service is being taken over by public agencies. Mr. Winchester said.

Deadline Set for Non-Registered Voters October 10

Oct. 10 is the deadline for registering for the Nov. 8 general election.

Tips on Hunting In Michigan Now Available

A four-page pamphlet with general tips on where, what, how, and when to hunt this fall and winter, is now availoble from the Conservation Department's publications office and the Michigan Tourist Council at Lansing.

The pamphlet, "Hunting in Michigan, gives a description of the state's three regions and their basic differences in terrain, forest growth, and lands open to public hunting. Also included in the pamphlet is a list of Michigan's major game species and their favorite habitat. Season dates and pointers on how to hunt are also included.

Rambler-Rayder Game To Be at Kipke Field

The Charlevoix-Boyne City game scheduled for 8 p. m., Friday will be held at Kipke field here with Boyne City high school as host school.

The decision to use the Charlevoix field was made over the weekend when it was decided that the new Boyne City gridiron, seeded earlier this summer, was not ready at this time.

As a result, Boyne City will be the host school.

Sports fans are reminded that this game is considered an "away" game despite the fact that it is being held here and that Charlevoix season tickets will not be honored. Single admission tickets must be purchased as though the game were in Boyne City.

Boyne City school personnel will be in charge of ticket sales.

Boyne City fans will use the the bleaches and the Boyne City band will present the halftime show.

The Charlevoix Pep and Varsity club will be in charge of the concessions, however, and the Junior class of the local high school will be in charge of the dance following the game.

Admission tickets for adults may be purchased at the gate from Boyne City school representatives.

Student tickets will be sold at the school Thursday and Friday and students in the seventh through the twelfth grades may purchase them for 35 cents during those days. They must pay the full 50 cents admittance fee if purchased at the gate. Youngsters in the sixth grade and under will be charged 25 cents.

Cong. Victor Knox To Make Tour of County Monday

Congressman Victor A. Knox, candidate for re-election in the 11th district, is scheduled to be in Charlevoix county Monday from 10 a. m. throughout the day and evening.

He will begin his tour at East Jordan where he will make a tour of the factories before continuing to Boyne City for a similar tour.

From Boyne City he will come to Charlevoix where he has been invited to attend the Kiwanis club dinner meeting and give a short talk. At 8 p. m. he will be at the Charlevoix county Courthouse to greet his friends in the community.

All citizens are invited to meet Mr. Knox at the courthouse where he will welcome an opportunity to discuss pertinent problems in which the visitors are particularly interested.

Draft Board Calls One for Induction

The names of the Charlevoix county draft registrants to be called for induction to fill the October draft quota and for pre-induction physical examination next month have been announced following a meeting of the draft board Monday night.

Arnold L. Massey of Boyne Falls will report for induction into the armed services Oct. 10.

James J. Haggad of Charlevoix, Ernest H. Fitzpatrick of Boyne City; Philip G. Raymond and Lee W. Spence of East Jordan will report Oct. 17 for pre-induction physical examinations.

Mrs. Hamilton accompanied her husband to Grand Rapids for the convention.

Symphony Concert Tickets Now On Sale

Season tickets for the Northwestern Michigan Symphony Orchestra concerts in Traverse City may be purchased from C. A. Odmark at local school.

The series will feature four concerts to be presented by the orchestra at the Traverse City Junior high school. Dates of the concerts and information regarding tickets may be obtained from Mr. Odmark.

Local Jaycees to Hear M. L. Benton Friday at City Hall

Charlevoix JayCees and their wives are invited to a meeting to be held at the city hall here at 8 p.m. Friday.

At that time M. L. Benton of Owosso, president of the Michigan Jaycees, and other members of the state executive board will address members and their guests on the aims of the JayCees and outline the club activities. All young men eligible for the club and their wives are also invited to the meeting. Membership is open to men 21 through 37 years of age.

The meetng at which the state officers will speak has been called by Gene Wolf of Traverse City, vice president of District 16 in an effort to re-activate the local club.

Plans for Friday night's meeting were made recently by Mr. Wolf and George Horner of Tawas, Michigan national director.

The state officers will stay here Friday night for the meeting before going to Manistque for a meeting of the state executive board.

All members of the local JayCees are urged to attend this all-important meeting.

Mrs. W. F. Johnson Dies Here; Burial At Ishpeming

Mrs. Elizabeth Johnson, 80, died Thursday at the Charlevoix Hospital where she had been a patient for two days. She had been in failing health for some time.

Funeral services were held Saturday at the Bjork & Zhulkie Funeral Home in Ishpeming Saturday with burial in the Ishpeming cemetery.

What's Wrong

During the next Congressional session a determined effort will be made to repeal that section of the Taft-Hartley Act which authorized the states to adopt right-to-work laws—laws which guarantee that a worker can join or not join a union, as he so chooses, without coercion from either labor or management. So far, 20 states have adopted the laws.

If the coming effort is successful, unrestrained labor monopolies will be in the saddle with a vengeance. Compulsory uniform—which means that man must join or starve—will become the rule. And this would be only the beginning. Senator Byrd of Virginia, in announcing that he would oppose repeal of the section "with all my strength and ability," said, "Power breeds power, and labor leaders are insatiable in their demands for special privileges and special legislation for immunity. Repeal . . . would be followed by a drive to repeal all protections in the Taft-Hartley Act and other statutes in the whole labor field."

There's nothing anti-labor or anti-union in the right to-work laws. All they do is to assert the principle that each individual has the right to decide for himself whether to join or not. As the Dallas Morning News observes, "If this is to remain a free country, what's wrong with that?"

Guild Notes . . .

At the regular meeting of the Women's Guild of the Charlevoix hospital held Tuesday, members voted to buy new furniture for a room at the Charlevoix hospital which the Guild 'purchased' recently in memory of Mrs. Robert Ross. Funds realized from sale of furnishings from the Ross cottage on the Chicago Club, contributed to the Guild by her sister, Mrs. J. H. King, made it possible to underwrite the cost of a room at the hospital and to furnish the room which will bear a plaque in memory of Mrs. Robert Ross.

Other purchases by the Guild for the hospital utilizing funds raised through various projects during the summer include several Hi-Lo beds, insulated thermo pitchers and bedside lamps which have already been placed in use. Other items on order include new silverware for use on patients' trays, a special bed for use in the maternity department's labor room and funds for magazine subscriptions which will be placed on the library cart operated by the Guild for the benefit of the patients.

It was also revealed that the recent sale of articles donated to the Guild by the estate of the late Mrs. Charles M. Rice netted more than $400. The more recent sale of several large household items donated to the Guild by Mr. and Mrs. Henri Meis is expected to bring in additional funds to be used to purchase equipment for the hospital.

Recent gifts of books for the library cart have been received from Mrs. L. E. Block, Mrs. Julius Gilbert and Mrs. Robert Foss.

Mrs. Gordon Freedman and Miss Frances Milner of the library cart would like to acknowledge the faithful service of Mrs. Stanley Epstein and Mrs. Trounstine, summer visitors who donated their time during the summer to push the library cart and all local residents who work regularly on this project.

Mrs. R. G. Bennett also would like to acknowledge the services of those people who help man the information desk at the hospital during the evening hours.

Plans were made to attend the annual Fall State Workshop for Hospital Auxiliaries and Guilds to be held at Hidden Valley in Gaylord Oct. 11 and 12. Miss Frances Milner has been asked to give a brief talk on fund-raising used by the Charlevoix Guild. Because of this meeting, the regular meeting of the Guild will be postponed until Oct. 18.

From the Guild to all those people whose efforts made it possible for a successful summer, a gaint-size 'thank you' . . . . "Without your fine support, either as patrons or workers, the many worthwhile projects sponsored by the Guild would not be possible. It would be impossible to list all those who have been so kind and generous in their support of Guild projects, but we want you to know we do appreciate everything you have done for us" Mrs. Floyd Brown, president of the Guild, said in acknowledging the fine support the Guild has received this year.

Miss Doctor Becomes Bride Of Fenton H. Dennis at Atwood

The Atwood Christian Reformed Church was the scene of the marriage on Saturday September a nth of Miss Margreta Elaine Doctor and Fenton H. Dennis, Jr. of Sitka, Alaska. The Rev. Donald Van Gent officiated at the double ring ceremony. Arrangements of white gladioli and lighted candles in the candelabra provided the setting for the ceremony.

The bride, daughter of Mr. and Mrs. Paul Doctor was given in marriage by her father. For her wedding the bride wore a gown of slipper satin with a chapel length train. It featured a lace bodice with tapered long sleeves. Her jewelry was a jade necklace and matching ear rings, a gift of the groom. She carried a bouquet of red roses, carnations and ivy.

Maid of honor was Miss Wanda Doctor, sister of the bride. She wore a street length dress of gold beige silk organza over net and taffeta and wore a headpiece of tiny white roses and carried a white lace fan with arrangements of pink gladioli and white carnations.

The bridesmaids were Mrs. David Kass (Karen Pott) and of the bride, of Grand Rapids. Miss Rose Ann Elzinga friends They wore identical dresses of silver and blue, with headpieces of tiny pink roses, and also carried fan arrangements of flowers.

Debra Doctor of Northport, cousin of the bride was flower girl. She was dressed in a white nylon dress over white can-can skirt. She carried a basket of mixed flowers.

Terry DeVries of Atwood was ring bearer.

Edwin J. Drenth of Ellsworth was best man. Groomsmen were David Kass of Grand Rapids, and Kenneth J. Doctor of Atwood, cousin of the bride.

Seating the guests were Allen DeYoung of Holland and John Bascom of Norwood, cousins of the bride.

Mrs. Paul Doctor, mother of the bride chose a navy blue dress with white accessories and wore a corsage of yellow mums and white carnations.

Mr. and Mrs. Silas Doctor, aunt and uncle of the bride, were master and mistress of ceremonies at Ellsworth Community Hall and Mrs. Harold DeYoung was hostess. Miss Faye Doctor and Patsy Sitema, cousins of the bride, presided at the punch bowl. Miss Cynhtia DeYoung of Hudsonville, cousin of the bride and Miss Marcia Ritsema of Grand Rapids were in charge of the gift table.

A four tier wedding cake topped with a miniature bride and groom, adorned the bride's table.

For their wedding trip and honeymoon to Anchorage, Alaska, the bride chose a black dress with red accessories, and she wore the the center piece of her bridal bouquet, as a corsage. The couple will be at home September 20 at Mt. Edgecumbe, Alaska.

The bride graduated from the Ebenzer Christian, and Ellsworth High schools, also the Butterworth school of nursing. The groom, the son of Mrs. Walter May and the late Fenton Dennis graduated from the Sheldon Jackson Christian school at Sitka.

Mr. and Mrs. Dennis are both employed at the government Public Health Service in Mt. Egecumbe. Mr. Decnis is stock accountant, and Mrs. Dennis as registered nurse.

Miss Mary Jean Essenberg was the organist and Versil Hofman of Grand Rapids, cousin of the bride sang "Through the Years, "Because, and "The Lord's Prayer".

James-Kubetz Marriage Vows Spoken at St. Mary's Church

St. Mary's church was the scene Saturday of the wedding of Margaret E. James and Anthony A. Kubetz, CS2, U.S. Coast Guard.

Parents of the couple are Mr. and Mrs. John J. James of Ellsworth and Mr. and Mrs. Aldrich Kubetz of Kewanuee, Wis.

The Rev. Fr. E. Francis Denay officiated at the double ring service during the nuptial Mass in the presence of more than 125 guests. Arrangments of white gladioli and mums decorated the altar.

Mrs. Frank M. Olcksy was the organist and Mrs. C. D. Geiken the soloist. She sang "The Lord's Prayer" and "Ave Maria".

Given in marriage by her father, the bride selected a ballerina length gown of white lace and net taffeta for her wedding. Fashioned with a lace bodice, the gown featured a scoop neckline, bracket length sleeves and a full skirt of lace over taffeta with a sheer back detail. A crown of pearls secured her fingertip veil. She carried a cascade bouquet of white feathered carnations and red rose buds.

Sue Left us maid of honor wore a waltz length gown of blue chiffon over taffeta styled with a bateau neckline and full skirt. Her headband was of matching blue net with pearl inserts. She carried a bouquet of white feathered carnations and blue mums.

Joan Kubetz of Kewaunee, sister of the bridegroom, and Madelyn Wojan as bridesmaids wore gowns similar to the honor attendant's and matching headbands in yellow and pink, respectively. Miss Kubetz's bouquet was of white carnations and yellow mums and Miss Wojan's of white carnations and pink mums.

Ronald Sauger, Yn2, assisted the bridegroom as best man. Richard LeLievre Bm3 and Ray Elderheier Fn were groomsmen. Seating the guests were Lynn Klecknar BM1, U.S. Coast Guard, and Richard Schoals SA U.S. Navy.

Mrs. James selected a blue print dress and beige accessories for her daughter' wedding. Mrs. Kubetz, mother of the bridegroom, wore a beige sheath dress and brown accessories. Their corsages were of white carnations.

Immediately following the wedding, a reception was held at the Ellsworth township hall which was decorated in a blue, pink and white motif and white bells.

After a wedding trip through Northern Michigan, Wisconsin and Minnesota the couple will make their home at 402½ Antrim st. For traveling the bride wore a gown of red lace over taffeta with matching accessories and a corsage of white carnations and red rosebuds.

The bride is a 1958 graduate of the Ellsworth high school and was formerly employed at the W. W. Mac Co. in Charlevoix. The bridegroom is a 1957 graduate of the Kewaunee high school and a veteran of three years in the U. S. Coast Guard. He is currently stationed aboard the U.S.C.G. Cutter Sundew.

Best Junior Cooks May Earn Awards

With the opening of schools throughout the nation comes the announcement that the third annual Kroger-Westinghouse search for the Junior Cook of the year is underway. The contest is carried on from Sept. 14 through Nov. 10 with a top award of $5,000 and more than 2,000 lesser awards.

The program is designed to reward and encourage development of cooking skills among teenagers, according to Jack Bone, vice president of the Grand Rapids division of the Kroger Co.

The search will be climaxed by a junior cook-off in Cincinnati, Ohio, next May. There the 50 finalists will prepare their recipes for a panel of nationally recognized home economists and cooking experts who will act as judges.

Teachers will accompany their students-finalists to the Cincinnati cook-off. In addition, if her student is chosen 1961 Junior Cook of the year, the teacher will accompany the girl and her mother on a trip to Europe.

Telephone lines

By LES JOHNSON, *Manager*

HOLD THE PHONE... Now and then, customers ask us about the best way to hold the telephone when speaking. Experience has shown that the perforated holes in the mouthpiece should be held about an inch away from your lips. That way, provided you speak in a clear, distinct voice, the person on the other end of the line can hear you without any trouble at all!

YELLOW PAGES
$
$

EVERYONE KNOWS you can FIND IT FAST in the Yellow Pages . . . but you should see some of the things *we* find in the old, used Yellow Pages books when they're collected! Birth certificates, wills, unmailed letters, and even dollar bills have turned up, tucked in between the Yellow Pages and forgotten. So if you want a place to bury your "treasures," use the Yellow Pages . . . the *right* way! Look up Safe Deposit Boxes—or Safes—and make a prudent phone call!

TURN ON TELEVISION . . . "Let's see what's being broadcast from Europe." That day may be closer than you think. Last month the Bell Laboratories' engineers succeeded in bouncing a live conversation off the new balloon satellite, Echo, and another communications frontier was opened. The day when a whole series of balloon satellites may be spotted around the world to transmit broadcasts from continent to continent in seconds is just a little nearer.

This is the time shrewd buyers wait for . . .

Rayders Outscore Rogers City 46-35 in Opener

★ ★ ★

Both Teams Short on Defensive Action

The Charlevoix Rayders racked up a 46 to 35 win over the Class B Rogers City Hurons in their initial appearance on the gridiron to run their victory string to 17 games.

This week the Rayders will take on the Boyne City Ramblers at Kipke field in a game being played here because the Rambler field is not ready for use at this time. Boyne City will play the role of the host team, wearing the dark uniforms with the Rayders, as the visiting team, donning their light uniforms.

In the game with Rogers City Friday night, the Rayders scored two quick touchdowns after recovering a Huron fumble and later when Charlevoix intercepted a Huron pass. However, before the period ended the visitors had scored and Charlevoix had added another tally for an 18 to 6 lead.

In the second quarter Rogers City took a brief lead after scoring twice before the Rayders added another touchdown to take over 25 to 21 at halftime.

The host team added three more touchdowns in the period before the visitors came back in the final period to cut the Rayders lead to 11 points as time ran out.

Seeing action for the Rayders were Terry DeYoung, Tom Louiselle, Jim Dennis, Gary Spencer and Dale Burke who played on defense, Derrell Somerville, Spencer Root, Jerry Keiser, Don Barns, Gene McBride, Sam Supernaw, Perry Smith, Henry Wagner, Tom Martin, Bob Grunch, Mike Bost, Denny Wojan, Stan Martin, Tom Browe, Herb Cummings, Charles Mitchell, Dick Odmark and Dave Rader.

Charlevoix kicked off to Rogers City and then, on the third play from scrimmage, recovered a Huron fumble to set up the first Rayder touchdown. Perry Smith and Tom Louiselle carried the ball to the 10 yard line where Supernaw took it over for six points. The conversion kick was wide and the score remained 6 to 0.

Again the Rayders kicked off to the visitors and on the second play from scrimmage, Smith intercepted a pass and romped around left end to the three where he was brought down from behind. On the next play, however, he plunged over for the second Rayder TD. Again the convera-sion kick was wide and score stood at 12 to 0.

A determined Huron squad again took the kickoff and this time put the ball in scoring position on a 65 yard run which moved the ball to the four yard line from where Bill Conley went in to score. Ron Konieczny kicked the point after touchdown to give the visitors seven points.

Charlevoix took the Huron kickoff and in a concerted march moved the ball to the 29 yard line where Supernaw took a pass from Smith for a touchdown and an 18 to 7 lead at the quarter.

The quarter ended with Rogers City in possession of the ball on their own 39.

A series of line plays moved the ball to the Rayder eight yard line where Don Syrett went over to score. Konieczny's kick was good as the Hurons cut the Rayder lead to 18 to 14.

On the next series of plays Charlevoix failed to move the ball and was forced to punt. Rogers City took the ball on the Rayder 36 and on the first play from scrimmage scored with Syrett again taking the ball over. Konieczny added the point after touchdown on a kick as the Hurons went ahead 25 to 21.

The lead was shortlived, however, as Charlevoix took the ball on their own 28 and with Supernaw and Smith carrying the ball moved it to the 39 five plays. Supernaw then romped the distance to put the Rayders back in the running as they went ahead 25 to 21 after Smith had run the ball over for the conversion point.

As the second half got underway, Charlevoix took the kickoff and moved the ball to the Huron 36 in four plays before Wagner went in to score. Supernaw ran the conversion point over for a 32 to 21 lead.

Later in the perlod, Charlevoix capitalized on a Huron fumble on the Charlevoix 44. On a series of four first downs in 11 plays, the Rayders advanced the ball to the one yard line where Smith went in to score. Supernaw ran the ball over for the point after touchdowns as the Rayders went ahead 39 to 21 as the third period ended.

Charlevoix kicked off to Rogers City who gave up the ball to the Rayders on their own 45 after failing to pick up a first down. A pass from Stan Martin to DeYoung put the ball on the five yard line. Martin moved it to the 2½ yard line on a quarterback sneak before Smith went in to score. Martin ran the ball over for the extra point to account for the Rayder scoring.

With the line-up changing rapidly as Coach Don Carey sent players in and out of action, Syrett scored midway in the final peroid with Konieczny bootlng the extra point. Later in the game Jay Robarge went over from the three for final tally with Tom Smith kickng the converson.

Charlevoix was in possession of the ball on the Rogers City 11 yard line as the game ended. The final score was 46 to 35.

Five N M C C Football Teams Win Over Non-Loop Rivals

Five of the seven Northern Michigan Class C teams which saw action Friday night racked up victories over non-loop rivals while Harbor Springs and Gaylord fell victims to outside competition.

Charlevoix rolled up a 46 to 35 victory over Class B Rogers City; Boyne City upset St. Ignace 29 to 0; Mancelona dumped Oscoda 32 to 7; Grayling won over Harrison 19 to 7; East Jordan edged Kaikaska 13 to 7 while Gaylord bowed to Class B Cheboygan 13 to 7 and Harbor Springs fell veitm to Petoskey St. Francis 33 to 19. Pellston did not have a pre-season game.

BOYNE CITY 20 ST. IGNACE 0

A strong St.Ignace squad with three weeks of play over Boyne City and two victories to their credit bowed to the Ramblers who did all their scoring early in the game.

Halfback Doug Grubbe romped over from the seven yard line and Fullback Tom Kujawski went in from the 15 yard line to put Boyne City ahead 12 to 0. Glenn Tatem took the all over for the extra point following the second touchdown after missing on the first to give the Ramblers a 13 to 0 margin at the quarter.

It was Jack Dixon who went over on a quarterback sneak from the four yard line to put Boyne City out in front 12 to 0 before Tatem passed to End Ron Ward for the extra point.

St. Ignace advanced to the Ramblers 10 yard line only once as Boyne City showed both a strong defense as well as a good offense attack.

MANCELONA 32 OSCODA 7

In a game which started 90 minutes late and finished at 11:30 p.m. after officials failed to show up Mancelona came through with a lopsided victory over Oscoda.

Raydar quarterback Sam Supernew (23) carrying tha ball for a sizabla gain against the Rogers City Hurons Friday night.

Supernaw scored three of the Raydars' seven touchdowns which resulted in a 46 to 35 victory over the Class B school.

In tho background are several other Rayders (in dark jersays) including Gene McBride (40)

The Ironmen ran up a 13 to 7 halftime lead over the visitors after Halfback Jerry Bengtson had scored on runs of 45 and five yards each and Bob Sanders had booted one point after touchdown. Oscoda scored its only TD late in the half when a Halfback went over on a three yard plunge and then ran the ball over for the extra point.

In the third Period Fullback Dick Moran went in from the two and Halfback Walt Klein from the 10 to make the third period score 25 to 7. Quarterback Denny LaCroix romped 30 yards and Sanders added the extra point on a kick for the 32 to 7 win.

GRAYLING 19 HARRISON 7

The Grayling Vikings showed anticipated strength in their victory over Harrison although the latter got off to a 7 to 0 lead before Coach Don Ferguson's lads scored twice in the second quarter.

Quarterback Larry Roth passed to end Paul Sheets who scored on a 45 yard pass play midway in the first quarter.

In the second period, however, the Vikings offense came to life as Right Halfback Joe Robertson scored on a 30 yard run and Tom Lamont went over from the one yard line on a quarterback sneak. Mike Lovely ran the ball over for the extra point as Grayling went ahead 13 to 7 at halftime.

Left Halfback Steve Sink romped 19 yards for the Vikings' final tally.

EAST JORDAN 13 KALKASKA 7

Halfback Ron Sulak scored twice in the second period with Bud Gee scoring the extra point to put East Jordan out in front 13 to 0 at halftime. Sulak's touchdowns came on runs of eight and nine yards each.

Kalkaska's lone tally came late in the game when Halfback John Anderson scored from two yards out and then added the extra point on a run.

CHEBOYGAN 13 GAYLORD 7

Gaylord's single tally against Class B Cheboygan came early in the second half when Quarterback Tom Tapio passed to Right End Bob Merry who scored on the 52 yard pass play. Halfback Don Klinger plunged over for the point after touchdown as the Blue Devils tied the score 7 to 7.

It was Fullback Pete Carey who plunged over from the three yard line with three minutes remaining for the victory. Earlier Right Halfback Dick Irland had scored from the two and Carey had run the ball over to the extra point. The Chiefs' first tally came after a Gaylord fumble on an attempted pass.

PETOSKEY ST. FRANCIS 33 HARBOR SPRINGS 19

Playing heads-up ball all the way, the Petoskey St. Francis Crusaders were in command of the game most of the way after Quarterback Tom Smith passed to End Russ Speigl for a 30-yard pass play which put the ball in scoring position. Halfback Bob Youngs romped over from the three yard line to put the visitors ahead 6 to 0. The lead was shortlived, however, as Halfback Tom Graham scored on a 40 yard end sweep and Bob Cole booted the extra point to give the Rams a 7 to 6 lead at the quarter.

Before the half ended Youngs scored twice on runs of 17 yards each and added a point after touchdown. Smith made the score 20 to 7 as he ran another extra point over.

Graham scored twice more, once in the third period from the 12 and in the final period from the seven yard line but the Crusaders countered with touchdown runs of 30 yards by Joe Flynn and a 40 yard run by Youngs. Flynn also scored a point after touchdown to give the Crusaders an unanticipated victory.

North Michigan Class C Teams To Meet Loop Rivals Friday

After non-league meetings last weekend, Northern Michigan class C teams will go against loop rivals Friday in games that will count in loop standings.

Headlining the action will be the meeting between the defending champions, the Charlevoix Rayders, and Boyne City to be played on the local gridiron because the Rambler field is not ready for use at this time.

In other games East Jordan will host Mancelona, Grayling will invade Gaylord and Pellston will entertain Harbor Springs in the only afternoon game scheduled for 3 p.m. Kickoff time for the other games will be 8 p.m.

The Charlevoix Rayders who dumped Rogers 46 to 35 last week will be put to the test this weekend as they take on the Boyne City Ramblers who came through unscathed against the St. Ignace Saints, a team that supposedly was strong and which had three more weeks of training when they met the Ramblers last week.

In the 19 to 0 shut-out over the Saints, the Ramblers served notice that they were on the come-back trail after two years of rebuilding. Coach Paul Pfahler has assembled a veteran team that has been given depth in the backfield by an import, Glenn Tatham an experienced quarterback, who has added much to the team with his experience.

However, other problems have arisen for the Ramblers with the injury of first string right tackle, Roger Towne, who is expected to be out indenfinitely with a back injury and his substitute, Charles Vincent. Coach Pfahler is presently shifting his line-up in an effort to come up with a competent player for this key position. As of Tuesday he had not decided who would get the assignment.

Coach Don Carey at Charlevoix is busy with defensive drills this week in order to plug some of the holes that let Rogers City through to score six touchdowns, the most scored against the local team since the 1957 season. How he will do this remains to be seen but if the Rayders are to continue their record the defense must be tightened and soon. Right now linebackers are problem and Coach Carey is searching his ranks for players rugged enough to halt the opposition and fleet enough to bring them down should they get through the secondary. . . quite an assignment.

This should be as chose game with the team taking advantage of the breaks emerging the victor.

The East Jordan-Mancelona game will be another close one. Both teams came through with victors over non-loop rivals last week though tbe Ironmen's 32 to 7 win was far more impressive than the Red Devils 13 to 7 victory over Kalkaska. The Jordanites, however, are an experienced team composed mainly of veteran players and should shape up well as the season progresses. Mancelona, on the other hand, has many newcomers to varsity ranks and will probably develop as the season grows though the experienced backfield should keep them in the running.

This game could be a toss-up.

Grayling occupied the league cellar for years but after a rebuilding program the Vikings are coming through with a well balanced team that could take the Gaylord Blue Devils this week if they would concentrate on their work. Gaylord has definitely been hurt by the loss of veteran end John Johnston who was not only an excellent player but a fine leader. Another regular from last year, Larry Warner, a lineman, has been lost to the squad and it is doubtful if several other players, recovering from lesser injuries, will be ready for action this week. If Coach Don Ferguson's lads play heads-up ball, they may avenge all the losses in past years by dumping the Blue Devils who last week bowed to Cheboygan 13 to 7.

The Harbor Springs Rams, who last week were defeated 33 to 19 by Petoskey St. Francis, are not to be undersold despite the lopsided loss for in the Rams, Coach Charlie Paige has a veteran squad who can be expected to rack up a fair share of victories this fall.

Pellston, on the other hand, has only two regulars returning so will be composed of untried material who will shape up as the season progresses but who will be seeing action for the first time when they go against the Rams this week.

Harbor Springs should come through with a victory by a sizable margin.

SUNDEW REPORT

The Sundew was underway early Friday enroute to Sturgeon Bay, Wis., for dry-dock work.

This completed ten weeks at the G &W Welding Co. in Cleveland where our new main engines were installed. Our stay at Sturgeon Bay will last from two to three weeks before we return to Charlevoix. We have been gone from our home port since July 8.

As for the new engines, a definite increase in speed and power is readily noticed as the ship moves through the water at a smooth, even pace. There appears to be less noise from the engine room while cruising speed is increased noticeably.

Sundew Scuttlebut

The crew of the Sundew has increased this past week with the addition of four new men. Billy L. Six BM1, is due aboard Sept. 22 from Hancock, Michigan. . . Garabed 'Arab' Arslanian, BM2, is due back aboard next week. 'Arab' had been aboard the Sundew last winter and was transferred to Group Charlevoix where he was assigned to White Shoals Light Station . . . George Hoganson, EM3, is also due aboard after completing Electricians Mate school and a short stay aboard the CGC Tupelo in Toledo . . . John H. Currier DC3, reported aboard from the CGC Hollyhock (WAGL220). He hails from Cleveland. . . . "Fritz" Lelsikow, QM, is on convalescent leave from USPHS Hospital in Detroit. He is due back at the hospital Sept. 29 for final check-up. . . . . Don Jagoditch was advanced to Second Class Corpsman . . . Charles 'Red' Lent to Third Class Engineman and Dick LeLiere to Third lass Boatswain's Mate . . . Congratulations to Tony Kubetz and his bride, the former Margaret James, newly-weds as of Sept. 17 . . .

Mrs. Isaac Terr and daughters, Nancy and Dana, of Los Vegas, N.M., are visiting the former's brother and sister-in-law, Mr. and Mrs. Joseph Rosen, in Petoskey and with friends here. They plan to return to the west Saturday.

Chest Workers Launch Drive To Raise $8,500

The 1960 Community Chest fund campaign to raise $8,500 for 11 agencies will be launched Monday when the industrial and business division of the drive gets underway according to Mrs. Jeanine Essenberg, campaign chairman.

This division of the drive will be under the direction of Frank M. Oleksy, Mrs. Essenberg said. The residential division will open the following Monday, Oct. 10., with Mrs. Robert Pearl as chairman.

Letters have been mailed this week to summer residents, businessess with main offices in other cities and to clubs. Mrs. Robert Foss and Mrs. Wilson Baker assisted with the mail division.

The amount of the fund drive was increased during the past week when the Charlevoix Service Organization which underwrites the cost of sending the Charlevoix Courier to the nearly 100 local servicemen was included in the list of agencies participating in the campaign. The CSO had asked for $250, the stimated cost of sending the local newspaper to local residents serving in the armed forces.

Other agencies and the amounts which will be raised for each follow: Michigan United Fund $1,000; Charlevoix hospital general fund, $500; Community Nurse, $1,550; Scenic Trails Council, Boy Scouts, $750; Girl Scouts, $750; City recreation, $800; Salvation Army, $200; Charlevoix Association to Aid Retarded children, $950; Emergency Fund which includes $150 for Salk vaccine and campaign expenses, $300.

Local Firm to Show Marine Product In Chicago

Paul Reed Inc. will be among the more than 300 marine products firms exhibiting at the Marine Trades Exhibit and Conference being held in Chicago Oct. 15-18.

The local firm will display boat cushions at this first industry-operated show exclusively for the manufacturer, wholesaler and retailer of marine equipment.

G O P Senatorial Loser Supports Tom Schweigert

Alpena's Carl Titus, Republican loser in the 29th Senatorial District primary to Petoskey nominee Thomas F. Schweigert, is carrying out his pledge to support the victor in the November election.

In a letter to Schweigert, Titus offered his support and said he would not be a 'write-in' candidate in the forthcoming general election.

Letter Writing Week Is Oct. 2-8

The 23rd annual Letter Writing Week will be observed in Charlevoix during the week of Oct. 2 to 8, according to Postmaster Peter H. Timmer.

During Letter Writing Week, Postmaster Timmer suggests that everyone write at least two letters.

The slogan of this year's event is "Letters Are Links to Friendships."

Mr. and Mrs. Peter Vandermade of Lake Worth, Fla., visited friends here several days last week. The Vandermades are former local residents who lived in Detroit until several years ago.

Mrs. Robert Albright and daughter arrived Thursday from Mystic, Conn., for an extended visit with her parents, Mr. and Mrs. Hugh Mayne, while her husband who is serving aboard the submarine Nautius is at sea.

Elk Rapids to Host Organizational MUCC Meeting

The organizational meeting of District 16, Michigan United Conservation Clubs, will be held at the Elk Rapids Sportsmen's club located three miles north of the city on new US-31 at 8 p.m. Friday.

Club officers are asked to urge their members to attend this important meeting where the club begins to function as a statewide organization.

Problems dealing with the management of natural resources will be discussed by area legislative candidates at the meeting scheduled for 8 p.m. Friday.

Three Local Men Named to Hunter Training Program

Three local men have been named as field-experienced qualified instructors for the Hunter Safety Training program sponsored by the Michigan Department of Conservation.

They are Robert Comerville, Jack Mol and Harold Lang, volunteers who have done extensive studying on safety, gun handling and field conduct and who are offering their time to teach school age (12 years or older) and adult classes in such basic subjects as the Hunter Safety Code, Hunting regulations, Analysis of Hunting Accidents, Firearms and Ammunition, Safe Handling of Firearms and Bows and Arrows, Hunter Behavior Afield and planning a Hunt. The course will take from four to five hours of classroom work.

Efforts are being made through the assistance of the Charlevoix schools to organize a class in Hunter Safety Training. Anyone interested may contact Supt. R. G. Bennett or any of the above qualified instructors for details. The classes will be held at the city hall here.

Six Nominees Seek Election to C of C

The nominating committee of the Charlevoix Chamber of Commerce has prepared a slate of six nominees who have expressed their willingness to serve on the board of directors of the chamber for terms of three years, according to a notice sent to members by Paul Kohler, secretary-manager of the Chamber.

They are Carl Bogert, Miss Katherine Fitch, Mrs. Lewis Juilleret, John E. Norton, Frank J. Novotny and Steve Raab.

Members may submit the names of other candidates for the posts in a letter signed by no less than 10 voting members. Deadline for filing the names of additional nominees is 5 p.m. Monday, Oct. 10.

To Stage 'Fun' Trip For Area Boy Scouts

Plans for a 'fun' trip for Cub Scouts of the Northern district of the Scenic Trails Council on Saturday, Oct. 15, were announced this week by Harvey Griswold, district Scout representative.

The trip is a train ride from East Jordan to Bellaire, a distance of 36 miles, aboard the East Jordan and Southern railroad, which boasts the only steam-driven engine in northern Michigan. The trip aboard the train's one coach flat-car equipped with special seats, takes three hours with a 30-minute lay-over in Bellaire.

There will be two trips at 9:30 a.m. and 12:30 p.m. with plans for all Scouts and their adult leaders to gather in the park at East Jordan for a picnic lunch followed by a parade through the business district.

A minimum of 100 passengers must be carried on each trip to make it possible to stage the special event for the Cub Scouts. For this reason, Cub Scout committees are urged to make reservations as early as possible for the train ride which will serve as a special event to launch the 1960 Cub Scout program in the northern district.

Mr. and Mrs. Lester Gallagher and family of Lansing spent the weekend with the former's mother, Mrs. Lester Gallagher Sr. and other relatives.

New Social Security Law Will Provide Added Benefits

Social security amendments signed recently by President Eisenhower will provide benefits to an estimated 125,000 additional disabled workers and to the members of their families, E. O. Wiles, manager of the Traverse City Social Security office, has announced.

Other changes in the amendments liberalize the social security laws. The new law will bring increased benefits to 400,000 children, and through liberalized work requirements, will make some 250,000 persons age 65 or over eligible for benefits.

It is now possible for a person to qualify for disability benefits without regard to his age, Mr. Wiles stated. If the disabled person has worked long enough under social security and if his disability is severe enough to meet the definition in the social security law, he and eligible members of his family may draw the benefits even if he has not reached 50—the age required in the prior law.

Other changes in the law establish new limits in the amount a social security beneficiary may earn and the deduction rates if his earning exceed the maximum limit.

Boat Co. Studies Cross Village Dock Facilities

Officials of the Beaver Island Boat Co., which operates the ferry Emerald Isle between Charlevoix and Beaver Island met Saturday with 25 Emmet county businessmen, representatives of the Chamber of Commerce of Petoskey and township and residents of Cross Village to discuss the facilities the latter community has to offer the company as a harbor for its ferry.

A committee headed by Harry Pintarelli of Cross Village was named to assemble information regarding various phases of the possible move now being investigated by the company.

The fact-finding committee will check into docking and harbor facilities, roads, warehouse, lighting, transportation and other facilities which the company will need should it decide to use Cross Village as its port on the mainland.

Robert L. Hooper Attends Leader Training Course

Robert L. Hooper, a member of the local Cub Scout committee, was at Camp Greilick last weekend for a Boy Scout leader training course offered by the Scenic Trails Council.

The course was conducted by Dr. Milton J. Hagleberg, director of Michigan State University Continuing Education Center at Traverse City who is also Council Leadership Training chairman for the Council.

Mr. Hooper is now qualified to train Cub Scout personnel to work with the program in the community.

A Cub Scout organizational meeting will be held at the city hall at 7 p. m. tonight (Thursday)

Rev. Adkins to Show African Pictures At M. E. Church Sun.

The Rev. Richard Adkins, missionary to Kenya Colony in Africa, will show films of his missionary work the World Gospel Mission in Kenya, at the First Methodist church at 9:45 a.m. Sunday, the Rev. Raymond J. McBrantnie, pastor of the church, has announced.

The appearance of the Rev. Adkins, who first went to Africa as a child with his missionary parents, comes at a time when interest in the peoples of the Dark Continent is running high. His interesting talk on his work there, given in conjunction with the films, is designed to bring to the people of this country a greater understanding of the African and his problems which Rev. Adkins has observed while working with them in the missions.

Junior Varsity Team To Meet Petoskey's Reserve Team Tues.

The Charlevoix high school Junior Varsity squad will open their 1960 season next Tuesday when they travel to Petoskey to take on the Little Northmen.

The game will be the first of five which will be played on successive Tuesdays through Nov. 1. The schedule follows: Oct. 11, Boyne City there; Oct. 18 Mancelona here; Oct. 25, Boyne City here; Nov. 1, Petoskey here.

All reserve games are played at 7:30 p. m.

Students Name Kathy Boss Queen Of Homecoming

Kathy Boss, petite Charlevoix high school senior has been named 1960 Homecoming Queen to rule over the festivities scheduled to begin next Wednesday and conclude with the Homecoming game between Charlevoix and East Jordan at Kipke field Friday night.

Carla Riley, Karen Uhrick, Noreen Erber and Jeanne Curtis will serve as members of her court.

The Homecoming festivities will open with the parade scheduled for 4 p.m. Wednesday with each class, school clubs and others entering floats and competing for the cash prizes offered by the Pep Club, according to Jeanne Curtis, president of the club and general chairman of the Homecoming.

Judges for the parade which will also feature the Charlevoix high school Senior and Varsity bands will be D. D. Walker, president of the Belvedere Club, Mrs. Jeanine Essenburgh and James Taylor.

The coronation of Queen Kathy will be the highlight of the Pep rally to be held at Kipke field at approximately 7:30 p.m. Wednesday evening following the snake dance and bonfire. The snake dance and march to Kipke field will begin at 7 p.m. Mayor James Hiller will officiate at the coronation of the Queen. Appearing on the brief program will be Coach Don Carey, Rev. Robert J. Yonkman, Sam Supernaw and Perry Smith, the latter two representing the Charlevoix Rayder football team. Jack Rader Sr. will be master of ceremonies. There will be special music by the band and cheers led by the juior cheerleaders.

During the Homecoming game between East Jordan and Charlevoix at 8 p.m. Friday night, Queen Kathy and her court will be introduced.

She will then 'dub' the team captains and preside at the halftime show to be presented by the band directed by C. A. Odmark.

The Homecoming dance at the high school gymnasium will conclude the Homecoming events.

Hunting Season To Open Saturday

October 1 stands out as a red letter date on calendars for thousands of hunters waiting to usher in northern Michigan's firearm seasons on small game and bear and the state's archery season on bear and deer.

Bag limits and season lengths will remain the same as in 1959 for all these seasons.

Because seasons differ in various section of the state, hunters are warned to check the times and dates seasons on various birds and wild game open in this area of the state.

U. S. C. G. Issues Call for Recruits

Interested in enlisting in the U.S. Coast Guard?

Donald Pyle BMC of Detroit, recruiting officer for the U. S. Coast Guard, will be at the U. S. C. G. Group Office beginning at 8 a.m. Wednesday to talk with young men who are interested in enlisting in the oldest of the military services.

Enlistments are for a period of four years and are open to young men from 17 to 28 years and ex-service personnel to 35 years.

A snail has fabulous strength. It can pull 200 times its own weight.

Oct. 10 is Last Day Of Registration

Your days are limited is the warning issued this week to those who have not registered to vote in the forthcoming general election.

Monday, Oct. 10, is the deadline for registering in order to vote in the all-important Nov. 8 election.

If you voted in the 1956 general election or in any election since that time you are eligible to vote in the Nov. 8 election, according to Fenton R. Bulow, county clerk. If you are not sure of your status as a voter, you may check with your city or township clerk.

In order to register to vote you must be 21 by Nov. 8, an American citizen, a resident of the state for one year and the voting precinct for 30 days prior to the election.

Absent voter's ballots are now available at the offices of the city clerk or with township clerks for those who will be away from their voting precinct on election day.

Body of Kingsley Man Washed Ashore At Manitowoc, Wis.

The body of a Kingsley man reported missing in a storm on Lake Michigan last November was washed ashore at Manitowoc, Wis. Saturday.

The body was identified as that of Glenn R. Roop who with Sterling Nickerson Jr.; also of Kingsley, disappeared after radioing that their craft, the steel cargo carrier, Bridge Builder, had encountered a storm and was in trouble. Until Saturday no trace of either men or the 65 ft. cargo carrier had been found. The vessel, which had been repaired at the ship yards in Sturgeon Bay, Wis., was enroute from that city to Northport at the time it disappeared.

Funeral Services Held Monday for Mrs. Herington, 70

Mrs. Barney Herington, 70, resident of this community for more than 40 years, died late Friday at Grandvue Medical Facility near East Jordan where she had been a patient for 18 months.

Funeral services were held Monday at the Winchester Funeral Home with the Rev. Raymond J. McBratnie officiating. Burial was in Brookside cemetery.

Born at Council Bluff, Iowa, March 25, 1890, the former Zippa Marie Fuller came to Charlevoix in 1917 and the following year was married to Mr. Herington who preceded her in death in 1950.

Surviving are three daughters, Mrs. William (Pauline) Romanchuk of Trenton, Mrs. Glenn (Doris) Hopkins of Elmont and Mrs. Norman (Eleanor) Gallagher of Linden; eight grandchildren and a half-sister, Mrs. Victor Rosburg of Grand Rapids.

Belvedere Issued Building Permit

The city council, at its regular meeting Monday night, approved a building permit for the Belvedere Club and bills and payroll.

The City Supt. James Taylor was authorized to issue a building permit to the Belvedere Club for a 24 by 36 foot building to be used for storage. The structure is to be constructed on a site on Alice st. between Garfield and Lincoln av. now owned by the club.

Bills and payroll totaling $18,848.71 were approved and ordered paid. The total includes a payment of $3,264.80 to MCNamee Porter and Seeley, engineering firm of Ann Arbor, for plans for remodeling the sewage disposal plant and $5,791.50 for fuel oil.

A number of other issues were discussed but no action was taken on them, Mr. Taylor said.

Frances Nowland has returned to Detroit following a visit with her mother, Mrs. Raymond Nowland Sr. and her brother and sister-in-law, Mr. and Mrs. R. J. Nowland Sr. accompanied her to southern Michigan for a two weeks visit.

Taxpayers to Express Views on Taxation to Senate Committee

Taxpayers and tax officials will have an opportunity Friday to air their views before a special interim committee of the state senate, studying real and personal property taxes in the state. The hearing for this area has been called for 10 a.m. at the county court house in Traverse City.

Residents of this community interested in attending the hearing have been requested by Paul Kohler, secretary-manager of the Chamber of Commerce to contact the Chamber office. Mr. Kohler will arrange car pools for the trip or charter a bus if necessary. This is an opportune time for those who believe real and personal property taxes are not equitably assessed, to express their views to this special tax committee of the state senate.

The committee conducting the hearing in Traverse City and five other areas in the state is headed by Clyde H. Geelring of Holland. Other members of the committee are Lewis G. Christman of Ann Arbor, Charles R. Feenstra of Grand Rapids, Carlton H. Morris of Kalamazoo and Harold M. Ryan of Detroit.

It has been pointed out by the committe that taxes are signiaficant factor in the determination of industrial location and expansion. For this compelling reason the Senate Tax Study Committee directed that an incisive study be made of the comparative state and local business taxes in Michigan and in "other similarly stiuated states." This time-consuming task undertaken by Hope college under the direction of Dr. Dwight B. Yntema.

The study, which embraced all non-payroll taxes imposed by Michigan and the seven other states compared, revealed that:

(1) State and local taxes on business in other states amount commonly to some 50% of taxes in Michigan.

(2) Just on-third of these taxes imposed on firms operating in Michigan is levied by the state government, primarily in the form of business activities and corporation franchise taxes.

(3) Nearly two-thirds of the total Michigan taxes, however, resulted from local taxes, almost entirely in the form of real and personal property taxes.

(4) In Michigan personal property taxes account for nearly two-thirds of local taxes and local taxes in turn account for nearly two-thirds of total state and local non-payroll taxes.

It appears from the study that local taxes—and local taxes on personal property in particular—may well be examined in evaluating their possible effect as deterrent to industrial location and expansion in Michigan.

This vital consideration prompted the Senate in 1960 to pass Senate Resolution No. 48 creating special Interim Committee to study real and personal property taxation in Michigan.

Since 1953, the equalized value of real and personal property in Michigan has increased from $15.7 billion to $24.9 billion. In the same period, state taxes on tangible property have jumped by approximately $400-$450 million.

The committee notes that it is aware of the fact that industrial taxpayers are complaining that constitutional and statutory mandates and safeguards governing the assessment of personal property are being ignored at the local assessment level and in the county and state equalization processes.

Hearings by the Interim Committee are being conducted to determine:

(1) Whether property taxes are assessed and equalized in conformity with the constitution and statutes of the state.

(2) Whether the property tax laws are being administered equitably and uniformly among taxpayers.

(3) Whether the increases adopted by the State Board of Equalization in 1960 were necessary and equitable.

(4) The impact of the local property taxes, as equalized, on job opportunities in Michigan.

The success of these hearings and the ultimate correction or reformation of property tax assessments and equalization practices are dependent in large measure upon the participation therein of all interested taxpayers and tax officials, according to the committee. The committee exhorts all taxpayers and tax officials to attend the hearings and freely express their views and experiences on the subjects involved.

• Hearings of this kind afford the taxpayers a person-to-person opportunity to voice their opinions directly to their representatives who can lead to necessary reformations. Contact the secretary of the Chamber of Commerce if you can attend the Friday hearing at Traverse City.

Scott Alexander Critically Hurt In Car Accident

Scott Alexander, 20, remained in critical condition at the Charlevoix hospital Wednesday as the result of a serious head injury suffered in a car accident early Sunday morning, according to Dr. Robert G. Martin, attending physician.

Alexander, son of Mr. and Mrs. J. F. Alexander who had moved here in July from Dresden, Ill., was injured when the car in which he was riding alone, failed to negotiate the curve at Ferry ave. and Belvedere ave. After striking a lamp post, the car hit a tree on the north side of the street, throwing him into the windshield, according to City Police. The accident occurred at 12:50 a.m. Sunday, as he was traveling north on Ferry av., apparently at a high rate of speed. City police investigated after a nearby cottager reported the accident.

Mr. Alexander, father of the youth, is employed at the Bechtel Corp., builders of the Big Rock Point nuclear power plant.

Miss LaFreniere Injured in Two Car Accident

ST JAMES—Margaret LaFreniere, 22, of St. James, was admitted to Little Traverse Hospital in Petoskey Saturday morning for treatment of facial injuries received in a two-car crash at Bay Shore. She was discharged from the hospital later in the day.

She was a passenger in a car driven by James H. Plumons, 21, of Groesbeck, Tex.,

Plumons, driving west on US 31 at Bay Shore, was attempting to pass a truck driven by Philip H. Thomas, 57 of Petoskey when the latter made a left hand turn in front of him.

By ELMER E. WHITE

THE LONG REBUILDING JOB to repair Michigan's reputation after the year-long 1959 cash crisis is well underway.

A giant stride was recently taken when Revenue Commissioner Clarence Lock told the 1960 annual conference of the National Tax Association in New York City that it was partisan disagreement and not something basically wrong with Michigan law or Michigan people that caused the disastrous stalemate.

"Michigan is a great state with tremendous assets," Lack told the tax experts.

* * *

"Yet despite all the plus factors, we permitted ourselves the luxury of horrible national publicity because of an unwillingness to compromise our differences," he said.

While there will still be differences, Lock predicted the state will never again allow itself to pass through evil days as it did last year because of these differences.

"Michigan is on its way back," he said.

"Both political parties now recognize our shortcomings and the areas in which our tax structure needs repair," the portly, balding Lock said in a paper he prepared for the New York meeting.

* * *

He called for a united effort to put Michigan back on the map as a healthy state with potential for almost unlimited growth.

"There is no excuse for a wealthy state like Michigan to sell itself short," Lock said. "The realization of the fallacy of such practices and the fact that we have learned much from our errors of the past augurs well for the future of Michigan."

"There is a lesson here for Michigan and her sister states."

FRANKLIN K. DE WALD, husky new state personnel chief, has ordered a thorough look at Michigan's civil service system.

De Wald, long accustomed to working with huge work forces on the public payroll by virtue of service in Washington and elsewhere, said the aim of the Civil Service Commission action was to insure that Michigan will develop a merit system operation that will attract and keep capable people in state service.

"From time to time there have been complaints the present system tends to create 'inbreeding' in state employment and prevents adequate opportunity for attracting capable new people," De Wald said.

The study will include a survey of state agencies' operation, a survey of employee opinion of the system, a survey of other public agencies and an analysis of the appointment and promotion practices under the present system.

* * *

One of the points in the present system which will come under scrutiny is the practice of using a promotional list first.

Present regulations require state agencies to fill vacancies from among persons on a promotional list before going outside the list, if such a list is available.

Only after exhausting the list can a position be filled from another list compiled by examination of new recruits from the general public, De Wald said.

Many personnel experts hailed the evaluation program as a major step forward, he said.

MORE AND MORE JUNE BRIDES are fast approaching the November of life, according to the Michigan Conference on Aging.

Statistics show that in 10 years (1950-59) when population of Michigan had increased by 30 per cent, marriages among persons 65 and over had increased by nearly double that amount, the conference said.

In the same period, marriages among people of all ages were decreasing by about 5 per cent.

* * *

There were more bridegrooms than brides in the 65-and-over age bracket, the conference said, indicating that perhaps more of the older men were marrying younger women.

THE COLORS OF AUTUMN come to Michigan in as vivid a display as anywhere in the nation.

A carefully planned color tour —starting with the first turning of the leaves and continuing until winter grips even the southernmost reaches of the lower peninsula—can be had by tourists simply for the asking.

The Michigan Tourist Council in Lansing will alert prospective travelers to the first showing of color in the upper peninsula and announce the peak of the autumn display as it moves southward.

A postcard to the Fall Color Service, Michigan Tourist Council, is all that is needed for the information.

New Book Paper to Last 4 Centuries

Most books printed in the United States during the past 60 years will not be usable by the next century. Many are crumbling already. Acid in paper is the main reason for deterioration.

The majority of modern book papers will last only 50 years, the National Geographic Society reports.

A newly developed book paper guarantees the survival, if not readership, of a book for at least 400 years. William J. Barrow, document restorer at the Virginia State Library in Richmond, devised it after a three-year study made possible by a grant from the Council on Library Resources, Inc.

Mr. Barrow discovered that soaking old book papers in a solution containing magesium and calcium checks decay. He developed durable pulp paper from long, stable fibers infused with calcium carbonate to act as buffer to acid. When commercially manufactured, the papers will not be expensive. They should endure more than 400 years.

Huck Saves the Day

Saturday's always "together" day for Huck Roberts and his missus. Five days a week Huck's selling on the road, so they like to spend Saturday afternoon by themselves.

Most of Huck's friends know this and stay away unless invited. All except one couple. Then Huck found a polite way to send them home.

Soon as Huck would spot the couple driving up, he'd put on his hat and coat—and step out the front door. Polite as could be, Huck would say, "Sorry we can't ask you in, we're just on *our* way out!" Then, soon'a the couple drove off, Huck went right back inside!

From where I sit, neighborliness means a mutual respect between neighbors—for one's privacy, feelings and preferences. This holds for little things too. For instance, when a neighbor prefers a glass of beer or buttermilk, that's his business. And it's our job to respect his preference every day of the week—Saturdays, Sundays and holidays included.

To Show Foreign Movies at Elk Rapids Theater

Regular programs of foreign films will be started as an entertainment policy at the State Theatre in Elk Rapids in October according to H. D. Coddington of Traverse City, owner of the theatre.

The series will begin Oct. 5-6 with the showing of "To Paris with Love" starring Alec Guiness following by " Lovers in Paris", a French film with Engligh subtitles Oct. 19-20.

Tentative plans are for the scheduling of several Swedish films, directed by Ingmar Bergman, and perhaps a German musical.

As a general rule, the films will not interest children so attendance will be limited to those 18 or over. The films will usually be shown on Wednesday and Thursday.

In announcing the special series of foreign films, Mr. Coddington local "appetite for foreign films. said that he helieves there is a Many people have traveled aboard where they have seen and A special admission with cofliked foreign movies. fee in the lobby, compliments of the management, will be a feature of the special series.

Announcing the 1961 Ford . . .
Beautifully proportioned to the
CLASSIC
FORD
LOOK

An honor to be proud of, this is the medal presented by the international fashion authority, Centro per L'Alta Moda Italiana, to the 1961 Ford for functional expression of *classic beauty.*

The 1961 Ford Galaxie Club Victoria—beautifully built to take care of people

BEAUTIFULLY BUILT TO TAKE CARE OF ITSELF

The 1961 Ford introduces a whole new concept of what a car can do for you . . . *and for itself!*

It lubricates itself. New nylon bearings and a newly developed lubricant keep the '61 Ford freshly greased for 30,000 miles. Good-bye grease racks! What's more, it cleans its own oil. The 1961 Ford's Full-Flow oil filter lets you go 4,000 miles between oil changes.

It adjusts its own brakes. A "mechanical brain" keeps brakes adjusted for the life of the lining.

Rust? Ford's body is specially processed to resist corrosion, even to galvanizing body panels beneath doors.

Ford takes care of itself on the turnpike, too, with a new 390-cu. in. Thunderbird Special V-8 that has all the punch you'll ever need. The 352 Thunderbird Special V-8 and 292 Thunderbird V-8 thrive on regular gas. And, for top economy, you can choose the '61 Mileage Maker Six.

This is the 1961 Ford . . . beautifully proportioned to the Classic Ford Look...beautifully built to take care of itself.

HERE'S HOW THE '61 FORD TAKES CARE OF ITSELF

LUBRICATES ITSELF. You'll normally go 30,000 miles without a chassis lubrication.

CLEANS ITS OWN OIL. You'll go 4,000 miles between oil changes with Ford's Full-Flow oil filter.

ADJUSTS ITS OWN BRAKES. New Truck Size brakes adjust themselves automatically.

GUARDS ITS OWN MUFFLER. Ford mufflers are double-wrapped and aluminized—normally will last three times as long as ordinary mufflers.

PROTECTS ITS OWN BODY. All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing body panels beneath doors.

TAKES CARE OF ITS OWN FINISH. New Diamond Lustre Finish never needs wax.

Tilenius-Welsheimer Nuptial Vows Spoken at Toledo, Ohio.

The Evangelical Lutheran church of the Reformation in Toledo, Ohio, was the scene Saturday of the wedding of Mathilde Gertrude Tilenius and Fenn Philip Welsheimer.

The bride is the daughter of Mr. and Mrs. Henry K. Tilenius of Toledo and the bridegroom is the son of Mrs Leslie Donald Welsheimer of this city and the late Mr. Welsheimer.

The Rev. J. L. Erber officiated at the service before a candle-adorned altar flanked by arrangements of autumn flowers in a fruits of the vineyard motif.

Escorted to the altar by her father, the bride wore a full length bridal gown of white silk brocade featuring a portrait neckline shawl. A crown of twisted brocade entwined with pearls held her short veil of silk illusion. She wore pearl earrings, a gift of the bridegroom. She carried a bouquet of stephanotis and ivy in regal arrangement.

Mrs. Thomas Krell of Sault Ste. Marie attended the bride as matron of honor. She wore a mace green peau de soie gown fashioned after the bridal gown. Her bouquet of autumn flowers held fruits of the vineyard.

Dean L. Welsheimer of Boyne City assisted his brother as best man. Ushers were George L. Tilenius of Englewood, Calif., brother of the bride, and Herbert L. Boss of Charlevoix.

Mrs. Tilenius selected a pewter silk ensemble and beige and cinnamon accessories for her daughter's wedding. Mrs. Welsheimer, mother of the bridegroom, wore a twilight blue chiffon gown and matching accessories. Corsages of autumn flowers complemented their costumes.

Immediately following the 4 p. m. ceremony, out-of-town guests were entertained at the home of the bride's parents. A reception supper dance was held at the Northwood Villa during the evening.

After a motor trip through Wisconsin, the couple will make their home at Ironton.

The bride is a graduate of Western Michigan University and has been affiliated with the Orthopedic School of Sault Ste. Marie since her graduation, The bridegroom is a civil engineer graduate of Tri-State University in Angola, Ind., and is presently employed by the Bechtel Corp., of San Francisco, Calif., at the Big Rock Nuclear Power Plant.

Among those attending the wedding were Mrs. Welsheimer, Miss Lillis M. Flanders, Mrs. Birdie Gleason and Mr. and Mrs. Boss and family of Charlevoix and Mr. and Mrs. Dean Welsheimer of Boyne City. Other wedding guests were present from Sault Ste. Marie, Rockford, St. Joseph, Brighton and Detroit, Mich., White Plaines, Conn., Albany, N. Y., Angola, Ind.; and Chicago, Ill.

Mr. and Mrs. William Marme and family left last week for West Hollywood, Fla., for the winter months.

Mr. and Mrs. Johnson Have Been Married Fifty-eight Years

Mr. and Mrs. H. Pearl Johnson, pioneer residents of this community, will observe their fifty-eighth wedding anniversary Tuesday.

No formal observance of the occasion has been planned. The day also will mark Mr. Johnson's eighty-second birthday anniversary.

Mr. and Mrs. Johnson were married at Petoskey Oct. 4, 1902.

Mr. Johnson is a native of Grand Haven where he was born Oct 4, 1878. He came to this community as a young man and served with the U. S. Lifesaving Service which later became part of the U. S. Coast Guard. As a members of the crew of the local station, he helped construct the main part of the Lifeboat station still in use. Later he served at Michigan City, Ind. While serving there he was injured while on a lifesaving mission in 1900 and was forced to retire. Later he worked as a commercial fisherman and house painter.

Mrs. Johnson is the former Esther Taylor. She was born in Marion township Jan. 3, 1884.

Except for the time spent at Michigan City, and from 1937 to 1951 when they lived in Oregon, the couple has always lived here.

They have one daughter, Mrs. Wayne Ford of Grand Rapids, and a son, Archie Johnson of Coopersville. They also have five grandchildren and 15 great grandchildren.

Mr. and Mrs. Hawley Attend National Insurance Meet

Mr. and Mrs. E. D. Hawley were in Atlantic City, N. J., Monday through Wednesday for the 64th annual convention of the National Association of Insurance Agents.

The NAIA is an association of almost 35,000 local independent agencies representing more than 100,000 agents from 50 states, the District of Columbia and Puerto Rico.

Mr. Hawley is a member of the Michigan Association of Insurance Agents.

Past Matrons Club Host at Dinner

The Past Matrons Club of Charlevoix, headed by Mrs. Alfred Gill Jr., entertained fellow members from East Jordan and Boyne City Monday evening at a co-operative dinner at the Masonic Temple.

Arrangements of autumn flowers decorated the dinner tables.

Mrs. Henry Erber who visited Europe last summer with an International Country Women's group showed slides taken on the trip at the program which followed the dinner.

More than 30 members from the three clubs attended.

Mr. and Mrs. Barry Pischner of Grand Rapids spent the weekend with their respective parents, Mrs. Emil Pischner and Mr. and Mrs. Sims Baker.

I See By The Courier . . .

Mr. and Mrs. Marshall Ackert returned to Owosso Sunday after spending the weekend here. The former's father, Morris Ackert, accompanied them to Owosso for a two weeks visit.

Mr. and Mrs. Erwin Belfy Jr. and family, accompanied by Mary Moore, spent last week on a trip through the Upper Peninsula.

Mrs. C. M. Bice left Sunday for Ormond Beach, Fla., to visit her mother, Mrs. C. M. Jurgens, and his brother and sister-in-law, Mr. and Mrs. William Jurgens.

Becky Badger, a teacher in the Birmingham schools, spent the weekend with her mother, Mrs. Dorothea Badger.

Mr. and Mrs. George Haggard of Toledo, Ohio, spent the weekend with his mother, Mrs. Gregory A. Shadko and Mr. Shadko.

Mrs. Howard Pearl and three children are making an extended visit with her mother, Mrs. Emil Pischner, and her parents-in-law, Mr. and Mrs. Ruben, Mr. Pearl, who has been employed in Pontiac until recently, has gone to Seattle, Wash., where he has accepted a position with the Boeing Aircraft Corp. Mrs. Pearl and children will join him after Dec. 1.

Mr. and Mrs. Harry Goldberg and daughter have returned to Grand Rapids following a weekend visit with Mrs. Goldberg's parents, Mr. and Mrs. Bernie Ward Sr.

Mr. and Mrs. G. B. Houston left Tuesday for Hollandale, Fla., where they plan to spend the winter.

Mr. and Mrs. Fred Hurry of Vicksburg visited Monday with Mr. and Mrs. C. J. Fiedler who had as their guests Tuesday Rev. and Mrs. John Cole.

Mr. and Mrs. Andrew Miller left Tuesday for a month's visit in Kalamazoo with the latter's son and daughter-in-law, Rev. and Mrs. W. D. Wood, before leaving for High Springs, Fla., for the winter months.

Lt. and Mrs. Benjamin Beach and two children have returned to Beverly, Mass., following a 10-day visit with Mrs. Beach's parents, Mr. and Mrs. Victor Douglas.

Mr. and Mrs. Harry Sanford of Ann Arbor and the latter's brother, Charles Dean, of Pontiac, have returned to their respective homes following a 10-day visit with their brother and sister-in-law, Mr. and Mrs. Datus Dean.

Joan Nelson of Grand Rapids spent the weekend here with her mother, Mrs. Trina Nelson.

Cub Scouts to Hold Organizational Meet Tonight

The Cub Scout organizational meeting will be held at the city hall at 7 p. m. tonight. (Thursday)

All boys in the eight through 10 year old age group who are Cub Scouts or who are interested in becoming Cub Scouts are invited to attend the meeting and register for the Cub Scout program. All Cubs must be accompanied by a parent.

Den Mothers and Cub Scout leaders are also invited to attend. This invitation includes those interested in working with Cub Scouts for the first time.

Parent-Teachers Hold First Meet Wednesday Night

The meeting of the Charlevoix P.T.A. will be held at the high school band room at 8 p.m. Wednesday, Mrs. Charles A. Duerr, president of the group, has announced.

The film, "A Desk for Billie" which tells the story of a child of a migrant worker and her desire to become a part of the community and the school, will be a feature of the meeting at which the program for the year will be discussed. A membership drive will also be launched at the meeting.

Refreshments will be served by 12th grade room mothers at the social hour to follow.

Jaycees Elect William Cooper New President

M. L. Benton of Owosso, president of the Michigan JayCees, headed the group of nine executive board members who met Friday night with the Charlevoix JayCees in a move to re-organize the local club.

Others who were present were George Horner of Saginaw, James Turmals of Allen Park, Rodney Linton of Detroit, Allan Hill of Holly and Robert Brown of Farmington, all national JayCee directors, Gene Wolf of Traverse City, Joseph Keroe of Kalamazoo, Dewey Franco of Allen Park and Carl Jordan of St. Clair Shores, vice presidents of Districts 16, 1, 6 and 7 respectively.

Purpose of the meeting called by Mr. Horner and Mr. Wolf was to stimulate interest in the JayCee program and assist in the reactivation of the local club whose membership has shown a sharp decrease after getting off to a flying start.

At the business meeting William Cooper was elected president to succeed Nicholas Hamilton who moved to Traverse City recently.

Mr. and Mrs. Benton were honored at the social hour which followed.

Presenting New Cars for 1961

★ ★ ★

Lancer by Dodge

THE 1961 LANCER, Dodge's new entry in the compact car field, is available in a variety of two- and four-door sedan, hardtop and station wagon models. Above is the four-door sedan.

Tempest Sedan by Pontiac

BUILT on a 112-inch wheelbase the Tempest sedan features a 4-cylinder, front-mounted engine, a rear transmission and unit body construction, with an overall length of 189.3 inches. Carrying out Pontiac's famous wide track design, this family-sized car has a roomy interior, a flat floor and a spacious rear luggage compartment. Fifteen exterior colors in durable acrylic lacquer and luxurious interiors in 14 different trim combinations are available.

The Dart by Dodge

THE DART is Dodge's increasingly popular entry in the low-price field. Economy has been stressed in every component of the 1961 models. The new tires give 15 per cent more mileage. The six- and eight-cylinder engines operate on regular grade fuel. An alternator prolongs battery life. The all-rustproofed Unibody and high-quality enamel assure a longer life and a brighter finish.

Buick's New Lightweight Special

Big car comfort and styling are combined with the ecomomy of the small car in Buick's new lightweight Special four-door sedan, powered by the first American aluminum V-8 engine in the automobile industry. The Special is mounted on a 112- inch wheelbase, is 188 inches long and weighs only 2,700 pounds, some 1,600 pounds lighter than the convention-size Buick. Its high compression V-8 engine develops 155 horsepower, giving it outstanding performance comparable to the bigger models in the Buick line. The Special comes in two body styles, a four-door sedan and a four-door wagon with a deluxe version offered in each. A new dual-path turbine drive transmission is offered as optional equipment, along with power steering, and air-conditioning.

Tomato is Rated as Leading Vegetable

For decades, most Americans poisonous and grew it only as ornamental curiosity. Now they are gobbling up tomatoes at a rate generally regarded the tomato as of 4½ millions tons a year.

More tomatoes are canned than any other vegetables. Excluding potatoes, which are often classified as a field crop, tomatoes rank above all other truck crops in dollar value.

Tomato juice became popular after World War 1. Today Americans consume a major part of the nation's huge tomato crop as juice between or before meals.

The tomato, besides being intolerant of extreme hot and cold, is highly perishable. It is subject to many enemies, including virus, mildew, mites, worms, ants and turtles.

Marilyn Hober Guest of Honor At Open House

Mr. and Mrs. Gregory A. Shadko entertained Saturday afternoon and evening at an open house at their home at which Marilyn Hober of Maybee, fiance of the former's son, Warren J. Shadko of Jackson, was introduced to relatives and friends.

Autumn flowers and tapers decorated the refreshment table.

Justice Court

Justice John Connolly reports the following cases which appeared in his court recently.

Alfred Stanek, 72, of East Jordan, charged with fraudulently obtaining assistance through the Bureau of Social Aid, waived examination and was bound over to the October term of circuit court. He was released on personal bond. The summons was issued by the Charlesvoix county Bureau of Social Aid.

George E. Whipple, 23, of Grand Haven, charged with speeding, was ordered to pay $10 fine and $4.55 costs. Summons was issued by the State Police.

Ralph D. MacDougal, 49, charged with failure to stop at a railroad crossing with a truck carrying inflammable material, was ordered to pay $5.00 fine and $4.30 costs. Summons was issued by the State Police.

Carlton H. Smith, 47, charged license, was ordered to pay $5.00. Summons was issued by the State Police.

One hundred and twenty years ago, reports the Tax Foundation, the Federal Government discovered it had a surplus of $28 million. It solved the problem by distributing the money to the 24 states of that time, ostensibly on a loan basis. From that little acorn great oaks have grown. In fiscal 1960, federal grants of all kinds the states came to $7.4 billion. The figure for fiscal 1961 is estimated at a little less—$7.1 billion.

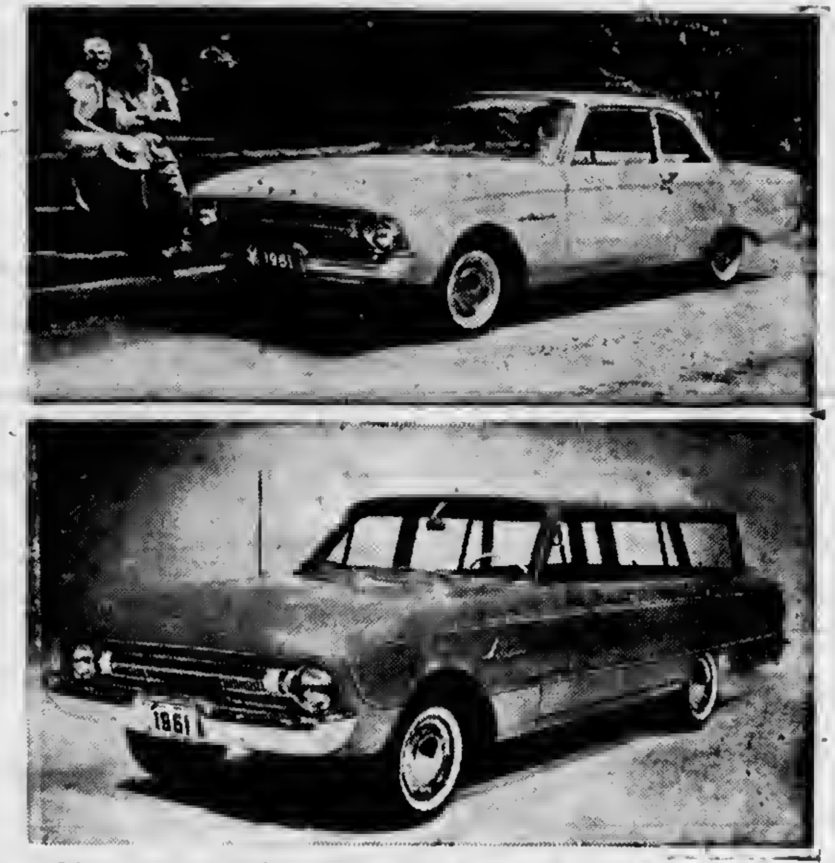
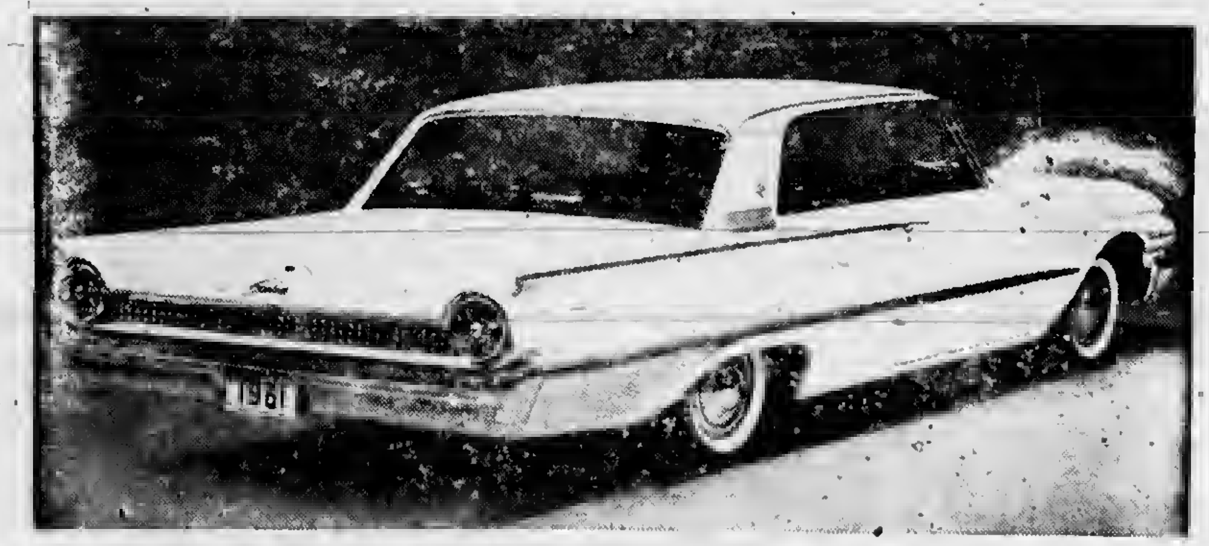
Ford Falcons for 1961



The 1961 Ford Falcon (Tudor Sedan, top) features a new, convex-shaped aluminum grille and introduces a new optional, 101-horsepower engine along with durability improvements in aluminum surfaces, underbody parts and other trim items. The Falcon, most successful new car in history, delivers up to 30 miles per gallon on regular grade gasoline. The Fordor station wagon (bottom) features the convenient roll-down tailgate window and a 76.2-cubic-foot load space, comparable to that of the 1937 Ford. The 1961 Falcon will be offered in four models—two- and four-door sedans and two- and four-door station wagons. The new Falcon preserves the styling of the 1960 model, and continues to offer six-passenger seating room, the sports car feel, and 23.7-cubic-foot luggage capacity.

The New Ford Galaxy



The 1961 Ford Galaxie Club Victoria, a new model in the Ford line that will be introduced to the public on September 29, features crisp, new styling that has been honored by an international fashion authority in Rome for its "functional expression of classic beauty." The new Fords are nearly four inches shorter and two inches narrower for greater maneuverability, and introduce 30,000-mile lubrication. Other engineering features include self-adjusting brakes, double-wrapped aluminized muffler, longer-lasting bright trim and underbody parts, and a 4,000-mile oil change interval. A new optional 390-cubic-inch high [illegible]ance engine also is available.

Olds Offers New F-85

A new smaller automobile—the F85—has been added to the Oldsmobile line for 1961. The new model will go on sale Oct. 6 at the Parsel Garage and other dealers throughout the nation.

"The F-85 brings traditional Oldsmobile quality, performance and styling into the low-priced field for the first time," says J. F. Wolfram, Oldsmobile general manager. This new smaller model, a full six-passenger car, will be offered in two body styles, a four-door sedan and a four-door station wagon, with deluxe versions of each.

Built on a 112-inch wheelbase, it is 71.6 inches wide, 52.6 inches high with an overall length of 188.2 inches. The luggage space is 12.1 cubic feet. The F-85 has a curb weight of 2695 pounds, some 1500 pounds less than its full-sized brother, the Dynamic 88.

The power plant is a new aluminum Rockette V-8 engine, the product of more than three years development work by Oldsmobile and General Motors research engineers. It is a water-cooled 215-cubic inch engine with dual-throat carburetor and a compression ration of 8.75 to 1. The Rockette is rated at 155 horsepower and is said to operate efficiently on regular grade gasoline. A completely new light weight Hydra-Matic transmission is offered as optional equipment.

Models are offered in a full range of 15 exterior Magic-Mirror colors, including nine methalic finishes. Interiors are of all-Morocceen, or Morocceen and cloth combinations in blue, gray, fawn, green or red.

Justice Court News

Justice John Connolly reports the following cases which appeared in his court recently.

Thomas R. Wellman, 21, of Boyne Falls, charged with breaking and entering Bell's restaurant in Boyne City in the night-time, demanded examination when he appeared before Justice Connolly Monday. Examination was scheduled for Oct. 5. Bond was set at $1,000 and he was remanded to the county jail when he failed to furnish it. Summons was issued by the State Police who arrested Wellman a few hours after he had been released from the county jail.
with driving while under the

Jack J Mulvihill, 38, charged influence of intoxicating liquor, entered a plea of not guilty when he appeared in justice court Monday. Trail was set for Oct. 10, in this court. He was released on $100 bond. Summons was issued by State Police.

Robert W. Fox, 23, of Lansing, charged with refusal to comply with a police order and with illegal overtaking and passing, was ordered to pay $15 fine and $4.30 costs on each of the two charges. Summons was issued by the City Police.

Joseph J. Czerkie, 36, of Petoskey, charged with reckless driving, was ordered to pay $25 fine and $4.30 costs. Summons was issued by the State Police.

Lloyd Shepherd, 39, of Boyne City, charged with illegal parking on the highway, was ordered to pay $5 fine and $5 costs and was sentenced to five days in the county jail. Summons was issued by the Sheriff's department.

Tom M'angwie, 39, charged with being drunk and disorderly, was ordered to pay $10 fine and $5 costs and sentenced to 10 days in the county jail. Summons was issued by the State Police.

Robert McDermott, 26, charged with failure to yield right-of-way, was ordered to pay $5 fine and $4.30 costs. Summons was issued by the City Police.

Herbert B. Moore, 35, charged with driving at greater speed than reasonable for highway, was ordered to pay $5 fine and $4.55 costs. Summons was issued by the City Police.

Allen Towsley, 19, charged with having no muffler on a motor vehicle, was ordered to pay $5. Summons was issued by the City Police.

Darrel J. Irwin, 27, of Ypsilanti, charged with gross indecency at the examination held last Wednesday, was bound over to the October term of circuit court. He was returned to the county jail after failing to furnish $5,000 bond set by Justice Connolly. He first appeared in justice court Aug. 17 and demanded counsel. The case was continued to Aug. 31. When he appeared on the latter date he demanded examination which was held Sept. 14.

Rayders Handed First Defeat Since 1957

Boyne City Ramblers Outscore Local 14-6

The Charlevoix Radyers bowed to the Boyne Ramblers by a score of 14 to 6 in a game played at Kipke field Friday night.

The loss to the traitional rivals marked the Rayders first defeat since November 1057. It also snapped the Radyer victory string at 17 games.

Starting on the Rayders in this important game were Sam Supernaw, Perry Smith, Gene McBride, Henry Wagner, Jim Dennis, Terry DeYoung, Darrel Somerville, Spencer Root, Jerry Keiser, Tom Martin, and Dave Barnes with Dave Burke, Bob Grunch, Tom Louiselle, Stan Martin, Gary Spencer and Denny Wojan joining the action early in the game.

In a game which could have gone either way, the Charlevoix outfit found themselves trailing 7 to 0 at halftime after Boyne City had scored on a 60 yard pass play with 34 seconds remaining in the second period.

In the third period the Rayders struck back to score with 1:35 remaining in the quarter but found themselves at a disadvantage when they failed to score the point after touchdown.

On the fourth play of the final period the Ramblers scored again to take a 14 to 6 lead which they successfully defended throughout the remainder of the game.

Boyne City won the toss in the game and chose to receive. They took the kick-off on their own 38 yard line and picked up a first down to the Charlevoix 46 before two penalties halted them and they were forced to punt.

The Rayders took the punt on their 18 and with Smith, McBride and Supernaw carrying the ball picked up three first downs to their own 40 where the action bogged down and they punted out of danger.

Boyne took over on thier own 36, moved the ball to the Charlevoix 49 on a pass play where the Rambler offense went into action. In three plays they moved the ball to the Rayder 25 but a penalty set them back to the 30. A bad pass from center found the Ramblers back on the Rayder 40 from where they punted to the Charleveix one-yard line. The Rayders were in possession of the ball on their own 11 as the quarter ended.

Charlevoix moved out to the 18 yard line where they fumbled with the Ramblers recovering. The Charlevoix line held and the Rayders took over, moving the ball out to the 43 when they gave up the ball on fourth down. With 34 seconds remaining in the first half, Glen Tatham let loose with a pass to Doug Grubbe who romped some 30 yards to score. The play covered 63 yards. Bill Heiermann added the conversion point with a kick to put the Ramblers ahead 7 to 0 as the half ended.

Charlevoix took the kick-off to open the second half action. After failing to pick up yardage, the Rayders punted to the Boyne City 43. The Ramblers moved the ball to the Charlevoix 49 but lost it to Charlevoix at midfield on a fourth down gamble. In a series of 12 plays the Rayders moved the ball to the seven where Supernaw went over to score. The attempted conversion run was halted short of the goal line as the score stood at 7 to 6 with 1:34 left in the period.

Charlevoix kicked off to the Ramblers who were in possession of the ball on the Rayder 39 as the period ended.

Breaking through the Charlevoix defense on four line plays the Ramblers moved the ball to the 26 yard line from where Tom Kujawski, on an end sweep, went in to score. Heiermann again booted the conversion point to put the Ramblers ahead 14 to 6.

Charlevoix took the kick-off on their own 31 and a pass play moved the ball to the 42 for a first down. Charlevoix in a series of ground plays advanced to the 29 where Boyne City took over on downs.

In an attempt to run out the clock, the Ramblers stayed on the ground and moved the ball to the Charlevoix 37 where they fumbled and Charlevoix recovered. In a desparate attempt to get back in the game, the Rayders took to the air only to have the Ramblers intercept a pass on the Charlevoix eight as the game ended.

One touchdown marked the difference between victory and defeat in all games played in the Northern Michigan Class C league Friday night.

The Charlevoix Rayders bowed to the Boyne City Ramblers by a score of 14 to 6; Mancelona won over East Jordan 13 to 6; Gaylord edged Grayling 7 to 0 Harbor Springs won over Pellston 12 to 6.

MANCELONA 13 E. JORDAN 6

In a game played at East Jordan in which the Red Devils were well in command during the first half, Halfback Ron Sulak went 11 yards around right end to put his team ahead 6 to 0 midway in the second period after the kick for the extra point was missed.

However, the Mancelona offensive started to roll in the second half as the Ironmen took command. Late in the period Denny LaCroix went over from the 12 yard line on a quarterback sneak to tie the score 6-all. The score remained a tie after the kick for the extra point was wide.

Playing a close game in which both teams were evenly matched it was late in the last period before Halfback Jerry Bengtson scored from the 7 yard line to give Mancelona a 12 to 6 lead. Halfback Ken Johnson romped over for the conversion point with less than four minutes remaining.

Yardage in the game totaled 204 for East Jordan and 103 for Mancelona.

GAYLORD 7 GRAYLING 0

In the Gaylord-Grayling game on the Blue Devils field, the game remained scoreless until midway in the third period when Quarterback Tom Tapio passed 14 yards to right end Bob Merry for the only touchdown of the game. Halfback Dick Farrant plunged over to make the score 7 to 0.

The game featured great defensive play by both teams with the play concentrated between the 30 yard lines except for Gaylord's lone TD and two occasions when the Blue Devils advanced to the 18 yard line in the first half.

In the final period, Grayling's Mike Young romped 30 yards after picking up a ball on a Gaylord fumble immediately following a Viking punt only to have the ball declared dead at the point of the fumble.

—o—

HARBOR SP. 12 PELLSTON 6

Playing at Pellston, Harbor Springs' speed proved to be the difference in the two teams as Halfback Tom Graham, on a reverse off tackle, scampered 40 yards midway in the third and 15 yards early in the final period to account for the Rams' scoring.

Pellston's single touchdown came in the final period after the Hornets took the kickoff and marched to the one yard line where Merrill Cameron plunged over for the TD.

The Boyne City Ramblers are pictured here stopping the ball-toting Rayder almost in his tracks in the game Friday at Kipke field which snapped the Charlevoix winning streak at 17 games.

Pictured (l to r) are Sam Supernaw (22), Tom Martin (72), Perry Smith (10), Dave Barnes (53) and Terry DeYoung.

Four Football Games Scheduled for Friday

As the Northern Michigan Class C schedule goes into its second week, Charlevoix will travel to Grayling. Mancelona will host Pellston, Boyne City will invade Gaylord and Harbor Springs will entertain East Jordan.

The Charlevoix Radyers, stinging from a defeat at the hands of Boyne City, will travel to Grayling this week to take on a Viking squad which last week held Gaylord to a one-touchdown victory. Grayling, this year, is fielding its best squad in recent years, a team which boasts a number of scrappy veterans intent on proving themselves. This alone would make them a strong adversary.

Charlevoix, on the other hand, is a team whose line-up includes few veterans. This was one of the main factors in the Rayders loss to the Ramblers who boast a backfield which has played as a unit for three years. But despite their inexperience as a playing group, the Rayders should come through with a win over the Vikings.

Mancelona came through with a second half victory East Jordan last week and should have little trouble this week with the Pellston Hornets who were downed by Harbor Springs 12 to 6 in their first game of the season. Coach Matt Jacobson seems to have come up with a well balanced squad with a backfield that is said to be even better balanced than the 1959 outfit that included the top scorer in the loop, Jason Buckwheat. Jerry Bengtson, back in action after a year on the sidelines because of injury suffered in softball, Walt Klein, Kenny Johnson and Denny LaCroix seem to have the proper ingredients for a winning combination and combined with a scrappy line should give all comers a close game. Pellston is showing a lot of promise and should shape up well before the season is too old. This, however, is not expected to be their week.

The Boyne City Ramblers, flying high after their defeat of the Rayders, will coast into Gaylord this week to take on the Blue Devils. Though the latter made a good showing against Grayling, they do not seem to have the experience and strength to stop the Ramblers, a well-balanced experienced outfit that should go far.

The East Jordan Red Devils, a veteran studded outfit, will find themselves up against another veteran squad this week when they take on the Harbor Springs Rams in the Ottawa Indian stadium. Both teams boast almost full teams from last year. Though the Rams have one league victory to their credit, the Red Devils will be favored in this meeting.

CHARLEVOIX PUBLIC SCHOOLS

MINUTES OF SCHOOL BOARD MEETING

September 6, 1960

Present: Dinwiddie, Blanchard, Lieberman, Freedman, A. Smith, C. Smith, Bennett, Supt. Absent: Martin.

The meeting was called to order at 8:12 p.m.

Minutes of a regular meeting held August 22 were read and approved, as were those of a special meeting held August 26.

Moved by Freedman and supported by A. Smith that bills in the amount of $7,420.30, payable from General Fund, be approved and ordered paid. Motion carried: 6 - 0.

Moved by Freedman and supported by Dinwiddie that bills in the amount of $98,829.19, payable from Building & Site Fund, be approved and ordered paid. Carried: 6 - 0.

It was moved by Freedman, supported by C. Smith, that Change Order No. 3, Wares & Son, for the installation of three new area drains in the north driveway and parking area, with connecting drains, for an additional $1,221.94, be approved and the Superintendent authorized to execute same. Carried: 6 - 0.

A letter was received from the American Legion Post reversing its former offer to sell the easterly 200 feet of their property to the school district for $25.00, and setting forth a new offer of $1,000 for the same 200 feet, with the proviso that the remainder of their property and their building in no way be disturbed. Inasmuch the executive committee of the American Legion, at a special meeting in session with the Board, had emphasized that they did in no way wish to delay construction of the new high school building, and would sell to the school district the easterly 200 feet of their property on Garfield Avenue for the total sum of $25.00, no decision will be made at this time with regard to the counter proposal of the Post membership to sell said 200 feet for $1,000.00.

Mr. Bennett reported on the recommendation from the Department of Public Instruction that the original Bond Attorney be consulted regarding the use of Building Site & Funds for purpose other than actual construction.

The Central Michigan University project for in-service training for teachers was explained and the representative of the university was invited to meet with the Board at a later date, to present the total in-service program as financed by the Ford Foundation.

Mr. Freedman was excused for a short time.

The organization of Northern schools, in co-operation with C.M.U., U. of M., and M.S.U., in their plan for the study of all teaching media, was presented by Mr. Bennett—who was then instructed to make a further study and to take an active part in the program.

It was moved by A. Smith, supported by Dinwiddie, that a membership in the American Guidance and Personnel Association, for a fee of $15.00 for the year, be approved. Motion carried: 5 - 0.

It was moved by Dinwiddie, supported by Blanchard, that $98,000 of U.S. Government Securities, in the Building & Site Fund, be sold to meet current bills. Motion carried: 5 - 0.

Mr. Freedman returned.

It was moved by Dinwiddie, supported by C. Smith, that the school district borrow $20,000 in anticipation of the receipts of State Funds, the notes to be dated September 28, 1960, and be due and payable not later than September 1, 1961, at 4% interest. Motion carried: 6 - 0.

On motion of C. Smith, supported by Freedman, salaries were established for the following employees of the Hot Lunch Program: Marie Blissett and Norma Cunningham. Carried: 6 - 0.

It was moved by A. Smith, supported by Blanchard, that the salaries of the bus drivers be raised by $50.00 for the school year 1960-61. Motion carried: 6 - 0.

After some discussion it was moved by Blanchard, supported by Freedman, that in hiring new bus drivers they be placed on a probationary period of 60 days at a salary not to exceed $850.00. Motion carried: 6-0.

The following problems were discussed at length:

The new Scoreboard — its installation and operation.

The janitorial program.

Students' driving cars to school.

The meeting adjourned at 11:10 p.m.

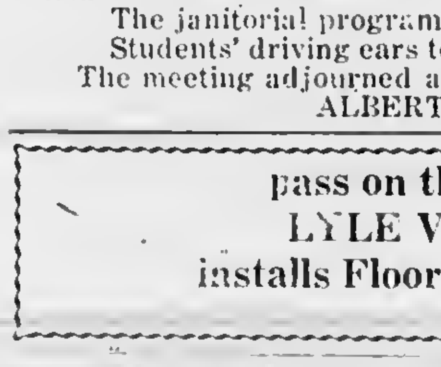
Famous News Commentator Gives Secret of Good Insurance Protection



"Most sensible people insure their cars and homes through independent insurance agents," says H. V. Kaltenborn, dean of radio newscasters.

When you've lived as long as I have," octogenarian Mr. Kaltenborn continues, "you get to know how important the service of, say, a good lawyer or a good insurance agent can be. I wouldn't know how to begin to handle my own insurance."

He points out the difficulty of knowing the best company for home or car insurance. "And I doubt if one company is best for all," he says. "Or suppose I have a disagreement with an insurance company? I don't have the time, energy or ability to handle my own insurance problems," concludes Mr. Kaltenborn. "That's why, like most people, I have an independent agent."

'61 CHEVY TRUCKS
WITH WORK-PROVED INDEPENDENT FRONT SUSPENSION!

Chevy's '61 fleet swings in with a ready-made reputation as the trucks that are worth more because they work more . . . the latest editions of the haulers that **scrapped the I-beam axle and proved the important advantages of independent front suspension!**

You'll find new models for '61—long-wheelbase 4-wheel drive units—and thoughtful refinements throughout the line. But the big news for '61 is nailed-down proof (based on owner reports) that Chevy's torsion-spring design is the best thing that's happened to trucks in decades!

With Chevy's independent front suspension and Sturdi-Bilt design, you cruise over trails where other trucks creep. You feel the difference in less wheel fight and vibration. You can see why drivers are happier, why loads are better protected and why the truck itself will stand up to thousands of miles of more work. That goes for any size Chevy, too—pickups, tilt cabs, tandems, all of them.

Check the latest specs with your Chevrolet dealer: capacity, power teams, options. Then, by all means, drive a '61. Once around the block and you'll never be satisfied with a front axle truck again!

The Dutch are building an entirely new seaport—Europoort—west of Rottedram, the National Geographic Magazine says. When opened in 1965, it will boast new steel, chemical, and oil-processing plants, and the largest dry docks in the world. The harbor will be able to handle ships up to 100,000 tons. Designed to serve the European Common Market, the port is envisioned as the "gateway to Europe."

Chevrolet Presents New '61 Truck Models

Continuation of the highly successful suspension system introduced last year, moderate front style changes, and refinements in chassis and cabs mark the 1961 Chevrolet truck line. Proved by one full year of customer use, the suspension features independent front springing with torsion bars and rear coil or variable rate springs. Cab improvements include a smaller floor tunnel in some models for increased leg and foot room, and an optional six-inch thick foam rubber seat.

To Hold Annual Feeder Cattle Sale At Gaylord Oct. 13

The 15th annual feeder cattle sale will be held Gaylord Thursday, Oct. 13, under the sponsorship of the Northern Michigan Beef Breeders Association, according to E. K. Shanahan, a member of the board of directors.

In announcing plans for the sale following a recent meeting of the executive committee, Cmdr. Shanahan of the Birchwood ranch said that the association anticipates the largest sale in the history of the group. With two weeks remaining before the sale, 1,700 head of feeder cattle has already been consigned with more coming in daily, he said. The overall total is expeted to surpass that of 1959 when 2,027 head of young feeder stock was sold in the one-day sale making it the highest total of any similar sale in the state.

The price, however, is expected to be lower than last year when steers brought an average of $34.95 per hundredweight and heifers an average of 31.81, the highest paid in the state.

Approximately 90 consignors, all members of the association, sell feeder stock at the Gaylord sale where the stock consigned are graded according to sex, weight and breed and assigned to pens. Calves are sold in pens containing as many as 55 head.

It is expected that approximately 900 steer calves, 700 heifer calves, 300 yearling steers and 200 yearling heifers from commerical beef herds from througout Northern Michigan, will be consigned to the sale. Most of the cattle are Herefords although several Angus groups with some 100 head of Charollaise-Hereford crossbreds will make up the 1960 consignment. The latter is a large, fast-growing breed introduced only recently in northern Michigan.

The Gaylord sale is one of six sponsored by cooperative feeder cattle producer association. The others are held at Bruce Crossing, Escanaba, Baldwin, Alpena and West Branch.

Lutherans to Meet At Hillman Sun.

The northern zone of the Lutheran Women's League will hold its annual fall rally at the Hillman church on Sunday October 2, at 2:30 p.m.

Mrs. Jeanne Arnett, case work supervisor for the Children's Friend Society is scheduled to speak immediately following the business meeting.

LANSING OBSERVER

By FRANK G. MORRIS

Starting in February, lessons will be televised to school children of Michigan and five other states from an airplane five miles above the earth.

The project will cost $7 million, a sum that would build a lot of classrooms down on the ground.

No one can explain exactly what our educators are trying to prove. The lessons will be made on video tape. It will be loaded four days a week on a huge DC-6 equipped with television broadcasting devices. The plane will take off from a landing field at Purdue University, where a new runway is being constructed for the purpose.

When the plane is between four and five miles high, the broadcasting will start on an ultra high frequency channel and entranced children will watch receiving sets in classrooms in Michigan, Ohio, Indiana, Wisconsin, Illinois and Kentucky.

It is difficult to understand why movie film cannot be sent by mail to the schools participating in the program, thus saving the cost of an airplane. And no one has explained why education will be more effective by this strange mechanical process than by the old-fashioned method of book-learning guided by a teacher.

The programs will be received by both elementary and high schools and will include lessons in general science, physics, social studies, humanities, government, art, music and the the Russian, French and Spanish languages

Ultra-modern educators, preparng for ultra-high televising, cautiously point out that the experiment in being undertaken by a $5 million grant from the Ford Foundation and that another $2 million is expected from other contributors.

But no one should cinclude that this educational advance is entirely free. School districts will need money from taxpayers for receiving equipment. Technicians and teachers are being paid from public funds. And if our educators conclude the project is worthwhile, the states and the local districts will be expected to finance it in the future.

One outcome certainly will prove that this writer, whose father scoffed at those who had faith in the telephone, is far behind the times.

I remember Miss Edison. She taught a class of 34 boys and girls from the fourth grade through the seventh, advancing with us each year. She was short, slightly plumpish, slightly gray and very determined that each of us should receive the basic training which is the purpose of elementary schools.

She made us read aloud from Dickens and Wordsworth and Tennyson and Scott. We learned the sounds of consonants. We learned penmanship by exhaustive exercises, and we learned basic arithmetic that opened the door for alebra and geometry.

History was easy under Miss Edison because she imparted to us her love for mankind and the struggle of man for freedom and justice.

There were six or seven of us one year, weak in spelling, who met once a week at night in her home for special help. That was when I discovered she played the harp that was in the home where she roomed. Somehow, the harp was not inappropriate.

A major regret of my middle age is that I failed, during the busy years of struggling for a living, to visit Miss Edison, before she died at 82, to thank her and to kiss her goodbye.

Perhaps the adults who will be running this nation in 1990, if they become sentimental, can express gratitude by embracing the old television set in the corner of their old schoolroom.

Foreign Exchange Students, 'Foster' Parents Hold Joint Meet

They greeted each other warmly, eight teen-age boys and girls. Their smiles, and in some cases, tear-brightened eyes, revealed the fact that this was a special occasion.

Except for an unfamiliar accent, a pause as they groped for a word in English and, now and then, a word in German or Dutch, these youngsters, all in their late teens, might have been youngsters of the same age from any community in this country. They were actually eight exchange students from Germany and Holland who are spending the school year with families in seven northern Michigan communities.

Their meeting here last week marked the first time they had seen each other since arriving from their respective homelands late in August. Though most of them had not known each other before the trip, they are now drawn close by the fact that they are strangers, all on display, so to speak, in a strange new land where the language, especially the slang, and the customs puzzle them.

Accompanying the exchange students to the meeting called to acquaint the residents of the area with the program were their American 'foster' parents.

As those present gathered about the fireplace at Fellowship hall, Charlevoix Community Church of God, where a crackling fire added to the warmth of the meeting, Mrs. Arvid Andersen, director of the Youth for Understanding program sponsored by the Michigan Council of Churches, called the meeting to order, spoke briefly on its purpose and then asked everyone present to introduce himself. Students were asked to give 'thumbmail' sketches of themselves, along with information about their own families and their American families.

As they talked one was struck by their correct use of the English language, their poise and their friendliness. Their fathers are all in the professional or the business world; one, whose father is a teacher, had escaped from East Germany, leaving behind all their possessions, to cross into West Germany in order to live in freedom.

It soon became evident that these young people would be outstanding in any group and had been hand-picked as youthful ambassadors from their respective countries to the United States.

As Mrs. Andresen unraveled the history the exchange program and its stiff requirements, it became even more evident that here was the 'cream' of European youth for each student is screened thoroughly on a local level before his application reaches higher levels where he is interviewed and asked to write about himself, "a sure way to find out what the person is really like," she added.

According to Mrs. Andresen the program started shortly after World War II in an effort to bring about greater understanding between western European countries and the United States. The youths who had not been through the Nazi indoctrination program were the first selected to participate. As time went on it was found that these young people made excellent ambassadors for they have the spirit of advaenture, are interested in learning new things and, aside from their parents and brothers and sisters, have no one, such as a husband or wife, whom they would be reluctant to leave.

When they return to their respective homes they carry with them a ture picture of life in this country as they have experienced by living as a member of an American family.

In speaking of her experiences as director of the program for the Michigan Council of Churches, Mrs. Andresen also related some of the humorous experiences the youngsters have had with the language, the American way of life and other incidents which

Little Rayders Win Over Petoskey Reserves 51 to 13

Charlevoix's Little Rayders racked up a 51 to 13 victory over the Petoskey Reserves to open their season Tuesday night.

The local lads ran up a score 44 to 0 before the host team scored their two touchdowns. The entire J-V squad saw action in the meeting.

The young Rayders blocked a punt on the Petoskey 10 yard line to set up the first touchdown scored on a pass from Quarterback John Pearl to End Frank Curtis who went over on the first play from scrimmage.

Curtis made the score 12 to 0 later in the period on a 40 yard reverse. Before the half ended Dan Pearl scored from the 12 and Brendon LaBlance had gone in from the 15 yard line after taking a pitch-out from John Pearl.

Early in the second half Dave Rader recovered a Petoskey fumble on the Charlevoix 49 to set up the next touchdown which was scored by Herb Cummings on an 18 yard pass play from John Pearl. Pearl passed to Curtis for the conversion point. Later in the third period LaBlance intercepted a Northman pass on the Petoskey 39 and on the next play Pearl passed to John Ferguson for the tally. A duplication of the play added the extra point as the period ended with the young Rayders in possession of the ball after Bruce Kroken had recovered a Petoskey fumble.

On the first play of the last period Pearl passed to Curtis for another TD. A 33 yard pass play from Pearl to Curtis with Pearl going over for the extra point accounted for the Rayders 51 points.

Petoskey's Harold Keck romped 62 yards for the Northmen's first touchdown and Don Pollard went 70 yards later in the period for their second with Keck going over for the P. A. T.

J. Leo McGinnis, Former Resident Dies Unexpectedly

J. Leo McGinnis, 72, long time resident of Beaver Island and a patient at Grandvue Medical Facility for the past four years, died unexpectedly at the Charlevoix hospital Wednesday morning as he was being admitted as a patient.

Funeral services will be held at Holy Cross church at 10 a.m. Friday with Rev. Fr. Louis Wren officiating. Burial will be in Holy Cross cemetery.

Born at North Branch April 28, 1888, Mr. McGinnis, a plumber by trade moved to Beaver Island as a young man. Early in the 1950's he became a maintenance worker at the Grandvue Medical Facility after he had been there as a patient. He served in this capacity until June, 1956 when he was re-admitted as a patient after suffering a leg injury in a fall at the hospital. He was a member of Holy Cross church. His wife the former Sarah Burns, whom he married in 1015 preceded him in death in 1940.

He is survived by one daughter, Mrs. Charles Martin of St. James and eight grandchildren, two great granchildren and two half-brothers, George of Clifford, Michigan and James of Pontiac.

Negotiations for New Ambulance Service Underway

The Winchester Funeral Home will continue to operate an ambulance service in Charlevoix for the present, Robert G. Winchester said Wednesday.

The service had previously been scheduled to end on Oct. 10.

However, in view of the fact that arrangements for someone else to take over the service have been initiated but not completed at this time, Mr. Winchester has offered to continue the service in the community until other arrangements have been worked out.

An announcement regarding the new arrangements will be made at a later date.

Mayor Proclaims This 'Employ the Handicapped' Week

The week of October 2 through 8 has been proclaimed "Employ the Handicapped" week by Mayor James E. Hiller.

The mayor's action follows that of President Eisenhower and Governor Williams in using this period to bring nation-wide attention to the gains made in securing employment for qualified handicappod workers.

Kathy Boss Reigns at Homecoming

Kathy Boss, Charlevoix high school senior, was crowned queen of the 1960 Homecoming festivities during a pep rally held at Kipke field Wednesday night.

Mayor E. James Hiller officiated at the coronation ceremony at which the members of the court, Lenore Erber, Karen Uhrick, Jeanne Curtis and Carla Riley, were introduced by the master of ceremonies, Jack Rader. The program was concluded with the dubbing' of Sam Supernaw and James Sneathen as game captains.

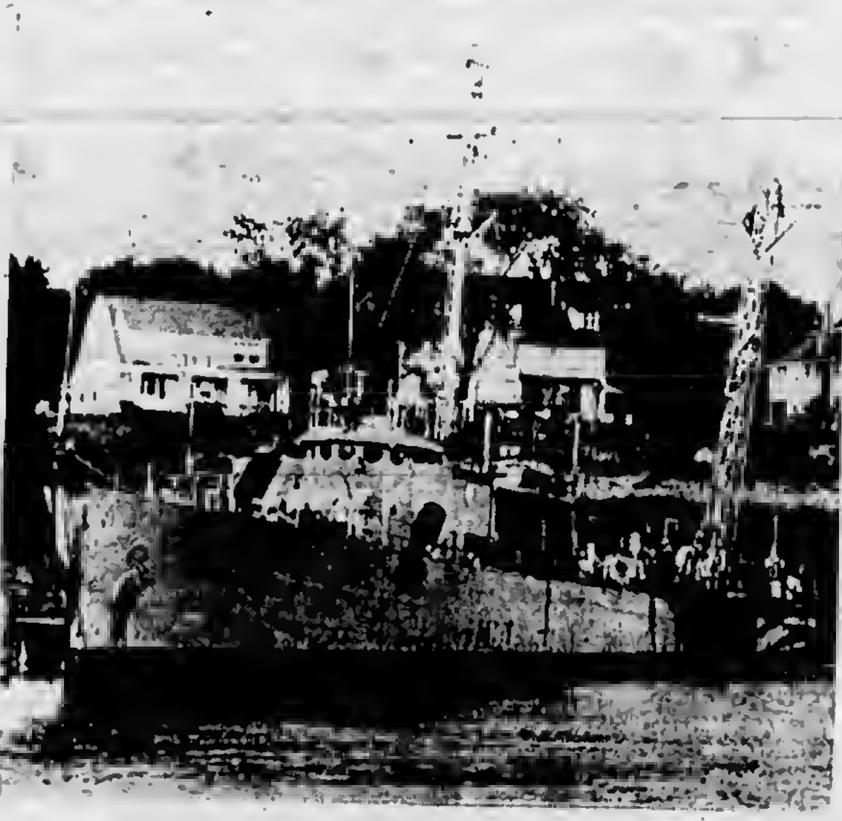
The Homecoming festivities will be climaxed with the Charlevoix-East Jordan football game at Kipke field at 8 p.m. Friday night. Queen Kathy and her court will he honored at the halftime show presented by the Charlevoix high school band under the direction of C. A. Odmark.

A homecoming dance will be held at the high school gymnasium after the game.

Judges at the Homecoming parade Wednesday were Mrs. Jeanine Essenberg, D. D. Walter of the Belvedere Club and City Superintendent James Taylor.

First prize was awarded to the Tenth grade with second and third awards going the the Twelfth and Eleventh grades, respectively.

Ship, Submarex to Depart For Lake Erie This Month



The ship, Submarex, owned by theGlobal Marine Exploration Co. of San Francisco, which has been moored here for the past 13 months, will depart later this month for potential work in Lake Erie.

The first of the ship's crew arrived last week from the west coast to begin the job of fitting out the 173 ft. converted naval patrol craft for the trip east. When it leaves here the ship will be in command of the company's veteran skipper Walter Daucett of Costa Mesa, Calif. The nature of the exploration project or the name of the client were not available from the Marine Exploration Company officials.

The Global Marine Exploration Co. specializes in all types of marine exploration work and was one of the first companies to drill off the west coast with a floating rotary rig. The Submarex is the smallest of three ships used by the company for this type of work.

The Submarex was brought from the west coast via the Panama Canal and the St. Lawrence Seaway in August 1959 for the purpose of positively identifying a hull believed to be that of the the steamship Carl D. Bradley of the Bradley Transportation Co. in Rogers City which went down in a storm on Lake Michigan Nov. 18, 1958, with the loss of 33 men. Two members of the crew, Elmer Fleming, second mate, and Frank Mays, a wheelsman, survived the disaster.

The hull of the ship was located in late April, 1959, by the cruiser Panmenta, which was equipped with special underwater equipment. However, it was not positively identified as the Bradley until the Submarex lowered television cameras over the hull in August 1959. An announcement that the ship had been identified as the Bradley was made by the U.S. Steel Co. early in September. Upon completion nf the project, the ship was moored here.

Beaver Island Boat Co. And City in Agreement; Five Year Contract

The Beaver Island ferry, Emerald Isle, owned by the Beaver Island Boat Co., will continue to operate out of Charlevoix for the next five years it was announced this week following an agreement by officials of the boat company and city officials.

The boat company operates the ferry between the mainland and St. James on Beaver Island, 31 miles northwest of here in Lake Michigan.

Officials of the boat company agreed to a five-year contract following a meeting with Mayor E. James Hiller and members of the city council last week.

The contract is basically the same as that offered by the city earlier this year and rejected by company officials. It calls for a berthing fee of $405 or $45 a month for the navigation season which opens early in April and continues through Dec. 31 of every year plus $75 for winter berthing. Arrangements were also included for parking of cars to be transported to the island and other minor issues.

In announcing the agreement regarding the contract, Mayor Hiller said, "I am happy, as I know the people of Charlevoix will be, that a successful solution has been found to this problem. I was sure that if we could sit down with officials of the company we could reach an agreement acceptable to both the company and the city. I am happy to announce that such an agreement has been reached and that Charlevoix will remain the home port for the Emerald Isle for the next five years."

Earlier company officials had announced that Cross Village, which is only 24 miles from the mainland, was being considered as a possible mainland terminal for the ferry. Emmet county officials had made the boat company a number of offers including the construction of a breakwater and dock and other concessions if the company would consider the Emmet county village as a mainland headquarters for the operation.

Reports Good from Rev. Harold E. Kohn

The Charlevoix Courier has been informed that Reverend and Mrs. Harold Kohn will return home from Ann Arbor this week. The column "Adventures in Understanding" will be resumed in the immediate future.

The Reverend Kohn entered University hospital ten days ago for observation and medical treatment.

Services Held Tuesday for Auto Accident Victim

A. Scott Alexander, 20, son of Mr. and Mrs. J. F. Alexander, died early Sunday at the Charlevoix hospital from injuries received in an accident a week before.

The youth had received a serious head injury early Sunday, Sept. 25, when the car he was driving failed to negotiate the corner at Belvedere and Ferry ave., struck a lamp post, jumped the curb and crashed into a tree, throwing him into the windshield He was driving alone in the car at the time of the accident. Death was due to a brain concussion according to Dr. Robert G. Martin, attending physician.

Funeral services were held Tuesday at Christ Episcopal church with the Rev. Robert J. Yonkman officiating. Burial was in Brookside cemetery.

Scott was born at Roaring Springs, Pa., Feb. 8, 1940. He was a graduate of Coal City, Ill., high school and attended Junior College for two years. He was a member of the Order of DeMolay and attended Christ Episcopal church.

He had come to Charlevoix from Dresden, Ill., with his parents in July and was employed as a timekeeper by the Chicago and Iron Co., a sub-contractor at the Big Rock Point nuclear power plant. His father is employed by the Bechtel Corp. of San Francisco, general contractor for the power plant.

Surviving are his parents; a sister, Mrs. Megon Kelley of Wells, England; one brother, Thomas Bochert serving at Guam with the U. S. Navy and his paternal grandparents, Mr. and Mrs. J. H. Alexander of Marysville, Ohio.

Socking The Motorist

Just about every motorist, at one time or another, kicks about the "high price of gasoline". What he should be kicking about is the "high price of gasoline taxes".

Today with the allegedly "temporary" fourth cent that was added to the federal gas tax last October—the combined national average of federal and state taxes is more than 10 cents a gallon.

This means that the taxes now average, on a nationwide basis, 48 per cent of the retail price of regular grade gas, 62 per cent of the wholesale price, and 85 per cent of the refinery price. Taxes actually amount to more than half of the retail price of the fuel in 20 states, and in some areas equal the refinery price. The so-called luxuries carry a smalller excise tax and no other necessity is comparaby treated.

Moreover, here is a tax which is demonstrating the validity of the law of diminishing returns. The swing toward smaller, more economical automobiles, foreign and domestic, is largely due to their thrifty fuel consumption. These cars account for more and more of our total automobile population. So gas tax revenue will decline because fewer gallons will be burned. Then, no doubt, it will be urged that taxes be further increased to make up the loss—and so the spiral can go on indefinitely.

The solution would seem to be a wave of protests by motorists—a category which includes most of the voters.

The Printed Word

Competition for shares of the advertising dollar gets tougher all the time. The glamour of television advertising has taken its toll.

Television people have, on occasion, attempted to sell the idea that their media is a far more effective way of interesting the potential consumer than any other—including newspapers. So a survey made in Richmond, Va., is of unusual interest.

Editor & Puplisher reports: "An independent research organization found that of more than 41,000 telephone calls only about one-fifth of them had the TV set turned on. Of that number 81 per cent were able to identify the program turned on but 71 per cent could not name any sponsor or product or type of product being advertised on the program. And even if the respondent said 'soap' instead of giving a brand name it was counted as sponsor identification, which seems to us like leaning over backward to be fair."

No—the printed word isn't obsolete yet!

What Do You Think?

Republican Victor A. Knox, our Representative to the United States Congress, reports that he has been nominated for oblivion by none other than Mr. James Hoffa, and that Mr. Hoffa has earmarked some **Thirteen Thousand, Three Hundred and Thirty-three Dollars** for this purpose out of funds he controls.

Knowing Mr. Knox and what he stands for, and from what we have heard otherwise, we venture that this is probably the very best recommendation possible that could be made for Vic Knox's re-election on November 8th.

During his recent visit here in Charlevoix county Mr. Knox stated that his "crime" is that he voted for curbs on goon squads, for curbs on violence, for curbs on rackets in Unions.

........Mr. Knox further said that to counter this attempt at dictatorship, every vote counts. That it is important for everyone who is against such tactics to be sure he is Registered by October 10th, and equally important that he votes November 8th. ....

What are you going to do about this?

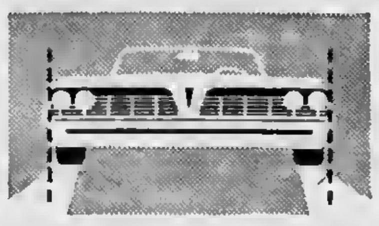
THE '61 PONTIAC IS OUT TODAY!

It's All Pontiac!
on a new Wide-Track!

New track-to-body proportion! The track is the width between the wheels. Pontiac is the only Wide-Track car. Body width is reduced, shaving side overhang, balancing more weight between the wheels. Best relationship of body width to wheel width ever tailored. Lean and sway are ancient history.

Announcing the new Pontiac Trophy V-8 Engine! We've improved the engine the experts said was perfect. New fuel induction system saves gas by using more air in the gasoline mixture. This makes the engine breathe more efficiently, giving you better acceleration. Eleven versions to choose from. Horsepowers range from 215 to 348. For best economy, specify the Trophy Economy V-8. Its lower compression ratio lets you use regular gas.

More headroom, legroom, footroom for greater comfort! You'll take great comfort in the extra roominess we've built into the '61 Pontiac. Seats are higher, yet there's more clearance beneath the steering wheel and more hatroom over your head. There is more legroom, more footroom. Doors are wider and designed to swing open farther. The more highway you put behind you (Pontiac specializes in this) the more you'll appreciate the new room that's all around you in this sleek new '61.



THE ONLY WIDE-TRACK CAR!

Body width trimmed to reduce side overhang. More weight balanced between the wheels. No other car hugs the road with such sure-footed stability and precision.

Miss Mona Lisbeth Davenport Becomes Bride of Mr. Warren

Miss Mona Lisbeth Davenport became the bride of Gene A. Warren in a quiet ceremony held Saturday evening at the home of the bride's parents, Mr. and Mrs. Dean R. Davenport.

The bridegroom is the son of Mr. and Mrs. Eugene H. Warren of Phoenix, Ariz.

Justice John J. Connolly officiated at the simple service in the presence of their immediate families.

Given in marriage by her father, the bride selected an off-white sheer wool dress styled with a shawl collar and three-quarter length sleeves for her wedding. Woodhue green accessories and a corsage of cream rosebuds complimented her costume.

Mrs. Karl Robinson of Petoskey, as her sister's matron of honor, wore a woodhue green sheer wool dress and bone accessories. Her corsage was of rust mums.

Dean H. Davenport of Mt. Pleasant, brother of the bride, was best man.

Mrs. Davenport selected a royal blue sheer wool dress and matching accessories for her daughter's wedding. Mrs. Warren, mother of the bridegroom, wore a pastel flowered dress and bone accessories. Their corsages were of feathered white carnations.

Immediately following the ceremony a reception was held at the Charlevoix Rod and Gun Club clubhouse for more than 200 guests. Mrs. Dean H. Davenport of Mt. Pleasant, sister-in-law of the bride, and Susan Mc Cormick of Schererville, Ind., cousin of the bride, asisted. Music was by Joe Hanna of Petoskey at the organ.

Following a brief wedding trip the couple is at home at 210 Nicholls st.

The bride attended Central Michigan University where she was affiliated with Alpha Sigma Tau sorority. The bridegroom is a graduate of Michigan College of Mining and Technology with a degree in civil engineering. He is a member of Kappa Delta Psi fraternity.

Wedding guests were present from Petoskey, Harbor Springs, Midland, Oscoda, Grand Rapids, Ann Arbor, Flint, Cheboygan, Iron Mountain, Mt. Pleasant, Phoenix, Ariz., and Schererville, Ind.

Betrothed

The engagement of Andrea Allison to Vernon L. Mathews Jr. has been announced by the bride-elect's parents, Mr. and Mrs. Andrew Allison of Pontiac.

The prospective bridegroom is the son of Mr. and Mrs. Vernon L. Mathews Sr. of this city.

A November 5 wedding is planned.

The bride-elect is a 1960 graduate of Waterford township high school. Mr. Mathews is a 1956 graduate of the Charlevoix high school.

Church Circle to Serve Smorgasbord

The fifth annual smorgasbord sponsored by the Mary Burns circle of the First Congregational church will be held at the church dining room, Friendship hall, Wednesday, Mrs. John Rathburn, president of the sponsoring organization, has announced.

RAMBLER ANNOUNCES STRONGEST GUARANTEE IN AUTO HISTORY

1 LIFETIME GUARANTEE ON NEW CERAMIC-ARMORED MUFFLER AND TAIL-PIPE STANDARD ON ALL '61 MODELS

Born of space-age developments, Rambler announces on all 1961 models a new Ceramic-Armored muffler and tail-pipe guaranteed against defects for the lifetime of the car while in the hands of the original owner. This covers total replacement cost including parts and labor. Every '61 Rambler muffler and tail-pipe is completely covered with a special ceramic coating—similar to that used in rockets and missiles—to give lasting protection against rust and corrosion caused by water, salt and acids. Another Rambler first!

2 12-MONTH, 12,000-MILE WARRANTY EXTENDED TO ALL NEW RAMBLER OWNERS

Now Rambler extends to all new Rambler owners its comprehensive full-year or 12,000-mile warranty, whichever occurs first. In fact, this liberal warranty, announced to dealers more than a year ago, also covers total replacement cost including parts and labor. It applies to all 1961 Rambler models and to 1960 Ramblers still within the warranty period. The normal industry warranty covers only 90 days or 4,000 miles.

County Census Shows 537 Farms In Charlevoix

The 1959 Census of Agriculture, conducted in Charlevoix County last fall, counted 537 farms, according to preliminary report just issued by the Bureau of the Census, U. S. Department of Commerce. Total land in farms was 88,715 acres. The average size of farm was 16.5 acres. The average value of farms (land and buildings) in the county was $14,982.

Of the county's farm operators, 408 owned their farms, 112 owned part of the land and rented additional acreage, and 10 were tenant farmers.

Of the 537 farms in the county, 252 were commercial farms.

Detailed statistics on crops, livestock, equipment, etc., are presented in the preliminary report, with comparable statistics for 1954. Copies of the county report may be obtained for 10 cents each from the Bureau of the Census, Washington 25, D. C.

School Proposes $1,000 Price for Legion Property

A proposal by the Charlevoix school district to purchase property needed for approaches to the new high school has been submitted to the Leslie T. Shapton post, American Legion, by the school district, according to Fred Tyler, post adjutant. The proposal will be presented to the Legion membership at a special meeting called for Saturday evening.

The property wanted by the school is a 200 foot frontage on Garfield ave., and 185 feet deep.

The proposition made by the school complies with the last Legion offer to sell the 200 foot frontage for $1,000 and further stipulates that the school be given a three year option to purchase the balance of the Legion property for $5,200. At any time the school exercises this option, the Legion is allowed six months to remove the present building if it so desire.

All were elected for a one-year term of office starting October 1.

To Witness Air Raid Warning Device

Arthur Osborne, well known local resident, has been invited to Charlotte by Civil Defense officials to witness the testing of the Civil Defense NEAR device Tuesday.

Mr. Osborne had invented a similar air raid warning device as long ago as 1943.

It was for this reason that he has been invited to Charlotte to witness the test.

Rayders Break Even in with Grayling Vikings

* * *

Interceptions-Fumbles Nets Few Touchdowns

In a game marked by numerous fumbles, pass interceptions and long ground gains that failed to net touchdowns when defensive teams held, the Charlevoix Rayders played the Grayling Vikings to a 13 to 13 tie on the latter's field Friday night.

Grayling scored first in the game, taking a 7 to 0 as the first quarter ended. The Rayders scored late in the second period but still trailed 7 to 6 after failing to get the ball across for the conversion point.

The Vikings struck again as the second half got underway but failed on their conversion attempt leaving the score at 13 to 6 before Sam Supernaw took the kickoff and scampered 85 yards for a TD. Tom Louiselle plunged over for the extra point to knot the score 13-all as the game went into the scoreless final quarter.

Starting for the Rayders were Supernaw and Perry Smith at the halfback positions, Henry Wagner at fullback and Stan Martin at quarter. In the line were Dave Barns at center; Jerry Keiser and Tom Martin, guards; Spencer Root and Darrel Somerville, tackles, and Jim Dennis and Terry DeYoung, ends. Louiselle, Dale Burke, Gary Spencer, Bob Grunch and Jim Sneathen also saw action, the latter for a short time late in the game.

The Rayders were without the services of Gene McBride, tackle and back, who is sidelined with a shoulder injury received in the Boyne City game. Coach Don Carey said it was doubtful if McBridt would see action this week.

In the game Friday, Charlevoix kicked off to the Vikings who took the ball on their own 30 and were forced to punt after a major penalty set them back on their own 20 yard line after three tries.

The Rayders downed the ball on their own 30. With Smith carrying the ball the Rayders invaded Viking territory to the 27 yard line where they gave up the ball on downs.

In a series of line plays the Vikings advanced to the Charlevoix two from where Steve Sink plunged over for the tally. Mike Lovely ran the ball over for the conversion point as the score stood at 7 to 0.

Charlevoix took the kickoff on their own 35 and, with Supernaw and Martin carrying, advanced to the Grayling 35 only to have a pass intercepted. Grayling failed to move the ball, punted to a Rayder who fumbled with Grayling falling on the ball on the Charlevoix 45. Two plays later, the Vikings fumbled with Charlevoix recovering on the Rayders 41. The quarter ended with the Vikings in possession on their own 46.

Early in the second period Grayling picked up a couple first downs, recovered their own fumble and then relinquished the ball at midfield after failing to pick up a fourth down. The Rayders offense bogged down and in desperation they punted with the Vikings taking over on their own 41. The Vikings advanced to the 48, were set back to ther 41 and were again forced to punt with the Rayders taking the ball on their 34.

This time, with Supernaw and Smith carrying the offense started to click until they fumbled on the Grayling 44. They recovered their own fumble, however. On the next play a pass from Martin to Lousiselle put the ball on the Grayling 17. Supernaw carried to the three for a first down before going over for a TD shortly before the period ended. The run for the extra point was stopped short of the goal line and the score remained at 7 to 6. The half ended with Grayling in possession of the ball on their own 33.

Charlevoix took the kickoff to open the second half and in a series of three first downs marched to the Grayling six yard line where they lost the ball on a fumble.

Grayling then marched to the Charlevoix 16, were set back to the 31 on a major penalty and then lost possession of the ball when DeYoung intercepted a Viking pass on the 24 yard line.

Charlevoix moved out to the Grayling 41 only to lose the ball on downs. This time the Vikings marched to the Rayders 14, fumbled the ball, then booted it into the end zone where Mike Young fell on it for a touchdown. The run for conversion point was cut short and the score remained 13 to 6.

Grayling kicked off with Supernaw taking the ball and romping approximately 85 yards to score. Louiselle plunged over for the extra point to tie the score.

Charlevoix kicked off to the Vikings who fumbled on the next play with the Rayders recovering as the third quarter ended.

The Rayders moved to the 21 yard line on a pass from Martin to Warner only to fumble the ball with the Vikings recovering. Later in the period the Vikings fumbled and the Rayders recovered on the Charlevox 49. Two plays later the Vikings intercepted a Rayder pass at midfield. Another exchange of fumbles in the closing minutes found Charlevoix in possession on the Grayling 34 as the final whistle blew.

Halfback Sam Supernaw pictured here as he took the Grayling kickoff late in the third period to romp 85 yards for Charlevoix's second touchdown which tied the score 13 to 13.

Also in on the play is Gray Spencer (81) who prepares to take out a would-be Grayling tackler; Tom Louiselle (84) who is also going for his man and Tom Martin (70) who missed his block on Grayling's 25.

Boyne City, Harbor Springs, Mancelona NMCC Victors

With the exception of the Charlevoix-Grayling game which was played to a 13-13 tie, all other games in the Northern Michigan Class C league were won by decisive scores Friday night.

Mancelona rolled over Pellston 32 to 0; Boyne City shut out Gaylord 27 to 0 and Harbor Springs downed East Jordan 36 to 14.

MANCELONA 32 PELLSTON 0

Halfback Larry Bengtson scored two touchdowns and passed for two more as he led the Ironmen to a lopsided victory over the Pellston Hornets who never threatened.

Bengtson took the opening kick-off and scampered 85 yards to put the Ironmen ahead 6 to 0 before the game was a minute old. Ken Johnson added the conversion point as the Ironmen went ahead 7 to 0..

Later in the first period End Ed Garlick took a seven yard jumpy pass from Quarterback Denny LaCroix to make the score 13 to 0.

The second and third periods were scoreless but in the finol Frame Bengtson passed 24 yards to Halfback Walt Klein; rolled 64 yards to add another touchdown before passing 15 yards to Tom Gocha for the final tally. Johnson booted one conversion point.

BOYNE CITY 27 GAYLORD 0

Costly fumbles by Gaylord gave the visiting Boyne City Ramblers three of their four scoring opportunities in this meeting.

Early in the first period the Ramblers recovered a Blue Devil fumble on their own 34 yard line and marched to the Gaylord 17 where Halfback Doug Grubbe skirted right end to score. Quar-

Boyne City and Mancelona Title Hopes Are at Stake Friday

The title hopes of Boyne City and Mancelona will be at stake this week when the two teams clash in the third loop game of the season Friday night.

The game is to be played on the neutral East Jordan gridiron because Boyne City's field is not ready for use.

In other games, the only other undefeated team in the league, Harbor Springs, will travel to Grayling to take on the Vikings who are fielding their best team in years; Charlevoix will host East Jordan in a homecoming game at Kipke field and Gaylord will invade Pellston. All games will be played at 8 p.m. with the exception of the Hornet-Blue Devil game which will be played at 2 p.m.

With only two league games behind them, Boyne City and Mancelona may decide the 1960 league championship this week. The Ramblers will be trying for a win in the hopes of re-gaining the title they lost to Charlevoix two years ago while the Mancelona Ironmen who have finished in second place more often than any other team in the loop will be seeking their first title.

This game is expected to be one of the best of the entire season in a league where close games are no rarity.

Both teams boast veteran backfields that are experienced, versatile and fast. Boyne City's line is probably more experienced for it is spotted with ends Bill DeNike and Ron Ward, guard Paul Bray and tackle Chuck Vincent, all regulars from last season and Jack Hale, Gregg Smith, Bill Heiermann, Rogers Towne and Don Dunsmore, all lettermen.

Though Mancelona's line has looked good and held well in competition to date, it has only one regular, Tom Mocke, an end, and guard Bob Sanders, a letterman with some experience plus several players, Percy Crothers, Russ Patton and Jerry Councillor, who have had a little experience.

Jack Dixon who is recuperating from an emergency appendectomy, will be replaced by another veteran Rambler quarterback with a fine throwing arm, Glen

Farmers Union to Hold District Meet At Norwood Hall

Angus McDonald of Denver, Colo., coordinator for the National Farmers Union Legislative Office in Washington, D. C., and Ernie Sawyer of Homer, president of the Michigan Farmers Union, will be the guest speakers at a district meeting of Farm Union members to be held at the Norwood Local Farmers Union Hall at 8 p.m. next Wednesday.

The hall is located six miles south of Charlevoix on US-31.

The meeting is one of a series being held during the week of Oct. 10 at which legislation affecting farmers and their participation in the coming election and the future of family farmers will be discussed.

The Antrim-Charlevoix county Farmers Union, headed by John Spoelman of Central Lake, will be host to the meeting to be attended by members from Antrim, Charlevoix, Emmet, Grand Traverse and Kalkaska counties.

SUNDEW REPORT

On arrival at Sturgeon Bay, Wis., Sunday, Sept. 18, the Sunew went into 'Charlie' status for more ship yard repairs.

On Friday we were placed in dry dock where work was begun on the hull and shaft. Repairs were made on the shaft, the propeller blade was sharpened and a new water (red) line was painted from stem to stern.

Dry dock work is due to be completed early next week and we are scheduled to leave for Charlevoix the end of the week.

LOOK WHAT DODGE HAS DONE FOR COMPACTS

The name, Lancer: one hardtop; one 2-door sedan; two 4-door sedans; two wagons. What kind of cars are they? This kind: two feet shorter; many pounds leaner; a couple of hundred dollars less in cost than usual automobiles. Lancer welcomes a family of six lavishly. Has plenty of trunk. Its fully-unitized body is very quiet, very tough. Lancer is also mannerly. It corners decisively, takes a well scarred road with aplomb. Parks obediently. More reasons to buy? Read on. The interiors are rich, but simple: Shed soil, wear well, feel good. The engine is highly spirited, but extremely light on regular gasoline. One more thing, Lancer is built by Dodge. Our name is on it. This means Lancer will stay nice and shiny. How so? The body is rustproofed by an exclusive Chrysler Corporation process. Enough talk. Meet Lancer at your Dodge Dealer. Now.

Boyne Falls News

By Mrs. A. B. Jenkins

This school year finds many of our young people in the various colleges of our state. They are: Joe Jarema, Frank Skop, Sam Kosc and Wayne Giem are motoring to Petoskey to attend the college there; John Johnson has enrolled at school at Mich. State at Lansing; Leon Jarema is at Central Mich. at Mt. Pleasant; Billy Kondrat, Jerry Craig and Terry Reinhardt are going to Northwestern College at Traverse City.

Betty Craig is attending High School at Petoskey.

Patricia Craig and Barbara Upton were home for the weekend from Grand Rapids, where they are attending school.

Al Litzenberger, who taught high school at Boyne Falls last year, left in September for Germany where he expects to spend a year teaching.

The Boyne Falls students will be happy to have a long weekend while their teachers attend the M. E. A. meeting at Traverse City on Thursday and Friday, Oct. 6 and 7.

The seniors at Boyne Falls are selling magazines and Christmas cards to anyone interested in helping them.

Mrs. Ethel Kirwan, kindergarten teacher, was sick last Thursday and her substitute was Mrs. Buhland of Central Lake.

Visitors at the Boyne Falls school on Friday morning were Mr. and Mrs. Gunder Homme and Mrs. Bill Jenkins and Gary. Teachers encourage other parents to visit.

Mrs. Joe Schwem spent the past week at Little Traverse Hospital in Petoskey for observation and diagnosis.

Mr. and Mrs. Thomas Payton became the proud parents of a baby boy, 8 lbs. 8¼ oz. on September at Otsego Memorial hospital in Gaylord. He has been named Thomas Edward, Jr. She is the former Louise Sevenski, daughter of Mr. and Mrs. Louise Sevenski.

On September 9 Mrs. Delores Sides flew by jet plane to San Diego, California to join her husband Bill, who is stationed there in the Navy. She is the former Delores Sevenski, daughter of Mr. and Mrs. Louie Sevenski.

Judy Van Treese, Judy Guderson and Della Fiels were hostesses to a bridal shower for Geneva Jarema on Wednesday night, September 28 at the Grange hall. She will marry Ralph Towne from Boyne City on Oct. 22. A large crowd attended, refreshments were served and many nice gifts recieved by the honoree.

Mr. and Mrs. Levi Griffin arrived Sat. nite from Kinnard, British Columbia tc make their home here.

Mrs. Lizzie Woodhouse of Vicksburg visited the past week at the home of Mrs. Ezra Hetrick.

Miss Claire Miller of Negaunee, Mich. spent two days with her brother-in-law and sister, Mr. and Mrs. Frank Kirwan.

A remodeling project began on Monday nite at the Boyne Falls Methodist church. All the work will be volunteer work by the men of the church. Two new Sunday school rooms will be added.

Safety Record Set in '59

The year 1959 was one of the best safety years ever recorded by the railroad industry. There was but one passenger fatality in train accidents on Class I lines, although passengers traveled a total of 22 billion miles. Eleven other fatalities resulted from what is known as train-service accidents—those arising primarily from the negligence of passengers themselves such as when people attempt to board or get off moving trains.

PRICE COMPARISON CHART
PRICES START HUNDREDS LESS THAN LAST YEAR
Optional equipment and transportation cost far less, too!

1. MERCURY METEOR 600	Priced right in the middle of the low-price field with such cars as Chevrolet Bel Air and Plymouth Belvedere.
2. MERCURY METEOR 800	Priced with the top series in the low-price field with such cars as Chevrolet Impala and Plymouth Fury.
3. MERCURY MONTEREY	Finest, most luxurious of all 1961 Mercurys.

HERE IS A NEW AND BETTER LOW-PRICE CAR _WITH A 12-MONTH OR 12,000-MILE WARRANTY

You're looking at the newest car in the low-price field_the Mercury Meteor. But the resemblance to other low-price cars ends with the price.

COSTS LESS TO DRIVE! You save on upkeep. Your Mercury dealer is extending his warranty on all 1961 Mercurys to one full year or 12,000 miles, whichever comes first. See him for full information. He will be glad to show you a copy of his new warranty.

* * *

You save on gas. Mercury's new, wider choice of engines and transmissions lets you tailor your new Meteor to your kind of driving. Choose super economy, super power, or any combination in between. And just think of these 7 other savings:

A new pre-lubricated chassis lets you drive 30,000 miles before it needs another lubrication. A new-type oil filter lets you drive 4,000 miles between oil changes. Mufflers are aluminized for more than double the life. Brakes are self-adjusting. New zinc-coated body panels protect your car from rust two or three times as long. Spark plugs are self-cleaning, save gas. A special Super-Enamel finish never needs waxing.

LOOKS BETTER_AND IS! The styling and size are completely new. Trimmer, easier to garage, far more agile. You get a de luxe interior in every model at no extra cost.

FEELS LIKE MORE! Here's the first low-price car to provide a true "fine-car feel." Not just shock absorbers and springs for your riding comfort, but a unique new system of rubber cushioning called Cushion-Link suspension. It is exclusive on all Meteor 800's, Montereys, and Mercury station wagons. No more bumps from tar strips and other road-surface irregularities.

Don't miss the first showing! See your Mercury dealer now. Here, without question, is the newest and smartest buy in the low-price field.

Boyne, Harbor and Mancelona Victors

(Continued from Page 6)

[illegible] Glen Tatham, who has replaced regular quarterback Jack Dixon after the latter underwent an emergency appendectomy last week passed to end Rod Ward for the conversion point.

Grubbe romped 53 yards later in the period after the Ramblers recovered a second Gaylord fumble, this time on their own 12 yard line. This time Tatham passed to fullback Tracy Newville for the extra point.

The second quarter was scoreless before another Gaylord fumble gave the Ramblers another scoring opportunity. This time Tatham passed eight yards to End Bill DeNike for the tally. Bill Heiermann booted the conversion point.

The final quarter saw Halfback Tom Kujawski plunge over from the five yard line after the Ramblers had gained possession of the Gaylord 21 yard line on a fourth down situation.

HARBOR SP. 36 E. JORDAN 14

Halfback Gary Stutzman and Fullback Gene Kasuske scored two touchdowns each and Fran Lauer and Tom Graham tallied one each to trim the East Jordan Red Devils 36 to 14 .

East Jordan's touchdowns came on a three-yard plunge by Halfback Ron Sulak, and a 46 yard pass play from Quarterback Bud Gee to end Louis Kraemer in the second period. Bud Gee booted the conversion points.

Boyne - Mancelona Vie for Top Spot

(Continued from page6)

Tatham, an import from Ann Arbor, who has been alternating with Dixon in the post.

In this game, it will be team that can stand up under pressure that will come through. The nod must go to Boyne Cty with wins over Charlevoix (14-6) and Gaylord (27-0) plus a 23 to 0 win over St. Ignace in non-league play for their experience can be expected to make the difference.

Though Mancelona will be trying hard, the Ironmen hardly have the power to overcome this handicap despite the fact that they have wins over East Jordan (13-7), Pellston (32-0) and Oseoda (32-0), the latter in non-loop competitioo.

In another game which may decide Harbor Springs future as a contender, the Rams will take on the Grayling Vikings who held the Rayders to a 13-13 tie last week. If the Rams who have wins over Pellston (12-6) and East Jordan (36-14) can come up with a victory over the Vikings who played heads-up ball to hold Charlevoix to a 13-13 tie then they may stay in the running for the title now held by Charlevoix. Though the Vikings have come a long way during the past two seasons under the guidance of Don Ferguson, it is doubtful if they will offer any real competition to the league leaders.

The Rams should win but if they don't then the Vikings have a team to be reckoned with.

The Charlevoix Rayders will be shooting for a win this week when they host East Jordan in the homecoming game at Kipke field.

Coach Don Carey is busy this week looking for an offensive combination that will get the ball into pay-dirt instead of bogging down short of the goal line as they did at Grayling Friday. He is also seeking a tighter defense which was lacking when the Vikings held the local eleven to a tie game.

East Jordan showed little against Harbor Springs last week as the Rams rode rough shod over the Red Devils. The Jordanites have a veterans-packed team and could be a tough opponent. Should they shape up this week, the Rayders could find rough going in a game they would like to win before a homecoming crowd.

Whether or not tho Rayders becoming a winning outfit depends a great deal on the attitude of the players, some of whom seem to be lacking in desire and fighting spirit.

Since East Jordan always manages to be 'up' for a meeting with the Rayders, the Charlevoixans will have to put their best foot forward if they want a win.

Though Gaylord is short on experince, the Pellston Hornets are even shorter so the Blue Devils should have little trouble this week getting back on the credit side of the game after losing to Boyne City 27 to 0 last week.

Of all mammals, only elephants occasionally outlive man. The longest-lived elephants was reported to be 85 years old. Many elephants survive for 50 to 75 years.

Mrs. Hamilton Wins Award at NIU

Mrs. David Hamilton of DeKalb, Ill., has been awarded a graduate assistantship in the English Department of the College of Liberal Arts and Science at Northern Illinois University.

Mrs. Hamilton will assist the department as researcher and continue her studies toward the degree of Master of Science in Education.

The university has an enrollment of 6,500 students including nearly 3,000 freshmen.

Mr. Hamilton, son of Mr. and Mrs. Ralph S. Hamilton, is a recent graduate of the university and is teaching in the English department at Wateoman, Ill.

Ironton News

Miss Kay Kroll

The community would like to extend a welcome to Mr. and Mrs. Welsheimer who are making their home in the Hamlin house.

Mr. and Mrs. Al. Jannausch left for Grand Rapids after spending the summer at their home here. Later they will go to California to spend the winter.

The Ladies Aid and the young Womens club held a joint meeting at the home of Mrs. Thomas Nielsen Tuesday morning to discuss projects for the coming year.

Pilgrim Fellowship of the Ironton church had their hayride Saturday night. The rain dampened the hay but the spirit of the young folk was undaunted. After the ride the group enjoyed games and refreshments at the church. Mrs. William Cooper and Mr. and Mrs. Mearle Scott chaperoned the group.

The Ironton extension Club held its first meeting of the season at the home of Mrs. Tony Dvorcik. Election of officers was held Mrs. Dvorcik was re-elected chairman; Mrs. Ed Beene, vice chairman; Mrs. Earl Kroll, secretary-treasurer; Mrs. Glen Williams and Mrs. James McClanaghan, recreation chairmen. Plans for coming year were discussed and several new members were welcomed to the group.

Susie Saunders had a tonsilectomy Monday at the Charlevoix hospital. Diane is spending a few days with her grandparents, Mr. Mrs. James McNeal of Boyne City.

Mr. and Mrs. Maynard Terry of Vernmontville spent several days visiting with the Mearle Scotts.

Curtain Goes Up For Bird Hunters Noon Tomorrow

Hunters waiting for the curtain to go up on Michigan's migratory game bird seasons at noon, October 7, have several important cues to remember.

First and foremost, they must bypass canvasbacks and redheads to help these diving ducks build up from their low numbers.

Going a step further, they must curb Michigan's losses of crippled legal ducks if they are to help their sport for future years.

Records from recent years show that one out of every five ducks shot in Michigan is never recovered. Based on last year's kill figure, roughly 80,000 crippled or dead ducks were left to waste in this state in 1959. This represents a full day's bag limit for 20,000 hunters.

To cut crippling losses this fall, hunters are urged to hold their fire until ducks are within an effective shooting range, perferably around 40 yards. Errors in judging this range can be held down by driving stakes in front of blinds at distances of 30 to 40 yards.

"Sky shooting" has no place among sportsmen. It encourages other hunters nearby to try impossible or, at best, improbable shots which increase crippling losses and soon spoils shooting for everyone in the area.

A good retrieving dog is often as important to successful duck hunting as the hunter himself when it comes to reducing the number of lost cripples.

Shootng hours on all migratory game birds will be lengthened this fall from one-half hour before sunrise to sunset, except in Wildfowl and Sebewaing bays where hunting will again be illegal after 4 p.m.

Coot bag limits have been increased to six daily and twelve in possession Last year, they were four and eight. Bag limits on all other migratory game birds remain unchanged as do season lengths.

Michigan hunters will be checked more closely than last year when bringing migratory game birds to this state from Canada or Mexico. As in the past, they will be required to declare their game at the nearest U.S. Customs station when returning to this country. Their Canadian or Mexican hunting licenses must be presented to customs authorites.

Charlevoix C of C Enlists Help to Win Registration Award

The Charlevoix Chamber of Commerce has enlisted the help of the residents of the Charlevoix community in order to become the first winner of the award offered by the State Chamber to the local chamber that can get the most people to register prior to the deadline Monday, Paul Kohler, secretary-manager of the chamber has announced.

The award will be given to the chamber that shows the largest percentage increase in registration between July 6 and Oct. 10 of this year.

According to the election laws a person must be a citizen of the United States, 21 years of age, a resident of the state of Michigan for six months and be a resident of the voting precinct for 30 days prior to the ensuing election.

So . . . don't forget that the deadline for registering is 8 p.m. Monday, Oct. 10, in order to vote in the Nov. 8 general election.

Hunters Warned To Sign Name Tags On 'Any Deer' Permit

Early returns on "any deer' applications to the Conservation Department show that many hunters are failing to sign their names on the new tag part of permits.

In addition to signing on the back of applications as before, hunters must also ink their signatures on the face side directly below two columns of dates on the tag. A bold arrow in the lower right-hand corner of the tag be intact to be eligible for the shows where to sign.

Applicants are also warned not to tear off tags. Applications must

Hunters who have or think they have erred in applying may re-submit applications. One application is the limt per hunter. Those breaking this rule will be subject to fine and costs and could lose their hunting privileges.

Department workers are busy checking and sorting applications. An estimated 25,000 had reached the Department's Lansing office by early this week. October 10 is the deadline for postmarking

Rites Monday for Retired Marion Twp. Resident

William Strohschein, 67, retired tool and die maker who has resided in Marion township for the past six years, died early Friday at the Charlevox hospital a short time after he was admitted. He had been in failing health for several weeks.

Funeral services were held Monday at the Bethany Lutheran church with the Rev. Albert Engler officiating. Burial was in Brookside cemetery. The Winchester Funeral Home was in charge of arrangements.

Born in Russia Jan. 26, 1893, Mr. Stroshschein came to Flint in 1913. In 1919 he was married to the former Margaret Dorgusch in Detroit. They made their home in Flint where he followed his trade as a tool and die maker until retiring in 1954 and moving to Marion townshp. He was a member of Bethany Lutheran church.

He is survived by his wife; two daughters, Mrs. Joseph Easterwood of Cadillaac and Mrs. Floyd McCracken of Charlevoix; two sons, William Jr. of Saginaw and Rev. Arnold, a missionary serving at Davao City, Philippine Islands; 15 grandchildren; a brother and three sisters in Germany.

Fall Meeting of Co. Supervisors to Convene Monday

The annual fall meeting of the Charlevoix county board of supervisors will convene at the county building here at 9:30 a.m. Monday with the chairman, Ivan Phillips, presiding.

At this meeting taxes will be apportioned, statements of taxes to be raised by cities and townships accepted and approved, salaries for 1961-62 fixed, appropriations made and the 1961 budget adopted.

The tentative budget for the coming year was set at $279,302.90 at the April meeting. However, this is expected to be pared by several thousand before it is finally adopted. The 1960 budget, as adopted, was $244,397.15.

Peninsula Grange To Host Pomona

The regular meeting of the Pamona Grange wll be held at the Peninsula Grange hall at 8:30 p.m. Saturday, Oct. 15.

A card party will follow the business meetiing.

Exchange Students Hold Joint Meet

(Continued from page 1)

brought chuckles from the students who had found themselves in similar circumstances. However, they all seem to have a good sense of humor and can laugh at themselves and the predicaments in which they find themselves.

Mrs. Andresen then went on to say that, like Topsy, the exchange program which had started out on a small scale in the late 1940's just grew and grew until more than 1,000 students from 26 countries have been brought to Michigan.

When it proved so successful, church officials decided that it might be a good idea to send American students to Europe. Since this phase was introduced in 1955, 685 Michigan students have spent the summers in various European countries. In more recent years choral groups have been organized to tour the Americas and the exchange of Mexican students introduced into the program.

In summing up the project, Mrs. Andresen called it a program based on faith . . . faith in human nature, faith that there would be support for it here and abroad and faith that this is the way to better understanding and, eventually, world peace.

Helmuth Frede of Essen, in the Ruhr Valley of Germany, one of the early exchange students to participate in the program and now a teacher who is assisting with the program, spoke briefly. He told of his experiences as a student who lived in Port Huron and what he thought the program was accomplishing. His wife, Liesel, who was making her first trip to this country, was also introduced.

Mr. and Mrs. Arthur Delamarter of Arcadia, teachers who are serving as counsellors with the program, spoke briefly on their experiences and urged the support of the program by communities, churches and clubs.

Autumn Rhapsody Due in Michigan

Nature's rhapsody of color will soon begin in Michigan. The first chords of the Overture to Autumn have been sounded.

Under Nature's baton, a delicate theme is woven between the heady warmth of summery days and the sense-sharpening chill of autumn nights. Frosts moving southward from the steel-blue waters of Lake Superior set the theme as a crescendo of color rises over the quiet greenness of Michigan's 19 million acres of lush forestland.

Trees adopt hues of yellow and brown, with here and there a cymbal clash of livid red, in a wild display of doomed beauty. Even the suburbanite deserts his expressway - regulated homeward route for a delightful detour along tree-arched side roads.

Autumn is one of Nature's shorter compositions but easily the most brilliant. Concert date is left to the whim of the conductor but Michigan's Tourist Council has arranged a personalized booking agency for those who want free tickets to the performance. A card or letter to the Council office, Lansing 26, Michigan will bring a report on when the performance is about to begin.

The first movement of this natural masterwork opens with a muted fanfare of frigid wind sweeping southward across Lake Superior into the upper peninsula. Many communities throughout the state have charted special tours of their areas for the autumn traveler.

Munising and outlying points in Alger county offer numerous planned tours through some of the most densely forested areas in the state. Escanaba is the starting point for five tours varying in length from 72 to 130 miles. The view from atop Pine Mountain in Iron Mountain, Michigan affords a spectacular scenic vista.

Gogebic county has conveniently marked the special scenic attractions within its boundaries with wooden Indianhead signs for easy identification. Color photography fans will find countless camera subjects along the well-planned group of four tours outlined in Menominee county.

Marquette's Sugar Loaf mountain, Lake Superior shore drive and the historic copper country of the Keweenaw peninsula present different viewpoints of the rugged upper peninsula dressed in its vari-colored autumn raiment.

The northern half of Michigan's lower peninsula is covered by more than three million acres of public and private forest which begin the autumnal transformation about a week after its start above the Straits of Mackinac.

Charlevoix is the focal point for a number of color tours surpassed by no other area in the state. Four exceptionaly beautiful tours, all on hardsurface highways, are easily mapped from Charlevoix as a central point. All of them afford long stretches of shoreline beauty bordering the numerous large inland lakes as well as Lake Michigan.

Those with an adventuresome spirit will find unbelievable scenic color along the miles of county and township roads. Some of these roads necessitate slow driving and the encrouching branches of the forests may leave a few scratches on the cars. These things are no deterent to those souls who want to see natural beauty at its best.

Suggested tour No. 1 would follow US-31 south to Kewadin; thence around the southern tip of Torch Lake through Alden, Clam River and on to East Port. The return to Charlevoix will again be on US-31 in the opposite direction but providing an entirely different spectacular view.

There is an optional route from Eastport by cutting west at the first intersection north of the village and following the Flat Road (Original US-31) through Norwood and returning to the main highway eight miles south of Charlevoix.

Tour No. 2 might be Charlevoix to Ellsworth, Central Lake and Bellaire, crossing the channel and following the east shoreline of Intermediate Lake to Ellsworth; thence east to East Jordan and returning to Charlevoix along the west shoreline of the South Arm of Lake Charlevoix.

There are three recognized forms of lightning.

We hear a lot about the nation's schools being underhoused but during the last five years, according to the Chamber of Commerce of the U. S., the number of school classrooms constructed was sufficient not only to house yearly enroliment increases but to replace annually about 16,000 substandard or abandoned classrooms.

October 9-16 is Fire Prevention Week

Property owners in Michigan, out-of-state tourists, civic groups, conservation clubs, schools, the press, radio, and television are urged to give an all-out effort against fires during the October 9-16 period which has been proclaimed as National Fire Prevention Week by President Eisenhower.

Support is sought in publicizing fire safety practices and in applying these measures to thwart potential fires not just next month but throughout the year.

This year's national observance is well timed with a seasonal forest fire threat in Michigan, according to Milton M. Bergman, chief of the Conservation Department's fire control section. The most disastrous fires in Michgan's history have occurred during the fall, he stresses.

Drying frosts, winds, and lack of rainfall frequently leave the state's forest lands ripe for heavy and costly losses.

Bergman points out that fall fires are hard to control and usually cause far more damage to the soil and forest growth than spring or summer fires.

FIRE PREVENTION WEEK is coming up—from October 9 through October 15. That's the time to check your home, your office, your car and garage for possible fire hazards. And be sure, too, that every member of your family knows the number of your fire department. You'll find it in the front of your telephone directory.

FIXING UP FOR FALL? A lot of people find that this is a good time for getting things done around the house. And it's a good time to think about getting the extra convenience of an extension phone in your bedroom. It's particularly nice in the winter. If the phone rings at night, you don't have to hop out of a warm bed to take the call. Our new Princess phone fits nicely on any bed table—and its built-in night light is an added convenience. To order a bedside extension phone today, just call your telephone Business Office.

ONE OF THE LATEST improvements in home building is *free* Built-in-Wall telephone wiring—throughout the house. Special wiring, designed to provide for all future telephone needs, is concealed in the walls of your home during construction. When you move in and order telephone service, the installer locates the hidden wires with an electronic detector and connects your phones. Built-in-Wall wiring assures neat, attractive telephone installations in a wide choice of locations throughout your home and permits you to change locations readily at a later date. If you're thinking of buying or building a new home, be sure to call us at Michigan Bell. We'll be happy to install Built-in-Wall telephone wiring . . . at no cost to you or your builder.

LANSING OBSERVER

By FRANK G. MORRIS

The special session of the legislature had ended without bloodshed, or even black eyes, and a few Republican and Democratic lawmakers were hoping that a star-spangled soothsayer would come along and assure them that Michigan will find a magic key to the financial problems ahead.

They had gatherd in the back of the Senate, troubled by the fact that their two-day fight over bills extending medical aid and hospitalization for the aged had been colored by politics.

Having witnessed the bitterness of the tax battle during the last 20 months, many citizens may be surprised to learn that, some of the legislators in both parties actually are human beings who call each other by their first names.

Anyway, the lawmakers relaxing after the session were surmising that the big 1959 bust over an income tax was a gentle zephyr compared to the storm in 1961 if the voters do not approve the four-cent sales tax proposal on the ballot next month.

Most of the agreed that if the people refuse to amend the Constitution to permit a four-cent sales tax, a personal income tax will be inevitable.

They said a trumpeter should be dispatched to every percinct to make clear to the people that, by voting for or against the sales tax proposition, they also are voting for our against an income levy.

Senator Frank D. Beadle, of St. Clair, the Repubican caucus chairman, was puffing silently on his pipe and listening—as is his custom before the aces are played. And then he observed;

"There is an alternative.

"Without either a sales tax increase or an income tax, we could cut state services and budget the government to its present revenue.

"But I would rather not be around when the legislature starts cutting the schools, the hospitals, welfare and—yes—even medical care for the aged.

"We might be torn limb from limb.

"The people have told us very clearly that they will not accept an income tax. Yet they may not vote for the sales tax proposal.

"The storm warnings are up, and the road ahead is not strewn with roses."

The medical aid bill, passed after two days of argument, is an example of the trouble foreseen by Senator Beadle. It will cost the state government $2,560,000 for the next six months, which would be a comparatively minor item except for one bleak fact—the state doesn't have the money. The budget already exceeds estimated income by more than $9,000,000.

On an annual basis, the cost to the state will be $5,120,000 a year and an additional $1,200,000 will be raised by the counties.

No one disputed the need of the legislation, which provides medical care and hospitalization for needy citizens over 65 years of age who are not receiving old age pensions. Pensioners already have medical and hospital care.

The basic issue was whether there should be a limit. Republicans insisted the pattern should follow the benefits allowed under Blue Cross and Blue Shield. Gov. Williams, who wanted no limit, finally gave in.

So what's wrong with placing some kind of ceiling on the medical and hospital allowances for each individual, and making the aid available only if sons and daughters are not financially able to help their parents?

Farm Program is Viewed Costly by Noted Ag. Writer

The "farm program" has been a multibillion-dollar failure, declares John Strohm, noted agricultural writer, in an October Reader's Digest article, "**You**, as a Voter and the Farm Problem."

Realized net farm income is down 35 percent from 1947. Commodities that farmers sell have edged up 3.5 billion dollars in price in the past 12 years, while the cost of supplies that they buy has jumped 9.2 billion. This price-cost squeeze has cost farmers 5.7 billion dollars.

Surpluses of some crops are now so huge that it costs taxpayers nearly two million dollars a day just to store the 8.7-billion-dollar hoard. During the past eight years, the United States disposed of 15 billion dollars' worth of surpluses at the front door—only to have "unwise" legislation pile another twenty billion dollars' worth at the back door.

Strohm sees no single solution but warns that the "public utility" approach to agriculture—with four million farmers kept on their farms under strict quotas—would stop farm progress, make farming inefficient, add to bureaucracy, increase taxes and raise food prices in the long run.

He says most farm leaders agree surpluses must be reduced gradually, that the 2,700,000 farmers who sell an average of only $800 worth of products annually must be helped to other employment, and that the basic programs of research, education and development of new uses for farm products must be continued.

"The best long-term assurance for the 2,100,000 commercial farmers," writes Strohm, "is to give the free market a chance to work . . . Never in history has any people had so much food of such high quality at such a reasonable price. This has been true because agriculture, in the main, has been free—not because of government laws."

Strohm a former president of American Agricultural Editors' Association lives in Woodstock, Ill.

Though maligned as pests, hawks prey largely on rodents and insects. It is estimated that a single hawk saves farmers about $110 a year in rodent damage.

FRIDAY! THE GREATEST

SIXTY-ONEDERFUL CHEVROLET

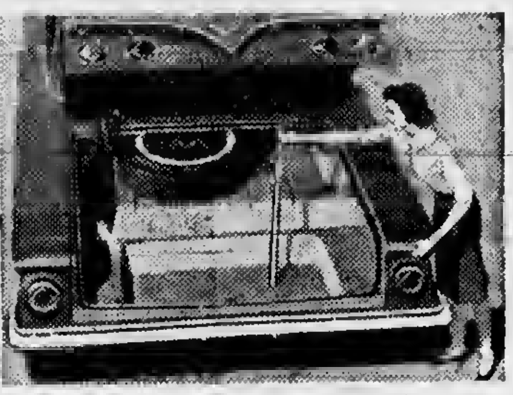
Here's the car that reads you loud and clear—the new-size, *you*-size '61 Chevrolet. We started out by trimming the outside size a bit (to give you extra inches of clearance for parking and maneuvering) but inside we left you a full measure of Chevy comfort. Door openings are as much as 6 inches wider to give feet, knees, and elbows the undisputed right of way. And the new easy-chair seats are as much as 14% higher—just right for seeing, just right for sitting.

Once you've settled inside you'll have high and wide praises for Chevrolet's spacious new dimensions (in the Sport Coupes, for example, head room has been upped as much as 2 inches, and there's more leg room, too—front and rear). Chevy's new trunk is something else that will please you hugely—what with its deep-well shape and bumper-level loading it holds things you've never been able to get in a trunk before.

Yet, generously endowed as this car is with spaciousness and clean-etched elegance, it holds steadfastly to all the thrifty, dependable virtues Chevrolet buyers have come to take for granted. Your dealer's the man to see for all the details.

IMPALA 4-DOOR SPORT SEDAN—*one of five Impalas that bring you a new measure of elegance from the most elegant Chevies of all.*

NOMAD 9-PASSENGER STATION WAGON. *You have a choice of six Chevrolet wagons, each with a cave-sized cargo opening nearly 5 feet across.*



There's never been a trunk like it before! The floor's recessed more than half a foot and the loading height is as much as 10½ inches lower.

BEL AIR 2-DOOR SEDAN, *like all '61 Chevrolets, brings you Body by Fisher newness—more front seat leg room.*

William Holden Tells How The Right Insurance Saved Him From Big Loss

"I was thousands of miles away from home, making a picture in Hong Kong, when the importance of having the right insurance was really brought home to me," says famous motion picture actor William Holden. "At the time it happened, all I knew was in a cablegram. It read, **Don't worry. Part of house burned."**

William Holden goes on to say there was a happy ending to the story. When he returned to the United States several weeks later he found that the insurance claim had already been paid, and his home was already completely repaired. In fact, he had to ask, "Where was the fire?" because the repair job was so perfect.

William Holden has nothing but praise for his independent insurance agent. "In the first place he makes sure you're insured only with companies that pay claims promptly and fairly. Then, if you have a loss, he helps you collect. You get first-class service—and protection—all along the line."

You, too, can count on getting the right insurance when you buy from the man who displays this Big "I" Seal. To display it, we have had to meet professional standards designed to protect you.

Henry Hazlitt says, in a Newsweek article: "The most serious domestic issue today is the preservation of the integrity of the dollar. This requires an end to reckless Federal spending. It requires, the tapering off or termination of some of our major spending programs. It requires not nerely the passive consent of Congress to monetary discipline on the part of the Federal Reserve authorities, but positiive Congressional insistence on such discipline. It requires removal of the interest-rate limitation on long-term Treasury bonds."

The Federal Reserve rediscount rate (the rate at which commercial banks borrow from the Federal Reserve banks) is now 3.5 per cent. Among 45 countries, only nine have a lower rate.

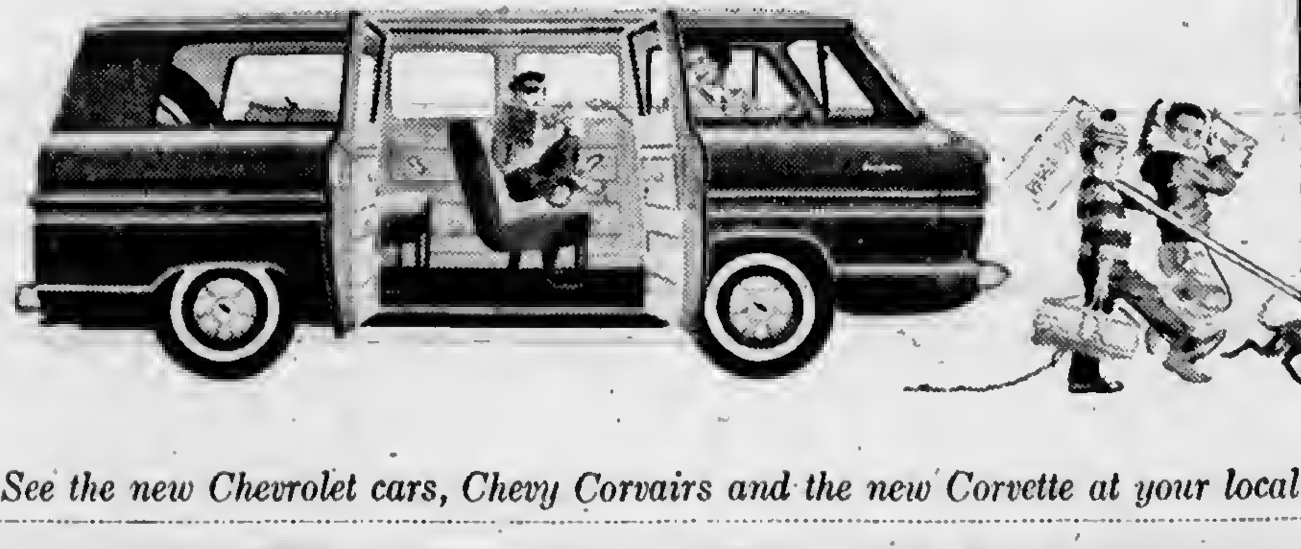
NEW '61 CHEVY CORVAIR

More space . . .
more spunk
and wagons, too!

The newest car in America: the CORVAIR 700 LAKEWOOD 4-DOOR STATION WAGON.

CORVAIR 700 CLUB COUPE. *Like all coupes and sedans, it has a longer range fuel tank.*

CORVAIR 700 4-DOOR SEDAN. *Provisions for heating ducts are built right into its Body by Fisher.*

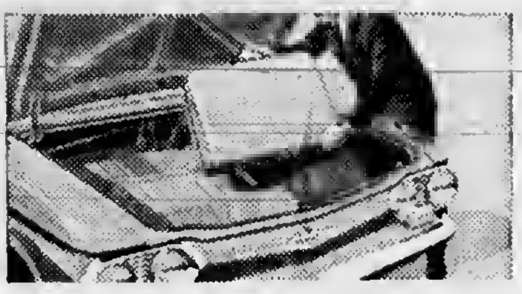


Here's the new Chevy Corvair for '61 with a complete line of complete thrift cars.

To start with, every Corvair has a budget-pleasing price tag. And Corvair goes on from there to save you even more. With extra miles per gallon . . . quicker-than-ever cold-start warmup so you start saving sooner . . . a new extra-cost optional heater that warms everyone evenly. Riding along with this extra economy: more room inside for you, more room up-front for your luggage (sedans and coupes have almost 12% more usable trunk space).

And our new wagons? You'll love them—think they're the greatest thing for families since houses. The Lakewood Station Wagon does a man-sized job with cargo, up to 68 cubic feet of it. The Greenbrier Sports Wagon you're going to have to see—it gives you up to 175.5 cubic feet of space for you and your things.

Corvair's whole thrifty lineup gets its pep from a spunkier 145-cu.-in. air-cooled rear engine. Same rear-engine traction, same smooth 4-wheel independent-suspension ride. See the polished and refined 1961 Corvair first chance you get at your Chevrolet dealer's.



Spare tire is in the rear in coupes and sedans—leaving more luggage space up front.

Even middle-seat passengers sit pretty, thanks to Corvair's practically flat floor.

Now in production—the GREENBRIER SPORTS WAGON *with up to twice as much room as ordinary wagons (third seat optional at extra cost).*

FOR NINETEEN SIXTY-ONE

Above: the Fleetwood Sixty Special. Below: the Series Sixty-Two Sedan.

A NEW INSPIRATION FOR THE MOTORING WORLD

You are looking at the completely new Cadillac for 1961—a motor car that will inspire the automotive world for years to come.

While unmistakahly Cadillac in stature and in majesty, it represents a totally new concept in fine car design.

Its graceful silhouette reveals less over-all length and increased head room. Its delicately formed roof lines provide an almost uninterrupted panorama of vision—while a crisp, new sculptured design of front, rear and sides confers a degree of distinction that is entirely new to motoring.

Beneath this visual elegance resides a host of dramatic engineering advancements—an even finer, quieter and smoother-performing engine . . . an entirely new front suspension system . . . a luhrication-free chassis . . . wonderfully improved steering and hraking . . . and greatly increased maneuverahility and handling ease.

This new world of motoring pleasure has heen interpreted in eleven individual body styles—each with an exceptionally wide selection of beautifully crafted and appointed interiors . . . and an unusually generous choice of accessories, fabrics and colors.

Your dealer will be proud to introduce you to the entirely new 1961 Cadillac at any time. We sincerely believe that you will find it an inspiration in motor car quality and goodness.

Claude Pearsall Resigns as Road Commissioner

Claude Peasall, a members of the Charlevoix county road commission whose term expires Jan. 1, 1961, presented his resignation to the Charlevoix county board of supervisors Tuesday, effective at once.

He asked that the board of supervisors accept his resignation so that he may be employed by the road commission as an assistant to the new superintendent of roads, George A. Granger, who assumed his duties Sept. 19. Peasall said Granger is not familiar with the roads in the county or the operation of the commission and that the commission had agreed to employ him to familiarize Granger with the operation.

The road commission, whose other members are Karl J. Erber of Charlevoix and Samuel E. Rogers of East Jordan, accepted Pearsall's resignation at its regular meeting Monday.

As a member of the commission, Pearsall can receive no compensation for any work he might do for the commission. Since the firing of John J. Martin as superintendent July 2, Pearsall has been serving in this capacity without compensation.

In the discussion which followed, it was brought out by Harvey C. Varum, county prosecutor and legal advisor to the board of supervisors, that should Pearsall's resignation be accepted, the board would have to appoint a successor at once to serve out his term of office which expires in less than three moinths. Since he is not a candidate for re-election because he was defeated for the Republican nomination in the Primary election, the board of supervisors hesitated to accept the resignation and appoint someone to the post for less than three months without giving the matter further consideration. As a result it was tabled for the present,

Geral Fineout of Walloon Lake, Republican nominee who defeated Pearsall in the primary election, and Ralph Hamill of Boyne City, the Democratic nominee, are candidates for the post on the commission now held by Pearsall. Their names will appear on the ballot in the Nov. 8 general election.

Pearsall appeared at the meeting of the board of supervisors Wednesday to ask if any action had been taken on his resignation. When he was informed that it was still tabled, he asked that the members of the commission be allowed to appear before the board to discuss the issue. An appointment was made for 1:30 p.m. Friday when the commission members return from Beaver Island.

Former Atwood Resident Dies In Bay City

Word has been received here of the death of Allen Thayer Greenman, curator of Bay County Museum and Bay County Historical society on September 25 in a Bay City hospital.

Mr. Greenman was a native of Atwood, Michigan, son of the late William and Marjory Greenman. He was was graduated from the Charlevoix high school in 1897. He received his A. B. and M. S. degrees at the University of Michigan.

He taught in rural schools in Antrim and Charlevoix counties, including the Norwood school, was principal at Boyne City and was superintendent of several Michigan high schools before joining the Bay City faculty. He retired from teaching in 1945.

He is survived by his wife, one daughter, two grand daughters and several nieces. Also surviving is a sister, Mrs. Winifred Brown of East Jordan.

Mr. Greenman spent the summer 1959 in Charlevoix renewing old acquaintances.

Queen Kathy Boss Reigns at Annual Homecoming Fete

Homecoming queen Kathy Boss greeted her subjects during the annual homecoming parade Wednesday afternoon.

Participating in the parade were the Charlevoix high school senior and vasity bands featuring more than 130 young musicians and floats by the junior and senior high school classes.

Also riding in the parade were members of the Queen's court, Carla Riley, Lenore Erber, Karen Uhrick and Jeanne Curtis. The latter, as president of the Pep Club which sponsored the homecoming festivities, was general chairman of the event.

Queen Kathy received her crown from Mayor E. James Hiller at a pep rally held in the high school auditorium after a sudden rain storm immediately following the snake dance and bonfire forced a change in the program. Coach Don Carey and Rev. Robert J. Yonkman spoke briefly. Perry Smith and Sam Supernaw, representing the Rayders, also spoke to the assembled fans. Queen Kathy 'dubbed' the game captains, Jim Sneathen and Sam Supernaw, to conclude the program.

The homecoming game which saw the Rayders play East Jordan to a 7 to 7 tie; the appearance of Queen Kathy and her court during the special halftime show and the homecoming dance concluded the homecoming events.

Eleventh District Officials to Meet At Charlevoix

The annual meeting of township officials from the nine counties of the Eleventh Congressional District lying in the lower peninsula will be held at the county building here Thursday, Oct. 27, Clark F. Most, supervisor of Mentor township in Cheboygan county and a member of the board of directors of the association, has announced.

Several hundred township officials from Alpena, Antrim, Charlevoix, Cheboygan, Emmet, Kalkaska, Montmorency, Otsego and Presque Isle counties are expected for the meeting scheduled to begin at 10 a.m.

The meeting will feature a "face to face" discussion with congressmen, state senotors and representatives, state and county officers and township officials. High on the agenda will be a thorough airing of the proposal calling for a constitutional convention this fall.

Among those who have been invited to attend are Congressman Vetor A. Knox; State Senators Frank Andrews and John Minnema; State Representative James P. Mielock of Whittimore, C. B. Meggison, John Kilborn of Petoskey and Arnell Engstrom of Traverse City; County officials include William T. Downs, probate judge for Charlevoix county; Harvey C. Varnum, prosecuting attorney Glenn E. Rose, sheriff; F. R. Bulow, clerk; Lillis M. Flanders, treasurer; Grover C. Geneit, register of deeds; Quinton D. White, drain commissioner and Ivan Phillips, chairman of the Charlevoix county board of supervisors. Among the state officers invited are Robert M. Montgomery, state director of election, who will expain new election laws.

Future of SPEBSQSA At Stake; Members Urged to Attend

The future of the Charlevoix chapter of S.P.E.B.S.Q.S.A. will depend on the interest shown in the next few weeks, Robert Winchester, president of the organization said this week in urging all members and prospective members to attend the meetings held the first and third Wednesdays of every month.

Information regarding the meeting place and other details may be obtained from Mr. Winchester.

The Labor Day weekend jamboree was a success, Mr. Winchester reported. The event, sponsored by the local chapter, netted enough to make the organization solvent Mr. Winchester added.

Bill Carey, jamboree chairman, and Mr. Winchester, want to thank all those who joined in making the event a success.

Highway Dep't May Prohibit Parking on U.S.31

Parking on US 31 from Dixon ave. north to the city limits may be prohibited by the Michigan Highway Department if an agreement between the city and the highway department in Jan. 1952 is placed in effect.

A letter regarding this possibility has been received by City Supt. James Taylor from Frederick I. Eggan, district traffic engineer.

It reads in part: The parking on this section (U.S. 31 between Dixon ave. and the city limits) is not particularly prevalent and this in itself is contributory to the hazard. The fact that a parked vehicle directly in the path of moving traffic is so unexpected, the area definitely has a high accident potential, which will only increase in the future. With the section to the south of Dixon ave, being wide enough to accomodate two moving lanes northbound, vehicles in the lane closest to the curb are faced with the problem of maneuvering for position in attempting to pass these parked vehicles and in so doing, jeopardize their own safety as well as that of others in the adjacent lane.

"In January of 1952, at the time the City of Charlevoix had its negotiations with our Department, an agreement was signed by both parties, which included a section stating that at such time as traffic warranted, any or all of the surface of this section would be restricted to use by moving traffic, as so determined by the Highway Commissioner. We now feel, and Mr. Joseph Smith, Chief of Police and Sgt. Don Downer, Traffic and Safety Officer of the Michigan State Police concur in this opinion, that we should probibit parking at any time on the above section in the interest of public safety.

"Inasmuch as you now prohibit parking on this section between Dec. 1 and March 1 each year for snow removal purposes and the fact that there is very little actual need for parking with residents having adequate driveways, it is felt this prohibition will not create any hardship or inconvenience. It will allow us to mark this as a section for four lane operation and help relieve the usual summer congestion on your main artery."

Residents of the area objecting to the proposal are invited to the Oct. 24 meeting of the city council to air their views on the subject.

Mr. and Mrs. Jack Lucas have returned from Indianapolis, Ind. to their North Point cottage.

Overnight guests at the home of Mr. and Mrs. C. D. Geiken recently were Mr and Mrs. Homer Hilton Jr. of Marquette who were enroute to Gaylord for a business conference.

Rod and Gun Club To Sponsor Annual Turkey Shoot Oct. 30

The annual turkey shoot, sponsored by the Charlevoix Rod and Gun club, will be held Oct. 30 on the club grounds, Harold Lang, chairman of the event has announced.

The competition is scheduled to start at 10 a.m. and continue until 4 p.m. A variety of events will be offered contestants, including stationary targets at 100 and 200 yards; running deer target, scope and sight matches. An added feature this year will be the "lucky shot" event in which contestants use a shotgun.

A special chicken shoot is planned for the younger set, using .22 rifles.

Guns and ammunition for the various events will be available at the grounds.

Sportsmen will be given an opportunity to test and sight-in their own rifles on the club range prior to the starting of contests. Members of the Notional Rifle association will be on hand to assist and direct the sighting-in procedure.

Conditions at County Jail Unsatisfactory

The closing of the Charlevoix county jail is eminent if something is not done to relieve the crowded condition in the jail and the segregation of its prisoners the Charlevoix county board of supervisors were told in a letter from William H. Nestle, state inspector of jails for the Department of Corrections who inspected the jail here Sept. 28.

The letter went on to say that Mr. Nestle had found the sheriff's department understaffed for the amount of traffic it handles; that there was no officer to replace the night turnkey on his night off and that it was necessary to have a master plumber check the plumbing in the jail as there are several leaks. Prisoners also were not wearing coveralls.

Sheriff Glenn E. Rose said Wednesday regarding the understaffed condition now existing that there is a period from 4 to 8 a.m. when there is no one in the office at the jail and that there is no relief deputy on duty when the turnkey had a night off or the regular deputy a day off.

The letter said that Sheriff Rose's records were in good order and that the food being served was of good quality and ample quantity.

The matter was discussed by the board of supervisors who had visited the jail to see for themselves the conditions that exist. However, Wednesday no action had been taken on the matter.

Mrs. Clara Mascho to Celebrate One Hundredth Birthday Saturday

Charlevoix county's oldest resident marked her one hundredth birthday anniversary Tuesday.

She is Mrs. Clara Mascho of Marion township who will celebrate momentsous occasion at a birthday party to be held Saturday at the home of her daughter, Mrs. Effie Francisco, with whom she makes her home.

Among the others who will be present for the event will be her other living children, Mrs. Alfred (Norma) Smith of Jackson, Mrs. Glenn (Hazel) Jardine of Harbor Springs, Roy Mascho of Chicago and Charles Mascho of Charlevoix. Many of her 10 grandchildren and 24 great grandchildren are also expected for the family celebration.

Mrs. Mascho, the former Clara Marie Hanna, is a notive of Wood County, Ohio where she was born Oct. 11, 1860.

When she was only five she accompanied her parents via train into Michigan. They then were forced to transfer to hose-drawn wagons as they continued the trip north to Remus in Mecosta county to settle on a homestead. They found one while settler had preceded them in the area. He opened his home to them while the men in the family erected a log cabin to house the pioneers.

She came to northern Michigan in the late 1890's with her husband, the late Philo Mascho, whom she had married May 2, 1889. Mr. Mascho who had previously lumbered in Macasta county came to this area as a foreman for the Essex Lumber Co. of Ellsworth. Mr. Mascho died in 1935.

Mrs. Mascho recalls her early days in Michigan when Indians, who roamed the forests, brought them wild meat and fish and hides which they traded for flour, sugar and lard. She also remembers the wild animals and especially the howling of the wolves which then inhabited Michigan.

Mrs. Mascho attributes her many years and good health to good Christian living and daily reading of the Bible.

Like all pioneer women, Mrs. Mascho worked hard along side her husband, helping to carve a home for their family out of the forests which then covered the state. She made clothng for her children and did all the cooking and baking for her family without the aid of modern conveniences. In addition she sewed and made quilts for the missionaries supported by the Pilirim Holiness church of Ellsworth which she attended.

Until recent years, she continued to knit, crochet and sew, making hand-made quilts for her children and grandchildren. However, she now has to forego these hobbies because of failing eyesight. She has a keen interests in current events and is well informed on the latest news and political developments.

Make Issue of Paying Absent County Register

Differences between the county supervisors and Probate Judge William T. Downs were aired Tuesday afternoon at the regular session of the board of supervisors with the apparent result the probate office will continue to operate status quo for the remainder of the present term of the incumbent.

Judge Downs appeared at the Tuesday session of the supervisors to clarify his supervision of the office of register of probate following the retirement of Mrs. Anna Eccleston last December. Mrs. Eccleston was replaced by Mrs. Shirley Isaman who had previously been employeed by Mr. Downs in his private law practice at East Jordan.

The bone of contention apparently started after Mrs. Isaman left the job in July and continued to draw her pay from the county up to and including Sept. 28 although she did not resume her duties in the office. The Sept. 28 check, however, was returned to the county Wednesday, according to Mr. Downs.

Mr. Downs contends the county was served on a full-time basis by a registere of probate at his expense during August and September.

No action was taken by the supervisors relative to the future status of the office but Mr. Downs gave his assurance that he would attempt to have a part time register if he could employ one within the limits of the salary schedule.

City Asks for Bids On Liability and Fleet Insurance

The city council, at its regular meeting Monday night, voted to advertise for bids on general liability and fleet insurances. Bids will be accepted until 8 p.m. Oct. 24.

In other action approval was given the applications of Joseph McPhillips for the renewal of airport manager and airport landing field licenses beginning Sept. 1, 1960.

A proposal to re-build three slips on the waterfront through the cooperation of the Michigan Waterways commission on a matching fund basis was also given the approval of the council.

The contract with the Beaver Island Boat Co. for docking arrangements here as approved earlier by boat company officials was again OK'ed by the council.

Bills and payroll totaling $39,958.66 were approved and ordered paid. The amount includes interest and sinking general obligation bonds payment in the amount of $13,287.48; Social Security payment, $3,089.75; purchase of accounts receivable, $5,736.59 and city services, $3,861.

318 New Voters Register for Nov. Election

The combined efforts of both major political parties, the Chamber of Commerce, Kiwanis and other clubs as well as newspaper and other news media paid off in Charlevoix where 318 new voter registrations were reported following Monday's deadline for registering for the Nov. general election.

The city's second ward accounted for 148 of the total. The ward now has 788 registered voters.

In the third ward the number increased from 519 to 611 for a total of 92 new registrants and in the city's smallest ward, the first, 78 new voters registered.

The city now has a total of 1,838 voters

In adjacent townships a record number of new registrants were also recorded.

In Hayes township, for instance, Frank Burnett, township clerk, said Wednesday that he had not completed tabulating the new registered but said there were more than 20, the largest number to register prior to an election in the 20 years he has served as clerk.

In Charlevoix township Mrs. Clayton Smith reported 19 new registrants and in Eveline township Douglas Knutsen reported approximately 15, adding that he had not counted them in recent weeks. Figures in Marion and Norwood townships were not immediately available but all reported some new registrants.

Charlevoix Welcomes The Return of USCG Cutter Sundew

Charlevoix welcomed home Sunday the U.S. Coast Guard cutter Sundew which returned to port late in the day after an absence of three months.

During the period the ship was at the G. & W. Welding Co. in Cleveland where two new 900 hp. engines were installed. The removal of the engines which had been in use since the ship was built at Duluth in 1944 and the installation of the new engines necessitated the cutting away of a section of the ship's deck and superstructure including the stack.

The ship departed July 8 for Cleveland where the engines were installed. The past three weeks were spent at the shipyard in Sturgeon Bay Wis., where the ship was placed in drydock to allow repairs to the exterior of the hull.

The ship in command of Lt. Cmdr. William R. Richards departed Wednesday for work in northern Lake Michigan and Lake Huron and is expected to be out from 10 days to two weeks.

The new engines make the ship easier to handle and will make is much more maneuverable, especially during the ice breaking season next winter and spring.

In its absence, many new crew members have been added to the ship's roster, replacing those who were transferred to various other assignments.

The skipper, Lt. Cmdr. Richards took over his duties July 1 shortly befer the ship departed for Cleveland.

Other officers are Lt. John A. Deardin, executive officer aboard the ship since it came here in June 1958; Ens. H. R. Little who joined the ship's crew in January; Ch. Mach. W-2 H. C. Strother who has been with the ship since its arrival here and Bosn W-1 C. R. Finn who joined the ship while it was at Cleveland.

All are married; Deardin, Mr. Strother and Mr. Finn also have families.

Enlisted personnel who have joined the ship's crew in the past three monhts include: Julius Alamr QM1, John H. Curtier Jr. DC3 Frank J. Duch Jr. ENC, David C. Eddy Sn, Robert C. Notes from a northerner's diary

By Harold E. Kohn

Against A Dark Background

This past week the Northland has been treated to an exciting, awesome display of aurra borealis—the northern lights. Many times each year one can see the night sky faintly illumined by soft bands of white, but during the first week of October this year the sometimes lightly tinted blue-black sky above the pines was lavish with streamers of pale green, yellow,green, yellow-oragne, and gray-violet. Long ribbons of light were unfurled from the horizon in an arc circling far to the east and the west. From the earth they were cast toward the zenith, from which they soon rolled earthward, only to be flung again high into the skies.

This night-time wonder usually lasts for only a few hours, but occasionally it continues for as many as sixty hours on the dark side of the earth, so that it can be seen from a given place on three successive nights. And why only at night? Because, although the northern lights are present in the day sky, their beauty can be seen only against a background of darkness.

We ordinarily think we see better in the daylight than we do at night. But that isn't necessarily so. There are some things that, like the northern lights, must be seen at night or missed altogether, We can study astronomy from a textbook while drenched with brilliant sunshine, but communion with the stars can be enjoyed only when we wait for the dark silences to set them free from their daytime obscurity.

If we lose something of value outdoors, we may decide to wait for morning "when we can see better". But there are times when the lost can be found easily in the dark. When "The Republic" was sinking in 1910 another ship, "The Baltic", sailed to be supposed location of the troubled vessel but could not find her for the light fog that lay low over the ocean. For hours the search went on as "The Baltic" cautiously poked its way through the fog and whistled mournfully. Then night fell and the passengers on "The Baltic" gave up hope of finding the sinking ship in the darkness. But the blackness of night blessed the search. As darkness deepened the lights of "The Republic" became visible in the distance. The ship that could not be found in the misty light of afternoon could be clearly seen in the night, and rescue followed.

Most of us tend to be more perceptive, more aware of some things in darkness than in light. Prosperity and success tend to lower upon our existence a haze that obscures life's central questions and its basic answers. We cannot see ourselves as we really are in the light of good fortune. But when a dark calamity descends, unknown facets of character are disclosed. Our weaknesses show up, our feeble faith, our anemic courage, our vapid dedication to the Highest. When life is sunny many spiritual infirmities are hidden from us that only darkness reveals. If the moneyed man's wealth is his only strength he begins to know himself when his money is gone or when he suffers a loss that no amount of money can replace—when health is lost, or when one dearer to him than life dies. If one's chief security is in physical well being, then self-knowledge is greatly increased by prolonged illness. If public acclaim is ones basic aim, achievement, pride and joy, and only in that does he find peace of mind, then knowledge of self is enhanced when the public applause subsides and dark disfavor falls upon him. When life is radiant with success or even slightly hazy with moderate prosperity many spiritual infirmities are hidden from us that only darkness reveals.

Moreover, not only our hidden weaknessas but our secret strengths are revealed by darkness. John Milton's blindness was more than a bleak tragedy: it was an adventure of self-discovery and his most sublime poetry emerged from that midnight of the spirit. Beethoven's darksome deafness seem like the end of his musical creativity; instead he discovered new dimensions of his genius after the dreaded nightfall. The brightness of Paul's intrepid faith did not shine until after he was severely persecuted and imprisoned. Until it was tested by darkness Paul did not know how much faith he had. Trouble is a revealer, showing both our weaknesses and our strengths.

In the daylight of success and triumph we may seem self-sufficient, but in the night of trouble we see the importance of others. How revealing is another's nearness when deep sorrow settles over us, how dear every face, how meaningful every handclasp. Mabel Cratty has written "One of the great accompaniments of all the trouble and sorrow we experience is the sense of being knit into the life of our kind. So much more you must be feeling yourself a part of all whom you meet— a partaker in the loads which suffering humanity carries upon its shoulders. "Trouble is a revealer, showing us others of whom we have been too little aware, showing us we need them, and that they need us.

More important, in the darkness we somtimes encounter the God who has been near us all along but unnoticed. Our light-dazzled eyes did not recognize Him. God is near whenever there is unselfish love, but too often we miss God and see only human values in that love. God is present whenever there is beauty, but too frequently we recognize beauty as the product of man's genius or the expression of an impersonal "Nature." God confronts us in goodness, but He is easily overlooked as virtue is creditd to man's heroic striving after perfection. But when a gloomy personal tragedy falls, obliterating for a time all the help human love and goodness and natural beauty can offer—what then? Then many a man finds God near—as did Moses in the desert and Isaiah in Babylon.

Indeed, perhaps this is the hope of our time both for individuals and for the whole of mankind: light is dimming. The once-vaunted belief in inevitable human progress is fading as our very advances threaten to annihilate us, and an eagerness for God intensifies as the gadgets of civilization fail to provide peace and fulfillment. As our bright hopes for the ultimate triumph of man's genius fade and utterly fail, the final victory of God's grace can be seen against the darkness.

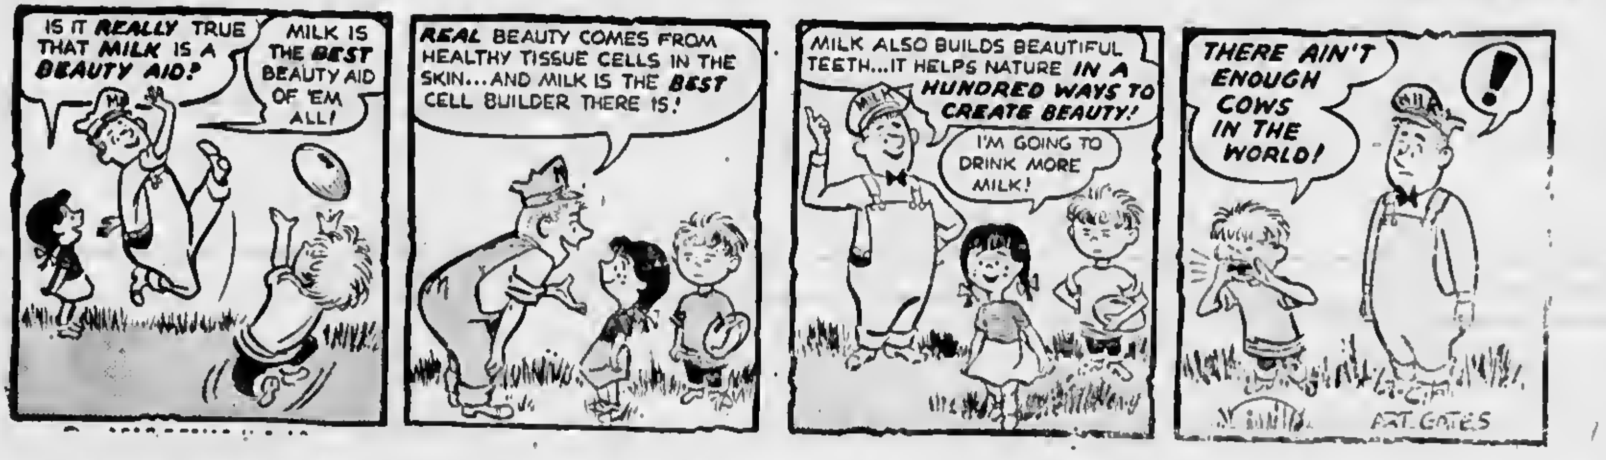
By Maxbauers



IS IT REALLY TRUE THAT MILK IS A BEAUTY AID?
MILK IS THE BEST BEAUTY AID OF 'EM ALL!
REAL BEAUTY COMES FROM HEALTHY TISSUE CELLS IN THE SKIN...AND MILK IS THE BEST CELL BUILDER THERE IS!
MILK ALSO BUILDS BEAUTIFUL TEETH...IT HELPS NATURE IN A HUNDRED WAYS TO CREATE BEAUTY!
I'M GOING TO DRINK MORE MILK!
THERE AIN'T ENOUGH COWS IN THE WORLD!
!
ART GATES

That is good sound advice from Malcolm the Milkman. He knows that milk is a healthful aid to beauty.

Justice Court News

Justice Jehn Connolly reports the following cases which appeared in his court recently:

David C. Millstead, 20, of Flint, charged with breaking and entering the Elmer Lyon home in Norwood township and with unlawfully driving away the Lyon's car on a citizen's complaint, waived examination on both charges and was bound over to the October term of circuit court. Bond was set at $500 on each charge. He was remanded to the county jail when he failed to furnish it. The car was found abandoned near Saginaw.

Thomas R. Wellman, 21, of Boyne Falls, charged with breaking and entering Bell's restaurant in Boyne Falls a few hours after being released from the county jail here, waived examination and was bound over to circuit court. Bond, which was not furnished, was set at $1,000. Summons was issued by the State Police.

Paul Crouterfield, 17, of Boyne Falls, and Harold Barrows, 21, of Charlevoix, charged with creating a disturbance at a public meeting on a citizen's complaints, were found guilty at trials held in justice court and were ordered to pay $10 fines and $10 costs issued by the State

John Hudson Jr., 17, and Joe D. Bordeaux, 21, both of Grand Rapids, charged with petty larceny, were ordered to pay fines of $10 each. The former was also ordered to pay $4.30 costs. The latter was ordered to pay the fine and $5 costs or serve 10 days in jail. He was committed. Summonses were issued by the State Police.

Clark Jenkins, 26, of Boyne City, charged with speeding, was ordered to pay $25 fine and $5 costs. Summons was issued by the City Police.

Louis Holm Jr., 17, charged with failure to have his car under control, was ordered to pay $5 fine and $4.30 costs. Summons was issued by the State Police.

Lenore Erber, 17, charged with speeding, was ordered to pay $5 fine and $4.30 costs. Summons was issued by the City Police.

County Farm Bureau Holds Annual Meet At East Jordan

The annual meeting of the Charlevoix County Farm Bureau was held Tuesday evening, October 5th in the small gymnasium of the East Jordan High School.

A program of movies was shown by Mr. Newsted, Agriculture Instructor of East Jordan High School, illustrating modern trends of agriculture in the United States and the many opportunities for young people in this field. Also songs by the Resortaires, a Barbershop quartet from Boyne City, brought much fun and life to the meeting.

Elected for a term of two years to the Charlevoix County Farm Bureau Board of Directors were the following: members representing their respective group, Edward K. Shanahan Oyster Bay, Clinton Blanchard - William Himebauch, alternate Phelps, William Korthase - Deer Lake, Eldon Pettigrew - Old 66, Jasper Warner - Barnard, George Block - McGeagh.

In as much as Charlevoix County had 343 paid Farm Family members in 1960, the County was entitled to three delegates to the Annual meeting of Michigan Farm Bureau which will be held November - 9 - 10 - 11 East Lansing. Dawson Way, Clayton Healey and Edward K. Shanahan were elected delegates to the State meeting. Charles Mascho, Thomas Wieland and Leonard Babel elected as alternates.

Mr. and Mrs. Aaron Brock were presented a plaque and gift in recognition of winning the Farm Bureau Co-Operator award of the year.

Resolutions from the Star, Miles and Old 66 Groups pertaining to the eligibility of electors on the raising of tax millage, National Primary elections to nominate Presidential and Vice Presidential candidates for various Political parties, Hospitalization insurance and Federal interest rates on money borrowed by R.E.A. Co-operatives from the Federal Government, were presented and after discussion were adopted, and copies sent to the Michigan Farm Bureau,

The Michigan Farm Bureau view point on the Con - Con amendment to the State Constitution was explained by President Edward K. Shanahan. He pointed out the many reasons why the Michigan Farm Bureau opposed this amendment.

Dawson Way, County Roll call chairman for 1961, remainded all members of their responsibility in making the Charlevoix County Farm Bureau membership drive a success. 1961 dues notices have been mailed to all members, and Mr. Way urged prompt paymemt as each members part in reaching our goal.

Charlevox-East Jordan Squads Play to Tie Score

★ ★ ★

Touchdowns Halted by Fumbles, Interceptions and Defense

The Charlevoix Rayders played East Jordan to a 7 to 7 tie Friday night in a homecoming game at Kipke field. The meeting saw both teams threatened several times, only to have their threats halted by fumbles, pass interceptions or strong defensive action.

The first half was scoreless. However, Charlevoix capitalized on an East Jordan fumble on fourth down to set up their lone touchdown late in the third period. East Jordan intercepted a Rayder pass in the end zone and marched the ful length of the field to tie the score. A pass interception gave the Rayders possession of the ball at the final gun.

Starting for the Rayders were Sam Supernaw, Henry Wagner, Jim Sneathen who was in the starting line-up for the first time, and Tom Louiselle in the backfield; Ends Jim Dennis and Terry Deyoung; tackles Jerry Keiser and Spencer Root; guards Gene McBride and Darrell Somerville and center Dave Barnes. Also seeing action were Stan Martin, who played only on defense until the final minutes of the game, Denny Wojan, Dale Burke, Gary Spencer.

Missing from the line-up was Perry Smith who suffered a leg injury in the Grayling game.

Charlevoix kicked off to East Jordan who took the ball on their own 38 and were forced to punt on fourth down. The Rayders took the punt on their own 35 yeard line, picked up one first down and moved to the East Jordan 41 where they were forced to punt. This time the Red Devils took the ball to the Rayders 14 but fumbled with McBride recovering on the Rayder 30. An exchange of punts found Charlevoix in possession of the ball on their 37 as the quarter ended.

East Jordan gained possession of the ball on downs, punted to the Rayders who marched to the East Jordan 35 where the Red Devils intercepted a Rayder pass on their own 28. On the next series of plays the Jordanites marched to the Rayder three where the half ended.

East Jordan kicked off to the Rayders to open the second half. Charlevoix picked up two first downs to the East Jordan 31 only to lose the ball on downs. The Red Devils advanced to their own 48 but lost the ball to the Rayders on downs. This time, with Supernaw passing to Sneathen and ground gains by Sneathen and Wojan, the Rayders invaded East Jordan territory to the one foot line where Supernaw went in to score. Henry Wagner ran the point-after-touchdown over to make the score 7 to 0 with 1:04 left in the quarter.

East Jordan took the kickoff and returned the ball to their own 43. However, two major penalties set them back to their own 23. In an effort to get out of the hole, the Red Devils took to their air only to have their offensive attack stopped cold when Wagner intercepted a pass on the East Jordan 45 yard line.

With the entire backfield carrying the ball, the Rayders marched 51 yards to the East Jordan four, only to be penalized to the 22. Two plays later East Jordan intercepted a Rayder pass in the end zone and the ball was placed in play on the 20 yard line.

In a final attempt to score, the Jordanites opened an aerial attack which moved the ball to the Rayder 10 yard line where Halfback Ron Sudak passed to End Ray Fisher for a touchdown. Quarterback Bud Gee booted the extra point to the score at 4:05.

East Jordan kicked off to the Rayders who lost possession of the ball on a fumble on their own 41 yard line.

Again the Red Devils took to the air only to have a pass intercepted by Stan Martin on the third play of the series. The Rayders moved the ball to the East Jordan 41 only to have East Jordan intercept a pass on the 31 yard line.

The Red Devils, in a last attempt to score, fired a pass which was intercepted by Martin as the final gun sounded.

This Week's Games

Harbor Springs and Boyne City will be defending their first place standings against Charlevoix and Pellston, respectively, to headline the action in the Northern Michigan Class C league this week.

In other games Mancelona will travel to Gaylord and East Jordan will entertain Grayling.

The Harbor Springs Rams, riding high with wins over Pellston, (12-6), East Jordan (36-14) and Grayling (13-0) will take on the Charlevoix Rayders, defending league champions, who have yet to win a game. To date the Rayders have racked up ties with Grayling (13-13) and East Jordan (7-7) and lost to Boyne City (14-6).

Paced by Quarterback Gary Stutzman who has been subbing for George Pamp, regular signal caller who is out with a torn leg ligament, and Harvey Kasuske and Tom Graham, behind a line that has looked good on both defense and offense, the Harbor Springs Rams are proving to be the powerhouse many sports fans predicted before the season opened.

Charlevoix, on the other hand, has failed to shape up and, as a result, have yet to post a conference win. Though the Rayders seem to have a great potential they lack the punch that has made them a greater team in the past. Then, too, they have been hurt by the loss of key men as the result of injuries. If they return for this week's game, the Rayders could be assured of a little depth that would help a great deal.

The Rayders will definitely be the underdogs in this game with the Rams favored to win by a sizable score, according to records to date.

The Pellston Hornets with three losses to date, Harbor Springs (12-6), Mancelona (32-10) and Gaylord (6-0), are expected to offer litle opposition to the scrappy Boyne City Ramblers who with wins over Charlevoix (14-6), Gaylord (27-0) and Mancelona (19-13) seem to be well on their way to regaining the title they lost to the Rayders in 1958.

Mancelona, downed last week by a determined Rambler outfit in the final minute of play, should snap back this week with a win over the Gaylord Blue Devils who have defeated Grayling and Pellston by one-touchdown margins while losing to Boyne City (27-0).

Both East Jordan and Grayling will be trying for their first loop victories when they meet this week. The Red Devils should have the edge in this meeting despite the fact that they, like Grayling, played Charlevoix to a tie game. The Vikings have come a long way but with the Jordanites speed and aerial attack to combat it is doubtful if they will get in the win column this week.

Boyne-Harbor Tied for First Place in League

Boyne City and Harbor Springs remained the only undefeated teams in the Northern Michigan Class C league following Friday's action.

Boyne City edged Mancelona 19 to 13 in the last minute of play and Harbor Springs dumped Grayling 31 to 0 to keep their first place standings intact.

In other games Gaylord defeated Pellston 6 to 0 and Charlevoix played East Jordan to a 7 to 7 tie.

Boyne 19 Mancy 13

With Boyne City trailing 13 to 12 as the game at East Jordan went into its closing minute, the Ramblers quarterback Glen Tathan uncorked a 10- yard desperation pass to end Ron Ward to defeat the Mancelona Ironmen by a one-touchdown margin. Tracy Newville ran the conversion point.

Earlier in the game Halfback Larry Bengtson had put Mancelona ahead 6 to 0 by romping 95 yards to score on the first play from scrimmage after the Ironmen had recovered a Rambler fumble on the five yard line. This TD came after a scoreless first quarter in which neither team threatened.

Halfback Tom Kujawski then tied the score 6 to 6 by going over from the five-yard line following a sustained drive which started on the Rambler 45.

Bengtson scored a second time when he went over from the seven midway in the third period with Halfback Kenny Johnson running the conversion point.

Not to be outdone, left halfback John Bricker, defensive back who had replaced speedster Doug Grubbe in the line-up after the latter had suffer a badly sprained ankle, went 60 yards to oscore on a reverse. The kick for the converion point was missed and Mancelona remained ahead by on point until the last minute of the game when Tatam, who had replaced Jack Dixon in the signal calling position when the latter entered the hospital for an emergency appendectomy, pulled the game out of the fire with his passing.

HARBOR SP. 31 GRAYLING 0

Gary Stutzman, substitute quarterback for George Pamp who is sidelined with a leg injury, and Fullback Harvey Kasuske combined their talents at Grayling Friday to give the Harbor Springs Rams a lopsided win over the Vikings who threatened only once in the last period when they advanced to the four-yard line, only to lose the ball on downs.

Stutzman put the Rams ahead 6 to 0 midway in the first period when he went over from the 11 on a quarteback keep and added a second tally in the second period on a 23 yard run. Kasuske made the score 18 to

Municipal Golf Grosses $8,727.25 For 1960 Season

A report on the activities at the municipal golf course during the summer months as compiled by Keith Carcy, manager of the course for the past eight summers, reveals that the course grossed a total of $8,727.25 during the 1960 season.

The report also shows a steady increase during these years. For instance, in 1953 the gross income was $4,814.55. Since then it has increased as follows: 1954, $5,269.35; 1955, $5,717.75; 1956, $6,313.50; 1957, $8,279.25; 1958, $7,262.75; 1959, $7,582.75.

A breakdown of ticket sales shows an increase of daily tickets sold from 3,213 in 1953 to 4,285 in 1960.

Until 1958, a golfer could play as many holes as he cared to for the cost of $1.25 a day. However, with the increased number of golfers, an additional 75 cents was added to the all-day fee which not only relieved the first tee congestion but increased the revenue as can be seen in figures included in the report. In 1958 478 $2.00 all-day tickets were sold bringing in $956 with the additional 75 cents fee adding $358 to the revenue. The following year 503 tickets brought in $1,006 or $377.25 in additional revenue and in 1960 566 tickets brought in $1,132 or $423 in additional revenue.

During the same period 2,920 $1.25 tickets for a total of $3,652.50 were sold in 1958; 3,318 for $4,139.75 in 1959 and 3,872 for $4,835.75 in 1960.

Another source of income at the course is the sale of season tickets which in 1953 and '54 were sold for $12.00 per person and $18 per couple. In 1955 the fee was increased to $18 for one and $30 per couple. The income from the sale of these tickets show the following income: 1953, $559.50; 1954, $880.25; 1955, $1,541.75; 1956, $1,852.50; 1957, $1,915.00; 1958, $2,481.75; 1959, $2,350.00; 1960, $2,682.00.

In submitting his report, Mr. Carey said that during the past summer many theories were proposed regarding the construction and location of a new clubhouse and the proposal to alter the course so that the first, seventh, eighth and ninth holes were eliminated and a nine-hole course rebuilt on the north side of US-31.

It is the opinion of Mr. Carey that the four holes mentioned above and which constitute approximately 25 acres would be costly to rebuild elsewhere and would mean building through wooded areas.

It is true, he said, that crossing the highway is dangerous and that balls landing on the highway could become a problem. However, he suggested that flasher lights be placed at approaches to cross walk to warn motorists and that the seventh tee be moved to eliminate balls driven onto highway.

These holes along the highway are attractive, Mr. Carey said, and bring many people to the course because it is visible from the highway. He added that 'I firmly believe that to have anything but a golf course in this area would not serve the purpose that our present course does".

Regarding a site for the new club house, he said that if the course is to remain the same there are only two sites, available, the present one and the area south of the ninth tee on Mercer Blvd.

CHARLEVOIX PUBLIC SCHOOLS
MINUTES OF SCHOOL BOARD MEETING
September 19, 1960

Present: Blanchard, Lieberman, Dinwiddie, A. Smith, C. Smith, Martin, Bennett, Supt. Absent: Freedman.

The meeting was called to order at 8:10 p.m.

Minutes of the meeting of September 6 were read and approved.

It was moved by Dinwiddie, supported by Martin, that bills in the amount of $4,331.99, payable from General Fund, be approved and ordered paid. Carried; 6 - 0.

Moved by A. Smith, supported by C. Smith, that a bill in the amount of $167.92, payable from the Building & Site Fund, be approved and ordered paid. Carried: 6 - 0.

A report was made by Mr. Bennett on the progress of the bus garage shop. Mr. Lieberman reported on the progress of the new high school building, and plans were considered for continuing the sewer system and the grading of the area in front of the building.

The invitation of Dr. Lynn Bartlett and the Flint Community Schools to visit the workshop on community schools at Flint, October 25, 26, and 27, was received and tentative plans made for four members from the teaching staff, board of education, and other interested groups to attend.

Mr. Bennett was authorized to prepare the specifications for equipment for the new high school and to secure prices from the various companies in that field, these prices to be secured so that purchase can be made in November.

An invitation to Boyne City schools to use the Charlevoix football field this week, September 23, was earnestly extended.

It was decided that the next regular meeting, October 3, would begin at 7:30, at which time Central Michigan University will have representatives present to explain their in-service teaching program and to extend an invitation to Charlevoix Public Schools to participate.

The meeting adjourned at 9:30 p.m.

V. F. W. Auxiliary To be Inspected by Mrs. Reta Milliron

Plans for the Nov. 3 meeting of the V.F.W Auxiliary when the district president, Mrs. Reta Milliron will be present to inspect the organization were made at the regular meeting held Thursday at the post home.

All members are urged to attend this meeting and to re-new their membership before that date. The membership drive is now on.

Members, also, were asked to bring a gift to be forwarded to the Veterans hospital when they attend the social meeting to be held at the home of Mrs. Albert Russel Oct. 20

Mrs. Harley Warner and Mrs. Russel were named co-chairmen of a dinner to be served to post members Saturday to launch their membershio drive.

The auxiliary voted to contribute $15 to the current Community Chest fund drive.

Recipes for the auxiliary's new cook book were turned in.

It was reported that the graves of all deceased members had been marked with new grave markers and flags.

Films depicting a day at the V.F.W National Home at Eaton Rapids and another showing the grounds and buildings were shown at the close the meeting.

After lunch was served, the meeting adjourned with the members advised to register by Oct. 10 and vote in the Nov. 8 election.

o at halftime after scoring on a 25 yard reverse.

The Rams took the kick-off on their own 20 and, in 10 plays, marched to the nine where Kasuske took the ball in to score. He then kicked the extra point. His final touchdown was scored on the fourth play of the final period when he went through center from the three yard line.

GAYLORD 6 PELLSTON 0

Playing at Pellston, the Gaylord Blue Devils moved into a second place tie with Mancelona by defeating the Hornets by a one-touchdown margin. Fullback Don Klinger scored from the one-yard line after Gaylord had rushed a Pellston punter to gain possession of the ball on the 20 yard line. Pellston advanced to the Gaylord 15 and the seven but never made it into pay-dirt.

From where I sit ... *by* Joe Marsh

Name That Name

Mrs. Wilkens, our kindergarten teacher, told me this one about her first day of class.

"To get acquainted with the new children," she said, "I go around the classroom and ask them to recite their names."

"What's your name?" I asked one little boy. "Freddie," was the reply. "You mean Frederick," I said, "We use only our *proper* names in class." So when I asked the next little boy what his name was, he stood up proudly and answered, "Boberick, ma'am!"

From where I sit, Bobby reminds me of folks who think what's right for *one* must be right for another. For instance, my neighbor used to scoff at my having a good glass of beer with supper. He believed that only coffee was proper. Truth is, a mealtime beverage, like most other things, is purely a matter of personal preference. When we can respect the other fellow's opinion as well as our own, we'll have passed the first "lesson" in *tolerance*.

Kiwanis Club to Send Youths to World Travel Series

The profits derived from the sale of tickets for the World Travel series sponsored by the Kiwanis club will be used to send junior high students or Boy Scouts to the programs held at the Petoskey high school, Barney Englehart, chairman of the ticket committee, said Wednesday.

The sale of one adult ticket will make it possible for the local Kinwanis club to send two students or Scouts and the sale of a student ticket will send a student or Scout to the program.

The first of the programs will be held at Petoskey Oct. 27 and will feature Phil Walker in "Hong Kong, the Bamboo Curtain Colony." This will be followed by Romain Wilhelmsen presenting "Bolovia, a New Frontier" on Dec. 1; Donald Shaw, "New England in All Four Seasons" Jan. 5; Don Cooper, "The Yukon and the Klondyke" Feb.9; David Paul "Hawaii, Our 50th State" Mar. 9 and James W. Metcalf, "The Sunrise Province, Nova Scotia" March 23.

The films and the accompanying narrations by outstanding photographers and story-tellers are entertaining as well as educational and offer the residents of northern Michigan a chance to see something new and different, Mr. Englehart said in urging area residents to avail themselves of this fine opportunity.

Further information or tickets may be obtained from E. J. Edwards, club president or Mr. Englehart.

Names Committee For Benefit Party

The annual benefit card party sponsored by the Rod and Gun club auxiliary for members and invited guests will be held at the club house Saturday, Oct. 22 at 8 p.m.

Mrs. Louis Courtade, president of the sponsored organization has named Mrs. Orlin Cunningham, Mrs. Roy Bennett and Mrs. Hugh Mayne as hostesses for the event.

Educators Favor More Homework

Required homework, which in recent years has been out of favor among some educational groups, is back in favor, according to Changing Times, the Kiplinger Magazine.

An item in the Schools and Colleges column of the current issue of the magazine reports a shift of opinion among educators, who recently have asserted that homework contributes little to academic achievement especially for children in the elementary grades.

Experiments show that regularly assigned homework does favor higher academic achievement. And homework in elementary grades affects high school performance, for study techniques and attitudes are set very early in a child's school career.

New Car Buyers to Get 'Compact' Titles

People who buy cars this month will be the first to receive the new "compact" automobile title now being issued by the Michigan Department of State.

The former titles were 14.9 square inches larger than the new compact size which is 8½ inches long and 5½ inches wide, according to Secretary of State, James M. Hare.

Little Rayders Dump Boyne Reserves 46-33

Charlevoix little Rayders racked up their second victory of the season Tuesday night by dumping the Boyne City Reserves 46 to 33.

Charlevoix went ahead 13 to o at the first quarter on touchdowns by right halfback Garry Balch and quarterback John Pearl who scored from three yards out. Pearl passed to end Frank Curtis for the conversion point.

Boyne City's Gary Beeman then scored on a 30 yard pass play with left halfback John Braun pitching the pass. Randy Price booted the extra point.

On the first play from scrimmage following the Rambler touchdown, J. Pearl passed to Curtis who scampered 68 yards to score. Balch ran the ball over for the conversion point.

J. Pearl went over from the two to account for the Rayders fourth TD with his twin, Dan Pearl running the conversion point.

Another 40 yard pass from Braun to Beeman gave the visitors their second touchdown. The kick for the extra point was wide.

With 22 seconds remaining in the half J. Pearl passed 15 yards to brother, Dan, to put the Rayders ahead 33 to 13 halftime.

Gary Stutzman scored from the five after he had put the ball in scoring position on a 20 yard run as the third period ended 39 to 13.

In the final period, with the Charlevoix line-up changing on almost every play as Coach Terry Rice emptied the bench, Bob Weat Pearl, running the conversion scored twice on runs of 45 yards each and Fred Lehto went over once after intercepting a Rayder pass and going 30 yards. The conversion points were kicked by Price.

Charlevoix's final tally came on a 60 yard pass play from J. Pearl to Curtis.

The young Rayders will host Mancelona here at 7:30 p.m. next Tuesday.

Save the date, Saturday, October. 29 Halloween maquerade at the Moonlight Garden's by the little Flower Guild of St. Mary's. Fun for All. 9 P.M. 43-44-45x

An aerial view of the Big Rock Point nuclear power plant showing progress since construction was started In April 1960.

Consumers Power Co. will conduct an open house at Big Rock Point from 2 to 4 p.m. so residents of the Charlevoix area may tour the plant site.

★ ★ ★

Area Residents Invited To Tour Nuclear Plant

Residents of the Charlevoix area will have their first opportunity this week to view, first hand, The Consumers Power Company's Big Rock Point nuclear power plant now under construction.

Consumers Power company officials have designated Sunday as open house at the plant site located four miles north and east of Charlevoix off US-31, weather permitting

Guides will be on hand from 2 to 4 p.m. Sunday to escort visitors through the facility being constructed for Consumers by the Bechtel Corp. of San Francisco.

Visitors may drive to the plant site and park in the construction parking lot at the site entrance. There they will be formed into parties and taken on tours of the site by guides prepared to give brief and informative information on the operation.

Women planning to attend the open house are asked to wear practical walking shoes because the ground has been leveled at the site. Children under junior high age must be accompanied by an adult. All visitors are asked to remain with the party to which they are assigned to do away with any confusion.

Other residents of northern Michigan will be invited to visit the plant site from 2 to 4 p.m. Saturday and Sunday, Oct. 29 and 30, when an open house will be held for residents elsewhere in Charlevoix county as well as Emmet Cheboygan and Otsego counties. In limiting the tours to residents of these counties, company officials said that it would be impossible at this time to open the site to everyone and added that plans are currently underway for a series of tours in the spring.

Visitors to the open house Sunday will see, among other things, the large bowl pictured above which is to become the bottom half of the metal sphere that will eventually house the nuclear steam supply.

Made of steel plates 7/8 of an inch thick, the sphere is 130 ft. diameter with 27 ft. extending below ground level, During construction steel posts support the sphere. Later concrete will fill the space between the sphere bottom and the ground.

The mast pictured in the center is a guy derrick 295 ft. tall which is used to handle the large fabricated plate sections which form the sphere. As this portion of the construction phase nears completion later this year, the guy derrick will disapear from the

Funeral Services Held Saturday for Mrs. Geo. Drenth

ELLSWORTH — Mrs. George Drenth, 80, pioneer resident of this community, died Thursday at Meadowbrook Hospital at Bellaire where she had been a patient since February.

Funeral services were held Saturday at the Christian Reformed church with the Rev. Henry Zwanstra officiating. Burial was in the Ellsworth cemetery.

Born in the Netherlands July 1, 1880, the former Alice Cooper came to this country and lived in Chicago prior to her marriage to Mr. Drenth. Since their marriage they had always lived in the Ellsworth area.

Surviving are her hausband who resides in Ellsworth; a daughter, Mrs. Case (Anna) DeVries of Marion; a son, Gerrit Drenth of Ellsworth; seven grandchildren; six sisters, Mrs. Paul Alkema of Chicago; Mrs. John Bergsma of Detroit. Mrs. Gerrit Bergsma of Grand Rapids, Mrs. John Jensen and Mrs. Edward Glass of Ellsworth and Mrs. Peter H. Timmer of Charlevoix: a brother, Harry Cooper of Ellsworth and several nieces and nephews.

Louis Hooper Heads Association to Aid Retarded Children

Louis R. Hooper was elected president of the Charlevoix Association to Aid Retarded Children at the annual meeting and election of officers held Monday at the Retarded Children's Center.

Mrs. Robert O. Bergmann was named vice president; Mrs. Clyde Cunningham, secretary; Mrs. Frank Oleksy, treasurer; Mrs. Arnold Wades, publicity chairman and Mrs. Alvie Kies, librarian.

Mr. Oleksy will head the annual membership drive.

The meeting date has been changed to the first Friday of every month.

Plans for the school year were discussed at the business session which followed.

Resignation of Claude Pearsall Vetoed 14 to 9

The Charlevoix county board of supervisors vetoed, by a vote of 14 to 9, with one member abstaining, a motion to remove the resignation of Claude Pearsall sr. from the table for further discussion Friday.

Pearsall, whose term as road commissioner expires Jan. 1, 1961, had appeared before the board earlier in the week to present his resignation so that he might accept a position as assistant to the newly-appointed superintendent of the commission, George A. Granger. After a lengthy discussion Tuesday the resignation was tabled.

Pearall appeared Friday, accompanied by S. A. Rogers of East Jordan, a member of the commission to ask the board to consider his resignation. After some discussion, the motion to remove the resignation from the table was presented and vetoed.

As a commissioner Pearsall can accept no compensataion for any work he might do for the commission. He has served as supintendent since July 2 until Sept. 19 when Granger assumed his duties. Since then he has served as Granger's assistant.

Since there are two candidates for the office whose names will appear on the ballot in the Nov. 8 election the board of supervisors tabled the resignation rather than name a third person to a term that has less than three months. to run.

School to Purchase Legion Property

The Charlevoix board of education, at its regular meeting Monday night, approved the purchase of the 200 ft. of property adjacent to property already owned by the school district from the Amercian Legion at the cost of $1,000.

The property, located on Garfield ave., will allow the contractors to proceed with the construction of the roadway to the new junior-senor high school now under construction.

No option was taken on the remaining 200 ft. of property owned by the Amercan Legion.

Glados' Condition Reported Better

George Glados who underwent surgery Friday at Little Traverse hospital is progressing nicely according to reports received at the Charlevoix Courier office.

Here to visit Mr. and Mrs. Glados are their daughter, Mrs. Lowell Merica and daughters Jerra of Medesta, Calif., Mrs. Roger Dale and Miss Judy Merica of Seattle, Wash. The latter two returned to their Saturday via plane.

To Hold Hearing On Petoskey Av. Parking Proposal

A hearing regarding the Michigan Highway Department proposal that parking from Dixon ave. north to the city limits on US 31 be prohibited will be held at the council room at 8 p.m. Monday, City Superintendent James Taylor has announced.

Persons are invited to air their views of the proposal at this public meeting held for this purpose.

Mrs. Frank E. Luton Of Beaver Island Dies Unexpectedly

ST. JAMES — Mrs. Frank E. Luton, 84, wife of the resident doctor here, died unexpectedly at her home early Friday.

The body was returned to the Hoag Funeral Home at St. Johns for services and burial Monday.

Mrs. Luton has been a resident of the island since 1956 when she came here with her husband from St. Johns where he had practiced medicine for many years.

Born in Huron county Sept. 9, 1876, the former Jessie Thompson was a member of the Congregational church in St. Johns and active in its women's society.

Besides her husband, Dr. Luton, she is survived by one daughter, Mrs. Dorothy McGregor, also of St. James, and a sister.

To Dedicate New Scoreboard at Friday Eve Game

The new football scoreboard at Kipke Field will be presented to the Charlevoix public school at a special halftime show during the Charlevoix-Gaylord football game Friday night.

Sam Supernaw, Charlevoix high school senior president and president of the Varsity club is assisting in raising funds for the board, will present the board to representatives of the board of educaton and the school faculty though additional funds must be raised at this time.

Others who will participate in the program will be Garry Smith, marine veteran and a member of the class of 1956, which made a sizeable contribution to the scoreboard fund from monies left in the class treasury; Robert G. Lieberman, president and Gordon L. Freedman an Darrell Dinwiddie, members of the board of education, and Supt. R. G. Bennett and Principal Harry E. Bingham, C. A. Odmark, director of the Charlevoix high school band, has planned a special halftime musical program to be presented by the band in keeping with the clock theme.

$6,925 Needed For Community Chest Buedet

The annual Community Chest drive has netted $1,549.50 with $6,925.50 remaining to be raised toward the goal of $8,475, according to Mrs. Andrew Essenberg, fund chairman.

Contributions are coming in slowly, Mrs. Essenberg said Wednesday. Unless the tempo of the drive is stepped up and residents of the community are more generous with their contributions the fund camgaign is going to bog down and the 11 agencies which depend on the Community Chest for funds with which to operate will have to curtail their activities, she added in urging everyone to be generous when making their contributions.

Volunteer workers who are giving their time to solicit funds for the Community Chest include: Area 1, Mrs. Terry Rice, Mrs. Jack Grubaugh and Miss Marjorie Webster; Area 2, Mrs. S. E. Coleman, Mrs. Alfred Browe., Mrs. Peter H. Timmer, Mrs. Carl Johnson, Mrs. Howard Griffin, Mrs. Robert McCall, Mrs. Fred Tyler; Area 3, Mrs. T. R. Weidman, Mrs. Eugene Curtis, Mrs. Erwin Belfy Jr., Mrs. Walter Russell, Mrs. Ervin Racignol; Area 4, Mrs. James Shaw, Mrs. Dan Geneit; Mrs. James Gallagher, Mrs. Richard Lyons; Area 5, Mrs. Don Anders, Mrs. Stanley Feidorek, Mrs. Robert Russell, Mrs. Bill Six, Mrs. Herbert Marme, Mr. Anders.

Area 6, Mrs. Frank Olesky, Mrs. Rolland Hayes, Mrs. Howard Brown, Mrs. William Ratigan, Mrs. Albert Thorp; Area 7, Mrs. Jack Rader, Mrs. Henry Ingalls, Mrs. Glenn Kenney, Mrs. Charles Wielenga, Mrs. Arnold Wadas, Mrs. Robert Hooper; Area 8, Mrs. Darrell Dinwiddie, Mrs. Robert Goss, Mrs. Raymond Nowland Jr., Mrs. L. L. Bristol; Area 9, Mrs. William Fochtman, Mrs. Gerald Goss, Mrs. Eugene Bergmann, Mrs. Arnold Loper, Mrs. Warren Allison, Mrs. Don Meggison, Mrs. Richard Fochtman, Mrs. James Taylor.

Hayes Township, Mrs. Amandus Evers, Mrs. Clarence Smith, Mrs. Lloyd Kuebler, Mrs. Erma Deschermeier; Marion Township, Mrs. Garret Potter, Mrs. Clifford Gennett, Mrs. Lloyd Cummings; Ironton, Mrs. H. L. Parsel; Charlevoix township, Mrs. Floyd Brown.

Mrs. Robert Pearl is general chairman of the residential district.

The industrial professional and business solicitation is in charge of Frank Oleksy.

MESC Officials Hold Conference

Officials of the Michigan Employment Security Commission and managers from 10 area offices opened two-day meetings at the Weathervane Lodge and the Charlevoix county building Wednesday.

Here for the meeting of the commission are J. T. Hammond of Benton Harbor, chairman of the commission, Tom Downs and Chester A. Cahn of Detroit and Walter Campbell of Muskegon, members of the commission and Max Horton of Detroit, state director.

Attending the area meeting are managers of offices in Manistee, Traverse City, Cheboygan, Cadillac, West Branch, Petoskey, Alpena, St Ignace, Newberry and Sault Ste. Marie.

Mr. Horton and several instructors from the Detroit office will be present at the manager's meeting to be held at the county building to instruct managers in the new phases of the program conducted by the commission. This will include a survey of manpower needs in Michigan during the 1960's. Managers will also be asked to be aware of changing things that might effect employment needs so that the commission can gear its program accordingly.

Chief purpose of the Employment Security Commission is the payment of unemployment insurance and the operation of an employment service. Headquarters of the commission is in Detroit.

Harvard Smart, manager of the Petoskey office, is conference host.

Supervisors Approve $271,125.15 Budget For Ensuing Year

The Charlevoix county board of supervisors, at the end of a six-day session late Saturday, approved a budget of $271,125.15 for 1961, fixed the tax levy to raise funds to meet the budget, approved appropriations, set salaries for 1961-62 and completed work on a number of issues.

The budget as approved was $26,728 above the 1960 budget of $244, 397 but more than $8,000 less than the tentative budget of $279,302.90 set in April.

The board approved a tax levy of 6.5 mills on the county's state equalized valuation of $39,605,000 which will bring in an anticipated income of $257,432.59, leaving $13,692.65 to be raised through fees, rentals and other sources.

Among the appropriations approved was $10,400 to establish a new office to be known as the assessment equalization department. A total of $6,00 was set aside as the salary for the new officer with the final determination of the salary to be set at the time the office is established. The remaining $4,400 is for a clerk and office expenses. Applications for the office will be accepted bp the equalization committee headed by Clarence F. Rabach.

Other appropriations made include: county welfare, $75,000, the same as 1960 and the largest singlo appropriation made; county board of education, $6,500; Whiting Park, $3,300; county agricultural agent, $5,200, an increase of $50; district health department, $11,045.25, an increase from $10,545.25; Child Guidance Clinic, $981; fish and game, $525; 4-H Labor Day show, $300; printing, $1,500 an increase from $500 to underwrite cost of printing supervisors proceedings in a county newspaper and other printing; advertising, $1,000; Office of Veterans Affairs, $800; Soldier and Sailors Relief, $200; apiary ined bills in the office of Civil Defense: $2,262.50, a decrease from $2,500.

Special appropriations made include $2,000 for a new car for the sheriff's department; a sum not to exceed $1,100 for repairs on the plumbing at the jail; $254; as Charlevoix county's share of the cost of a new audio-meter for use by the Health Department in its four-county area; $200 to underwrite the cost of accumulated bills in the office Civil Defense for which no appropriation was ever made; $800 to supplement an earlier appropriation for bonds and insurance for 1960; $714.12 for flues for the furace in the county building.

A bid of $3,257.06 for new office furnishings for the Bureau of Social Aid with the county footing the bill with the state on a matching funds basis, was approved. The bid was submitted by Northern Office Supply and was one of three including one for $2,936.24 submitted by the Charlevoix Courier and $3,312.70 submitted by the Clinton Office Supply Co.

In other action the board vetoed a proposal to double the dog tax from $1 to $2 for male dogs and $2 to $4 for females by a vote of 14 to 11.

No action was taken on the dog problem as it exists in the county though it was discussed at various times during the session.

Approval was given a motion to bring before the voters of the county at the spring election in April 1961 a proposal to combine the Charlevoix and Antrim county school districts.

Claims for damage to Chickens by dogs in the amount of $27 was approved. Another bill of $35 was aproved.

The board vetoed a proposal to adopt a sanitary code for the county, stating the members felt it was up to the townships and cities to take care of this matter by adopting zoning ordinances.

An appropriation of $600 for marine law enforcement was approved. A request for a similar amount from the Michign Waterways commission will be forwarded.

The sheriff's committee reported that they had examined the jail and had taken under advisement proposed changes ordered by the Department of Corrections. In regard to this issue, the proposed razing of the dwelling to the rear of the jail, located at 202 Mason st. was discussed. The sheriff's committee was asked to investigate the proposal that prison labor be used to raze it and

OCTOBER
IN MICHIGAN
By Harold E. Kohn

October is a month of abundance and preparation, of fulfillment and fattening. Now the field corn is hard in the ear, and acorns and hickory nuts ripen. The meat of the beechnut swells in the shell, and frost-nipped apples are October-sweet. Liberal fields brim with the good earth's bounty—yellow pumpkins on their withered vines, asters spilled in wild profusion, the brown earth bristling with brittle stubble of harvests now gathered in, fat rabbits bounding across country lanes and plump squirrels scampering from tree to tree, from tree to tree.

Last spring's fledglings have lost their infant awkwardness and now assemble with their tribe in preparation for autumn flight. Sitting upon limbs and wires, the migrators are lost in high-pitched gossip until suddenly their mission is remembered; then they launch themselves toward warmer climes.

Corpulent woodchucks and chubby chipmunks are ready for their long winter's nap. Bears have done their berrying and now are gorging themselves with fattening bedtime meals before they fall into deep sleep.

October's visual symbol is a slightly curled leaf, aflame with red and gold, fluttering uncertainly to the earth. October's sound is that of multi-colored leaves whispering at our feet. Both sight and sound remind us of fulfillment and readiness. The leaves, like all the living creatures of the North, have done their summer's work and enjoyed their summer's play and now seem satisfied to await submissively the coming of winter.

* * *

SOME THINGS TO NOTICE THIS WEEK IN MICHIGAN

Watch squirrels burying nuts in the forest, or in your lawn.

Since one squirrel may hide hundreds of nuts in the soil, how can he remember where they all are? He cannot. Many of those forgotten nuts sprout into saplings and repopulate the forests. Acorns, hickory and beechnuts are located not from memory, but with the help of a squirrel's keen nose. A fox squirrel scampering over a thick blanket of snow in winter will suddenly smell a nut lying buried a couple of inchos beneath the soil, and will dig it out. How's that for a nose, (Unlike the gray squirrel and fox squirrel, the little red squirrel seldom hides nuts in the oil, but huards them in den trees) . . . By the way, speaking of squirrels——men and boys are now hunting squirrels for sport and for squirrel pot-pie The southern Indians of early America had another use for these animals; they made their strong, tough bowstrips from squirrel hide instead of fashioning them from sinew, rawhide and bear intestines as did their brethren of the North.

* Notices the capacity of a hunted bird to "freeze" in a perfectly quiet position while danger stalks all around him. For example, Mitch Kershaw, a game protector in the state of Washington, tells of a hunter who walked up to a fence, slid his gun under it lifted his dog and dropped it on the other side of the fence—right on top of a ring-neck pheasant rooster. (The bird escaped!)

The youngsters, accompanied by several adults, enjoyed a tour of the farm to see the stock, enjoyed a picinic lunch at noon and a hayride through the countryside to enjoy the autumn colors during the afternoon.

Later in the day they tonk a trip on the Ironton ferry.

Retired School Employees Hear Tom Schweigert

The financial status of teachers who retired before Social Security Insurance came into effect for teachers was the topic discusssed at the regular meeting of the Great Pines chapter of the Michigan Retired Public School Employees held Tuesday at the John Makel home here.

It was revealed that the 4,200 teachers who retired before 1955 are limited to an annual income of $1,200 with many receiving even less. An effort is being made to enlist the assistance of the state legislature to raise the minimum to $1,800 for these people.

Thomas Schweigert, candidate for the office of State Senator and Alfred G. Amundsen, MEA representative, were present and addressed the group.

A. E. Wells of East Jordan presided at the meeting.

Catholic Women to Host NCCW Here

The Gaylord Deanery of the National Council of Catholic Women will meet at St. Mary's school hall at 8 p.m. Monday with the women of St. Mary's parish as host to a meeting which is expected to attract members from Gaylord, Bellaire, East Jordan, Boyne City, and Mancelona as well as Charlevoix.

Mrs. Paul Joseph will preside at the meeting at which the Rev. Fr. Francis F. Kaminski will be the principal speaker. The Rev. E. F. Denay, pastor of St. Mary's church here, will also be present.

Plans for the meeting were made at a meeting of the deanery executive board held last week at the home of Mrs. C. D. Geiken. Mrs. Robert Withers, Mrs. Don Johnson, Mrs. Perry Smith and Mrs. George A. LaBlance, the executive committee of St. Mary's Rosary Altar Society and Mrs. Geiken represented the host group at the meeting.

MONEY

There are those who would have us believe that money, through some strange process, attains a special virtue when it is taken away from the people and becomes public, i.e. government money. The idea seems to be that the individual cannot be trusted to spend his money wisely but will squander it in ways that will be harmful, not only to himself, but to the community and the whole national economy, and that this money is therefore evil.

But just let the government get its hands on this money, the all wise, the all knowing, the all inclusive government. Then money, according to this theory, becomes something good, something powerful, something that can cure all the ills and cares and troubles of mankind. We wonder.

According to this theory, a little bit of government money can do a little good, a lot government money can do a lot of good, so we wonder if the theory continues that if all money is government money, then we would have all good.

We doubt it. We believe that in that direction lies dictatorships; that each increase in government power, i.e. money, result in the loss of individual freedom. We believe that the individual is entitled to make his own little mistakes in the handling of his money, not to turn it over to a public spender who may perhaps make a big mistake.

Over the years, which party has increased taxes by great steps and increased spending faster, caused inflation? You know.

Over the years, which party has decreased taxes, held spending relatively steady, and stopped inflation? You know.

To Offer Leader Training Course For Cub Scouts

Plans for a Cub Scout leader training program to be given by Louis Hooper, Cub Master, and Harvey Griswold, northern district Boy Scout representative, have been announced.

The course to be offered will deal with the Cub Scout program and is designed for Den Mothers, prospective Cub Scout committee members, parents or people just interested in the scouting program.

The course will necessitate three meetings to be given at the county building or some other central location, Mr. Hooper said. Persons interested in the course are asked to call the Hooper residence, leave their names and the night they would like the class to meet.

The tentative date for the course to begin has been set as Nov. 3. However, the program can be scheduled for another date if those taking the course prefer.

The course will include an outline of the Cub program and various capacities in which an adult may serve. The classes will be a participation type class, Mr. Hooper added.

The Cubbing program is open to boys who are eight but not yet 11 years old. Those who have not registered at this time may still do so by calling Mr. Hooper. Boys who have been in the cubbing program and completed the Lion requirements and are 10½ years old are eligible for participation in the Webelo Den which prepares the boy for the Boy Scout program.

More than 40 boys have already signed up for Cub Scouts and been assigned to dens.

There are presently five Den Mothers, Mrs. William Downing, Mrs. Jerald Murdlick, Mrs. Alfred Bergmann, Mrs. Richard Fochtman and Mrs. Bill Six. Assistant Den Mothers are Mrs. Don Anders, Mrs. Earl Holborn and Mrs. Bernie Ward Jr.

Earl Holborn has been named assistant Cub Master and will be in charge of the Webelo Den when it is organized.

STRAIGHT TALK ABOUT SALES TAX
WHAT WILL IT MEAN WHEN YOU CAST YOUR VOTE ON PROPOSAL No. 2 (1% SALES TAX INCREASE)

if you vote NO ...
The money your state needs will not be coming in. It will be forced to find revenue somewhere else — and you may not like where.
BORROWING
Borrowing is not an answer to financial problems. It's simply an ostrich-like way of avoiding them. Debts will still have to be paid sooner or later — by you or by your children. And the interest rates will only add to the burden. Eventually, you may have to borrow again or pay higher taxes just to pay the interest.
"HIDDEN" TAXES
Taxing business may hide the tax, but you still pay it. In fact, you pay more than you would otherwise. As a business expense, the tax is added to the cost of products. Each business passes it on. So the effect of the tax is to grow as it is passed on to you. Of course, since it is indirect or "hidden", you are less likely to be aware of it even though it costs you more.
INCOME TAXES
Michigan has never had or needed an income tax. To start one would require setting up a new governmental control bureau. The 6 million dollars this would take would be the first to come out of the new tax. Also, the bite might be small at first — but, once the principle is established, it would certainly grow larger. Look at the federal income tax. When it was first proposed it was felt the tax would never reach such dizzying heights. But, as we know today, income taxes have a way of ballooning beyond belief. One more point. Do you want to trade the convenience of paying out pennies as you buy things for the task of making out lengthy forms in quadruplicate? That take an expert's help? That may be questioned any time later?

if you vote YES ...
The state will begin to get the money it needs. If you are an average family, you will pay about 77-cents more a week. If you make enough to spend more, you will pay more. That's only fair. And you'll have the help of every visitor and tourist who spends money in this state.
Part of the trouble with the present sales tax is that the state does not get a large enough share. Only about one-sixth, or $54-million, is reserved for state-wide use out of the total $325-million. The majority goes to schools and local governments. The proposed one-cent increase however, would triple Michigan's present share of sales tax income — boosting it from $54-million to $164- or $169-million. The new rate will also have a built-in ceiling; no legislature can increase it later. You know what you pay when you pay as you go.

DOESN'T IT MAKE SENSE TO VOTE YES? ON PROPOSAL No.2

FREE School of Bowling for all boys and girls. The School will be held on Saturday morning, Oct. 22 at 10:00 a. m. at

Paul Bunyan Lanes

At the conclusion of the bowling school, we are going to organize junior leagues under the nation-wide program of the American Junior Bowling Congress, for those boys and girls who wish to join. It will be on a voluntary basis and full details will be given to all bowling students to show to their parents.

The American Junior Bowling Congress requires us to furnish a good environment, supervision and reduced rates for the junior leagues. We are only too happy to cooperate with them in a program which now has more than 300,000 boys and girls enjoying the sport of bowling under regular league play.

Parents are invited to attend.

Undefeated Harbor Edged Out by Rayders 28-26

Locals Get First Win By Conversion Point

The Charlevoix Rayders, with a record of two tie games an a loss going into Friday's game upset the league-leading Harbor Springs Rams 26 to 26 to break into the win column for the first time in league play this season.

The game, in which the conversion points made the difference, saw the Rayders playing heads-up ball all the way as they scored four touchdowns and the ever-important points after touchdown which gave them the two-point victory. All four points were scored on runs including two by Henry Wagner and one each by Stan Martin and Sam Supernaw who also accounted for two Rayder touchdown. Jim Sneathen playing his second game of the season, scored the other two.

Others who started for the Rayders were Jim Dennis, Terry DeYoung, Jerry Keiser, Gary Spencer, Gene McBride, Darrel Somerville and Dave Barnes Others seeing action were Perry Smith, Denny Wojan, Bob Grunch, Tom Louiselle, Tom Martin, Spencer Root and Dale Burke.

The Charlevoix Rayders got off to a bad start in their meeting with Harbor Springs when the Rams recovered the ball on the Rayder 49 after getting off a short kick.

They picked up a first down to the 38 and seemed well on their way when the Rayder defense tightened and Charlevoix gained possession on their own 31 yard line. With Supernaw the 'bread and butter' carrier, assisted by Wagner and Sneathen, the Rayders picked up three first downs and moved the ball to the Ram 10 on three tries. Supernaw then moved it to the four before going over on fourth down for the touchdown. Martin ran the ball over as Charlevoix went ahead 7 to 0

The quarter ended with Charlevoix kicking off to the Rams who returned the ball to the Rayder 40.

A series of line-plays and two first downs later, the Rams had the ball on the Rayder one where Harvey Kasuske plunged over for the tally. His kick was good as the score 7 to 7.

Harbor Springs kicked off to Charlevoix who fumbled on the next play with the Rams recovering on the Rayder 34. An exchange of major penalties gave the Rams a first down on the Rayder 20. However, they were forced to give up the ball on downs on the 10½ yard line. The Rayders were forced to punt when their offense failed to pick up necessary downs and Harbor Springs took over on their own 40. Two long runs which made up for several incomplete passes moved the ball to the Rayder one where Fullback Fran Lauer went over to put the Rams ahead 13 to 7 as the half ended with the kick-off.

After taking the kickoff from Charlevoix to open the second half, the Rams moved the ball from the 14 to the 23 only to be penalized on fourth down as the Rayders took over. On the second play from scrimmage, Sneathen broke away to score on a 30 yard run. Wagner ran the ball over to put the Rayders ahead 14 to 13.

Charlevoix kicked off with Harbor taking over on their own 40 as the ball went out of bounds. Harbor was forced to punt and the Rayders took over after Supernaw returned the ball to the Rams 14. Sneathen and Supernaw moved the ball to the four but an offside put the ball back on the nine. Sneathen returned the ball to the six on the next play before carrying it over for the touchdown. Supernaw fell over for the conversion as the Rayders went ahead 21 to 13.

The Rams took the Rayder kickoff on their own 31 and on five plays advanced to the Charlevoix 45 where Kasuske broke away to score the Rams' third tally. The kick, however, was not good and the Rams trailed 21 to 19 as the quarter ended two plays later.

The final peroid started with Charlevoix in possession of the ball on their own 34. A penalty on third down foced the Rayders to punt. However the Rams blocked the punt and took over on the Rayder 37. After picking up a first down on the 24, Gary Stutzman went in to score on the next play to put the Rams ahead 25 to 21. Kasuske's kick was good and the score became 26 to 21 early in the final quarter.

The Rayders took the kickoff and returned it to their own 33. On a series of 10 plays they picked up four first downs as they moved the ball to the Rams eight yard line with Supernaw and Wagner carrying the ball. Wagner and Sneathen moved the ball to the one where Supernaw took it over for the Rayders final tally. Wagner went over again for the conversion point to give the Rayders a two-point lead.

The Rams took the kickoff and returned it to their own 46. Two ground gains and a penalty on Charlevoix moved the ball to the Charlevoix 35 where the Rams fumbled and Charlevoix recovered on their own 26. After failing to pick up yardage, the Rayders punted to the Rams who took over on their own 32. in a desparation move, the Rams took to the air but after four attempts failed, Charlevoix took over on the Harbor 32. The game ended on the next play.

The Rayders did a good job of analyzing the Rams offensive attack and throwing up a counter attack to spoil the Harbor Springs homecoming.

This Week's Games

The Charlevoix Rayders will host the Gaylord Blue Devils here this week in a game which will determine possession of third place now shared by the two teams.

In other games, Harbor Springs will travel to Mancelona to battle it out for possession of second place in loop standing; the league leading Boyne City Ramblers will journey to Grayling and East Jordan will invade Pellston in the only afternoon game of the day scheduled for 2 p.m.

Charlevoix, with two ties, a win and a loss, and Gaylord, by virtue of two wins and losses, will decide who is to take over third place this week. This should give both teams reason for a hard-fought game as the Rayders battle to regain prestige.

Both teams have been defeated by Boyne City while Gaylord has a 44 to 19 loss to Mancelona and wins over Pellston (6-0) and Grayling (7-0). The Rayders have ties with Grayling (13-13) and East Jordan (7-7) and a 28 to 26 win over Harbor Springs.

On paper the teams are pretty evenly matched. The Rayders, however, have proven, by virtue of their win over Harbor Springs, that they are capable of playing better ball than they displayed in meetings with East Jordan and Grayling. If they play this same type of ball this week, they could dump the Blue Devils.

Harbor Springs and Mancelona will battle it out for possession of second place. Mancelona has one loss, a 19 to 13 defeat by Boyne City, while they have wins over East Jordan, Pellston and Gaylord. The Rams have lost to Charlevoix and have wins over Pellston, East Jordan and Grayling.

Both teams have veteran material in both the line and the backfield and both are dependent on their entire backfield and not just one player. The Ironmen, however, have Larry Bengston who has scored nine of Mancelona's 16 TDs scored in league play. He can run and pass and is a difficult man to stop. Despite their like records, the Ironmen, with Bengston to their credit, should take this game.

Boyne City, with their record of four straight wins, should have little trouble with the Vikings who, though they have looked good on occasion, have little with which to halt the title-bound Ramblers.

Pellston is in the loop celler with no wins but despite this have allowed three of their opponents, Harbor Springs, Boyne City and Gaylord to score only four touchdowns against them. Mancelona however, was successful in battering the Hornet defense for five TDs. East Jordan has not been a particlularly strong team on offense so may have trouble with the Hornets though they should win but by a slim margin.

Boyne Ramblers Defeat Pellston To Hold Lead

The Charlevoix Rayders upset the high flying Harbor Springs Rams 28 to 26 to highlight the action in the Northern Michigan Class C league Friday as the 1960 passed the halfway mark.

In other games Boyne City edged Pellston 12 to 6 to successfully defend its first place position; East Jordan shut out Grayling 19 to 0 and Mancelona rolled over Gaylord 44 to 19.

* * *

BOYNE CITY PELLSTON 6

Playing on the Mancelona field, the Boyne City Ramblers found themselves trailing in their meeting the cellar-dwelling Hornets as Quarterback Merle Cameron passed 30 yards to Halfback Dennis Steele to put the Hornets ahead 6 to 0 as the first period ended.

In the second quarter, however, Halfback John Bricker went 25 yards to tie the score 6 to 6. at halftime.

The Hornets threw up an excellent defense against everything the Ramblers had to offer until late in the final period when Boyne City intercepted a Pellston pass on their own 40 to gain possession of the ball and set up the winning touchdown scored by End Ron Ward on a 25 yard pass play from Quarterback Glen Tatham.

* * *

EAST JORDAN 19 GRAYLING 0

After a scoreless first half, East Jordan scored on the third play of the second half as Quarterback Bud Gee broke away on the 31 yard line and romped into pay dirt. Before the period ended Halfback Ron Sulak had plunged over from the five to give the Red Devils a feeling of security against the Grayling Vikings.

In the final period Gee passed 33 yards to Right End Gary Nemec for another six points and added the conversion point on a pass to Fullback Louis Kraemer as the Red Devils racked up their first win of the current season.

* * *

MANCELONA 44 GAYLORD 19

Playing at Gaylord, the Mancelona Ironmen snapped back from their loss to Boyne City by romping roughshod over the Blue Devils Halfback Larry Bengtson had himself a field day.

Bengtson put the Ironmen ahead early in the game as he romped 26 yards on a left end sweep to score. Quarterback Denny LaCroix passed to end Tom Moeke for the conversion point.

On the final play of first period, Fullback Ken Johnson snagged a Gaylord pass and went 70 yards to score.

Gaylord's Fullback, Don Klinger, plunged over from the one to put the Blue Devils back in the game but Bengtson countered with a 40 yard right end sweep to add one more tally as time ran out in the first half. LaCroix passed to Moeke for the conversion point to make the halftime score 20 to 6.

Mancelona added three more touchdowns in the third period as Bengston went 27 yards; Moeke took a 17 yard pass from LaCroix and Halfback Walter Klein went over from the 17.

With the line-up changing often as Coach Matt Jacobson emptied the bench, Gaylord Quarterback Tom Tapio passed to Right End Dick Bottomly who scored on the 46 yard play. Klinger plunged over for the extra point.

Gaylord recovered a Mancelona fumble on the kickoff to gain possession of the ball on the Ironmen's 21 yard line and set up the next scoring play. Tapio passed to Larry Simpson who stumbled and fell on the one-yard line as he headed for the end zone. Klinger then plunged over the counter.

Bengtson took the kickoff on the next play and scampered 80 yards for the Ironmen's final tally.

Little Rayders Take Mancelona Reserves 33-0

Charlevoix's Little Rayders made it three in a row Tuesday night when they dumped the visiting Mancelona Reserves 33 to 0 at Kipke field.

Early in the game Garry Balch broke away for a 67 yard run and the Rayders' first touchdown with Dan Pearl scoring the extra point. Later in the period Balch went 37 yards through center to make the score 13 to 0 at the quarter.

Following a concerted drive, John Pearl passed five yards to Herb Cummings in the end zone for a 19 to 0 advantage at halftime.

The third period was scoreless but in the final period Dan Pearl scored twice, going over from a foot out early in the period and from eight yards out late in the game. Gary Stutzman and Balch scored the conversion points.

Charlevoix will host the Petoskey Reserves here Tuesday.

Girl Scouts Issue Plea for Leaders And Assistants

A plea for Girl Scout leaders and assistant leaders has been issued by the Charlevoix Girl Scout Council headed by Mrs, Robert O. Berzmann.

Two troops in the five and sixth grade age groups are without leadership at this time. Anyone wishing to participate in the program is asked to call Mrs. Bergmann.

Mrs. Bergmann has also announced the Girl Scout camp property located on the Ellsworth road south of the Belvedere Golf Club is being posted for no hunting.

She has asked hunters not to use the property because daily there are Girl Scouts working at the camp on their outdoor and other badges.

The property, known as the former Alma Stokey property, is bordered on the north by the golf club, the west by the Harold Holm property and on the south by the John Slezak farm.

scene. Long after the exterior walls are completed, work will continue inside the sphere where the nuclear steam supply will be housed.

The conventional section of the new plant is shown under the roof in the picture above. This single integrated building will house the turbine generator unit and its auxillaries, control room, warehouse, laboratories and administration facilities. This part of the structure will be enclosed next month with an insulated aluminum wall panel enabling work to continue inside its walls throughout the winter months.

Ground for the $30 million Big Rock Point Plant was broken April 29, 1960, and the site decicated July 20. Work is now being rushed in order to enclose the structure so the more than 150 area tradesmen employed on the project may continue their work during the coming months.

In announcing plans for the open house for residents of the Charlevoix area 2 to 4 p.m. Sunday, Consumers officials said they wore anxious to have every one who can visit the facility and see for themseives the power plant and the progress that has been made in the six months it has been under construction. "Because the plant is located in your community, we of Consumers want you to be informed regarding the plant itself and of our plans for it", a company spokesman said.

Robert Hilty, Traverse City divison office representative, met Wednesday with Jerome Lescoe, construction superintendent for Consumers Power Co. and Paul Kohler, secretary- manager of the Charlevoix Chamber to complete the plans for the open house.

GOP and the Worker

The other day we had occasion to ask Mr. George W. Dean to tell us about the benefits the working man has won in Michigan under Republican Administrations in the past and he spelled them out to us as follows:

1. Established the Department of Labor and Industry to promote and protect the Industrial and Labor interests of the people of the State of Michigan.
2. Passed the Workmen's Compensation Law.
3. Passed the Unemployment Compensation Law.
4. Passed the Law establishing the Labor Mediation Service.
5. Passed the Industrial Safety Laws.
6. Passed the Law to collect unpaid wages.
7. Passed the Juvenile Emloyment Law.

The Laws mentioned in this incomplete list have been improved from time to time by Republican Legislatures, in accord with the best interests of Michigan Industry and Michigan Labor.

Recognizing the inter-dependence of Industry and Labor, the Republican Party has administered these Labor Laws, ever keeping their objectives paramount, that being the best interests of Michigan Industry and Michigan Labor; this administration being without prejudice or control from any source what so ever.

The confidence and cooperative attitude of both Industry and Labor existing during the last Rpublican Administration of Michigan's Labor Laws, is in sharp contrast with the present unsatisfactory condition.

Who is George W. Dean? First, he served as president of the Mich. Federation of Labor, AFL., for 14 years to 1957. Next, from 1943 to 1949, six years, he was Michigan State Commissioner of Labor, under Repulican Governors Harry F. Kelly and Kim Sigler. And he is a Republican who firmly believes the best interests of both Labor and Industry are to be obtained under Republican Leadership.

East Jordan Man Given Jail Sentence

An East Jordan man was sentenced to Southern Michigan prison and five others persons arraigned before Judge Charles L. Brown during opening days of the October term of circuit court here.

David G. Clark, 47, of East Jordan was sentenced to two to 10 years in Southern Michigan prison on a charge of gross indecency. He has been held in the county jail since May 31.

Those who pleaded guilty as charged and their cases referred to the probation department for investigation were: Larence E. Brennan, 17, of Boyne City, breaking and entering in the daytime; Thomas R. Wellman, 21, of Boyne Falls, breaking and entering in the nighttime. Psychiatric evaluation was also ordered for him by Judge Brown; Larry H. Stanton, 17, of East Jordan, breaking and entering in the nighttime; Oscar T. Dishman, Jr., 31, of Pontioc, grand larceny; David Millstead, 20, of Flint, breaking and entering in the nighttime and unlawflly driving away an automobile.

Albert Egner, 24, who was employed here during the summer and who is now in New York, pleaded guilty to two charges of being a disorderly person (window peeping) through his attorney, Martin B. Breightner of Petoskey. He was ordered to pay a fine and costs totaling $200. The remaining $800 of the cash bond was returned to his attorney.

Clarence Teboe, 56, who had pleaded guilty earlier to a forgery charge, was ordered to make $70 restitution and placed on two years probation.

Psychiatric examinations were ordered for Darrell J. Irwin, 27, of Ysysilanti, charged with gross indeceny, and Clarence E. Lamoreaux, 42, charged with indecent liberties.

Alfred Staneck, 72, of East Jordan, stood mute when charged with obtaining relief by fraud and a plea of not guilty was entered in his behalf. C. M. Bice was named as his attorney and he will appear later for arraignment.

The charge against David E. Leaman, 17, of Boyne City, was reduced from attempt to break jail to being a disorderly person He was then ordered to pay a fine and costs totaling $50 within 60 days.

The charges of unlawfully driving away an automobile against McNeil Render and Roy Waldo, both of Boyne City, were dismissed when they were sentenced to Southern Michigan prison on more serious charges from another court.

Charges of breaking and entering in the nighttime were reduced to simple larceny against the following who were ordered to pay fines of $10 and costs of $40 each with 60 days or serve 90 days in the county jail; James H. Barber, 19, George L. Patton, 23, David J. Bartholomew ,17, and Burton Wilson, 17, oll of East Jordan, and Berley J. Hersha, 18, of Ellsworth.

The case against Byron Black, charged with annoyance by mail, was dismissed.

Grange Members Oppose Con-Con

Some 500 delegates representing 30,000 Grange members went on record last week at the annual convention of the Michigan State Grange in oppositlon to the constitutional convention proposal on the Nov. 8 ballot.

Con-con was opposed because of the metropolitan domination it wold give, because of the variey of provision continued in the proposal aod because the feeling that the state constitution can be satisfactority revised where necessary as it has been 86 times in the past half century.

Delegates also urged congress to increase the earnings permitted under social security from $1,200 to $1,800 a year. The Grange would also bring labor unions under the anti-trust laws. Action also favored retaining the 15-mill tax limitation amendment.

Mayor Proclaims Mich. Nurse Week

The week of October 23 to 29 has been proclaimed Michigan Nurse Week in Charlevoix by Mayor E. Jomes Hiller.

In proclaiming this week as one honoring the registered nurse and the licensed parctical nurse, Mayor Hiller called upon the residents of the community to give appropriate recognition to the members of this prosession who serve as an important segment of the medical health team.

In this community there are private duty, general duty and pumlic health nurses ond licensed practical nurses who serves the public in various capacities every year.

Warn Residents Not to Burn Leaves

Residents of the city are warned that the burning of leaves on black-top streets is prohibited.

The warning was issued by Chief of Police Joseph L. Smith who asked that everyono comply with the order so the streets would not be damaged.

Little Rayders Drop Boyne Reserves 34 to 6

Charlevoix's little Rayders racked up their second win over the Boyne City Reserves and their fourth of the current season Tuesday night when they dropped the visitors 34 to 6.

Dan Pearl scored twice in the first period the first time on an 80 yard jaunt and the second time from the eight after a pass interception by Gary Stutzman had set up the scoring play. Pearl scored the first conversion point and his brother, John Pearl passed to end Bruce Kroken for the second P. A. T.

A line plunge from the five by John Pearl and a 37 yard run by Gary Balch after he had intercepted a Rambler pass gave the local eleven a 20 to halftime lead after Balch had scored tow conversion points.

With all 41 players making their way in and out of the lineup during the second half Charlevoix scored only once on a nine-yard line play by Balch.

Boyne's City single tally came late in the game when Fred Lathoc went over for tackle for six yards and the touchdown. He then ran the ball over for the conversion point.

Next week the local reserves will host the Petoskey reserves here at 7:30 p.m. Monday.

Arlo Wickersham Dies Suddenly at Marion Twp. Home

Arlo A. Wickersham, 65, prominent Marion township farmer, died unexpectedly at his farm home Wednesday evening.

Funeral services were held Monday at the Winchester Funeral Home with the Rev. James P. Sherman officiating. Burial was in Brookside cemetery.

Born at Portland, Ind., Jan. 6, 1895, Mr. Wickersham had lived in the Charlevoix area for 44 years. A farmer, he also was widely known as o turkey grower and more recently had raised sheep on his large farm located south-east of her in Marion township. He was a member of Charlevoix Kiwanis club and the Ironton Congregational church.

He and Mrs. Wickersham were planning to leave next week for their home at Clearwater, Fla., where they had lived during the winter months for several years.

Surviving are his wife, the former Ida Bennett whom he married at Petoskey in 1925; a son Herbert F. of Ann Arbor; two daughter, Mrs. Robert (Ione) D. Winters of Decatur, Ill., and Mrs. Ralph (Beth) Richardson of Lansing; one grandchild and five sisters, Mrs Andrew Byers of Sacramento, Calif., Mrs. Carl Eggert of Seattle, Wash., Mrs. Lee Foster of Portland, Ind., Mrs. Frank Gillispie and Mrs. Chase Derbyshire, both of Princeton, Ind.

Dems, GOP Debate Farm Problem

The farm problem and suggestions for its solution will be the subject of a political debate between the Antrim- Charlevoix county Republican and Democratic parties ot 8 p.m. Saturdoy at the Ellsworth community hall.

The Democrats will debate the affirmative side of the subject "Resolved that the Federal Governmen should support agricultural prices to at least 90 per cent of party" while the Republicans will debate the negative aide, Twenty minute presentations by each side will be followed by 10 minute rebuttols and oquestion an answer period.

Loren F. Holslzer, superintendent of the Banks township school, will serve as moderator.

Chest Drive Collects 23% of Proposed Goal

"Have you made your 'fair share' contribuiton to the 1060 Community Chest fund drive now in its third week" is the question being ask by Mrs. Jeannine Essenberg, fund chairman.

If you haven't, won't you please give this your immediate attention in order that 10 very worthwhile agencies may corry on their work in our community, Mrs. Essenberg commented.

As of Tuesday the total of $1,990 or approximately 23 per cent of the goal of $8,475 had been contributed, leaving more than 75 per cent yet to be collected. Mrs. Essenberg said that some workers had completed their solicitations with the exception of one or two calls and would be turning in their monies shortly. However, unless these surpass those of previous years, the drive will be far from reaching its goal, she added.

Among the contriibutions received during the week was $82.50 given by Penn-Dixie employees from the Charlevoix area.

Remember . . . now is the time for every good citizens to respond to the plea for funds to carry on the work of such agencies as the Boy Scouts, Girl Scouts, Red Cross, Michigan United Fund, Community Nurse, City Recreation, Salvation Army, Charlevoix Association to Aid Retarded Children, Charlevoix Service Organization and the Emerency Fund administered by the Chest board of directors.

Pot Brewing at City Republican Headquarters

The recently established Charlevoix Republican headquarters in the Krahnke building was a popular place Wednesday when Al Bentley, candidate for United States senator, and Tom Schweigert, candidate for state senator, accompanied by Mrs. Schweigert, were greeted by many of their friend in this area.

Visitors were served elephant cookies and coffee, which, according to the Republican women operating the headquarters is a daily treat offered to all visitors. The office is staffed by volunteer workers who are carrying out the detail work of the Republican campaign in the area in addition to issuing literature, pins, stickers, etc.

All voters are invited to visit the headquarters. The invitation is also extended to those who enjoy a "coffee break". The ladies say there will be plenty of GOP Coffee brewing from 11:30 a.m. until 5:30 p.m.

$200 Needed For Scoreboard Fund

In a brief halftime program during the Charlevoix-Gaylord game Friday night, the Charlevoix high school Varsity club presented the new scoreboard to the school.

Sam Supernaw, president of the Varsity club, made the presentation inbehalf of the club. Gary Smith, a member of the class of 1956 which contributed $477.56 to the scoreboard fund from money left in the class treasury, spoke briefly in behalf of the class.

Darrell Dinwiddie, representing the Charlevoix school board and Principal H. E. Bingham of the school faculty, accepted the scoreboard. Mr. Dinwiddie spoke briefly, commending the club and the community for its generosity.

Fran Martin served as mistress of ceremonies at the brief program.

The Charlevoix high school band directed by C. A. Odmark then presented a special musical program in keeping with the scoreboard theme.

Though the scoreboard was presented to the school, $200 of the $1,595 must yet be raised to underwrite its costs.

Contributions are still being accepted for the board. They may be left with Willam Supernaw, at the Charlevoix county state bank, with Coach Don Carey or mailed to Fran Martin.

Urge Absent Voters To Apply for Ballots

Are you going to be out of town on Nov. 8? Are you registered here and living elsewhere or going to school in another community? Will there be some reason why you can't visit the polls and cast your ballot Tuesday, Nov. 8?

If, for any of these or other legitimate reasons, you cannot go to the polls in person and cast your ballot in the important Nov. 8 election, plan now to apply for an absent voter's ballot.

It's easy. If you live in Charlevoix or in a surrounding township, go to your city or township clerk, ask for an application for an absent voter's ballot, fill it out and you will receive the ballot right then and there. Or if you are unable to go to the clerk's office or home, coll ond an opplication will be mailed to you.

If you live out of town, drop a card to the city or township clerk where you are registered and an application will be forwarded to you.

Time is running short so do this at once. Absent voter's ballots will be available until 2 p.m. Saturday, Nov. 5.

Hundreds Visit Big Rock Nuclear Plant Sunday

Despite intermittent showers and snow flurries, temperatures in the 30's and northwest winds up to 40 miles an hour, 583 residents of the community braved the weather Sunday to visit the Big Rock Nuclear plant now under construction, Jerome Lescoe, construction superintendent for Consumers Power Co. reported.

The $30,000,000 installation being constructed for Consumers Powers by the Bechtel Corp. of San Francisco, was opened to the public for the first time Sunday

Open house will again be held at the plant site four miles north and east of here from 2 to 4 p.m. Saturday and Sunday for residents of northern Michigan. Local residents are also invited.

Consumers Power company officals conducted guided tours through the partially completed plant for which ground was broken only six months ago.

Visitors saw the conventional part of the plant which will house the turbine generators, offices warehouse, control rooms ond other operations; the site of the substation where equipment such as the main tranformer will be housed, the service wing, the sphere where the nuclear steam supply will eventually be stored and the site where the nuclear reactor will be located within the sphere.

As the tours ended visitors saw the Big Rock, so familiar to area residents, from which the new plant takes its name.

In announcing the results of the tour Mr. Lescoe said Consumers Power officals found the results of the open house most gratifying. " When people come out in the kind of weather we had Sunday and asked the questions they asked, we feel they are truly interest" Mr. Lescoe added.

Establish Salaries of Co. Officials

Officers salaries as well as those of deputies and other county employees for 1961-62 were among the issues included on the agenda for the October session of the Charlevoix county board of supervisors.

At the morning session Friday the solary scheduled, amended after some discussion, was adopted by the board and is as follows:

County clerk to $4,600 from $4,400; county treasurer to $4,400 to $4,400 from $4,200; sheriff, register of deeds and prosecuting attorney $4,200 from $3,850. William Taylor of East Jordan of the salaries committee, said that larger increases were given the latter three officers to compensate for a similar increase given the clerk and treasurer in 1958.

Other salaries approved include: day deputy in the sheriffs office, $3,950 from $3,700; night or turnkey, $3,400 from $3,140; matron, $950 from $900; probate judge, $5,500, as set by law, from $5,000; friend of the court, $2,024 plus $345 for expenses; circuit judge, $600 to supplement salary paid by the state; court reporter, $1,800 as the county share for his services in this county; welfare director, $3,900; road commissioners, $500; the clerk in the offices of the prosecutor and Civil Defense department, $1,262 from each office; custodian, $3,200; extra clerk and custdoian hire, $1.50 per hour.

In order to attract qualified persons as deputy clerks and to compensate them for the odded responsibility, a new pay schedule was adopted for deputy clerks in the offices of the clerk, treasurer and register of deeds and the register of probate.

Under the new schedule the salaries of the above mentioned shall be as follows: starting salary $2,400; after one year $2,525; after two, $2,650; after three, $2,775; after four $3,000; after five, $3,300 and after seven, $3,600. The amendment provided further that by reason of training and experience, an applicant may qualify for a starting salary above the minimum commensurate with such experience and training upon approval of the officers' salary committee of the board of supervisors.

In a final action Saturday, the board also voted to instruct the county clerk not to issue checks to the register of probate unless the person filling this position do the work of that office during a given pay period. This action was the outgrowth of the accusation that the register of probate wos receiving o salary when she was absent from the office though Probate Judge William T. Downs stated the work was being done by qualified register of probate at his expense during the time the register of probate was absent from the office.

Are We to Lose Independence?

Can a democray die? It is possible for such a government as we have here in the United States— a government of the people, by the people, and for the people—to perish. The above question and answer has been submitted to newspapers throughout the country by Mr. Bailey T. Tally, M. D., nf Abemarle, N. C. We have been in accord with the thinking of D. Tally from the time Franklin Roosevelt launched this nation on the road to a welfare state. We already have traveled too far along that road, and as we interpret Mr. Kennedy's views, he sanctions more governments controls which can only further destroy private initiative. When private initiative is destroyed our personal freedom will be gone too.

"The answer is written in the pages of history," Dr. Tally states "History shows there are nine steps from the beginning to the fall of a democracy. History also records the average length of life for a democracy has been only 200 years. Here are the nine steps: First, the people go from bondage to spiritual faith, from spiritual faith they move to courage, from courage they move to liberty, from liberty they move to abundance, and from abundance they become materialistic instead of spirtiual. They feel they have no need for God. They become selfish and begin to feel like the man in the Bible who had a great harvest, so he tore down his barns and built new ones and said 'I'm not like my neighbor. I have great abundance and do not need God.' And then he, as we are now doing, moves to complacency and then to apathy and dependence, usually on the largess of centralized government which constitutes the eight steps. Then the people take the final step into the chains of bondage. Today our country has a combination of selfishness and apathy and a lot of people have left apathy and gone to dependence."

Before voting at the Nov. 8 election the people should weigh the results of the road we are going to take— one leads to the welfare state with more government controls, increased government spending that can only put more burden on the taxpayers and eventually sap all individual initiate, and in the end, individual freedom; the other road returns to the America we have known, wherein individual dignity and freedom from excess government was the birthright of all.

The latter is what Richard Nixon stands for if we can believe his life record and his commitments in the present campaign. On that premises we believe the future of a free America can only be assured by the election of Mr. Nixon and a congress that will support this philosophy. In other words, a straight Republican vote, is a vote for the freedom our forefathers established in this nation.

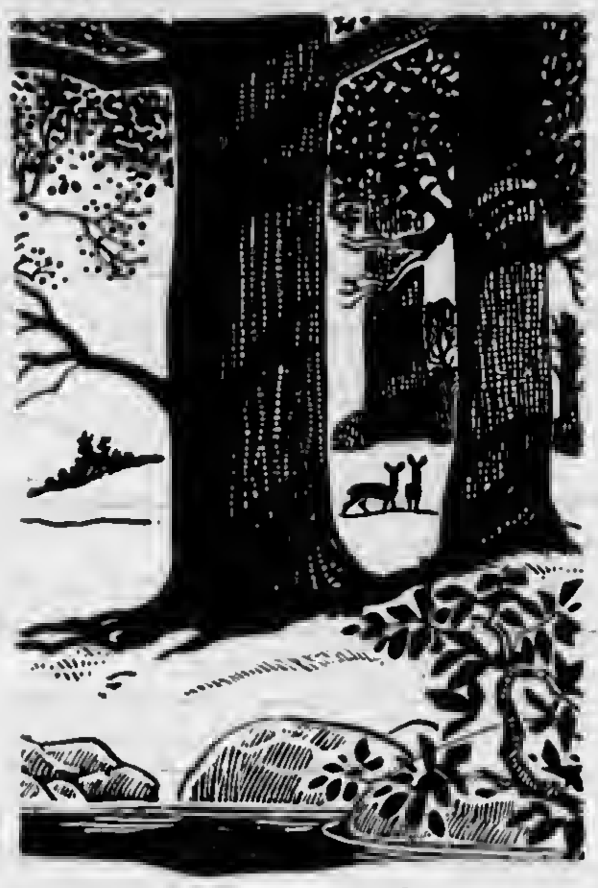
Adventures in Understanding

Notes from a northerner's diary

By Harold E. Kohn



What Gets Your Attention?

In comparsion with many of our animal neighbors we humans are nearly deaf. Our ears are muffed and our auditory experiences are meager. What you can hear with great effort at five hundred feet, your dog can easily hear at the distance of a mile. And the sound that is lost to you amidst the whistling of autumn winds and the rustle of fallen leaves is readily distinguished by the fox and snowshoes hare.

A deer's hearing is extremely acute. One observer, hidden behind a dense evergreen thidket, watched a doe standing in a clearing more than two hundred and twenty feet away. The observer was downwind of the deer. As an experiment the deer watcher began lightly clecking his fingernails behind his back. Instantly the deer became greatly agitated and left the clearing. The sound was foreign to the deer's experience and spelled possible danger to the doe.

Deer probably recognize sounds that belong to their environment —water runing through a nearly forest glade, the call notes of thrush and white-throated sparrow, the drumming of ruffed grouse in a clump of spruce. These sounds do not disturb deer or greatly interest them. They **bear** them, but they do not **listen** to them. The sounds register on their ear drums, but do not impress their "minds." However, strange noises are not only heard, but they are listened to intently, and they bring all of a deer's other senses into play. When a foreign sound, such as a hunter's stealthy step, reaches a deer's ears, up comes the head. Ears spread wide, better to catch the sound. Eyes peer into tbe shadows and the nose sifts breezes for a tell-tale whisp of man-odor. And if the other senses confirm the witness of the ears, the deer bounds off in search of safety. Almost any sound in its environment can reach a deer's ears, but it takes a meaningful one to reach a deer's interest and attention.

There are few clues to our inner nature more revealing than the focus of our attention. Whatever it is that holds our interest suggests the quality of our character and to a large measure determines our conduct. An ancient fable from China tells of a man whose heart was set on becomming rich quickly. Almost every night he dreamed of great heaps of gleaming gold. At last he could contain his desires no longer and arose in the morning determined to acquire a fortune that every day. He dressed in his best garments and made his way through the streets to the city marketplace. Walking boldly to the booth of a dealer in gold he seized a sack of coins and casually strolled away. Before he had gone far he was arrested, and the puzzled officers asked him, "Why did you rob the gold dealer in the bright light of day, and in the presence of hundreds of people?" The robber answered, "I did not notice it was daylight, and I did not see the people. I saw only the gold."

We see what we most want to see, and our attention governs behaviour. Whatever a person attends to is a clue to what he is The person whose attention is attracted to and held by pistons, carburetors, cogs, wheels and levers is mechanically minded. He who intently watches the gestures and manner of speech and the changing facial expressions of his acquaintances, and attempts to understand them, is somthing of an analyst of personality. If a person's prime interest in all matters—when an epidemic of illness invades the community, when a public building threatens to increase taxes, when an election confronts the nation, when the world is threatened with war—is "How will this effect me?", he is marked as a selfish person. The circumerence of his interests is himself.

Many years ago an English newspaper printed this bit of gossip about a famous painter and an equally noted writer; "James McNeill Whistler and Oscar Wilde were seen yesterday at Brighton talking, as usual, about themselves." Whistler saw the notice, clipped it from the paper, and sent it to Wilde with a note which said: "I wish these reporters would be more accurate. If you remember, Oscar, we were talking about me." Wilde fired off a telegram in reply, saying: "It is true, Jimmie, we were **talking** about you but I was **thinking** of myself." No matter the **topic** of conversation, many a man's subject is always himself. Self is the only interetst that holds his attention.

Well, to what are you attentive?

* Are you as interested in your duties as you are in your rights?

* Do you pay more heed to another's successes and good qualities or to his blunders and weaknesses?

* Are you more interested in your reputation or in your character, in how you appear or in what you are, in what others think about you or in what God knows about you?

* Do you rejoice heartily over the good elements in your town, schools and churches as you complain about their faults?

* Do you give as much attention to the drudgery of finishing a task as you do to the excitement of starting it?

* Do you delight as loudly over painfree movements as you grumble over movements of ache and discomfort?

* Do you care as much about achieving more depth as you do about reaching greater heights?

* Do you hasten as fast to have an impurity removed from your heart as you do to have a cinder removed from an eye or fish bone removed from your throat?

*Are you as attentive, polite and gracious to those you live with daily as you are to the stranger you want to impress?

This is a short list of imcomplete, but enough of self-examination questions are there to make you miserable for the moment, and better at last, if they fill you with discontent and a desire for a change.

God always honors and answers such a desire.

Lets Talk About The Democratic Party

The Democratic Party believes in the dignity of the Individual.

It believes in YOU as an individual.
Ask yourself how many times you have been pressured to vote for the "other party". We'll bet has happened.

Now ask yourself if anyone has pressured ynu to vote

Democratic. We'll bet the answer is NO.

This is because the Democratic Party believes that YOU can make ynur own decision—and that YOU will make the right decision when you have the proper information.

THE THINKING MAN OR WOMAN VOTES DEMOCRATIC.

How To Recognize A Republican

We have all heard someone say that there is no real difference between Republicans and members of another party. We have heard it but it isn't so. Far from it..

Quite recently the ACA completed a vote analysis of the members of our Congress and the result of this analysis show very clearly what that difference is. The ACA, that stands for Americans for Constitutional Action, seeks to preserve and strengthen Constitutional Government in the United States as being the foundation on which free society rests.

In making its analysis the ACA gave a positive or negative mark for each key vote in the Congress if the vote was

1. For Sound Money and Against Inflation
2. For Economy and Conservation and Against Waste
3. For Private Competative Market and Against Government Interference
4. For Local Self Government and Against Central Government Intervention
5. For Private Ownership and Against Government Ownership and Control
6. And for Individual Liberty and Against Coercion

In the Senate both our Senators scored a flat zero. In the House of Representatives our Eleventh District Republican Congressman had an average score of 85 while the seven opposition Congressmen had an average score of 11. The difference is clear.

VOTE GOP for sound Money for Economy in Government, for Private Ownership

Vote GOP for Stronger Self Government and for Individual Liberty.

Vote GOP—November 8th.

Her subject was "Fund raising projects for guilds or auxiliaries of hospitals less than 150 beds.

Entitled "To Grow or Not to Grow", the program was offered by Prof. Alvin Zander, director Research Center for Group Dynamics, and Prof. N. Edd Miller of the Universtiy of Michigan's speech department.

Mrs. C. G. Livingston of Kalamazoo, the former Eberdean LaBlance of Charlevoix, is second vice president of the state organization and presided at the meeting.

Atttending from Charlevoix were Mrs. Floyd Brown, Mrs. E. K. Shanahan, Mrs. G. B. Saltonstall, Mrs. E. E. Loop and her guest, Mrs. J. L. Smith of Grand Rapids, Mrs. Gordon Freedman and Miss Milner.

Kathy Van Zant Celebrates Her Ninth Birthday

Twentyfour guests gathered at the home of Mr. and Mrs. Dale Boss Saturday to celebrate Kathy VanZant's ninth birthday anniversary. Games were played with Cheryl Kenney, Debbie Potter and Judy Farkas winning the prizes.

Party streamers and pompoms decorated the dining room where the refreshment table was centered with an arrangement of autumn flowers and individual lighted birthday cupcakes.

Other guests were Debbie Crandall, Kay Lewis, Becky Hiller, Gail Forbrig, Dena VerWys, Linda Schofield, Georgia Lusk, Julie Hill, Jean Mutz, Joyce Bishaw, Joyce Holm, Peggy Rinker, Mary Whitley, Laura Hutchinson, Kay VanZant, Sharon, Diane, Dale and Jimmy Boss.

Alden Couple Wed Sixty-two Years

Mr. and Mrs. Frank Hawley of Alden, parents of E. D. 'Pat' Hawley, observed their sixty-second wedding anniversary at a family party held Wednesday at their Alden home.

Both Mr. and Mrs. Hawley are lifelong residents of Antrim county. They are well known here, having visited here with their son and daughter-in-law, Mr. and Mrs. Hawley and son, Tom and daughter, Ann.

P. T. A. to Hear Gen. George Ely

Gen. George Ely of Advance, Civil Defense director for Charlevoix county, will speak on the subject of Civil Defense at the Nov. 2 meeting of the P. T. A. to be held at the high school band room at 8 p.m. Wednesday.

He will tell about radiology defense, Civil Defense schools, regional Civil Defense conference and Women leaders.

He also will discuss shelters, continuity of government at the time of an emergency, the new NEAR device and home preparedness.

Gen. Ely returned recently from Honolulu where he attended a national Civil Defense conference. He was accompanied on the trip by Mrs. Ely.

Plan Tea Honoring Mrs. Robt. Shriver

A reception and tea honoring Mrs. Robert Sargent Shriver Jr., sister of John F. Kennedy, Democratic presidential candidate, will be held at the Sault Ste. Marie Armory beginning at 2 p.m. Sunday, Mrs. Frank B. Grajek of East Jordan, Charlevoix county Democratic vice chairman has announced.

All northern Michigan Democrats and their families are invited to attend the event.

Anyone wishing additional information may call Mrs. Grajek.

In the United States there are no uniform marriage laws.

To Hold Annual Missionary Meet At Local Church

The annual missionary convention at the Assembly of God church will open at the local church at 8 pm. tonight (Thursday) and continue through Fri day and Sunday morning the Rev. A. A. Austin, pastor of the church, has annuouced.

Tonight's service will feature the Rev. and Mrs. L. L. Crossnickle, missionaries to the Dominican Republic; the Rev. Earl Taylor, missionary to Japan will speak at the 8 p.m. meeting Friday and the Rev. Walker Hall will appear at the 11 a.m. service Sunday.

Besides serving in the Dominican Republic, the Rev. and Mrs. Crossnickle were in Cuba from 1940 to 1949 and are well acquainted with life in the island country on which the world's attention is presently focused.

The Rev.Taylor is equally as familiar with life in Japan where he has served for a number of years.

The Rev. Mr: Walker, with his wife, served in China from 1935, was captured by the Japanese and repatriated from a Japanese concentration camp during World War II. Later they also served in Cuba as well as in Hong Kong. He will present a film"Breaking the Bamboo Curtain".

All will illustrate their messages with slides taken in the countries in which they served as missionaries.

The Rev Mr. Austin has extended an invitation to everyone to attend the special convention services at 8 p.m Thursday and Friday and 11 a.m. Sunday.

Rally Held for Pine Rest Hospital

ELLSWORTH — A 'Festival of Hope rally will be held in observance of the 50th anniversary of Pine Rest Christian hospital in Grand Rapids will be held on Thursday, November 3, at 8 o'clock in the Ellsworth high scholl auditorium, according to Rev. Henry Zwaanstra, chairman of the event. Pine Rest hospital which was organized in 1910 is supported by churches of the Reformed faith.

Rev. Wm. Hiemstra, a chaplain of the hospital will be the speaker. Other features of the program will be a motion picture, "Helpin Hands" and musical numbers by local talent. Everyone is welcome.

Catholic Women Hear Rev. Reynolds

The Rev. Fr. Patrick Reynolds, a Franciscan missionary, was the guest speaker at the fall meeting of the Gaylord Deanery of the National Council of Catholic Women held Monday at St. Mary's school hall.

More than 80 members from six northern Michigan communities heard Rev. Fr. Reynolds, a chaplain during World War II, tell of his experience with the front-line soldiers and at Walter Reed hospital in Washington where he was hospitalized after being wounded.

Mrs. William Smith of Petoskey, a member of the retreat league spoke and showed slides on the Scramentine Monastery of Perpetual Adoration at Conway

Mrs. Henry Supernaw and Mrs. Don Johnson presided at the refreshment table at the social hour which followed. Autumn motif decorated the table. Mrs. George LaBlance, Mrs. Robert Withers, Mrs. Perry Smith Jr. and Mrs. Johnson were in charge of the event.

Secretary of State James M. Hare says that election laws give a serviceman's wife, who has never actually resided in Michigan, the right to vote in Michigan.

A Message to the Voters Of Charlevoix County

Having served the people of the 29th Senatorial District for the past 12 years, I am keenly interested in the candidate who will be chosen at the November general election to carry on in my place.

I know the importance of this post and what it means to the district to have good representation in the legislature.

I am very grateful to the people of my district who sent me to represent them in the Senate, and now feel somewhat compelled to recommend someone who is dependable and will carry on in a manner that will be satisfactory to my constituents.

Thomas M. Schweigert of Petoskey is the Republican candidate to succeed me. I have known Tom for a considerable length of time and know him to be man of character, strictly honest and highly capable.

In the operation of the Northern Tree Company, of which he is president, he has shown tremendous business ability. He has had considerable experience in public life, having given freely of his time to civic affairs, and as a valued member of the Emmett County Board of Supervisors.

Tom Schweigert has had the benefit of a good education, having graduated from Michigan State University. He is a registered Forester and a registered Surveyor.

He is mature enough to have years of experience to his credit, but youthful enough to have the vitality and vigor which is necessary in a position of this kind, if the people's representative is to be of the greatest value to them.

With these thoughts in mind I wholeheartedly endorse and recommend for your consideration Thomas M. Schwiegert as an outstanding candidate for the Michigan Senate from this, the 29th Senatorial District.

Respectfully yours,

Senator Frank Andrews

Mrs. Betty Grundy Honored at Tea

ELLSWORTH—A large of women were present Thursday evening at the Ellsworth community hall for the annual tea given for Mrs. Anna Petter Grundy, a missionary to Northern India since 1928.

The speakers were Esther Jetter, one of Mrs. Grundy's adopted daughters and Chiroho from Japan. Both girls have three scholarships to the Bible Institute in Grand Rapids. They plan to return to their native countries as missionaries. They were accompanied here by Mrs. Andrew Petter and Mrs. Verstate of Grand Rapids who also took part in the program.

A free will offering was taken to be used in Mrs. Grundy's work in the missionary field. Refreshments and a soical hour followed.

SUNDEW REPORT

After staying in port the early part of last week, the Sundew was underway Thursday for Aids to Navigation operations in the Grand Traverse bay area. The operations included checking of several buoys to make sure they were operating correctly and will do so the remainder of the navigation season.

In several cases the starboard ramp boat was used to approach the buoys. After spending the night at Traverse City and continuing Aids to Navigation operations Friday, the Sundew returned to Charlevois Friday afternoon.

Saturday morning the Sundew was underway for Aids to Navigation operations in the Beaver Island area. On completion of operations in this area, heavy winds caused us to return to Charlevoix.

Taxes, A Contrast

Clarence B. Meggison, Republican Candidate for re-election as our Representative in the Legislature at Lansing, has pointed out some startling contrasts that have occurred in the tax situation during the 12 years since we last had a Republican Governor

In 12 years the costs of State Government have more than doubled, from about $500,000,000.00 annually to over 1,100,000,000.00. That is a billion one hundred million dollars, or eleven hundred million dollars, or any way you say it, that is a lot of money.

This more than doubled expenditure is only partly explained by the increase of 24% of people in Michigan, and only partly explained by the increase in costs, according to Mr. Meggison.

Mr. Meggison explained further that the per capita cost of State Taxes in Michigan is the highest of any industrial state in the United States, $101.29 per person as compared to $74.15 for Ohio, $72.15 in Illinois, Indiana with $81.89, Pennsylvania with $79.63, and $58.71 for New Jersey.

Mr. Meggison adds that the opposition is proposing huge additional expenditures and an income tax as a cure for the extravagances and waste that currently plague our State.

As a final word Mr. Meggison said that, with a clearcut Republican majority in each house of the legislature, and with a Republican Governor in Lansing, the way will be cleared for the elimination of some waste and inefficiency in State government.

STRAIGHT TALK ABOUT SALES TAX

WHAT WILL IT MEAN WHEN YOU CAST YOUR VOTE ON PROPOSAL No. 2 (1% SALES TAX INCREASE)

***if you vote* NO . . .**

The money your state needs will not be coming in. It will be forced to find ravenue somawhera else — and you may not lika whera.

BORROWING
Borrowing is not an answer to financial problems. It's simply an ostrich-like way of avoiding them. Debts will still have to be paid sooner or loter — by you or by your children. And the interest rates will only add to the burden. Eventually, you may have to borrow again or pay higher taxes just to pay the interest.

"HIDDEN" TAXES
Taxing business may hida the tax, but you still pay it. In fact, you pay more than you would otherwise. As a business expense, the tax is added to the cost of products. Each business passes it on. So the effect of the tax is to grow as it is passed on to you. Of course, since it is indirect or "hidden", you are less likely to be aware of it even though it costs you more.

INCOME TAXES
Michigan has never had or needed an income tax. To start ona would requira setting up a new governmental control bureau. The 6 million dollars this would take would be the first to coma out of the new tax. Also, the bite might be small at first — but, once the principle is established, it would certainly grow larger. Look at the federal income tax. When it was first proposed it was felt the tax would never reach such dizzying heights. But, os we know today, income taxes have a way of ballooning beyond belief.
One more point. Do you want to trade the convenience of paying out pennies as you buy things for the task of making out lengthy forms in quadruplicate? That take an expert's help? That may be questioned any time later?

***if you vote* YES . . .**

The state will begin to get the money it needs. If you are an average family, you will pay about 77-cents more a week. If you make enough to spend more, you will pay more. That's only fair. And you'll have the help of every visitor and tourist who spends money in this state.
Part of the trouble with the present sales tax is that the state does not get a large enough share. Only about one-sixth, or [illegible]4-million, is reserved for state-wide use out of the total $325-million. The majority goes to schools and local governments. The proposed one-cent increase however, would triple Michigan's present share of sales tax income — boosting it from $54-million to $164- or $169-million. The new rate will also have a built-in ceiling; no legislature can increase it later. *You know what you pay when you pay as you go.*

Seniors Select 'January Thaw' For Class Play

The three act comedy, "January Thaw", written by William Roos from the novel by Bellamy Partridge, has been selected by the senior class of the Charlevoix high school as the class play.

The play, originally produced on Broadway by the late, Michael Todd, famed for his motion picture version of "Around the World in Eighty Days", contrasts, in humorous fashion, how a city-bred family and a family from the country meet an emergency while under the same roof during a Connecticut winter.

William Supernaw will play the father of the city family with Betty Stoel acting the part of his wife who has been bitten by the antique bug. Their younger daughters will be played by Jeanne Curtis and Kathy Boss while Lenore Erber plays the marriageable daughter.

Glenn Snider has been picked for the role of the father of the country family and Karen Uhrick will play the role of his wife with William Roesink portraying their son whose reputation with the girls is subject to question.

Lia Drenth, exchange student from the Netherlands, was selected as the bossy maid, Jim Dennis for the college boy in love with the city family's marriagable daughter; Terry DeYoung for the sheriff, Don Nowland for the lawyer, Don Moore for the constable and Perry Smith for an elderly uncle of the country family.

"January Thaw" is sponsored by the high school play production staff of Don Carey, S. E. Coleman, Mrs. Robert G. Martin, William Ratigan and Mrs. Harry Stewart.

Evelyn Peters is the student director; Mary Jean Campbell the business manager and Ann Phillips, chairman of the publicity committee.

NMCCA to Present Columbus Boychoir November First

The concert attractions appearing in Petoskey under the sponsorship of the Northern Michigan Community Concert Association have been announced following the completion of the recent membership campaign.

On Nov. 1, as already announced, the Columbus Boychoir presenting "Amahl and the Night Visitors" will appear in the first of a series of four concerts. The group features 26 young soloists chosen from the personnel of their own school in New Jersey, assisted by four distinguished adult soloists, all under the direction of Donald Bryant.

On Dec. 10, association members will hear Mary McMurray, a rising young mezzo with a voice of such extensive range and beauty that she has often been compared to a 'young Schumann-Heinck'. Gifted with versatile and special talents, critics agree she will soon be among the leading American singers.

The young Latvian pianist, Herman Goes, will be presented in the first concert of 1961 scheduled for Feb. 11. A pupil of both Cadadesus and Giesiking, he has had extensive foreign study and experience.

The presentation of the Chicago Little Symphony, Thor Johnson conducting, will conclude the concert series on March 25. Mr. Johnson is one of the best known figures in the musical world and has personally selected the 21 virtuosi of this fine group.

The concerts are all presented at the Petoskey high school. Admission is by membership only.

Charles A. Duerr is a member of the selection committee.

A total of 103 memberships including 78 adult and 25 student memberships were sold during the recent membership drive.

Conducting the recent membership drive in Charlevoix were Mr. and Mrs. C. A. Odmark, Mrs. Charles Bellinger, Mrs. Robert Hooper, Mrs. Robert G. Tollas and Frances Martin.

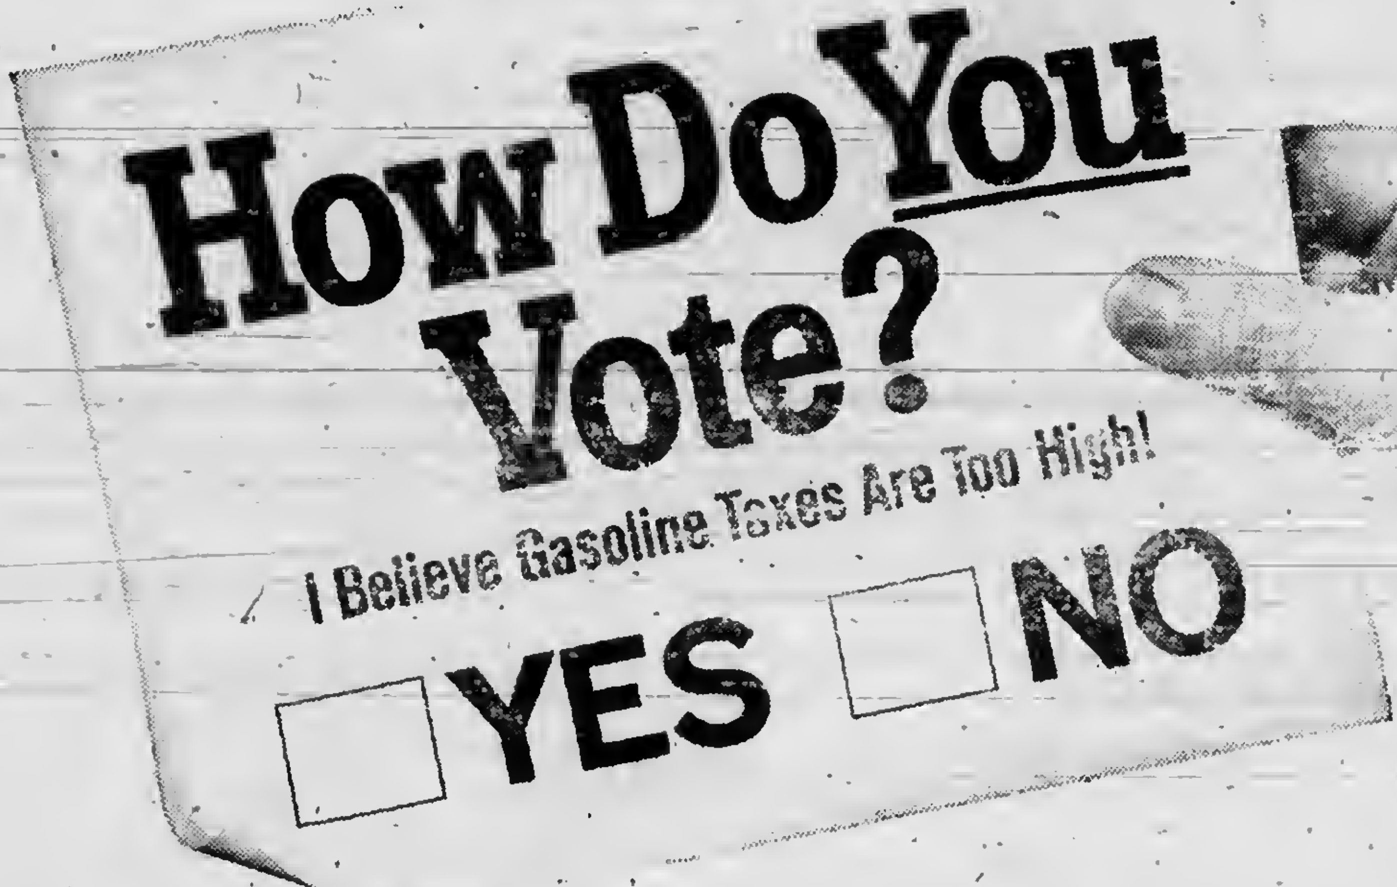
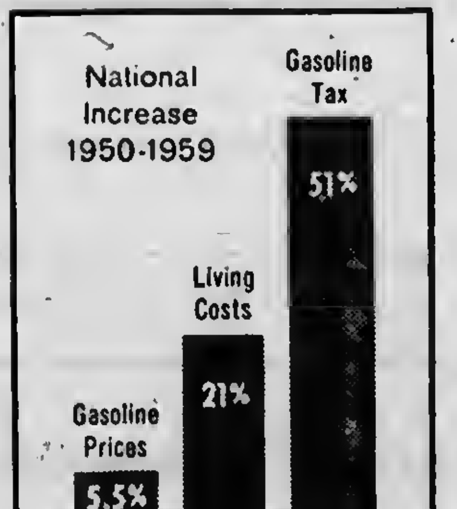
IN MICHIGAN YOU PAY $1.00 TAX ON TEN GALLONS OF GASOLINE!



How Do You Vote?
I Believe Gasoline Taxes Are Too High!
☐YES ☐NO

HOW DID YOU VOTE?
No matter how you voted, these facts on gasoline taxes are important to you:



GASOLINE TAXES UP 51% IN TEN YEARS

- In Michigan, car owners pay $1.00 tax on every 10 gallons of gasoline they buy!
- Gasoline taxes across the nation amount to a *50% sales tax*—and that's five times as high as the tax rate on luxuries like diamonds and mink coats!
- Since World War II, there have been *three increases in the Federal gasoline tax alone.* This brought the Federal tax to 4 cents a gallon, in addition to the State tax of 6 cents a gallon!
- In the last ten years gasoline *taxes have sky-rocketed 51%*—yet the *price of gasoline itself has risen only 5.5%* during the same period!
- Each year the average motor vehicle owner in this state *pays $76 for gasoline taxes alone.* That's just a few dollars less than the average week's pay for most people!

HIGHWAYS AND GASOLINE TAXES

Your gasoline retailer, naturally, favors construction of the roads that the motoring public needs. He believes in fair and reasonable taxation for this purpose but feels that taxes on gasoline have now reached unreasonably high levels. He also believes that *all* special taxes on the motorist should be used only for highway purposes. Yet last year, out of every automobile tax dollar collected by the Federal Government from highway users, more than 40 cents went for non-highway purposes. If these automotive tax revenues were dedicated for highway purposes, there would be no need for the latest increase in the federal gasoline tax.

The Gasoline You Buy Is Taxed Too HIGH!

From where I sit ... *by* Joe Marsh

Red Dolan's "Madness"

One day, "Red" Dolan was seen at the golf club strapping on a pair of snowshoes!

When some of Red's friends heard about it, they began joking about Red's mystifying "madness." But I figured Red must have had a reason for donning snowshoes, so I asked him about it.

"Well," said Red, "You know that marsh near the 14th hole, Joe. A lot of the boys slice golf balls right into there and lose 'em for good. So I just put on my snowshoes — they let me travel on top of that spongy marsh surface without sinking in — and retrieve those golf balls. You should have seen my last haul—enough to play all season with."

From where I sit, people often form opinions about things before they know all the facts. Some folks, for really no good reason at all, will criticize a man for preferring a glass of beer to some other beverage. It's just a matter of taste. To think otherwise is just plain intolerant. And it's a sure way to "shoe" away friends.

193 Students Have Enrolled at NCMC

The official enrollment for the fall semester at Northern Central Michigan college reached an unanticipated 193 students including 156 full-time students, Dean A. D. Shankland has announced.

This is a gain of 34 per cent over last year in full-time student enrollment and surpasses the anticipated enrollment of 100 full-time students for the second year as predicted by the official study committee. It also is higher than the anticipated enrollment of 150 at the end of the fourth year as predicted by the same committee.

Among the groups are 103 freshmen and 58 sophomores with the men out-numbering the women two to one. Of the total, 27 per cent are from Charlevoix county with students enrolled from Bay Shore, Boyne City, Beaver Island, Boyne Falls East Jordan and Charlevoix.

Students are enrolled in pre-engineering, pre-scientific, liberal arts, business, secretarial and medical technology curriculums.

Charlevoix Rayders Climb to Fouth Place in League

* * *

Shut Out Gaylord 21-0 in Game Here

The Charlevoix Rayders moved into possession of fourth place in Northern Michigan Class C standing Friday night after dumping the Gaylord Blue Devils 21 to 0 in a game in which the local eleven was in control all the way.

The two teams were tied for third place in loop standings going into the game which broke the tie.

Sam Supernaw, Henry Wagner, Jim Sneathen and Stan Martin started in the backfield for the Rayders with Jim Dennis, Terry DeYoung, Jerry Keiser, Gary Spencer, Spencer Root, Darrell Somerville and Dave Barnes starting in line positions. Perry Smith, Denny Wojan, Bob Grunch, Tom Martin, Dave Rayder, Dale Burke and Tom Louiselle also joined the action.

The Rayders scored in both the first and second periods and played a scoreless third period before a spectacular run late in the final period gave the Rayders their third TD of the game.

Charlevoix kicked off to the visiting Gaylord Blue Devils who picked up a first down on their own 36 before punting from their 45 after failing to gain necessary yardage on the second series of plays.

The Rayders took the ball on their own 33 yard line to start a march which resulted in two first downs to put the ball on the Gaylord 34 from where Supernaw broke away to score. Wagner ran the ball over for the conversion point as the Rayders went ahead 7 to 0 with 4:26 minutes remaining in the first period.

Wojan's kick went into the end zone and play started on the 20 yard line with Gaylord picking up a first down to the 35 on the next play. However, the Blue Devils fumbled on the next play with the Rayders recovering on the 38 yard line. Two major penalties on the next series of play forced the Rayders to punt from the Gaylord 47 but they regained possession after recovering a fumble on the Gaylord 23 as the quarter ended.

Another major penalty and two incompleted passes found the Rayders on the Gaylord 32 where they relinquished the ball on downs.

Depending on ground plays, Gaylord moved the ball from their own 32 to the Charlevoix 20 in 10 plays only to have their offensive attack bog down as they gave up the ball on fourth down.

An exchange of punts found the Rayers in possession of the ball on their own 42. With Sneathen, Supernaw and Wagner carrying, they moved the ball to the 42 where Supernaw got away to score with 1:51 minutes remaining in the half. This time Martin plunged over for the extra point to put the Rayders ahead 14 to 0 as the half ended four plays later.

The Rayders took the kickoff on their own 32 to open the second half and moved to the Gaylord 47 before a major penalty set them back to their own 37. Two plays later they were forced to punt.

Gaylord took over on their own 40 and moved to the Charlevoix 47 for a first down before a major penalty, their first of the game, set them back to their own 38 from where thy punted with the Rayders taking over on their own 19.

After picking up a first down to their own 32 the Rayders were again forced to punt thus giving the Blue Devils possession on their own 45 as the period ended.

On the first play of the final period Gaylord fumbeld with Charlevoih recovering on the Gaylord 48 only to lose possession to the Devils because of a major penalty on the play.

An exchange of punts followed with Gaylord taking over on their wn 24 and marching t their wn eight yard line to threaten for the first time. The Threat was short-lived, however, as Supernaw stole the ball from the Gaylord ball handler and romped the length of the field, only to have the play called back because of a major penalty.

Charlevoix took over on their own four and moved the ball to the 13 from where Wagner, on a deceptive handoff from Martin, broke loose for an 87 yard jaunt and the Rayders last tally. Martin ran the ball over to make their score 21 to 0 with 1:51 minutes remaining in the game.

Gaylord took the kick on their own 23 and moved the ball to midfield where the Rayders recovered a Blue Devil fumble on the final play of the game.

Boyne Defeats Grayling 26-0; Fifth Straight

Mancelona defeated Harbor Springs 27 to 14 to assume sole possession of second place in Northern Michigan Class C League standings Friday night with Charlevoix moving into fourth place after dumping Gaylord 21 to 0. Boyne City blanked Grayling 26 to 0 and East Jordan shut out Pellston 7 to 0 to account for other league action.

—o—

BOYNE CITY 26 GRAYLING 0

The Boyne City Ramblers continued their successful trip along the victory trail last week as they defeated Grayling 26 to 0 to make it five in a row in loop play.

Tom Kujawski scored twice, from the 17 in the first period to open the scoring and from four late in the third period to conclude the Ramblers' offensive attack. Glenn Tatham made his way into pay dirt from the 17 and Tracy Newville scampered around right end to score from the seven to account for the four Boyne City TDs. Doug Grubbe passed to Newville for the first conversion point and later Bill Heiermann booted another.

—o—

MANCY 27 HARBOR SPR. 14

Harbor Springs was dropped to third place in loop standings, breaking a tie with the Mancelona Ironmen who trimmed the Rams 27 to 14.

All four regular Mancelona backs shared in the scoring with Kenny Johnson going 20 yards to put his team ahead 6 to 0 early in the game.

The Rams countered with a touchdown by Harvey Kasuske who plunged over from the two.

In the second period it was Denny LaCroix who went over from the one on a quarterback sneak to put the Ironmen ahead 12 to 0. LaCroix passed to end Tom Moeke to made it 13 to 6.

As time ran out in the first half, Gary Stutzman pitched a short pass to Kasuske who scampered 76 yards to score as the seconds ticked off to tie the score 13 to 13 with eight seconds remaining after Kasuske had booted the conversion point.

In the second half, however, it was Mancelona's game with Jerry Bengtson scoring on a 40 yard romp with LaCroix passing to Neeke for the extra point early in the period and Walt Klein plunging over from one yard out for the final TD and Bengtson passing to Moeke on the final play of the third period. The final period was scoreless.

EAST JORDAN 7 PELLSTON 0

Pellston's fine defensive team was at its best Friday when it held the fast East Jordan eleven to one touchdown, scored early in the second period on a two yard plunge by Ron Sulak. Bud Gee booted the P. A. T. Late in the game the Red Devils advanced to the Hornets one-half yard line but the Pellston forward wall held and the Jordanites, after four tires, gave up the ball on downs.

Teamwork makes s ball club and here the Gaylord defense appears almost helpless as the Rayders open up the way for the ball carrier Sam Supernaw (No. 22) Similar offensive action Friday night paved the way for a number of spectaular gains for the Rayders.

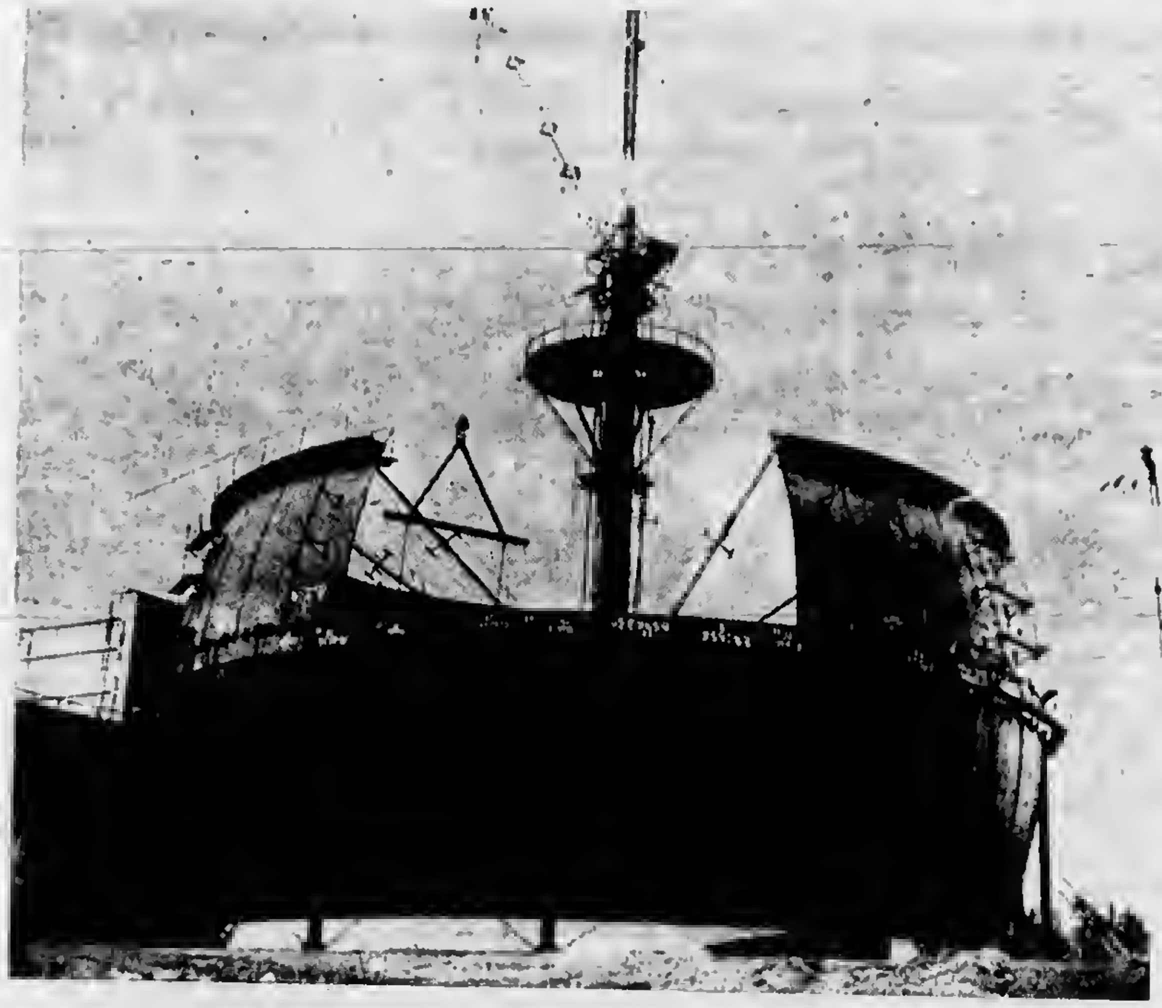
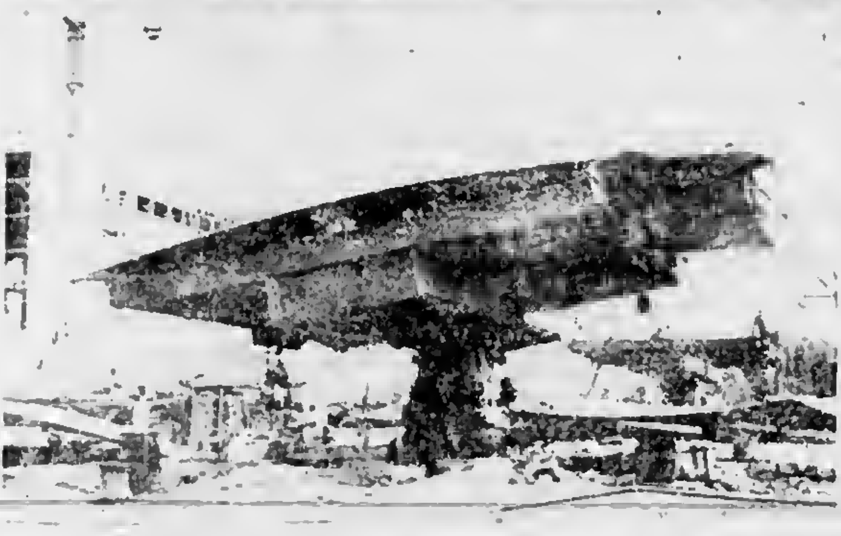
High Point of Interest at Big Rock Nuclear Plant





Courier Photo

★ ★

The huge sphere which will house the nuclear reactor at Consumers Power Company Big Rock plant four miles northeast of Charlevoix is near completion. It has been one of the main points of interest to the 2,500 visitors who have taken advantage of Consumers public invitation to visit the plant the past two weekends.

Pictured above is the sphere as construction nears the apex. Below is a sections being prepared to to fill the remaining opening section of the circular section.

The steel plate used in the sphere is 7/8 inch thick. All seams are welded and then X-rayed to determine the quality of the welding and detect any possible flaws.

The Big Reck plant is being constructed for Consumers Power by the Bechtel Corp.

Little Rayders Conclude Season With 5 Victories

Charlevoix's Little Rayders defeated the Petoskey Reserves 26 to 14 in a game played at Kipke field Monday night to conclude their 1960 season with a record of five straight wins.

In Monday's game, the visitors scored first on a long run after Charlevoix had taken the kickoff and moved the ball to midfield where they lost it on downs. On the second play from scrimmage, Harold Keck romped 56 yards for the tally with Bert Wilde running the ball over for the extra point.

From then on, however, Charlevoix was in control despite the fact that they were playing without five of their more experienced players who were selected to join the Varsity squad for Friday's game with Pellston.

John Pearl passed 25 yards to end Jim Ferguson for the first tally early in the second period and duplicated the play later in the quarter, this time for 13 yards, with Garry Balch scoring the extra point on a run to give the local eleven a 13 to 7 halftime advantage.

Balch broke away for a 29 yard end run midway in the third period and then scored the extra point on a line plunge to add seven points.

In the final period Pearl went 25 yards off tackle for the Rayders final touchdown.

Petoskey's last touchdown came late in the game when Keck went 19 yards to score. Roger Kilmer ran the extra point as the game ended 26 to 14.

Every member of the J-V squad, which numbered up to 45 players all season saw action in every game this fall. The record of five victories included two each over the Petoskey and Boyne City Reserves and one over the Mancelona J-V squad.

Funeral Services Held Tuesday For James A. Cook

James A Cook, 94, pioneer resident of this community, died Sunday at the Charlevoix hospital where he had been a patient for 12 days.

Funeral services were held Tuesday at the Winchester Funeral Home with the Rev. L. L. Lewis officiating. Burial was in Brookside cemetery.

Born in Guelph, Ont., Can., Feb. 21 1866, Mr. Cook came to the Charlevoix area 80 years ago. He resided on a farm in Marion township until 1940 when he retired and moved into Charlevoix. For the past eight years he had lived with Mr. and Mrs. Lesslie Everts at 114 W. Lincoln ave. His wife, the former Maud Bowdish, preceded him in death in 1940 and his only son, Albert E. died in 1950.

He attended the First Baptist church and was a former member of the Marion Center Grange.

He is survived by a grandson, T/Sgt. Glenn D. Cook, stationed at Madison, Wis., with the U.S. Air Force; two great-grandchildren and a sister, Mrs. Nat Burns of Zephyrhills, Fla.

Local Rebekahs Visit Elk Rapids

Those making the trip were Mrs. Fred Gill, Mrs. Grace Geneit, Mrs. Joseuh Moore, Mrs. Floyd Ikens, Miss Frances Durance, Mrs. Earl Blood, Mrs. George Cook, Mrs. Jerold Murdick, Mrs. William Ager and Mrs. Raymond Seymour.

On Nov. 9 there will be a District Visitation Night at Levering.

Community Chest Fund Passes the Halfway Mark

The 1960 Community Chest fund campaign passed the halfway mark this week Mrs. Jeannine Essenberg, fund chairman, said Wednesday.

With three residential areas and a section of the Business Industry and Professional divison yet to be heard from a total of $4,682. 01 had been contributed Wednesday leaving $3,792 to be collected if the goal of $8,475 is to be met, Mrs. Essenberg reported.

Unless persons who have not contributed come forth with their donations and others who have cut their gifts give more the participating agencies will not receive the amounts of their requests which are needed if they are to continue their work in the community, Mrs. Essenberg said.

If you were not in when your area worker called and in some way have been missed in the drive, won't you please leave your contribution at the Charlevoix County State Bank or mail it to Mrs. Essenberg.

Give now or such agencies as the Charlevoix Service Organization, City Recreation, Girl Scouts, Boy Scouts, Red Cross, Community Nurse, Salvation Army, Emergency Fund, Charlevoix Association to Aid Retarded Children, Michigan United Fund and the Charlevoix hospital will be forced to curtail their fine work in this community.

C of C Names 3 New Directors

Three new directors will assume their duties on the Charlevoix Chamber of Commerce board at the regular monthly meeting next Wednesday evening in the city hall, according to Paul Kohler, secretary-manager. New directors are Frank Novotny (Franks Flowers), John Norton (Norton's Standard Service) and Miss Kay Fitch (Polly Kay Shop).

The new directors will replace Robert Lieberman, Norman D. Ance and Max Hosmer whose terms expired this year. Directors are elected for a three year term and can not be re-elected to the board until they have been retired for at least one year.

Other candidates nominated were Fred de Castro, Mrs. Louis Juillerett, Steve Rabb and Carl Bogart.

The mailed ballots were canvassed by Ralph Ifess Jr., Dave Jacoby and Harold M. Totten under the direction of Mr. Kohler.

The board of directors for the ensuing year includes Fay Davis, William Carey, Lee Moerland, Harold Totten, Byron Wright and the three newly elected directors. The organizational meeting to elect officers will be at the regular monthly meeting Wednesday at 7:30 p.m.

Steer Electrocuted In Freak Accident

ELLSWORTH — One of Jay Kuiper's steers was fatally electrocuted Monday in a freak accident.

According to Bill Wynsma, electrician for the Ellsworth Hardware, a burner from an electric stove had charged a water pipe to which the steer's chain was fastened producing enough volt to kill the animal.

Democrats Set Up Headquarters in E. J.

Democratic headquarters have been opened at a building at 110 Main st. in East Jordan, Julius Elzinga, Democratic county chairman has announced.

The headquarters are open from noon on and on election day will be open all day and through the night. A television will be installed so interested persons may watch the returns as they are reported.

Doctor's Daughter Found Dead Monday On Beaver Island

ST. JAMES — Mrs. Dorothy MacGregor, 52, secretary of the Beaver Island Civic Association and a resident of the island for the past four years, was found dead Monday morning at the home of her father, Dr. Frank E. Luton, island physician, with whom she made her home.

Funeral services were held Wednesday at the Hoag Funeral Home in St. James with burial in the St. Johns cemetery.

Born in Huron county, Feb. 22, 1908, the former Dorothy Luton, as a child, moved to St. Johns where her father practiced medicine until coming to Beaver Island in 1956. She attended Rockford (Ill.) College and the University of Pennsylvania. She was a social worker and was employed, among other places, as acting director of the Ingham county Child Guidance Clinic. Since coming to Beaver Island she has served as secretary of the Beaver Island Civic Association and as a member of the Board of Directors of the Beaver Island Telephone Co. She was a member of the St. Johns Congregational church.

Besides her father, she is survived by a son, Jack MacGregor of East Lansing and a grandchild.

Remains Mute on 'Break-in' Charge

Freeland Ernest Merchant, 33 of Grand Rapids, charged with breaking and entering Parsel's garage the night of Oct. 20 and the attempted break-in at the Charlevoix Oil Co. the same night, stood mute when he appeared for arraignment before Judge Charles L. Brown in circuit court at Traverse City Tuesday.

A plea of not guilty was entered in his behalf by the court. Norman D Ance, local attorney, was named to represent Merchant and his brother, Cleatus James Merchant, 35, also of Grand Rapids who is charged with the Parsel break-in and who demanded examination when he appeared in Justice Court. The hearing was scheduled for Wednesday.

Merchant was returned to the county jail where he is being held on $12,500 bond after being transported to Traverse by Prosecuting attorney, Harvey C. Varnum and Sheriff Glenn E. Rose for the arraignment.

Mrs. Edna Ager Succumbs at Grandvue Hospital

Mrs. Edna M. Ager, 66, lifelong resident of this community, died Monday at Grandvue Medical Facility near East Jordan where she had been a patient for 18 months.

Funeral services will be held at the Winchester Funeral Home at 2 p.m. Thursday with the Rev. Raymond J. McBratnie officiating. Burial will be in Brookside cemetery.

Mrs. Ager, the former Edna May Hull, was born in Charlevoix Oct. 25, 1894, and had always resided in this community. She attended the First Methodist church.

Surviving are one son, Frederick G. (Ted) Ager of this city; seven grandchildren; her mother, Mrs. Fred Hull Sr. of Charlevoix: three sisters, Mrs. George Brown of Petoskey, Mrs. George Willis and Mrs. Irene Whitley of Charlevoix and three brothers, Frank and Lawrence Hull of Detroit and Fred of this city. A son, Charles preceded her in death in June 1960.

Record Vote Expected At Nation's Polls to Choose U. S. President

Tuesday, November 8, will be E-Day . . . Election Day 1960.

On Tuesday the greatest number of registered voters in the history of the country are expected to visit the polls and cast their ballots for a new president and vice president as well as for state and county officials.

On the national scale, voters will have a choice between the Democratic candidates for the two top offices in the land, John F. Kennedy and Lyndon B. Johnson and the Republican aspirants, Richard M. Nixon and Henry Cabot Lodge.

On the state level, Republican Paul D. Bagwell will be opposed by Democrat John B. Swainson for the post of governor being vacated by G. Mennen Williams who has served in the office for an unprecedent 12 years and who is not a candidate for re-election.

Republican Clarence A. Reed will be opposed by Democrat T. John Lesinski for the second highest office in the state, that of lieutenant governor being vacated by Swainson who has served two years in the office and who is now a candidate for governor on the Democratic ballot.

Candidates from the other state offices follow: William E. Kreger (R) who will oppose incumbent James M. Hare (D) for the office of Secretary of State; Wendell A. Miles (R), is candidate for the office of Attorney General is opposing incumbent Paul L. Adams (D) [illegible] R. Calhoun (R) who will oppose incumbent Sanford A. Brown (D) for the post of State Treasurer and John V. Clements (R), candidate for the office of Auditor General, opposing incumbent Otis M. Smith (D).

In the race for United States Senator from Michigan, incumbent Democrat Patrick V. McNamara is opposed by Alvin M. Bentley, a Republican.

Veteran incumbent Republican Victor A. Knox will be opposed by Prentiss M. Brown Jr. for the post of Representative in Congress from the 11th District.

Two newcomers are seeking election to the office of State Senator from the 29th District being vacated by Frank Andrews. They are Thomas F. Schweigert, a Republican from Petoskey, and A. M. Schneider, Democrat from Indian River.

Incumbent Republican Clarence B. Meggison is opposed by Guy L. McPherson, a Democrat, for the office of State Representative from the Charlevoix District.

On the county level there are four contests on the ballot. Adolphus F. (Fritz Allard, a Democrat, is opposing incumbent Republican Fenton R. Bulow for the office of county clerk; Democrat Archie M. Murphy will oppose incumbent Lillis M. Flanders for the office of county treasurer; Democrat Herbert C. Marme will oppose Grover C. Geneit, Republican incumbent, for the office of Register of Deeds and two newcomers, Democrat Ralph H. Hamill and Republican Gerald L. Fineout, will oppose each other for the office of Road Commissioner to succeed Claude Pearsall who was defeated by Fineout in the primary election.

Other incumbents who are unopposed for their respective offices are: Republican Harvey C. Varnum, prosecuting attorney; Glenn E. Rose, sheriff; Mary C. Feindt, surveyor, and Robert G. Martin and James D. Stackus, coroners.

On a second and smaller ballot each voter will receive when he visits the polls will be the candidates for office on the non-partisan ballot. The voter will cast his ballot for one of the candidates listed for Justice of the Supreme Court and for Judge of Probate.

Candidates for Justice of the Supreme Court are incumbent Theodore Souris and James R. Breakey Jr.

Non-partisan candidates for the office of Judge of Probate are incumbent William T. Downs and a newcomer, John Makel.

Voters will also be handed a third ballot when they visit the polls Tuesday. On this will be the three proposals on which they will be asked to express their opinions by voting. Voters are urged to study these proposals prior to visiting the polls so that they may be able to express their honest opinions and not neglect to vote on them as oftimes happens when they do not understand the issues.

Proposal No. 1, as it appears on the ballot, has to do with school bonds and state loans to school districts. What the voter, in non-legal language, is voting on is the extension of proposal now in effect and which expires July 1, 1962, which allows the state to guarantee school bonds approved by school districts thus assuring a more favorable market for the sale of these bonds. The issue also makes it possible to pay off school bonds over a 25 to 30 year period rather than in 15 years or less. The proposal, if approved, will cost the taxpayer nothing.

Prosposal No. 2 is more or less self-explanatory for it would, increase the state sales tax rate from 3 to 4 per cent or from three to four cents on every dollars in order to increase revenue for use by state. This jroposal offers the voter his choice of what he thinks will be the lesser of two evils. Rumor from Lansing is that if the proposal fails there will have to be a state income tax to meet state expenses.

Proposal No. 3 approves placing the issue of a Constitutional Convention on the ballot in the biennial spring election in April and, basically, to change the method of selecting delegates to such a convention. Under the present method 102 delegates would represent the state's 83 counties at such a convention. However, if approval is given Proposal No. 3, the issue would be placed on the ballot and the method of selecting delegates changed so that 80 counties would have 85 delegates while three highly populated southeastern Michigan, Macomb, Oakland and Wayne, would have 59 delegates or 41 per cent of the total number of delegates to the convention which would be called for the purpose of revising the state's constitution.

Fenton R. Bulow of the County Election Commission by virtue of his office of County Clerk, forecast a record vote in Tuesday's election. He said he had supplied all voting precincts with the exception of Norwood, St. James and Peaine townships with extra ballots because of the increased number of registered voters.

He said that a total of 1,065 new voters had registered since April, most of them in the two months preceding the Oct. 10 deadline for registering for the Nov. 8 election. Of this total, Charlevoix had 318 new registrans Boyne City 260 and East Jordan, 69 The remaining 418 were scattered through the county's 15 townships.

Pitfalls in Proposal No. 3

We are definitely opposed to Proposal No. 3, so-called "Con-Con", which will be voted on at the general election next Tuesday. If you have not read Michigan's Constitution, we warn you to do so before you go to the polls next Tuesday. If you do not know its provisions, we urge you to vote "No".

Proposal No. 3 does not provide for holding a Constitutional Convention. It is simply a "slick maneuver" to break down the safeguards that protect all of the people of Michigan from minority groups that might want to revamp the Constitution for their own ends.

Proposal No. 3 is not necessary to revise or amend the Constitution. That can be done any time a majority of the voters want it. Read the Constitution and see for yourself.

What are a few of the pitfalls of Proposal No. 3?

1. It would permit a minority of the voters to call a Constitutional Convention, and at a cost of a couple of million dollars or more.
2. It would permit seven of Michigan's 83 counties to elect a majority of the delegates to a Constitutional Convention. Those counties, located in the heavily industrialized areas of the state would virtually write the Constitution under which the rest of us live,
3. It would relax the long-standing protection against easy revisions which violates the American tradition of democratic principles.
4. It would open the way for an unsettled governmental pattern in the state which could jeopardize years of judicial interpretation. This would lead to instability in such fields as our courts, education, local government, and long-range bonding programs contemplated or existing.

We further suggest that you read the full context of Proposal No. 3 before giving it your approval. It is an amendment to Section 4, Article XVII of the Constitution of the State of Michigan.

The results of Proposal No. 3 may well set the pattern for the future of Michigan and every voter should express his views on the ballot. If you are not thoroughly familiar with its provision, you should definitely vote "No" for your own protection. Your failure to vote may well let a minority of the people control the future of Michigan.

Adventures in Understanding

Notes from a northerner's diary

By Harold E. Kohn

A Morning Prayer

Father,
Whose love is wide,
Whose mercy deep,
Thou hast given Thy children sleep,
And now upon the earth outpoured
I see Thy warm light,
Gracious Lord.

Through every hour
This day may bring —
Let my heart with gladness sing.
Through every moment guard within,
And keep my soul
Unstained by sin.

Quietly, as the moments flow,
Let my spirit stretch and grow
Until there's room enough in me
For self,
And all mankind.
And Thee.

Sundew Reports

The Sundew was underway Tuesday for Aids to Navigation operations in northern Lake Michigan and Mackinac Island areas.

Our first stop was just beyond the pier heads here as the Charlevoix LBB 1A was put back on station after being blown onto the beach by heavy winds the previous week.

We continued in a northerly direction with our eventual destination Sault Ste. Marie, Michigan. Stops were along the way to check buoys and to service them whenever necessary.

We arrived at Sault Ste. Marie Wednesday night and remained all day Thursday to load Aids to Navigation equipment. Friday we began our return trip, stopping at Mackinac Island for Aids to Navigation operations and then on to White Shoals where the starboard ramp boat was used to take batteries and empty gasoline cans off the light station.

We returned to Charlevoix Saturday afternoon.

Sundew Scuttlebutt

Carl A Lawson Sn reported aboard from the District office. He formerly served four years on active duty in the Navy and has now enlisted in the Coast Guard for four years. He hails from Detroit . . . The hunting season will soon be with us again and many of the crew are anxiously awaiting its arrival on Nov. 15 . . . All members of the crew who attended the masquerade party at Moonlight Gardens Saturday night had a very good time . . . .

Comedy Is Serious Business at Rehearsals

Courier Photo

Seniors take rehearsal seriously as they prepare for "January Thaw". Pictured (l. to r.) are Leah Drenth, Kathy Boss, Donald Nowland, Bill Supernaw, Perry Smith, Glen Snider, Lenore Erber, Jim Dennis, Bill Roesink, Betty Stoel, Karen Uhrick and Carla Rilay, prompter.

★ ★ ★

The Senior Class of the Charlevoix high school will present the rollicking comedy, "January Thaw" by William Roose, adopted from the novel by Bellamy Partridge at the high school auditorium at 8 p.m. Wednesday.

This is the play that met with such success in New York when produced by Michael (Around the World in Eighty Days) Todd.

The plot concerns a young family who have just bought a rambling old home in Connecticut. Marge, the mother (Betty Stoel), believes it will be a paradise for her beloved antiques. Herbert, the father (William Supernaw), believes it will give him the peace and quiet he needs to write his books. The three daughters (Jeanne Curtis, Kathy Boss and Lenore Erber) share their parents' enthusiasm for the new venture.

Everything appears to be peaches and cream except for one small detail. Marge has neglected to tell her husband that a small stipulation in the deed gives the former owners the right to move back into the old home if they ever care t. This seems a remote possibilitq, since the old couple, Jonathan (Glenn Snider) and Matilda (Karen Uhrick) are believed to be dead.

When they appear unexcetedly with their wayward son, Matt (William Roesink), and move in, bedlam breaks loose. The Gage family, city bred, are unable to cope with a January blizzard which leaves them without electricity or provisions. After a diet of olives and cornflakes, the Gage family is about to admit that maybe the old couple, the Rockwoods, aren't so bad after all, especially since they are surviving the blizzard with hot coffee, biscuits, fried ham and strawberry preserves.

Even the oldest daughter's love affair works out in the end and everyone agrees that, perhaps old people can come in mighty handy once in a while.

Lia Drenth as Frieda, the maid; Perry Smith, Uncle Walter; Jim Dennis, the college boy; Don Moore, the constable; Don Nowland, the attorney, Mr. Loomis and Terry DeYoung, the sheriff add their talents to the play, making it a warm, human comedy with fun for the entire family.

Committees assisting with the production are: properties, Georgia LaBlance Patsy Whitley, Barbara Sharrow and Audrey Krulik; lights and sound, Elva Trimble, Mable Bingham and Jerry Keiser; stage manager, James Sneathen, Tom Martin, David Barnes, Sam Supernaw and Tom Louiselle; make-up, Roberta Zeitler, Pam Korth, Martha Green, Mary Jean Campbell and Bonnie Fitzhugh; tickets Karen Pierce and Marge Albright; programs, Lynette Mayne, Sharon Cunningham, Loretta Drost, Judy Clarke and Patsy Whitley; ushers, Monte Withers, Eva Perron, Ann Hawley, Audrey Krulik, and Karen Neff; publicity, Ann Phillips; student director Evelyn Petors; prompter, Carla Riley; welcoming speaker Sandra Tuomela.

The play will be presented Wednesday under the direction of William Ratigan, Mrs. Harry Stewart, Mrs. Robert G. Martin, S. E. Coleman and Don Carey.

OES to Hold Public Installation Of Officers Sat. Night

Mrs. James Hiller, past matron and former grand committee woman, will officiate as installing officer at the public installation of offcers of the Charlevoix chapter No. 72, Order of the Eastern Star to be held at the Masonic Temple at 8 p.m. Saturday.

She will be assisted by Mrs. Melvin Plum former grand committee woman, as installing marshall; Mrs. Frank Novotny, chaplain; Mrs. Charles Bellinger, former grand appointive officer, organist and Mrs. E. D. Hawley, soloist.

Mrs. Alfred Gill Jr. and Mrs. Laverne Heise, past matrons will serve as hostesses at the installation ceremony.

Named to the refreshment committee were Mr. and Mrs. Keith Wagner, Mr. and Mrs. George Hutchinson and Mr. and Mrs. Julius Elzinga. Mrs. Wayne Belding, Mrs. Larry Mitchell and Mrs. Fred DeCastro have been named to the decorating committee.

Recently elected worthy matron, Mrs. Kenneth Sweet, and her slate of elective and appointive officers will be installed at the public installation ceremony, Saturday.

Names Auxiliary Committees for Ensuing Year

Mrs. John Johnson, recently installed president of the American Legion Auxiliary, has named the following committee chairmen to serve during the organization's 1960-61 year:

Membership; Mrs. Edgar Smith and Mrs. George Hallam; Child Welfare and Rehabilitation, Mrs. Johnson and Mrs. Leo Allard; Community Service, Mrs. Smith, Girls' State, Mrs. Charles Rinehart; Constitution and By-laws, Mrs. Elmer Poole; Memorials and Education, Mrs. C. B. Meggison; Civil Defenso and Junior Activities, Mrs. Theordore Browe; National Security, Mrs. Maurice Dixon; Legislation and Americanism, Mrs. W. E. Goss; Poppy sale chairmen, Mrs. Emerson Hull and Mrs. Hallam; publicity, Mrs. Allard.

At the recent meeting at which the appointments were made, the group voted to contribute $5.00 to he Community Chest. They also packed 16 gifts plus wrappings, ribbons and enclosure cards for shipment to the Veterans Administration hospital gift shop at Battle Creek. There hospitalized veterans may select gifts for their family, without charge and have them gift wrapped.

Plans were also made for Mrs. Johnson and Mrs. Browe to attend the fall conference and school of instruction to be held at Traverse City Nov. 5.

A social hour and refreshments concluded the meeting held at the post home.

Lawrence Foley, Retired Social Worker Honored by Friends

Photo by Fran Martin

Lawrence A. Foley (left) pictured receiving a gift from Charlevoix county building personnel at retirement party Friday. Harvey C. Varnum (right) made the presentation while George Hutchinson, Bureau of Social Aid Supervisor, looks on.

★ ★ ★

Lawrence A. Foley, veteran case worker with the Bureau of Social Aid, has retired after 25 years in social work including 19½ years with the Charlevoix county office.

Upon his retirement, Mr. Foley was honored at a surprise party given by fellow workers at the Charlevoix county building Friday afternoon. County building personnel gathered in the jury room decorated in a Hallowe'en motif for the occasion to pay homage to their fellow worker and to present him with a gift. Harvey C. Varnum made the presentation in behalf of the group commending Mr. Foley for his years of service and describing him as "the most even-tempered person I have ever known", a trait which has endeared him to everyone who knows him.

George Hutchinson, bureau supervisor, echoed Mr. Varnum's sentiments regarding Mr. Foley and added that the veteran case worker was the best liked worker in the department and the only person he knew who would do anything rather than hurt another person, whether he was a client, a co-worker or an acquaintance.

On Friday evening Mr. Foley was honored at a dinner at Grey Gables Inn attended by Bureau of Social Aid personnel and their respective husbands and wives, Ed Connine of Traverse City, regional director of the Bureau, and Mrs. Connine and former case workers and their husbands or wives.

The theme of the program which preceded the dinner was "This Is Your Life" and members of Mr. Foley's family were present as a surprise. Among them were his sons-in-law and daughters, Mr. and Mrs. William Mosier and two children of Alanson, Mr. and Mrs. David Juilleret and child and Miss Laura Foley; his brothers-in-law and sisters, Mr. and Mrs. Paul Garthe, Miss Dorothy Foley and Mrs. Katherine Ward of Traverse City; his brother and sisters-in-law, Mr. and Mrs. Ted Foley of Mt. Pleasant and Mrs. Esther Cole and a guest, Hildred Smith, of Royal Oak. Each participated in the program and as they were introduced, recalled some memory of Mr. Foley. Like his follow workers they mentioned his disposition, his love of good music and most of all his love of his family and his sacrifics in their behalf. His sisters related how he worked to help them acquire an education before returning to college to complete his own education.

Mr. Hutchinson was master of ceremonies and presented a gift to Mr. and Mrs. Foley from the group.

A native of Mackinac Island where he was born Aug. 23, 1894, Mr. Foley lived on the island during the summer and at Manistique during the remainder of the year. Later the family lived in Frankfort before going to Kalamazoo, Mich. where he attended Western Michigan University and sang with the glee club. After serving with the American Expeditionary Forces in Europe during World War I where he saw action in the major battles of the war including Chateau Thierry, he returned to Michigan and eventually to Petoskey. There he sang with church choirs, taught Sunday school and became associated with Boy Scouts. In all he served 22 years as a Scout Master. It was while he was still Petoskey that he started in social work. Later he worked in Gaylord in Otsego county before coming here in 1941.

Charlevoix Rayders Bow to Mancelona 39 to 12

★ ★ ★

Ironmen Move Up to Challenge Ramblers

The Charlevoix Rayders dropped their second game of the current season Friday when they lost to Mancelona 39 to 12 on the latter's field.

The loss left the Rayders in fourth place but moved the Ironmen into a first place tie with the Boyne City Ramblers after the latter were upset by East Jordan.

Charlevoix's first tally came in the second quarter after the Rayders had recovered a Mancelona fumble. The final touchdown came late in the game.

Paced by Larry Bengtson, top scorer in the loop, the Ironmen racked up five touchdowns including three by Bengtson, two by Kenny Johnson and one by Denny LeCroix.

Starting for Charlevoix were Jim Sneathen, Sam Supernaw, Henry Wagner, Stan Martin, Jim Dennis, Terry DeYoung, Darrell Somerville, Spencer Root, Jerry Keiser, Tom Martin and Dave Barnes.

Gary Spencer, Dale Burke, Bob Grunch, Tom Louiselle, Perry Smith, Denny Wojan and Dave Rader saw action later in the game.

Charlevoix kicked off to Mancelona who took the ball on their own 31 yard line and on a series of five first downs moved it to the one foot line from where Bengtson went in to score. He then passed to end Tom Moeke for the conversion point.

The Rayders took the Ironmen's kick-off on their own 28 yard line. A pass from Martin to Dennis picked up 12 yards and carries by Wagner, Supernaw and Martin, despite two offside penalties which were refused by Mancelona, moved the ball to the Mancelona 42 where action bogged down and the Ironmen took over on downs.

With Johnson and Bengston carrying the ball, Mancelona advanced to the Rayder 42 on three plays. On the next play Bengtson broke away for a 42 yard touchdown run. The attempted run for the extra point was halted short of the goal line.

Charlevoix took the kick-off on their own 32 and in three plays picked up 10 yards for a first down as the first period ended.

With all four backs carrying, the Rayders then marched to the Mancelona 12 where they lost the ball on downs. The Ironmen moved to the 22 on two tries only to fumble with Charlevoix recovering.

The Rayders took advantage of the break and, with Supernaw and Martin carrying, marched to the one foot line in five plays. Martin then plunged over for the tally. The run for the conversion point was stopped short of the goal and the score remained Mancelona 13 Charlevoix 6 with four minutes remaining.

Charlevoix kicked off to the Ironmen who took over on their own 38. On the first play from scrimmage Johnson broke away for a touchdown run only to have it called back because of a major penalty. However, on the next play Bengtson passed to Johnson for a 33 yard gain to the Charlevoix 36. Three plays later the ball was on the three from where Johnson again crossed into pay dirt, this time for six points. The attempted run was short and the score stood at 19 to 6.

Charlevoix took the kickoff on their own 39. On the first play from scrimmage Supernaw's pass was intercepted on the 29 but a major penalty on the Ironmen gave the Rayders possession of the ball on their own 29. Two passes from Supernaw to Perry Smith and DeYoung moved the ball to the Mancelona 23 but on the final play of the half, Mancelona intercepted a third Rayder pass.

Charlevoix took the kick off on their own 39 to open the second half and in four plays marched to the Mancelona 29. However, they were pushed back to the 39 on the next three plays and Mancelona took over on downs.

On eight plays Mancelona picked up three first downs to the Charlevoix 12 where LaCroix broke away for a tally. The attempted pass for the conversion point was knocked down.

The Rayders took the kick off on their own 26 and marched to the Mancelona eight where the Ironmen too over on the final play of the quarter after Charlevoix's offense bogged down.

An offside penalty moved the ball back to the three yard line but on two plays the Ironmen moved the ball to their own 20 yard line. After three tries at moving the ball, Johnson broke out and romped 80 yards for the touchdown with LaCroix passing to Moeke for the extra point.

Play started on the 20 when the ball went into the end zone on the kick off. Ground gains by Supernaw and a personal foul on Mancelona moved the ball to the 45 where the Ironmen took over on downs. Two plays later Bengtson scored from the 34 and then passed to Walt Klein for the extra point.

Charlevoix took the kick off on their own 20 and with Supernaw and Smith carrying and, Supernaw passing to Dennis marched to the one from where Supernaw scored with a minute remainng.

Boyne Ramblers Dumped by East Jordan in Upset

The Mancelona Ironmen moved into a first place tie with Boyne City and assured themselves of a share of the 1960 league title Friday night after they had won over Charlevoix 39 to 12 and the Ramblers had been upset by the victory-hungry East Jordan Red Devils 21 to 0.

In other games Harbor Springs moved into second place after dumping Gaylord 20 to 13 and Pellston moved out of the loop cellar with a 7 to 0 victory over Grayling.

—o—

E. JORDAN 21 BOYNE CITY 0

Playing their best game of the season, the Jordanites were in control of the game all the way as they jumped into a 7 to 0 halftime lead after Tom Graham had broken through tackle and romped 32 yards for a touchdown and Bud Gee had booted the conversion.

The third period was scoreless but ended with the Red Devils in possession of the ball on the 11 yard line. On the first play of the final period Gee passed to Louis Kraemer for the second tally of the game. Gee again added the point after touchdown.

With four minutes remaining, Ron Sulak went over from the seven to give the Jordanites a decisive victory over their arch rivals, the Ramblers. Gee made the score 21 to 0 with a conversion kick.

HARBOR SPR. 20 Gaylord 13

The Rams moved into second place behind the league leaders, Boyne City and Mancelona, after racking up their four wins of the season.

It was a costly victory for the Harbor Springs outfit, however, as senior guard Tom Cassidy went to the bench and later to the hospital with a fractured collar bone which will sideline him indefinitely.

In the meeting with Harbor Springs, Gaylord took to the air and scored early on a 15 yard pass play from Tom Topio to end Larry Simpson.

However, the Rams' Harvey Kasuske broke away for a 39 yard scoring run later in the period to knot the score and Fran Lauer intercepted a pass at midfield to romp for a second touchdown before the period ended. This time Kasuske booted the conversion as Harbor Springs went ahead 13 to 6 as the first 12 minutes ticked off.

Tom Graham scored on a 36 yard breakaway late in the second period and Kasuske added the conversion point on a boot as the half ended 20 to 6.

Don Klinger plunged over from the one yard line late in the fourth period to give the Blue Devils their final touchdown. Tapio passed to end Bob Merry to make the score 20 to 13.

—o—

PELLSTON 7 GRAYLING 0

The Pellston Hornets, utilizing their fine defensive machine, held the visiting Grayling Vikings scoreless as they passed for a single touchdown which moved them out of the league cellar as the current season neared its close.

The winning touchdown came in the second period when left halfback Ray Mechalec passed 21 yards to right end Rick Anderson. Mechalec ran the ball over for the P. A. T.

The Ironmen downed the Rayders 39 to 12 in the meeting.

This Week's Games

Friday's games will wrap up the 1960 football season for the eight teams of the Northern Michigan Class C league.

Until now the Boyne City Ramblers were expected to take the league title, especially after they had dumped the major threat to their plans, Mancelona, by a score of 19 to 13 and the second threat, Harbor Springs, was upset by Charlevoix 28 to 26.

But last Friday's action changed all that when the East Jordan Red Devils upset the Ramblers 21 to 0.

As a result, Boyne City and Mancelona are presently tied for first place in loop standings.

Thus, Boyne City must defeat the Harbor Springs Rams in a game which could be a tough one for the Ramblers while the Ironmen will take on the last place Grayling Vikings to conclude their season.

In other games, East Jordan will travel to Gaylord and Charlevoix will host Pellston.

Boyne City's hopes of sharing in this year's title were dimmed over the weekend after three regulars were hospitalized for treatment of injuries received in the hardfought game with East Jordan.

Quarterback Glen Tatham was taken in via ambulance for treatment of a severe back sprain and right guard and captain, Paul Bray, was admitted for treatment of a concussion following the game. Sunday morning left guard John Hale was admitted via ambulance for observation. On Monday Coach Pfahler said doctors had diagnozed his illness as the flu after extensive tests. Bray was discharged Sunday. All three will be benched for the season.

Prior to Friday's game, halfback John Bricker who had replaced Doug Grubbe as a starter when the latter suffered a badly sprained ankle, received a badly fractured nose in practice and

STRAIGHT TALK ABOUT SALES TAX

WHAT WILL IT MEAN WHEN YOU CAST YOUR VOTE ON PROPOSAL No. 2 (1% SALES TAX INCREASE)

if you vote NO . . .

The money your state needs will not be coming in. It will be forced to find revenue somewhere else — and you may not like where.

BORROWING

Borrowing is not an answer to financial problems. It's simply an ostrich-like way of avoiding them. Debts will still have to be paid sooner or later — by you or by your children. And the interest rates will only add to the burden. Eventually, you may have to borrow again or pay higher taxes just to pay the interest.

"HIDDEN" TAXES

Taxing business may hide the tax, but you still pay it. In fact, you pay more than you would otherwise. As a business expense, the tax is added to the cost of products. Each business passes it on. So the effect of the tax is to grow as it is passed on to you. Of course, since it is indirect or "hidden", you are less likely to be aware of it even though it costs you more.

INCOME TAXES

Michigan has never had or needed an income tax. To start one would require setting up a new governmental control bureau. The 6 million dollars this would take would be the first to come out of the new tax. Also, the bite might be small at first — but, once the principle is established, it would certainly grow larger. Look at the federal income tax. When it was first proposed it was felt the tax would never reach such dizzying heights. But, as we know today, Income taxes have a way of ballooning beyond belief.

One more point. Do you want to trade the convenience of paying out pennies as you buy things for the task of making out lengthy forms in quadruplicate? That take an expert's help? That may be questioned any time later?

if you vote YES . . .

The state will begin to get the money it needs. If you are an average family, you will pay about 77-cents more a week. If you make enough to spend more, you will pay more. That's only fair. And you'll have the help of every visitor and tourist who spends money in this state.

Part of the trouble with the present sales tax is that the state does not get a large enough share. Only about one-sixth, or [illegible] 4-million, is reserved for state-wide use out of the total $325-[illegible]lion. The majority goes to schools and local governments. The proposed one-cent increase however, would triple Michigan's present share of sales tax income — boosting it from $54-million to $164- or $169-million. The new rate will also have a built-in ceiling; no legislature can increase it later. *You know what you pay when you pay as you go.*

DOESN'T IT MAKE SENSE TO VOTE YES? ON PROPOSAL No.2

RECORD OF THE COUNCIL

OCTOBER 24, 1960

The Common Council of the City of Charlevoix met on the above date with Mayor Hiller presiding. Aldermen present: Hansen, Clare Staley, Donaldson and Grubaugh. Absent: Aldermen Hawley and Kenneth Staley.

The minutes of the October 10, 1960 meeting were read and approved.

Enter Aldermen Hawley and Kenneth Staley.

A group of citizens representing property owners on U. S. 31 North of Charlevoix appeared before the Council to voice their objection to a communication to the City from the Michigan State Highway Department regarding a proposed no parking regulation on this section of U. S. Highway No. 31.

Bids for General Liability Insurance and Fleet Insurance were received from the following:

Max Novak Insurance Agency.

Hamlin Insurance Agency.

All bids were referred to the Finance Committee for tabulation and evaluation and to report to the Council at the regular Council meeting to be held November 7, 1960.

Moved by Alderman Hawley and supported by Alderman Clare Staley that the resignation of Mrs. Wilma Novotny as Deputy City Treasurer be accepted.

Motion adopted by the following Yea and Nay vote. YEAS: Aldermen Hansen, Hawley, Clare Staley, Kenneth Staley, Donaldson and Grubaugh. NAYS: None. ABSENT: None.

Alderman Hansen offered the following Counting Board Resolution and moved its adoption, seconded by Alderman Grubaugh.

RESOLUTION

BE IT RESOLVED, that at the November General Election to be held in the City of Charlevoix, Michigan, on November 8, 1960, there shall be an additional board of 12 inspectors of election consisting of 4 inspectors of election for each precinct (Ward), in the City of Charlevoix to act hereby as the counting board for each of said respective precincts which are hereby established for said election in accordance with the provisions of Chapter XXVII, Section 679 of the Michigan Election Law (Act 116 of the Public Acts of State of Mich., for 1954), being Sec. 6.1679 of the Mich. Statutes Annotated and section 168.679 of the Compiled Laws of the State of Michigan for 1948, as amended, which counting board shall count the ballots cast in said respective precinct in the City of Charlevoix, at said election and make returns thereof and shall have all of the authority granted and discharge the duties enjoined upon said board of the provisions of the General Election Law.

Resolution adopted by the following Yea and Nay vote. YEAS: Aldermen Hansen, Hawley, Clare Staley, Kenneth Staley, Donaldson and Grubaugh. Nays: None. ABSENT: None.

The Finance Committee having examined bills totaling $13,435.63 find them correct and recommend they be allowed.

Moved by Alderman Hawley and supported by Alderman Clare Staley that the bills be allowed and orders drawn for their amounts.

Motion adopted by the following Yea and Nay vote. YEAS: Aldermen Hansen, Hawley, Clare Staley, Kenneth Staley, Donaldson and Grubaugh. NAYS: None. ABSENT: None.

On motion the Council adjourned.

Miss Phyllis Roberts on Gov't Assignment in Korea

Her family insists she has sand in her shoes . . . one way of saying she's a wanderer at heart . . . but Phyllis Roberts defends her wanderlust with the statement that she loves meeting new people and seeing new places.

Whatever the reason, Miss Roberts, who has become one of the community's most traveled residents, has taken off again . . . this time for Seoul, Korea, where she will be employed as a manpower specialist and management analyst with the U.S. Department of Defense.

This type of assignment is nothing new to Miss Roberts who has filled similar positions . . . the first in Japan where she spent 5½ years from 1949 to 1954 and the most recent in what was, until recently, French Morocco, for 3½ years from 1955 to 1958.

A quiet, soft-spoken young woman who is a graduate of Michigan State University with a major in foreign languages, Miss Roberts will head a team composed of civilian and military personnel whose job it is to tour the area and determine manpower and budget needs for the headquarters of the Seventh Logistical Command.

Most people think of Korea as a desolate, isolated country with little to offer a civilian but Miss Roberts, who loves new peoples and countries, is looking forward to her work there for there is now plenty of good housing provided for civilians; there are many other civilians from all parts of the United States as well as elsewhere around the world filling many posts, thus she will not be alone in a strange country and conditions, on the whole, are much improved over those that existed during and immediately following the war in Korea.

The Korean language is a difficult one to learn but she plans to attend a language school and make more than a token effort to learn something of the language. "I feel that is importane, if only as a courtesy to the people of the country with whom I work, to attempt to learn something of their language", she said. Seoul is the home of the University of Seoul and she said she might even attend some classes there. She hopes, also, to see as much of the Orient as she can while she is there and to learn more about that part of the world and its peoples.

The language is not the barrier one might think for most Koreans who have any education at all, have some knowledge of English. Others, who have been employed by the Americans in various capacities have a good knowledge of the language, she added.

Before her daughter left for Korea, Mrs. Roberts held a family gathering at the home in Marion township. Coming for the event were her other daughters and their respective husbands,

This Week's Game

Continued from page 7

Bill Darbee, a freshman who has been filling in for Tom Kujawski, suffered a bone separation of the knee. A cast was applied and, like Bricker, he is lost to the team for the season.

Earlier in the season, quarterback Jack Dixon was lost to the team when he underwent emergency surgery. At that time he was replaced by Tatham. With the latter out for the last game, Coach Paul Pfahler is looking for substitutes for this position as well as the others. He said Monday he planned to bring Larry Gunderson up from the Reserve squad to handle the signal calling duties; would probably use Mike Koteskey in place of Bricker with Grubbe doing a limited amount of playing and in the line would shift Roger Towne to right tackle and regular tackle Chuck Vincent in the guard position. On the other side of the line he plans to replace Hale with a substitite end, Larry Thompson.

At Harbor Springs, Coach Charlie Paige has been faced with the problem of replacing Tom Cassidy, senior guard, who received a fractured collar bone in the Gaylord game.

With so many regulars out of the line-up, the Ramblers are going to find hard going against the second place Rams who would like nothing better than to dump the league leaders from first place. However, despite their upset at the hands of the Jordanites and their losses of first string players, the Ramblers cannot be counted out of the running, especially with a share of the title at stake. This will probably be a close one with the outcome a toss up.

Mancelon, meanwhile, will be playing at Grayling against a squad that showed nothing against Pellston last week. Chances are Coach Matt Jacobson's regulars will see little action for this game should be a pushover for Mancelona's second and third stringers.

East Jordan will be defending its newly acquired third place standing when the Red Devils go against Gaylord this week.

Unless the Jordanites have a let-down after taking the Boyne City Ramblers 21 to 0 last week, they should come through with a victory over the Blue Devils. The latter, however, will be no pushover, especially if they get their aerial attack working.

Pellston made its way out of the league cellar last week when they defeated Grayling 7 to 0.

Charlevoix, on the other hand, is in fourth place with a two-two-two record.

Unless the Hornets show more than they have in previous games, the Rayders should retain their position in loop standings as the season ends.

E. K. Shanahan talks To Dickens Study Club on Elections

Current election issues was the subject of the program at the Monday meeting of the Dickens Study club.

E. K. Shanahan appeared before the group to discuss the three proposals which will appear on the ballot in the Nov. 8 election.

Mrs. Max Hosmer reported briefly on the results of the recent meeting of "Youth for Understanding" committee established recently.

The meeting was held at the home of Mrs. Carl F. Kohler with Mrs. Malcolm MacDowell as joint hostess.

Women Bowlers Form Association

The women of the Charlevoix and East Jordan bowling leagues met recently in East Jordan for the purpose of a naming their new association. The name chosen was 'Winter Wonderful Bowling Association'.

Newly elected officers assuming their duties were: Edna Wilkins, East Jordan, president; Marilyn Swanson, Charlevoix, first vice president; Donna Anderson, second vice president; Thora Kotowich, secretary, Betty Boswell, treasurer and Bernadine Brown, East Jordan, Sgt. at Arms and publicity chairman.

Guild Notes

The November metting of the Women's Guild of the Charlevoix hospital has been postponed from Nov. 8 to Nov. 15 because of the election, the president, Mrs. Floyd Brown, has announced.

In postponing the meeting, Mrs. Brown joined with others in urging that Guild members cast their ballots on Nov. 8 in this all-important election year . . .

KEEP OUR COUNTY CLEAN ROSE YOUR SHERIFF

THE . . .

. . . SHERIFF'S JOB

Now. this Sheriff's job is a curious one;
Like the housewife's work, it's never done.
Calls come by night and come by day;
They may be near or miles away.
Do hurry up, says the caller;
You're badly needed in Possum Holler.
Paw's on the rampage; he's got a gun;
Been looking for Maw since half-past one.
So we jump in our flivver and hit the trail;
And drive like a streamliner carrying the mail.
Our only hope and all we can figger,
Is to be on hand before Paw pulls the trigger.
We finally arrive, and amid confusion,
We learn the affair was a simple delusion.
Paw with his gun was just hunting squirrels;
Maw had gone to school with the oldest girls,
Next day we're hunting a mottled-faced cow;
That night we referee a nice family row.
Now, that's just a sample of what we do;
An endless variety of the old and the new.
It may be a prowder, a burglar, a drunk;
He may steal your billfold, your watch or your trunk.
We set out to catch him, and we do our best.
We catch our percentage and lose the rest.
We can't catch them all, for some leave no clue—
They dont leave their cards, like the candidates do.
Sometimes they plead guilty, and in jail are enrolled.
Then half the country will want them paroled.
They blame the recession, the sputnik, tariff
But most of the folks put the blame on the Sheriff.
So it's quite a game, if you stay right in—
You'll get a pat on the backs, and a sock on the chin.
But, I like it, and I'm shedding no tears—

AND I'D LIKE TO BE YOUR SHERIFF FOR ANOTHER TWO YEARS

Sincerely, Your Neighbor

MINUTES OF SCHOOL BOARD MEETING
October 3, 1960

Present: Dinwiddie, Freedman, A. Smith, C. Smith, Martin, Blanchard, Bennett, Supt. Absent: Lieberman.

The meeting was called to order at 7:35 p.m.

Minutes of the meeting of September 19 were read and approved.

Mr. Harold Wilcox and Charles Parks of the Central Michigan University appeared to meet with the Board with regard to the in-service teaching program. They invited the Charlevoix schools to be a partner in this program directed by C.M.U. and financed by the Ford Foundation. It was suggested that the P.T.A. be asked to make this proposal a part of their early program, that the people of Charlevoix may be made aware in detail of this service.

Gordon Cornwell, architect, appeared to report on the progress of the high school building. He advised that the project had fallen behind schedule somewhat, but that with good weather it should easily be brought back to schedule. After discussion it was moved by Martin and supported by A. Smith that Change Order No. 3 to the contract of Wallaee N. Bjorklund be approved. This change calls for the substitution of Lustra-gray glare reducing glass on the South, East & West elevations of "A" building, for an additional expenditure of $1,871.00. Motion carried: 6 - 0.

It was moved by Martin, supported by Dinwiddie, that the Petgas Distributing Co. be authorized to install a storage tank for gas and furnish said gas for the new high school. Motion carried: 6 - 0.

Motion was made by Dinwiddle, supported by Martin, that the American Legion Post be paid $1,000.00 for the easterly 200 feet of their property on E. Garfield Avenue, and including an option on the Legion building and lot for $5,200 - said option to be for three (3) years. Motion carried: 4 - 2.

It was moved by Martin, supported by C. Smith, that bills in the amount of $9,075.28, payable from General Fund, be approved and ordered paid. Motion carried: 6 - 0.

Moved by A. Smith and supported by Blanchard that bills in the amount of $94,005.93, payable from Building & Site Fund. be approved and ordered paid. Carried: 6 - 0.

Bids were received from the Leonard Refining Co. and Osceola Refining Co. for the fuel oil needs for 1960-61. On motion of A. Smith, supported by Martin, the bid of the Osceola Refining Co. at .0875 - to be lowered as Michigan crude oil prices are reduced - was accepted. Carried: 6 - 0.

It was moved by A. Smith, supported by Martin, that a contract be entered into with the Grand Rapids Board of Education for secial education at the Grand Rapids Orthepedic School for Paul Fitzhugh. Motion Carried: 6 - 0.

Mr. Bennett was instructed to have Ted Browe wire the new school-bus shop.

Discussion was held on the following:

The use of Building & Site Funds, 1958 Bond Issue, for the acquiring of property for site purposes.

The problem of the removal of the City Garage from the school building site.

Membership in the Michigan School Board Association. Mr. Bennett was requested to contact the State Secretary for further information.

Board meetings once a month to be given to business and bills and one meeting a month for educational problems and curriculum.

The meeting adjourned at 10:50 p.m.

8. To comply with any and all terms of the said Agreement including all terms not specifically set forth in the foregoing portions of this resolution.

Resolution adopted by the following Yea and Nay vote. YEAS: Aldermen Hawley, Clare Staley, Kenneth Staley, Donaldson, Grubaugh and Haasen. NAYS: None. Absent: None.

The following Beaver Island Boat Company Resolution was offered by Alderman Kennteh Staley and supported by Alderman Donaldson.

RESOLUTION

Alderman Kennteh Staley offered the following Resolution and moved its adoption, seconded by Alderman Donaldson.

WHEREAS, The Common Council of the City of Charlevoix desires to continue to make availbale a certain part of the City's Commercial Dock facilities to the Beaver Island Boat Company for the use of its passenger vessel "Emerald Isle", under the terms and conditions hereinafter set forth and it is necessary to enter into a formal agreement in regard thereto for a (5) year period from and after April 1, 1961, the date of the expiration of the present agreement;

THEREFORE BE IT RESOLVED, That the City of Charlevoix enter into an agreement with the Beaver Island Boat Company, a Michigan Corporation, of Charlevoix, Michigan, for the use of its dock facilities for the five (5) year period following April 1, 1961, embracing the following provisions:

1. The term of this agreement shall be for the five (5) year period from April 1, 1961, through March 31, 1966.

2. The City shall lease to the Beaver Island Boat Company the warehouse building adjacent to Berth "B" at its Commercial Dock for the duration of the term of this agreement.

3. The water and electric utility lines servicing said building and the sign adjacent thereto shall be metered and paid for by the Beaver Island Boat Company.

4. The Beaver Island Boat Company shall have berthing privileges for its passenger vessel "Emerald Isle" at Berth "B" at the City's Commercial Dock from April 1st through December 31st each year during the term of this agreement, with the right to load and unload its passengers and freight over said dock.

5. The Beaver Island Boat Company shall have berthing privileges for the winter storage of its passenger vessel "Emerald Isle" at Berth "A" at the City's Commercial Dock for the period of from January 1st through March 31st each year during the term of this agreement.

6. The vessel "Emerald Isle" shall vacate its Berth "B' on or before January 1st and shall not occupy the same for the period of from January 1st through March 31st each year during the term of this agreement.

7. The use of said dock and dock area shall be subject to the Ordinances of the City of Charlevoix and the City of Charlevoix Dock Regulations and the provisions thereof requiring that said vessel shall be required to vacate its said berth whenever the accommodation of larger excursion vessels require it in the interest of the City of Charlevoix in the sole Judgment of the Harbor Master of the City Charlevoix.

8. That throughout the term of this agreement the Beaver Island Boat Company shall operate a boat passenger and freight transportation line between the City of Charlevoix and St. James, Beaver Island, Michigan, with at least the same quality of service, and on not less than the same frequency of boat trips, exclusive of multiple daily trips, that it now provides, being one round trip daily three (3) days per week during the months of April and December, and one (1) round trip daily during the months of May through November* by its motorship "Emerald Isle" and that if it shall fail so to do at any time during the term of this agreement, except for unavoidable cancelled trips caused by weather or the failure of equipment, this agreement may be cancelled by the City of Charlevoix, at its option, in which event a proportional adjustment shall be made between the parties regarding any money prepaid for an unused portion of the term of this agreement on the basis of Seventy-five ($75.00) Dollars for the winter storage term and Four Hundred Five ($405.00) Dollars for the operating season.

* (excepting Sundays in May, June, September, October and November),

9. That wherever the name "Emerald Isle" is used herein the same shall be construed to mean, and include, any other vessel owned by the said Beaver Island Boat Company in replacement thereof, or in use in addition thereto in the said transportation line.

10 The Beaver Island Boat Company shall save the City of Charlevoix harmless from any liability resulting from its use of the aforesaid facilities including the storage and transportation of its freight and passenger over said dock and dock area, but this provision shall not limit the authority of the City and its Harbor Master over the said dock and dock area.

11. That in consideration of the aforesaid the Beaver Island Boat Company shall pay to the City of Charlevoix the sum of FOUR HUNDRED EIGHTY ($480.00) Dollars per year, payable in advance on April 1st of each year during the term of this agreement commencing with the payment to be made on April 1, 1961.

Resolution adopted by the following yea and nay vote:

Yeas: Aldermen: Hawley, Clare Staley, Kenneth Staley, Donaldson, Grubaugh and Hansen.

Nays: None.

Absent: None.

Moved by Alderman Hawley and supported by Alderman Grubaugh that the City ask for bids on General Liability Insurance. Bids will be received until 8 P.M. E.S.T. October 24, 1960.

The City Reserves the right to accept or reject any or all bids as is deemed to be in the best interests of the City of Charlevoix.

Honorable William T. Downs,
Judge, Probate-Juvenile Court
Charlevoix, Michigan
Dear Judge Downs:

I would like to say a word of appreciation for your participation in the convention, recently held at Detroit. Your report of the White House Conference, which you attended in Washington, disclosed that you have mastered the Juvenile Code of our state, and that you have a true feeling of sympathy and understanding of the erring juveniles who come within your jurisdiction.

We need more judges like you in this great commonwealth; men who are willing to take the time, to examine the procedures that we have to work with, and try to improve them for the time that we are trying to work for the betterment of our children, generally. It is apparent to all of the judges, that you are working more than what you are required to do for your county.

With kindest personal regards,
Sincerely yours,

Petoskey Ambulance Service to Serve Charlevoix Residents

Charlevoix will have a new ambulance service effective Monday. Nov. 14, as the result of action taken at the regular meeting of the city council Monday night.

An agreement between the Petoskey Ambulance Service and the city of Charlevoix was approved by a vote of 5 to 1 with Kenneth Staley casting the dissenting vote.

Under the arrangement the Petoskey Ambulance Service, a privately owned and operated business, will serve the residents of Charlevoix area.

In announcing the new service, City Supt. James Taylor said the council has been assured of promptness.

The Winchester Funeral Home will continue its ambulance service until Monday when the Petoskey firm takes over.

In other action the Council voted to accept bids for a new car for use by the city superintendent and the police department. Specifications are available at the office of the City Superintendent. The Council reserves the right to accept or reject any or all bids. Bids will be accepted until 8 p.m. Monday, Nov. 21.

Plans were also approved to install water and sewer facilities on Elm st. between Central ave. and Mercer Blvd. Work on the project was scheduled to begin Wednesday. Estimated cost of the installation will be $1,524.60 for sewer and $1,810.91 for water extensions.

The winter berthing of the U. S. C. G. Cutter Sundew and the Emerald Isle of the Beaver Island Boat C. was discussed and approval given a plan to permit the Sundew to use Berths A and B at the north end of the municipal dock and the ferry Berth C at the south end of the dock. This arrangement allows the cutter easlier acces to the docking area.

Plans were also discussed regarding Christmas decorations on Bridge st. installed by the city. Mr. Taylor said they would be put up and placed in operation early next month.

Saturday, Dec. 17, was also set as the date for a visit by Santa Claus who will bring treats to the children of the Charlevoix area.

Bills totaling $24,469 were approved and ordered paid. The figure includes $1,350 for harbor improvements; $537 for salt for use on city streets; $2,775 in accounts receivable purchased by the general fund from the electric fund; $10,873.31 for electric fund bills and payroll including a $2,895. 25 for fuel oil and $10,317.02 for general fund bills and payroll.

Top O'Michigan Lineman Suffers Electrical Burns

Gerald Goss lineman with the Top-O'Michigan Rural Electric Co., was admitted to the Charlevoix hospital Friday afternoon for treatment of electrical burns of the righ forearm and hand and of the right forearm and hand and fered when he came in contact with a primary conductor carrying 7200 volts to ground.

Dr. G. B. Saltonstall said that the extent of the damage as the result of the burns was impossible to predict at this time.

According to a company spokesman, Ted Erfourth, the line crew was preparing to install a transformer at the Ray Thomas farm about five miles southwest of Bellaire when the accident occurred. Goss was working on the pole, preparing to lift the transformer into place when he came in contact with the 'hot wire". Fellow workers heard a cry and looked up to see him slumped on his safety belt and his pant leg on fire. They immediately removed him from the pole and called a Bellaire physician who brought him to the Charlevoix hospital via ambulance.

Sea Scouts Attend Explorer Meet

Two Charlevoix Sea Scouts, Dale Buckner and Richard Harrington, accompanied by Robert Foss spent Saturday at Kinchloe Air Force Base near the Soo where they attended an Explorer Scout Cabinet meeting at which plans for winter activities of Explorer and Sea Scouts were made. Main event planned was a Scout-Co-Ed winter sports day to be held at one of northern Michigan's ski resorts.

Representatives of Explorer troops and Sea Scout ships from 12 communities of the northern district and their adult advisors gathered at Kinchloe for the cabinet meeting, lunch and a tour of the base

Mr. Foss and Carrol Seelye of Boyne City were co-chairmen of the meeting, Harvey Griswold, northern district Scout executive assisted with the plans and attended the meeting.

Kiwanis Sales Net $1,703

The recent White Elephant sales sponsored by the Charlevoix Kiwanis club netted a total of $1,703, Barney Englehart of the fund-raising committee has announced.

The first sale required 648 manhours including 306 by the Kiwani-Queen plus 348 miles of travel. The auction held recently required 188 manhours and 351 miles of travel.

City Receives 3rd Quarter Highway Fund Collection

The State Highway Department has distributed third quarter Motor Vehicle Highway Fund collections to Michigan'a 83 counties and 510 incorporated cities and villages.

The Charlevoix county road commission has received as its share of the $14,789,269 available to counties $66,518.78.

The city of Charlevoix received $5,606.80; Boyne City, $7,235.58; Boyne Falls, $919.32 and East Jordan, $4,212.45, of the $7,805,909 available to incorporated villages and cities.

All state gasoline, weight and diesel fuel taxes and a small amount of miscellaneous fees are deposited in the Motor Vehicle Highway fund.

After deductions, the money is distributed under provisions of state law that provides that 47 per cent goes to the state Highway Departmen for use on state trunkline highways in both rural and 18 per cent in incorporated cities and villages for their roads and streets.

Calif. Woman Seeks Brother

A letter seeking information about a former Ironton or Charlevoix resident has been addressed to the Ironton Chamber of Commerce according to Mrs. Edwin Beene who takes care of such correspondence.

The letter is from a Mrs. H. T. Parr of 214 No. Stoneman Alhambra, Calif., who is seeking information about a brother born in 1887 and adopted in infancy by a Dr. Frank Knickerbocker and his wife, Emma. Mrs. Parr neglected to mention her family name or the given name of her brother.

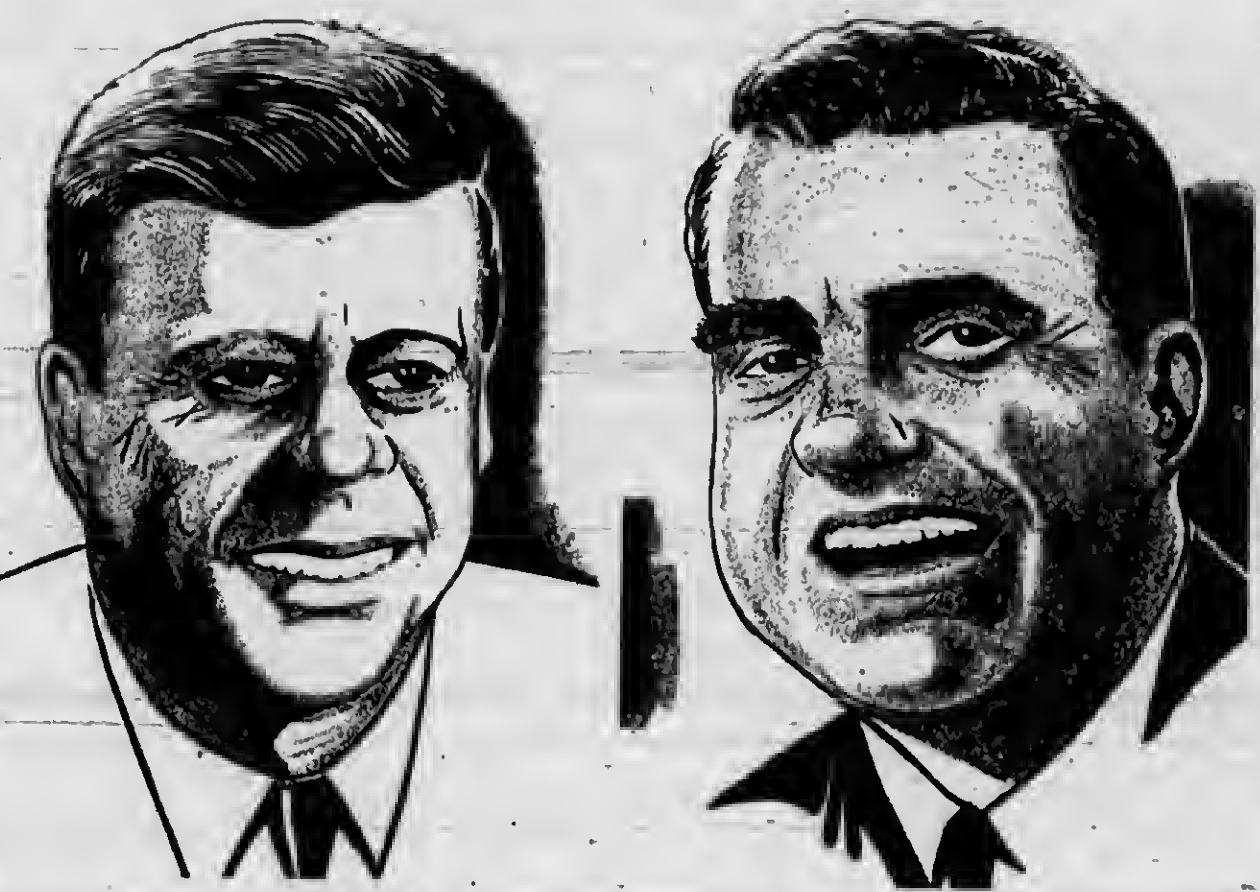
Anyone having any information regarding this may call Mrs. Beene or write to Mrs. Parr at the address given above.

Methodists to Remodel Church

The Methodist church has entered into an extensive remodeling and redecorating program, according to Rev. Raymond McBratnie, pastor of the local church.

Church services will be held at 11 a.m. in the city hall until work in the chancel is completed. Sunday school will be held in the available church rooms at the usual hour.

Worthy Opponents in Action



Now that the heat of the political campaign has subsided we can recapture a bit of the features of President-elect John B. Kennedy (left) and his opponent Vice President Richard Nixon (right) in action as they debated the issues before a national television audience. Here the two candidates' expressions are recorded in sketches by the Rev. Harold E. Kohn whose illustrations and articles have been a feature of the Courier during the past six years.

Rev. Sherman Heads Committee On 'Youth for Understanding'

A "Youth for Understanding committee" was organized recently at a meeting attended by representatives of local churches, clubs and other groups.

Rev. James P. Sherman was named chairman of the new organization, Mrs, Byron Wright was elected secretary and William Cooper, treasurer.

The next meeting of the organization is scheduled for Nov. 18.

Purpose of the new committee will be to further promote the "Youth for Understanding" program presently sponsored by the Michigan Council of Churches; urge qualified local youngsters to apply for participation in the program; to help make the program for local youths participating as equitable as possible in order that participation will not be limited to a fortunate few; to help foreign students who may come to Charlevoix by finding homes for them and small jobs while they are here.

The real objective of the "Youth for Understanding" is to promote world peace through understanding; to see that the students and the community get the most out of the program and to acquaint the community with these objectives and see that the best qualified youths have an opportunity to participate.

At the present time there is a most urgent need for homes for foreign students participating in the program, especially a need for Catholic homes for approximately 50 per cent of German students and a lesser percentage of others are of the Catholic faith. Every effort is made to assign these students to Catholic homes.

In outlining the objectives of the program, Rev. Sherman emphasized that it is open to the youths of all faiths and the fact that the Michigan Council of Churches handles the program in this state does not mean participation is limited to membership in those churches involved but to everyone.

Anyone interested in taking a student or knowing more about participation by local students may contact Mr. Sherman or other members of the committee for additional information.

Arba H. Cameron, 76 Dies Following Long Illness

Arba H. Cameron, 78, retired engineer, died Thursday at a Traverse City hospital, He had been in ill health for some time.

Churches to Sponsor Used Clothing Drive

The annual Church World Service used clothing drive is being held in Charlevoix during the month of November under the sponsorship of the Charlevoix Ministerial Association, the Rev. George L. Majors, chairman of the association, has announced.

Those wishing to contribute to the drive may take clean used clothing in good repair, shoes that are in good condition, heavy clothing such as overcoats, blankets and children's clothing to their own church. At the end of the month-long drive, the clothing will bo sorted, packed and shipped to the Church World Service headquarters for shipment overseas where it will be distributed to needy of all races, colors and creeds.

The collection at the Union Thanksgiving Service to be held at the Community Church of God on Thanksgiving Day will be used to underwrite the cost of shipping the clothing, Rev. Majors said.

Tracy G. Curtis, AEM2 is serving Attack Squadron 195 at the Naval Air Station, Moffett, Calif.

He is the son of Mr. and Mrs. Russell L. Curtis and the husband of the former Myrna A. De-

Warn Residents to Beware of Skunks

Residents of the area are warned to beware of skunks, especially those which are wandering about during day, because they might be rabid, according to Conservation Department officials.

This warning followed a vicious fight between two male skunks near the Willis Peter's home on Clinton st. Thursday afternoon. The two animals fought for about a half hour before wandering off. One was found dead under a nearly bush a short time later. When Mr. Peters reported the incident to the conservation department, he said he was told that likely the animals were rabid.

$3,110 Needed to Complete Chest Fund Drive

The Charlevoix Community Chest fund drive continued to lag according to Mrs. Jeannine Essenberg, campaign chairman, who said that a total of $5,385, had been contributed to date.

This figure represents 83.3 per cent of the fund goal of $8,475. leaving $3,110 to raise if the campaign is to be brought to a successful conclusion.

Mrs. Essenberg said she had several workers in the industrial-business and professional division to hear from but added that it was doubtful if they would come up with the more than $3,100 needed to meet the fund goal.

All persons who have not been contacted are asked to make their contribution at the earliest possible date. Unless everyone gives as generouly as he can, then 10 local agencies will suffer, Mrs. Essenberg said in conclusion.

Agencies for which Community Chest raises funds include the Community Nurse, Charlevoix Hospital, City Recreation, Boy Scouts, Charlevoix Association to Aid Retarded Children, Girl Scouts, Salvation Army, Michigan United Fund, Red Cross and the Emergency Fund.

Kiwanis Club Sponsors Youth To 'Travelogue'

The recent sale of tickets to the Kiwanis Travelogue series in Petoskey was a success among local Kiwanians according to Barney Englehart, chairman of the ticket committee.

As a result the Charlevoix Kiwanis club can now send 50 students or Boy Scouts and an elderly couple to each of the films and lectures.

In making this project a success Mr. Englehart said that 139 miles were traveled and 39 manhours spent on the sale of tickets.

Republicans Win All Charlevoix Co. Contests; Makel Unseats Downs

Though the 50 states with a total of 537 electoral votes gave 320 of these votes to the John F. Kennedy-Lyndon B. Johnson Democratic team for president and vice president, respectively, and Michigan went Democratic to send John B. Swainson, Democratic candidates for governor and his Democratic administration board to Lansing and Senator Patrick V. McNamara to Washington for another term, Charlevoix stayed in the Republican camp all the way.

The Kennedy-Johnson team won the electoral vote by the largest margin of any candidates in recent years, taking 320 to 185 for the Republican candidates. The popular vote is believed to be the largest in the history of the nation as well as one of the closet contests for the presidency although Kennedy and Johnson maintained the lead all the way.

Also in the county, voters gave their approval to Proposal No. 1 but vetoed the sales tax (No. 2) and the Con-Con (No. 3) proposals, all three of which carried by a sizable margin on a statewide basis.

On the non-partisan ballot, incumbent William T. Downs was defeated by John Makel by a margin of 169 votes for Judge of Probate. The latter, a newcomer to county politics, polled 2,946 to 2,779 for incumbent Downs.

In a race that attracted a great deal of interest Thomas F. Schweigert of Petoskey Republican, won over A. M. Schneider of Indian River, a Democrat, by a margin of 22,575 to 15,764 with most precincts in the eight-county 29th district reporting. In Charlevoix county Schweigert polled 3101 to 2,298 for Schneider. Schweigert will replace Frank Andrews of Hillman as state senator from the 29th district. Republican Andrews was not a candidate for re-election.

Elsewhere in the north, Victor A. Knox defeated Prentiss M. Brown Jr. to return to Washington as Representative from the 11th Congressional district. Knox had a total of 3,722 to 2,492 for Brown in Charlevoix county. C. B. Meggison, incumbent Republican representative from the Charlevoix district, polled 3,822 votes in Charlevoix county to 2,248 for Democrat Guy L. McPherson and won by a similar margin in the other three counties in the district to return to Lansing for another two years.

Other results of county contests follow with all Republican incumbents being returned to office by the following totals: clerk, F. R. Bulow, 3,973 to 2,124 for A. F. Allard; treasurer, Lillis M. Flanders, 3,929 to 2,198 for Archie M. Murphy; register of deeds, Grover C. Geneit, 3,960 to 2,110 for Herbert C. Marme; road commissioner, Gerald L. Fineout, 3,832 to 2,243 for Ralph H. Hamill.

Other Republican incumbents who were returned to office without opposition were: prosecuting attorney, Harvey C. Varnum, 4,088; sheriff, Glenn E. Rose, 4,248; surveyor, Mary C. Feindt, 4,085; coroners, Robert G. Martin, 4,022 and James D. Stackus, 4,015.

The number of votes given the three proposals on the special referendum ballot follow: No. 1, School bonds and state loans to schools; yes, 2,837; No. 2,085; No. 2, Sales tax increase: yes 2,776; No. 2, 2,050; No. 3, Constitutional Convention: yes, 1,358; No. 3,127.

Charlevoix county voters polled 2,822 votes for James R. Breakey Jr. for Justice of the Supreme Court to 1,976 for incumbent Theodore Souris.

In the national contest county voters gave 3,987 votes to the Republican team of Richard M. Nixon and Henry Cabot Lodge to 2,421 for John F. Kennedy and Lyndon B. Johnson for president and vice president, respectively.

On the state ballot, county voters favored the Republican candidatea. Candidates and total votes polled on both ballots follow: governor, Paul D. Bagwell, 3,740; John B. Swainson, 2,439; lieutenant governor, Clarence A. Reid, 3,730, T. John Lesinski, 2,357; secretary of state, William E. Kreger, 3,547; James M. Hare, 2,572; attorney general, Wendall A. Miles, 3,643; Paul L. Adams, 2,553; state treasurer, David R. Calhoun, 3,813; Sanford A. Brown, 2,480; auditor general, John V. Clements, 3,639; Otis M. Smith, 2,413.

Gen. George Ely Speaks to P.T.A.

Gen. George Ely, director of Civil Defense for Charlevoix county, spoke on the subject of Civil Defense, fall-out and the urgent need for fall-out shelters at the regular meeting of the PTA held Wednesday at the high school band room.

He also showed a film on the construction of a fall-out shelter. A question and answer period regarding Civil Defense followed.

Guild Notes . . .

The purchase of a bookcase for the solarium was discussed at the recent meeting held at the hospital. The purchasing committee reported that the hi-lo beds, silverware and vegetable dishes purchased by the Guild for the hospital had arrived. Also that the planters at the entrance and x-ray department had been filled. The planters, purchased and filled by the Guild when the hospital was opened in 1954, have remained one of the responsibilities of the Guild.

Mrs. Harry Gebeau, candy chairman, reported sales for the month totaled $113.81; Mrs. E. D. Hawley reported $41.00 had been contributed in memorials; Mrs. Richard Lyons said 11 puppets had been made and Miss Frances Milner reported that subscriptions had been placed for four popular magazines for the library cart operated by the Guild.

Books received from Mrs. James Murphy of Birmingham, books and magazines received from Mrs. Alfred Browe and the book, "Nine Coaches Waiting" by Mary Stewart received from Mrs. James Jacobs of Evanston, Ill., were acknoyledged.

Mrs. Gordon Freedman agreed to make tray favors for Christmas and New Year's days.

The Guild also approved the purchase of Christmas tree lights to be used on trees decorated by Guild members during the holidays.

Mrs. Brown, Mrs. G. B. Saltonstall, Mrs. E. K. Shanahan, Mrs. Gebeau, Mrs. E. I. Loop, Mrs. J. L. Smith of Grand Rapids, Mrs. Freedman and Miss Milner attended the recent conference at Hidden Valley. The latter presented a talk on fund raising projects for Guilds from hospitals of less than 150 patients.

Accompanying Miss Anne Baumgartner to the quarterly meeting of the North Central District Hospital Council meeting at Frankfort Thursday were Mrs. Floyd Brown, Mrs. Karl Schultz, Mrs. Harry Gebeau and Mrs. Jeff Novotny. Miss Baumgartner is president of the district hospital council. The others attended the district auxiliary meeting held in conjuction with the hospital council.

Tentative plans were made for the Guild's annual Thrift shop featuring 'second best' clothing and other items to be held at the Polly Kay shop about mid-November.

Hober - Shadko Marriage Vows Spoken in Church Ceremony

St. Joseph Catholic church in Maybee was the scene Saturday of the wedding of Delores Hober and Warrer J. Shadko.

Parents of the couple are Mr. and Mrs. Michael Hober of Maybee and Mrs. Claude Reeve of Lansing and Gregory A. Shadko of Charlevoix.

The Rev. Albert Zinger officiated at the double ring service at High Noon before an altar decorated with arrangements of large white pompom mums and baby mums.

Homer Talboys of Mason, the soloist, sang "Mother At Your Feet is Kneeling", accompanied by Mrs. Liedel of Maybee at the organ.

The bride, given in marriage by her father, selected a gown of imported white rosepointe hand-clipped lace and nylon tulle over satin for her wedding. The fitted bodice of lace had a wide portrait neckline formed of deep scallops seattered with irredescent sequins and long fitted sleeves finished with deep points at the wrist. The extremely full floor length skirt of layers of tulle was appliqued with lace in a redingote effect. A shallow satin crown edged in sequins and pearls secured her fingertip veil of imported French illusion. She carried a crescentshaped bouquet of white carnations centered with a white orchid.

Rosemary Gonyea of South Rockwood, as maid of honor, wore a street length gown of powder blue taffeta styled with a royal blue cummerbund and back panel. She wore a matching royal blue headband with royal blue net and royal blue and powder blue accessories. Her bouquet was a white pompom mum surrounded with pink carnations and pink satin petals and streamers.

Ruth Ann Smith of Newport, as bridesmaid, wore a gown and accessories identical to the honor attendant's and carried a similar bouquet.

George Haggard of Toledo assisted his step-brother as best man. Michael Hober Jr. of Maybee, brother of the bride, seated the guests.

A wedding dinner for the wedding party was held at Bowl-O-Drome in Monroe immediately following the ceremony. An afternoon reception at the V.F.W. post home in Maybee for more than 300 guests followed the dinner. Mrs. Ted Brancheau of Monroe, sister of the bride, cut the cake. Mrs. George Haggard of Toledo was in charge of the guest book.

For traveling on their wedding trip through Canada and northern Michigan, the bride wore a royal blue sheath dress and brown accessories complemented with an orchid corsage. The couple will be at home at 131 Amos st. in Jackson after November 15.

The bride is a graduate of St. Mary's Academy in Monroe and Cleary College in Ypsilanti. She is a stenographer at the Michigan State Police Post in Jackson. The bridegroom, a veteran of three years in the US. Army, is a graduate of Michigan State University and is a trooper at the Jackson post of the Michigan State Police post.

In Maybee for the wedding were Mr. and Mrs. Gregory A. Shadko.

District Officers Attend V. F. W. Auxiliary

The regular business meeting of V.F.W. Auxiliary held Thursday at the post home was attended by the president of District 13, Mrs. Rita Milliron of Traverse City. Others present were the district secretary, Mrs. Zelma Miner, also of Traverse City, and Mrs. Annaretta Bowman of Beulah.

At the business meeting at which Mrs. Kenneth Staley presided, it was reported that the local auxiliary was among the 15 in the state that had passed the 10 per cent mark in 1961 memberships.

Mrs. Leland Warner, who was taken in as a new member at this meeting, and Mrs. Albert Russell were named to represent the Auxiliary at meeting called by Gen. George Ely relating to a Civil Defense organization.

Mrs. Milliron emphasized the need to remember veterans hospitalized at VA hospitals in the state. The local auxiliary voted to 'adopt' a veteran confined at the Saginaw VA hospital.

A social hour and refreshments followed the business session.

Mr. and Mrs. Jerold Drenth to Make Their Home in Midland

Marilyn Louise Richardson became the bride of Jerroll Jay Drenth in a candlelight ceremony solomnized at the Ellsworth Christian Reformed church recently.

The bride is the daughter of Cecil E. Richardson of Charlevoix and the late Mrs. Richardson. Mr. and Mrs. Peter Jake Drenth are the parents of the bridegroom.

Baskets of yellow and bronze and lighted tapers in candelabra formed a setting for the double ring service at which the Rev. Renry Zwaanstra officiated in the presence of more than 175 guests on Oct. 28.

Joanne Drenth, at the organ, played the traditional wedding marches and accompanied the soloist, Mrs. George Light Jr. of Charlevoix who sang "I Love You Truly" and "The Lord's Prayer".

Given in marriage by her father, the bride chose a gown of white lace and taffeta for her wedding. The lace bodice was fashioned with a scoop neckline outlined in sequins and long tapered sleeves. The taffeta skirt, which fell in a chapel length train, was appliqued with rose medallions. A crown of net and taffeta dotted with seedpearls and seguims secured her fingertip veil. She carried a white Bible topped with an arrangement of white mums and red sweetbeart roses.

Mrs. Richard Smith of Charlevoix, as her sister's matron of honor, wore a light blue brocaded taffeta gown fashioned with a scoop neckline and a bow at the waist. Her hat was a deeper shade of blue with a matching veil. She carried a bouquet of yellow mums.

Bernetta Drenth, sister of the bridegroom, as bridesmaid wore a gown and accessories identical to the honor attendant's and carried yellow mums.

Kathy Meadows of Charlevoix, niece of the bride, as flower girl, wore a light blue brocaded taffeta gown and matching hat and carried a basket of yellow and white mums. Jake Drenth, cousin of the bridegroom, was ringbearer.

Marvin Oosterbaan assisted the bridegroom as best man and Jerry Koster was groomsman. Seating the guests were Phillip Timmer of Charlevoix and Don Heeres of Grand Rapids.

Mrs. Richardson wore a dark blue dress, blue and white accessories and a corsage of yellow mums. Mrs.Henry Antonisson of Niagara, Wis., maternal grandmother of the bride wore a navy dress matching accessories and a corsage of pink carnations. Mrs. Drenth, mother of the bridegroom, wore a forest green dress, matching accessories and a yellow mum corsage. Mrs. Hattie Bergsma, maternal grandmother of the bridegroom, wore a blue dress, matching accessories and a pink carnation corsage.

Immediately following the wedding, a reception was held in the church parlors which were decorated in a yellow and white motif. Mrs. Gary Stiff of Bellaire and Marion Kay Richardson of Grand Rapids presided at the punch bowl and Mrs. Milton Richardson of Charlevoix served the wedding cake, assisted by ladies of the church.

After a wedding trip through Canada to Niagara Falls and Southern Michigan, the couple is at home at 2708 Sturgeon Rd., RR 3, Midland. For traveling the bride chose a navy suit, matching accessories and a red rose corsage.

The bride is graduate of the Charlevoix high school and until recently was a member of the clerical staff at the Charlevoix hospital. The bridegroom is a graduste of the Ellsworth high school and the Michigan College of Mining and Technology and is presently employed as a design engineer at Dow Chemical in Midland. He is a member of the A.S.M.E. and the Engineering Society of Midland.

From where I sit ... by Joe Marsh

Speak Up, Doc

Doc Turner was up playing cribbage with Smiley Roberts the other day when, 'long about suppertime, Mrs. Roberts invited him to stay and have a bite with them.

Now, Doc had sniffed a cherry pie coming out of the oven and his mouth was watering. But what did he say? "No, thanks," says Doc. "Some other time, then," says Mrs. Roberts, and back she goes into her kitchen.

Well, next day. Smiley ran into Doc on the street. Smiley said, "You missed some good cherry pie last night, Doc."

"Don't I know it," says Doc. "I sure wanted to stay but your missus only asked me once!"

From where I sit, Mrs. Roberts has the right idea about persuading people. Give folks credit for knowing their own minds. For instance, I never coax anyone to join me in a glass of beer. And if they don't try to talk me into drinking *their* favorite beverage, we'll get along fine. You can't persuade folks to be good neighbors, but you can "invite" them.

SUNDEW REPORT

The Sundew remained in port the early part of last week as heavy winds prevented us from getting underway for Aids lo Navigation operations in northern Lake Michigan.

Friday we were underway for Beaver Island but heavy winds prevented us from performing Aids to Navigations operations, as planned. We continued to Meckinac Island where we moored for the night.

Saturday we departed from Meckinac Island for Aids to Navigation operations at New Shoals, Grays reef and Round Island. We returned to Charlevoix Saturday night.

Sunday we were underway for Beaver Island to set two third class nun buoys in place of two wooden spars. The Beaver Island 40-ft. patrol boat was used very effectively in this operation as the weter was too shallow to ellow the ship to move into position to set the can buoy. On completion of this operalion, we relurned to Charlevoix.

Pontiac tailors body design to a new Wide-Track

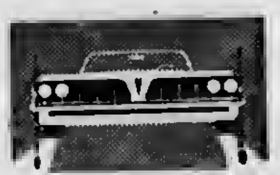
Better balance and roadability! Control that can't be copied!

We've built more room and greater roadability into this sleek new '61 Pontiac. There's more headroom, legroom and footroom. Doors are wider and they're designed to open farther for greater convenience.

By trimming side overhang, we balanced more weight directly between the wheels. The '61 Pontiac gives you greater stability. It gives you a greater sense of control for every mile, every maneuver.

Isn't now the time to try the Wide-Track way to travel?

PONTIAC '61 — IT'S ALL PONTIAC!



THE ONLY WIDE-TRACK CAR! Pontiac has the widest track of any car. Body width trimmed to reduce side overhang. More weight balanced between the wheels for sure-footed driving stability.

F. B. Women Hold Annual District Meet at Advance

The annual fall district meeting of Farm Bureau Women from five northern Michigan counties was held at the Advance Board of Commerce building recently with 75 members from Antrim, Emmet, Cheboygan, Otsego and Charlevoix counties present. The Charlevoix county group hosted the all-day meeting at which Mrs. Vernon Vance of East Jordan, district chairman, presided.

The presentation of the film, "Communism On the Map" by Delbert Wells of the Michigan Farm Bureau office was the highlight of the meeting. The picture depicted the early rise of communism in Russia and outlined in detail how peoples of one nation after another have moved, first into socialism, and then under communist domination. It made much of the boast of communist leaders that they would take eastern Europe, then the masses in Asia before encircling the United States, the last stronghold of capitalism, and taking it without an attack.

It emphasized the things Americans must do if the United States and the Western Hemisphere is to remain free.

Mrs. Marjorie Karker, State Farm Bureau Women's Coordinator, made the presentation of the film possible. Plans are now being made to bring the film back to northern Michigan in the near future so that it may be shown to schools, civic groups, clubs and other organizations.

County annual reports were presented at the morning meeting under the direction of Mrs. T. F. French, district vice chairman. Mrs. William Parsons reported on the activities in Charlevoix County. George Klooster led the assembled members in group singing.

Charles Burkett, regional Farm Bureau representative, spoke on election issues.

A potluck dinner was held at noon.

THE Civil War "Draft"

IN THE LAST MAIL BEFORE COMMUNICATIONS WERE CUT BETWEEN NORTH AND SOUTH, A GEORGIA POLICYHOLDER RECEIVED A HARTFORD DRAFT IN PAYMENT OF A CLAIM.

ALTHOUGH THE WAR PREVENTED IT FROM BEING CASHED, IT WAS USED AS SECURITY FOR LOANS FOR THE DURATION!
When the war was over the draft was sent north. Worn and endorsed with dozens of signatures, indicating its usage as a means of trade and barter, it was honored by the Hartford.

Cadillac

Some secrets its owner can't keep!

We wouldn't go so far as to say that your life is an open book when you're seen in the company of a new Cadillac car.

But we will admit that at least a few of the pages have been turned.

For a Cadillac indicates—with unmistakable clarity and eloquence—the personal virtues that lead a man to the "car of cars".

Beautiful, distinctive and substantial—it reflects his eminence in his field of endeavor . . . and testifies to what he has made of his years.

Gracious, spacious and luxurious—it denotes his desire for comfort . . . and his concern for the well-being of his family and passengers.

Practical, sound, and desired—it evidences his awareness of the true aspects of value and quality.

And if a Cadillac has historically cast such credit on its owner—how much more grandly it will do so in 1961!

For the car now offers more of everything to inspire the respect of those who behold it.

Its styling is graceful as never before. Its interiors are remarkably generous in every dimension. And its performance and ride make every journey a miracle of motion.

You ought to inspect and drive this 1961 Cadillac.

Your dealer will be delighted to accommodate you. And we wager you'll quickly see the wisdom of letting the "car of cars" reveal a few discreet secrets about you.

Rayders Close NMCC Conference in Fourth Place

Defeat Hornets 31-13 in Last Game of Season

The Pellston Hornets, intent on upsetting the Rayders, played one of their best games of the season, taking the kickoff on their own 22 and, in a series of 16 plays and six first downs, moving the ball to the five where halfback Jim Groulx went through the line on a delayed buck to put the Hornets ahead 6 to 0. The run for the extra point was stopped and the score remained 6 to 0.

Pellston kicked off to the Rayders who fumbled with the Hornets recovering on the Charlevoix 35 yard line. A pass on the second play from scrimmage advanced the ball to the Charlevoix three but a major penalty returned the ball to the Charlevoix 47 from where they were forced to punt with the Rayders taking over on their own 27.

With Supernaw, Smith and Martin carrying, the Rayders marched to the Pellston 10 from where Supernaw scored early in the second period. His run for the conversion point was stopped and the score stood at 6 to 6.

Charlevoix kicked off to Pellston who returned the ball to their own 40yard line. A pass netted the visitors a 12 yard gain before they picked up 24 yards on the ground to the five yard line where Merle Cameron passed into the end zone to end Rick Anderson for the touchdown. Ray Mehalec then passed to Cameron for the conversion point with one second remaining in the half.

Pellston with a 13 to 6 lead kicked off to the Rayders on the final play of the first half.

Danny Pearl, who was seeing his first Varsity action, took the kick-off to open the second half and romped 85 yards for a touchdown to put the Rayders back in the game. A pass from Supernaw to DeYoung Knotted the score with less than aminute of the second half gone.

The Charlevoix line buckled down, forcing the Hornets to punt after they were set back to their own 34.

The Rayders took over on their own 44 after the Pellston punt went out of bounds. On a series of ground plays Charlevoix moved to the Fellston 24 where Supernaw passed to Terry DeYoung for the TD with 8:26 remaining in the third period. The run was short and the Rayders went ahead 19 to 13.

Again the Hornets were forced to punt after taking the Rayder Kickoff. The Rayders then moved from their own 26 to midfield only to be set back to their own 36 on a major penalty. After three tries the Rayders punted to the Pellston 14 where the Hornets took over as the third period ended.

Pellston had a march underway advancing to their 39 when Martin intercepted a pass on the Rayder 46.

A major penalty on Charlevoix to their own 37 was nullified two plays later by a similar penalty on Pellston putting the ball on the Pellston 44. Ground plays by Louiselle and Supernaw moved the ball to the Pellston 30, a pass from Supernaw to Dennis placed the ball on the 19 with Sneathen carrying to the 11 where Louiselle took the ball around end to put the Rayders ahead 25 to 13 with 7:02 remaining in the period.

Wojan kicked off again to Pellston who took over on their own 34. Charlevoix regained possession on the 30 when Pellston tried to pass on a fourth down. This time a series of four plays including an eight yard pass from Supernaw to Sneathen put the ball on the Pellston 22 where Wagner passed to Supernaw for the final tally with 1:56 remaining in the game. Sneathen ran the ball over for the conversion point to make the score 31 to 13.

The game ended four plays after the kick-off with Pellston in possession on the Charlevoix 33.

The five sophomores who were moved up for the final game plus juniors who had seen limited action played during the half.

Other Rayders pictured are Derrell Somerville (79), Gary Spencer (81), Jim Dennis (82), end Henry Wagner (10).

The victory gave the Reyders a third place tie with Harbor Springs in leeque standings es the 1960 grid season drew to a close Friday.

Boyne City and Mancelona Co-Champs in NMCC League

For the first time in the 16-year history of the Northern Michigan Class C league co-champions have been named. They are Boyne City and Mancelona which posted identical records of six wins and one loss in loop play to share the 1960 football title.

For Boyne City it meant regaining at least a share of the title the Ramblers held in 1956 and '57 and for Mancelona a share of the long coveted title for the Ironmen who had finished second more times than any other team in the eight-team loop.

Boyne City dumped Harbor Springs 31 to 20 and Mancelona trimmed Grayling 28 to 6 to share the title. In other games East Jordan shut out Gaylord 13 to 0 and Charlevoix defeated Pellston 31 to 13.

BOYNE C. 31 HARBOR SPR. 20

The Boyne City Rambers, with a share of the title at stake romped into an 18 to 6 halftime lead over the visiting Harbor Springs Rams before taking the game by a decisive margin.

Doug Grubble scored first in the game, going over from the five yard line to put the Ramblers ahead 6 to 0 early in the game.

In the second period Glen Tatham went over from the two on a quarterback sneak and later in the period passed 15 yards to Tom Kujawski for the Ramblers' 18 points. As time ran out in the half Garry Stutzman passed 30 yards to Fran Lauer and Harvey Kasuske booted the conversion point for seven points.

Grubbe scored from the seven and then ran the ball over for the conversion point to open the second half. In the final period Tracy Newville went in from four yards out for the final tally.

Harbor Springs, in one last try, scored twice in the closing minutes with Stutzman scoring on a 15 yard run around left end and then going around right end for the conversion point and Kasuske going over from the eight on a power play late in the game.

The Rams finished the season in third place, a half game behind East Jordan.

MANCY 28 GRAYLING 6

In a game in which the title-bound Mancelona Ironmen led by one point, 7 to 6 at halftime, the Grayling Vikings, in an all out attempt to halt the Ironmen, scored early in the game on a one yard plunge by Mike Young to put the Vikings ahead 6 to 0 after taking a Mancelona punt on the Ironmen's 39 and driving into pay-dirt.

Later in the half, Larry Bengtson moved the ball from the Mancelona five to the Vikings' 16 where Denny LaCroix passed to End Tom Moeke for the tally. He then repeated the play for the conversion point.

This ended the scoring until the final period when Bengtson passed seven yards to LaCroix for the touchdown on the second play of the quarter. LaCroix then went around right end for the extra as Mancelona went ahead 14 to 6.

Midway in the period LaCroix passed to Moeke again, this time for four yards, and then romped over for the conversion point.

Late in the game Bengtson scored his fourteenth touchdown of the season from 27 yards and then took a pass from LaCroix for the extra point.

EAST JORDAN 13 GAYLORD 0

Fumble recoveries accounted for both East Jordan's touchdowns in their meeting with the Gaylord Blue Devils. Fullback Larry Schumacker scored from the one yard line on fourth down after the Jordanites had recovered a fumble on the 31 yard line and moved the ball into scoring position in the second period.

Midway in the third period, the Red Devils recovered another fumble, this time on the Gaylord 41 yard line and moved the ball to the three from where Ron Sulak went in to score. Bud Gee booted the extra point, his eighth of the season, for the victory.

The victory gave the Red Devils a second place in loop standings, a half game ahead of Harbor Springs.

The Charlevoix Rayders defeated the stubborn Pellston Hornets 31 to 13 Friday to end the 1960 football season in a third place tie with the Harbor Springs Rams.

Charlevoix, the defending champions, had a season record of three wins over Harbor Springs, Gaylord and Pellston, two ties with East Jordan and two losses to Boyne City and Mancelona. The Rams had four wins and three losses.

The game marked the final griddiron appearance of 12 seniors including backs Sam Supernaw, Perry Smith, Jim Sneathen and Tom Louiselle, ends Jim Dennis and Terry DeYoung and linemen Gene McBride, Jerry Keiser, Tom Martin, Dave Barnes, Bob Grunch and Spencer Root.

It also marked the initial appearance of five sophomores, Herb Cummings, Frank Curtis, Dick Odmark, Charles Mitchell and Dan Pearl. A sixth sophomore, Dave Rader, has appeared in two previous games.

Others who saw action were juniors Henry Wagner, Stan Martin, Denny Wojan, Dale Burke, Darrel Somerville, Gary Spencer who have played regularly and Don Berg, Bruce Bartlett, Ted Tunison, Barry Pierce and Don Anders who saw limited action during the season.

Coast Guard Wives Organize Club

Plans for the formation of a Coast Guard Wives club in Charlevoix were made at a meeting held Friday evening at the home of Mrs. Bill Six.

Mrs. Gerald Schramski presided as temporary chairman at the meeting attended by 16 wives at which the policy letter received from the U.S. Coast Guard Headquarters in Washington, D. C., was read and discussed.

It was decided that officers would be elected and committees named at the Dec. 8 meeting to be held at the home of Mrs. Robert Lucas.

Mrs. Lucas who lives at the dwelling adjacent to the buoy depot and Mrs. Ronald Hoosen will be co-hostesses at the next meeting to which all persons eligible for membership are invited.

Floyd E. Genia Jr. SN has the following new address: 535-11-40 Div. X USS Springfield CLG-7 %FPO New York, N.Y.

James D. Bolhuis BT2 has been transferred from the USS Jarvis in the Pacific to duty aboard the USS Damato. His new address follows: 521-55-97 USS Damato DEE-8701 %FPO New York, N. Y.

He is the son of Mr. and Mrs. Emerald Bolhuis.

Charlevoix Winter Tax Upped $3.40 Over Last Year

Charlevoix taxpayers will pay a total of 38.6 mills this year as compared to 35.2113 mills last year, it has been revealed following the spreading of the winter taxes by the city assessor, J. Lawrence Feindt.

The increase will be noted on winter tax bills scheduled to be mailed early in December to owners of 1,470 parcels of property located within the city limits of Charlevoix.

As a result of the increase, winter taxes will amount to $38.60 per $1,000 valuation, or $3.3887 more than last year when the rate was $35.2113 per $1,000 valuation.

Of the total included on the statement, the county will receive 11.66 mills as allocated, for operational costs plus an additional 2.72 mills as voted, to underwrite the cost of retiring the Grandvue Medical Facility bonds (included on the tax statement for the fourth year) fnr total of 14.38 mills.

The schools will receive the remainder, or 24.22 mills. In this catagory will be found 13.45 earmarked for 'Schools allocated.' or the millage allowed by the tax allocation board from the limit allowed by law; another 3:59 mills found under 'School voted operational' which is that, approved by the taxpayers of the city and the school district in July to be levied for a one-year period and 7.18 mills for 'School Debt Retirement' which is appearing on the statement for the second year and which will be used toward the retirement the $995,00 bond issue approved in Nov. 1958 to finance the new Charlevoix junior-senior high school now nearing completion at the Garfield ave. site.

The millage will be levied on the city's county equalized valuation of $5,317,400. In 1959 the millage was levied on valuation of $5,106,850.

The city receives no revenue from the so-called 'winter taxes' but merely serves as a collection agency. Revenue for the operation of the city is derived from the 'summer taxes' which are levied in July at the rate of 17 mills on every $1,000 valuation.

Community Choir To Start Rehearsals For Vesper Service

Plans for the organization of the Charlevoix Community choir have been announced by C. A. Odmark, director of music in the Charlevoix public schools.

The choir is again being organized in preparation for the annual Christmas Vesper program scheduled for Sunday, Dec. 18.

The first rehearsal is scheduled for 8 p.m. Tuesday in the high school band room. Tuesday's session will be the first of five to be held every following Tuesday until Dec. 18.

All former members are invited to participate. An invitation is also extended to prospective members, either new people in the community or persons who have been unable to join the group in previous years.

No auditions are held but anyone who likes the best in Christmas choral literature is cordially invited to join the choir and attend the first rehearsal scheduled for Tuesday.

To those who are not familiar with the Community Choir, it is composed of people from the area who like to sing. It is nonsectarian in nature. The program includes familiar and traditional Christmas music in additlon to the more serious compositlons such as selections from Handel's "Messiah" and others.

Local Author Writes About "Great Lakes Shipwrecks and Disasters"

To those who live along the shores of Lake Michigan, the roar of the great inland sea is as much a part of the month of November as the sudden snow squalls and westerly gales.

As much a part of their daily lives as the storms, are the stories of shipwrecks and disasters heard since childhood from a beloved grandparont, who once served as a cabin boy, or a retired sea captain who spins tales of life on the lakes, especially when a nor'wester whips the lake into a boling sea, reminding them ot a lake tragedy that happened "on just such a day as this."

To those who have heard them repeatedly, these stories have become legends about something that happened long ago, not of something that could happen in this day of bourly weather reports via ship's radio, radar to guide a vessel through the dirtiest weather and crews trained to handle ships equipped with best of instruments, designed to make them safe and sea-worthy.

That is why, on a dark, stormy day two years ago tomorrow, listeners along the shortwave airways coudn't believe their ears when they heard the dramatic code signal of distress, "Mayday", as it broke the silence late in the afternoon of Nov. 18, 1958. Men listening monitoring stations along the Great Lakes, however, understood all too well the meaning of the message heard so seldom in the mid-years of the twentieth century "M 'Aidez!' Mayday! Help Me!" and hurriedly made a note of the location of the great freighter, the Carl D. Bradley, which the message said, was breaking up and going down in northern Lake Michigan 12 miles southwest of Gull island during a Sou'wester late on a Tuesday afternonn as darkness was hurried along by leaden skies that made other seamen and fishermen grateful they were safe in port.

William Ratigan

As dusk turned into inky darkness and the wind whipped the waves even higher, the search for survivors sent U. S. Goast Guard vessels from various ports in the area to join a German freighter, already near the scene. Throughout the night, the vessels criss-crossed the stormy seas, lighted by flares from a C. G. plane overhead, in search of the 35 crewmen, most of them from the homeport of the 640 ft. carrier, Rogers City, but it wasn't untll an hour after a gray dawn broke that two crewmen, First Mate Elmer Fleming and a wheelsman, Frank Mays, were found on a raft northwest of the ship's last known position. As the hours wore on and bright yellow lifejackets were spotted, the bodies of 18 crewmen were pulled from the rolling waters. Though the search continued for days no trace was found of the

School to Observe Thanksgiving Wed.

A program in observance of Thanksgiving will be held at the Charlevoix high school auditorium at 10:50, Wednesday, H. E. Bingham, high school principal has announced.

The program to be attended by junor-senior high school students and faculty members will feature a brief Thanksgiving message by the Rev. George L. Majors, special music by the glee club and group singing under the direction of C. A. Odmark.

Anyone in the community wishing to attend may do so.

Gerald Johnson Reports First Buck

There was competition for the honor of bagging the first buck Tuesday morning. The first report to the Courier was from Mrs. Gerald Johnson of Hayes township at 7:30 p.m. who said her busband had shot a spikehorn a few minutes before. The deer was traveling a ridge in back of their barn.

The second report came from Evert Pease who stopped at the Courier with a nice eight-point buck also taken in Hayes township. He said he bagged his prize at 7:40 a.m. The next report came from Bruce Bergmann a little after nine o'clock stating that his wife had shot a spikehorn at 7:25. It was Mrs. Bergmann's first deer hunting adventure he said. They were also hunting in Hayes townshiip.

Other hunters reported to have had a lucky first day in the area included: Robert Klooster of Norwood, hunting in Banks township; Cal Gould of Charlevoix, hunting in Hayes township.

Farm-City Dinner Planned for Dec. 5

Farm-City week, Dec. 5 to 10, will be observed in the Charlevoix area by a dinner the evening of Dec. 5. at which farmers will be hosts to business people of Charlevoix. The event is being sponsored by Farm Bureau groups in the area, according to Edward K. Shanahan, chairman of the committee

Congressman Victor A. Knox will be the speaker.

Serving on the committee with Mr. Shanahan to plan the dinner, program and sales of tickets are Tom Wieland and Stanley Houghton. Time and place for the dinner will be announced later.

Farm-City Week has been an annual event here for years. Sponsorship has alternated yearly between farmers and locals merchants.

Beach Hotel Purchased by Mr. and Mrs. Scott L. Wilson

The sale of the Charlevoix Beach Hotel, overlooking Lake Michigan, to Mr. aid Mrs. Scott L. Wilson has been announced by Mr. and Mrs. E. L. Kramer, owner-managers for the past 15 years.

Mr. and Mrs. Wilson will be remembered as managers of the Belvedere Hotel here from 1946 to 1950. Since then they have owned and operated the Wequetonsing Hotel on Little Traverse Bay between Petoskey and Harbor Springs which they will continue to operate. During the winter they managed the Riverside Hotel in Fort Lauderdale, Fla., for several years.

Mr. Wilson said that he had many plans for the hotel which is located on West Dixon ave. overlonking the lake and the other property including the former Butters lot which extends from Michigan ave. to Lake Michigan where the swimming pool is now located.

Future plans call for the construction of a three level motel on the rear of this lot overlooking Lake Michigan, Mr. Wilsnn said.

There are also many long range plans for the hotel, Mr. Wilson added.

He went on to say that the hotel will continue to cater to conventions before and after the regular season and to small ones during July and August as well as to the clientel that has patronized the hotel in the past. However, Mr. Wilson added, all new guests, will be welcomed.

In recent years the Hotel, the community's oldest, has undergone many improvements including the remodeling of the Redwood cocktail lounge and the dining room, the installation of an automatic fire detection system throughout the hotel and the building of the Esther Williams swimming pool.

Mr. and Mrs. Kramer have no special plans for the future, they said. However, they added that they do plan to spend some time in California, where Mr. Kramer formerly lived, and the summers in Charlevoix.

Churches Plan Thanksgiving Union Service

The annual Union Thanksgiving service will be held at the Community Church of God Thanksgiving Day, Nov. 24, under the sponsorship of the Charlevoix Ministerial Association, the Rev, George L. Majors, president of the sponsoring group, has announced.

Edward Koteskey of Hortons Bay will deliver the Thanksgiving message at the service to be held from 10 to 11 a.m.

The Rev. Majors, host pastor, will give the call to worship; the Rev. William Harmon of Ironton will deliver the prayer and the Rev. James P. Sherman the responsive Scripture reading.

Mayor E. James Hiller will read the annual Presidential Thanksgiving Proclamation.

Traditional anthems and hymns of Thanksgiving will he sung by the Church of God choir directed by Mrs. C. J. Fieder. Mrs. Robert Gill will be the organist.

Worshippers of all faiths are invited to participate in this special Union Thanksgiving service to be held at the Community Church of God at 10 a.m. Thanksgiving Day.

Apprehend Youths Who Looted Store And 'Borrowed' Car

Two local youths, Donald Wasegesee and Kenneth Gablo, both 17, waived examination and were bound over to the March term of court on charges of breaking and entering in the nighttime and unlawfully drivinb away an automobile. They were remanded to the county jail after failing to post bond of $750 each set by Justice John Connolly.

The pair was arrested Monday morning and charged with taking a car belonging to Steve Dubell from its parking place on West Garfield ave. and then breaking into the nearby Essenberg's Grocery and taking a sum of money, 2½ cases of beer, seven pints of whiskey, two fifths of vodka and several cartons of cigarettes, according to Chief of Police Joseph Smith. A total of $37.35 of the amount taken from the store was recovered along with the other stolen items which were found cached in a nearby field.

The breaking and entering was discovered while local police were investigating the theft of the Dubell car.

The two youths, and a juvenile who also has been apprerended, told Chief Smith that they drove to Petoskey, purchased food, paying for it with the silver taken from the store, and then drove to Boyne City before returning here. They left the stolen car on West Lincoln ave., across the block from where it was stolen.

Special Services At Local Church

A special Thanksgiving Day service will be held at Christ Episcopal church at 10 a.m. Thursday, Nov. 24, the Rev. Robert J. Yonkman, pastor of the church, has announced.

Rev. Yonkman will speak on the subject of "Ingratitude" and the congregation will sing special hymns of Thanksgiving.

Explorer Scouts Want Deer Hides

Don't throw away deer hides or let them spoil, is the plea of Explorer Scouts Post 49, Boyne City. The boys are going into the buckskin glove business. The profits are to be used to send Explorer Scouts to Camp Philmont, N. M., Next summer.

Lucky hunters who have a deer hide to donate should notify Louis Gray, assistant Scout advisor, Boyne City and leave name and address. His telephone number is JU 2-7852. The hides will be picked up by a member of the organization.

The Explnrer Scouts have made arrangements with the Howe's Leather Company of Boyne City to tan the hides. The hides will be made into gloves and ski mitts by Paul-Reed, Inc. of Charlevoix.

Court House Is Loaded with Furniture 'Nobody Ordered'

Who ordered the furnishings for the office of the Bureau of Social Aid in the county building? None of the county officials has come up with the answer since the furniture was unloaded into the corridors a few days after the October meeting of the board of supervisors, at which the board adopted resolution by the building and groundh committee participate fifty-fifty wlth the state in the purchase of new furnishings for the offices of the Bureau.

The propesal to refurnish the offices was made to the building and grounds committee by George Hutchinson, director of the Charlevoix office of the Bureau. The county was given to understand that negotiation were being made for state participation, according to Ivan Phillips, chairman of the Board of Supervisors. Quick delivery of the furniture caught the county in a squeeze with no committment from the State Department of Social Welfare that it would share half of the $3,257.

Emmet Brennis, supervisor of administrative services, at the State Department of Social Welfare, stated this week that the Welfare department would have to apply to the federal government to get matching funds if the state department is to participate.

These developments raised the questions as to who 'jumped the gun' and ordered the furniture at the highest of the three bids submitted. Paul Kondziela, representative of the supplier who shipped the furniture, Monday would not admit to the Courier that his firm had a bona fida order or who gave his firm an order if one exists. His only comment was, that it was routine business to make prompt delivery when the supervisors voted apprnval of a purchase.

Mr. Phillips attempted to clarify the situation at a meeting of the building and grounds committee Oct. 27. Supervisor Robert F. Barnett, chairman of the committee, denied knowledge of whn placed the nrder but suggested that the furniture be accepted. He was further questioned by Mr. Phillips as to why the highest bid was accepted. He replied that it was better furniture although he admitted he had not investigated the other furniture offered.

He apparently complied with the request of Mr. Hutchinson who said Monday that he (Hutchinson) had expressed a preference for the furniture recommended to the supervisors by Mr. Barnett for their approval.

The county is now faced with the problems of either accepting the furniture and paying the whole cost in the hope the State Welfare department will eventually pay its half, leave the boxed furniture in the corridors until payment is made by the state, or return the furniture. In the mean time, Arthur Nettleton, custodian of the county building, is having his troubles keeping the corridors in the usual spick and span condition.

Jordan Ordinance Forces Closing of Temple Theater

The Temple theater and Temple ballroom of East Jordan will close following the last show Nov. 27, Bill Lyon, proprietor of the two entertainment enterprizes announced this week.

The recently passed East Jordan city ordinance will make it impossihle for us to operate the theater and ballroom, Mr. Lydon said. He explained the ordinance prohibits youngsters under 16 years of age to be on the premises of a dance hall after 10 p.m. The time is extended to midnght for youths 17 and 18.

He pointed out that the ordinance provides penalties for the operatnrs but does not provide penalties for juveniles who may try to misrepresent their ages. He said would be next to impossible to adequately police the ages of those who attend the dances and theater which is on the same premises as the ballroom.

To Begin Cub Scout Training Program

A Cub Scout training program for Den Mothers, committee members and others interested in the Cub Scout program will begin Tuesday under the direction of Louis Hooper, qualifed instructor. He will be assisted by Harvey Griswold of Petoskey, northern district Scout executive.

The training course will be held in the jury room of the county building and is scheduled to begin at 7:30 p.m. Tuesday. Other meetings will be held on Nov. 29 and Dec. 6.

Michigan F. B. Held Annual Convention

The annual convention of the Michigan Farm Bureau was held in East Lansing last week.

Attending as delegates from Charlevoix county were E. K. Shanahan of Charlevoix and Clayton Healey of East Jordan.

Delegates in the Farm Bureau Women's organization were Mrs. Thomas Wieland of Charlevoix and Mrs. George Klooster and Mrs. William Gaunt of East Jordan. Mrs. Shanahan and Mrs. Healey also attended.

Charlevoix county received an award for having attained a membership goal of 103 per cent over its last year total.

Attend Annual V.F.W. Dist. Rally

The American Legion Auxiliaries of the Lower 11th District held their annual fall round-up at East Jordan Thursday evening.

Attending from the local Auxiliary were Mrs. John Johnson, Mrs. Luther Hannah, Mrs. George Hallam, Mrs. E. A. Mock, Mrs. Emerson Hull, Mrs. Edgar Smith and Mrs. Leo Allard.

The district is leading the state in the 1961 membership drive, it was reported at the meeting.

Hospital Guild to Hold Thrift Sale

The Women's Guild of the Charlevoix hospital will conduct its annual Trift Shop sale at the Polly Kay shop heginning at 9:30 a.m. Friday.

Mrs. G. B. Saltonstall is general chairman of the event which features the sale of good used clothing for adults and children as well as some household items.

$300,000 Appropriated For Reconstruction of Coast Guard Facilities

New U. S. Coast Guard facilities including a new Lifeboat Station and Group Office, bulkhead and mooring basin for which a federal appropriation was made last year will become a reality in the near future, it was revealed Wednesday by Capt. T. R. Sargent, Civil Engineer of the Ninth Coast Guard District Office in Cleveland.

An initial inspection of the building site and existing facilities on the property owned by the U. S. Coast Guard and located on the north bank of the channel between Round Lake and Lake Charlevoix was made Wednesday by Capt. Sargent, his project engineer, Robert Hawkins and Morton Leavitt, Otto Spieth and William Hurley of Leavitt & Spieth architectural engineers of Cleveland.

The project will include the construction of modern and functional fire-resistant building to house lifeboat office, barracks and mess hall facilities and Group Officce facilities, a bulkhead or dock to replace the existing dock where the U. S. C. G. cutter Sundew is presently moored, a mooring basin to the east of the present dock and the modification of the existing shop building, Capt. Sargent said.

Upon completion of plans for the project by the Leavitt & Spieth firm and their approval by U. S. Coast Guard officials, it is anticipated that the Coast Guard will advertise for bids early next spring with construction scheduled to begin a short time later.

A federal appropriation of approximately $300,000 to underwrite the cost of the project was approved by Congress last year.

Capt. Sargent added that area contractors interested in bidding on the project may submit their names to the Group Commander Albert Bates for forwarding to the Ninth Coast Guard District office in Cleveland.

Community Chest Fund Nears Goal

The 1960 Community Chest fund campaign is within $767.39 of reaching the goal of $8,475, Mrs. Jeannine Essenberg, campaign chairman announced Wednesday.

A total of $7,707.61 had been contributed to date, she added. This figure represents 91 per cent of the total goal which can be reached without difficulty if all those who have not given will come through with sizable checks, Mrs. Essenbere added.

If you have not given to the 1960 fund campaign, won't you leave your check at the Charlevoix county state bank or mail it to Mrs. Essenberg so that the camaign goal can be attained?

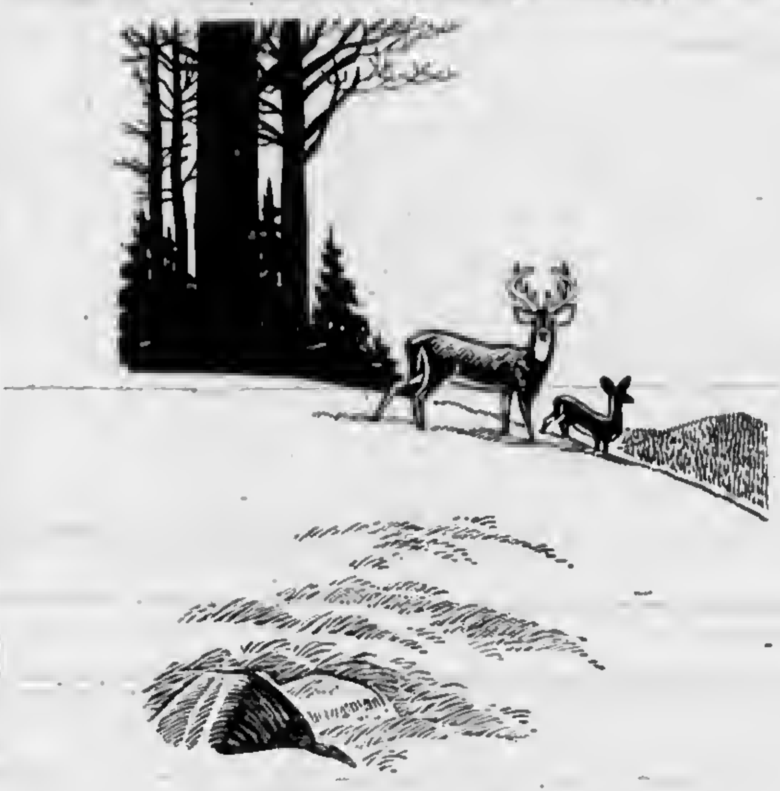
Adventures in Understanding

Notes from a northerner's diary

By Harold E. Kohn



Line Drawing

One of the reasons I enjoy drawing with a brush full of ink on white paper, is that when I make a line it is **there**: it is plain; it is articulate. The line cannot be blended into the white background as one can blend two shades of blue while painting with oils or water color. And it is not easy to change a line or cover up a mistake when working with black ink, while a blunder with oil color can easily be covered with another blob of oils. When working with black line if I draw a maple tree it must remain a maple. It cannot be changed into a white pine. A buck must remain a buck and cannot be converted into a doe. A thick line remains thick and a curved line stays curved. A black line is most definitely there, and there to stay, asserting all grace or crudeness. This definiteness is a challenge to an artist's clarity of purpose and to his steadiness of hand. I relish such a challenge.

An admirable quality of little children is a similar straightforward, clear definiteness. A child's wants are seldom smudged or smeared, or even shaded. One little girl displayed this sharp articulation when she became irritated after requesting more milk and having her pleas ignored. She banged her cup on the table and yelled, "Give me some milk! Give me some milk!"

"Why, Daughter, haven't you any patience" her mother aasked.

"Yes, I have patience," the child shouted, "But I havn't any milk!"

Such childlike singlemindedness is sometimes needed in our world. A person like that will not be distracted from his main purpose. A line has been drawn between what is of consummate importance and what is not. Patience is necessary, but right now milk is even more so, and no diversion from that primary matter will be allowed.

We hear much talk these days about values being "relative." To some people there are no blacks and whites—but only shades of gray. This condition is a symptom of our ethical illness. Pitirim Sorokin of Howard University has claimed that this lack of definiteness is a characteristic of our declining sensate culture. Of such moral systems he has said, "They are never absolute, but are always relativistic, varying 'according to circumstances and situations.' They can be modified, have no sacred, unalterable, eternal imperatives." No wonder so few have mastered living as a fine art. We cannot landscape life if we do not know the boundaries of the site, whether it is big or little, flat or hilly, rocky or smooth. Every landscape must have its definitive boundaries—its lines. We cannot draw a picture of a deer if we do not know if the animal has four legs or two, if it is antlered or antlerless, if it has a long tail, a short one, or no tail at all. Every creature has its form, a definite structure—its lines.

What I am suggesting now is a native simplicity which makes **everything** either black or white. We live in a universe of color and shades as well as lines and articulate forms. We need not choose between either an uncertain blend of hues of opinion and smudged judgments on the one hand, or over-simplified blacks and whites on the other. Rather, we should know where in our world relativistic tints and shades are proper and where we should appropriately draw definite lines. For example in matters of taste there is no stark necessity of being too definite. How do you like rice pudding? Your answer may not be an excited "I love it!" or a contemptuous "I hate the stuff!" Your feeling may be better indicated by a non-commital "It's O. K., I guess," and no damage is done by your indefiniteness. Or someone may ask, "Do you like a pale-green color?" and your answer may be, "That all depends upon where the color is found, in my wife's new wool dress or in her complexion". Your answer is not a clear-cut commitment, but that doesn't matter. Where taste is concerned we can entertain all manner of shades and colors.

But when the ultimate concerns of life are considered, then a high degree of definiteness is required. Then we need to draw a clean line. This is particularly true concerning the means and the ends of our living. Woe to the man who gets these mixed—making money his goal rather than a means of achieving his purposes, or making a more expensive house or car primary aims, rather than seeing them as a dwelling place for affection and concern and a conveyance for carrying one toward fellowship and upon errands of mercy.

One day I was called upon by a broken-hearted mother who asked me to go with her to a Chicago police station to claim her eleven year-old daughter. The girl had obtained money from her grandfather under pretense that she would purchase her mother a birthday present. But with the money she bought a railroad ticket and was about to "run away from home" when the policemen at the railroad station stopped her. The mother and I drove downtown to Chicago's "Loop" to bring the youngster home. On the way the mother said over and over again, "I cannot understand that child. We have given her everything money can buy. Why should she want to leave home" It was my duty to inform her that the child had left home because she had been given **only** those things that money can buy. The things money cannot buy were denied the child. Her wealthy parents had deluged the child with fancy clothes and rich food and with all kinds of toys and gadgets. But warm affection, companionship and eager listening to her chatter about her problems and her joys—these things had not been given. The child's parents boasted about how they had worked to accumulate their wealth and felt the girl should be grateful for her comforts, but they had the means and the ends of living badly mixed. They had not drawn a clean line between life's goods and the good life.

Another line we must learn to draw is between the big and the little things In his autobiography Mark Twain told of a meaningful conversation he overheard in his home. The author's little seven-year-old daughter, Susy, was crying bitterly over a broken toy and her grief was worsened by news that a picnic she had her heart set on had been cancelled because of rain. The child's mother attempted to sooth her, saying, "There, there, Susy! You mustn't cry over little things!" To this Susy responded, "Mama, what are little things?" To a child a broken doll and a postponed picnic can be mighty important matters.

A question over which the minds of philosphers have labored for many millenia is "What are the little things, and what are the big ones?" What are the most consequential matters? Among the biggest things I know—bigger than broken dolls and cancelled picnics—I would name a few (and not necessarily in the order of their importance).

- To know what is beautiful, to see and hear the beautiful things and to appreciate them
- To seek to do the greatest possible good for the greatest possible number of people.
- To possess a constantly growing knowledge and understanding of the world, of one's fellowmen, of one's self and of one's God.
- To grow in Christlikeness.
- To have and enjoy a few friends and to be an enjoyable friend.
- To love and be loved.
- To have a clean conscience with no wish to hide anything from God or men.

Most of the little things of life lie outside the boundaries defined by these lines.

Have you done any black and white drawing of your own lately?

Ministerial Assoc. Sponsors Overseas Clothing Drive

Residents of the area are again reminded of the Church World Service clothing collection now underway under the sponsorship of the Charlevoix Ministerial Association.

Wearable used clothing, shoes, blankets and bedding are being collected at all Protestant churches during the annual drive.

It will then be collected at a general depot, sorted and packed for shipment to Nappanee, Ind. via motor freight.

The offering at the Union Thanksgiving Service will be used to underwrite the cost of processing and shipping the used clothing to its destination. At Nappanee, Ind., it will again be processed and shipped to overseas depot where it will be distributed among the needy.

Any questions regarding the drive may be addressed to Rev. George L. Majors, president of the sponsoring organization.

It's wonderful to feel cared for

Retirement . . . and hands, maybe, that once guided a lathe now gently graft the tender shoots. These are serene years mostly. Oh, there's a little anxiety about some things. Health, for instance . . . and the cost of sudden illness. But those with Blue Cross-Bluo Shield share a special feeling of security here, too. They know they have the most dependable hospital-medical care money can buy. For many retired group members under pension plans, coverage and rates can be the same as they were in the working years. Any wonder that Blue Cross-Blue Shield is one of a retired person's most valued possessions? Shouldn't you have it, too?

Allison-Mathews Wedding Vows Spoken At Drayton Plains Presbyterian Church

The United Presbyterian church in Drayton Plains was the scene recently of the wedding of Andrea Allison and Vernon L. Mathews Jr.

Parents of the couple are Mr. and Mrs. Andrew Allison of Pontiac and Mr. and Mrs. Vernon L. Mathews of Charlevoix.

Arrangements of white carnations and pink snapdragons in Beauty vases and candelabra decorated the altar for the late afternoon wedding on Nov. 5. The Rev. Walter J. Teewissen Jr. officiated at the double ring service in the presence of more than 200 guests.

June Lukin of Pontiac was the organist and Mrs. Dorothy Reagan of Highland the soloist.

Given in marriage by her father, the bride selected a gown of white nylon embroidered lace over taffeta for her wedding. The fitted bodice of embroidered lace had a portrait neckline and long tapered sleeves and the bouffant skirt was appliqued with hand-stitched flowers etched with sequins and pearls. Her fingertip veil fell from a crown of seed-pearls and sequins. She wore a pearl necklace and earrings, a gift of the bridegroom. Her bouquet was of white carnations and yellow roses.

Mrs. Fred Graunstadt of Waterford was her sister's matron of honor. She wore a street length gown of nylon organdy over taffeta with cummerbund and bouffant skirt of toast brown. She wore brown accessories and carried a bouquet of brown, rust and butterscotch mums.

Linda Clark of Detroit and Sharon Noble of Pontiac, as bridesmaids, wore gowns and accessories identical to the honor attendant's and carried similar bouquets.

Kim Blanchard of Charlevoix, niece of the bridegroom, as flower girl, wore a pink taffeta dress and carreid a basket of rose petals. Ross Graunstadt of Waterford, nephew of the bride, was ring bearer.

Robert Mathews of Charlevoix assisted his brother as best man. Jack Augustine of Walled Lake and Rex Blanchard of Charlevoix, brother-in-law of the bridegroom, were groomsmen. Seating the guests were Andrew Allison Jr. of Pontiac, brother of the bride, Kenneth Boss and John Bascom of Charlevoix.

Mrs. Allison chose a jade green dress, crystal jewlery and black accessories for her daughter's wedding. Mrs. Mathews, mother of the bridegroom, wore a bronze nylon lace over light blue taffeta and taupe accessories. Their corsages were of pink carnations.

A buffet supper and reception followed at the Knights of Pythias hall in Pontiac which was decorated in a pink and white motif. Music for dancing was by Ruth Arden, organist.

Following a week's wedding trip to Farwell, the couple will reside in Charlevoix. For traveling, the bride chose a nile green wool suit, brown accessories and a corsage of yellow roses.

The bride is a graduate of Waterford township high school. The bridegroom is a 1956 graduate of the Charlevoix high school.

Church Guild to Hold Benefit Party

St. Martha's Guild of Christ Episcopal church will sponsor a benefit card party at the church dining room at 8:30 p.m. tonight (Thursday).

Refreshments will be served.

A silver offering will be accepted with all proceeds being used for the mission in Haiti sponsored by the local church.

Mrs. Don Bogart's Father Succumbs

Mrs. Don Bogart has returned from Battle Creek where she was called by the death of her father, Thomas Guernsey, 61, who died Nov. 5 following a long illness.

He was a member of the Walter French Masonic lodge of Lansing.

Mosonic rites were held Tuesday with burial in Payne cemetery, Gratiot county.

Surviving are his wife; three sons; three daughters including Mrs. Bogart and 23 grandchildren.

Name Chairman of VFW Auxiliary Membership Drive

Mrs. Philip Skeel has been named chairman of the 1961 membership drive of the Charlevoix V. F. W. Auxiliary scheduled to open this week.

Mothers, sisters, wives, daughters and widows of deceased or honorably discharged men who served on foreign soil or hostile waters during the time of war are eligible to membership in the Auxiliary. Women of the armed services of the US who have had foreign service in time of war and possess an honorable discharge and their mothers, sisters and daughters are also eligible to membership.

Every eligible veteran and his family is invited and encouraged to share in the program of the Veterans of Foreign Wars and its Auxilary. Through its legislative program, the V.F.W. has secured many of the benefits which are now available to all veterans.

The post and auxiliary have a wide variety of programs including Americanism, Youth Activities, Community Service and Hospital work.

All eligible women are invited to join the Auxiliary of Post No. 1153 during the current drive.

Mr. and Mrs. Charles Martini left Tuesday enroute to Stuart, Fla., for the winter months.

Sherry Wadas left Saturday for Dowagiac to be with her grandmother, Mrs. Lalo Wadas who is recuperating from a recent illness. Her parents, Mr. and Mrs. Arnold Wadas and daughter, Kelley, took her to Dowagiac and, enroute home, visited in Muskegon.

Mrs. Dell Dutcher had as her weekend guests her son, John Dutcher, and her sister, Miss Clara Weiderman, of Detroit.

Ingalls - Van Der Ark Marriage Vows Spoken in Ellsworth Church

Lyndel Sue Ingalls, daughter of Mr. and Mrs. Delbert Ingalls, Ellsworth, was united in marriage to Keith Raymond Van Der Ark, son of Mr. and Mrs. Peter Van Der Ark, Ellsworth, in a candle light ceremony, Friday, November 11 at 8 p.m. Rev. W. L. Silvers, pastor of the Ellsworth Pilgrim Holiness church officiated at the double ring ceremony held in the Ellsworth Christian Reformed church, with Rev. H. Zwaanstra assisting before an altar decorated with baskets of white mums and pink carnations and lighted tapers in the candelabrum. Pink and white crepe paper bows decorated the pews.

Mr. Daniel Bratt, soloist sang, "Because" and "The Lords Prayer" accompanied by Mary Jean Essenberg at the organ.

The bride, given in marriage by her father, wore a gown of white alencon lace over net with bouffant skirt, a lace bodice with sweetheart neckline., long tapered sleeves. Her finger tip veil was held in place by a matching lace cap. She carried a bouquet of standard mums.

Miss Ila Ingalls, sister of the bride was maid-of-honor. Her gown was of white nylon over organza net with embroidered puff sleeves. A baby blue cummerbund at the waist and the round neckline dipped to a V in the back. She carried a bouquet of white carnations and pink sweetheart roses.

Bridesmaids were Sally Graham of East Jordan and Janet Kaye Silvers. They wore identical costumes of baby blue chiffon over brocade with blue cummerbunds and white accessories with matching bouquets of the maid-of-honor's. Daniel Van Der Ark, cousin of the groom was best man. Others assising were Everett Ingalls, brother of the bride and James Compeau. Ushers were J. M. Ingalls II of near Ann Arbor, brother of the bride and Ronald Van Der Ark, cousin of the groom.

The bride's mother wore a gown of royal blue crepe with navy and white accessories with a corsage of pink and white carnations. The groom's mother chose a black dress with black accessories and a corsage of pink and white carnations.

A reception followed in the church parlors immediately following the ceremony. Mr. and Mrs. Larry Whiteford were master and mistress of ceremonies. Mrs. Whiteford is a sister of the groom. The bridal party was seated at a table decorated with a silver candlesick surrounded by pink and white mums and ivy. Assisting at the refreshment table were Mrs. Miles Russell of Charlevoix, aunt of the bride, Mrs. Larry Whiteford, Marian Donaldson and Diane Van Der Ark. The Ladies Missionary group from Holiness church were in charge of the lunch.

After the reception the bride and groom left on a a northern wedding trip and will return in a few days where they will reside in Mrs. Gertie Doctors home. The bride wore a plaid walking suit for traveling. She is a 1960 graduate of the East Jordan high school and was employed in the office of the East Jordan Canning Co. The groom is a 1959 graduate of the Banks Townships Public School and is employed by Drenth Brothers "Brickerete" at Ellsworth.

Past Noble Grand Plans Yule Party

Miss Frances Durance entertained the members of the Past Noble Grand club at her home Thursday evening. Fourteen members gathered for a 6:30 co-operative dinner followed by a business meeting at which the president, Mrs. Floyd Ikens, presided.

Plans for the annual Christmas party, this to be held at the home of Mrs. Grace Geneit Dec. 8, were completed.

Mrs. Rasmus Hendrickson won the mystery package furnished by Mrs. Fred Gill who also contributed to the birthday bank. Mrs. Durance gave the devotions and the chaplain, Mrs. Luther Hannah the opening and closing prayers.

At the social hour which followed, games were played with prizes going to Mrs. Robert Mitchell, Mrs. Jerald Murdick, Mrs. William Ager, Mrs. George Cook, Mrs. Raymond Seymour, Mrs. Ikens and Mrs. Hendrickson.

Others present were Mrs. Leroy Allers, Mrs. Geneit, Mrs. Earl Blood and Mrs. W. E. Goss.

Traffic Hazards Loom in November

With November and December averaging a fifth of the annual Michigan traffic deaths, Sgt. Glenn Dafoe, of the Petoskey State Police post, is warning motorists and pedestrians to be unusually vigilant in these hazardous months.

More hours of darkness due to shorter days mean that more driving and walking is done in reduced visibility.

Frequent unfavorable weather and road conditions increase the hazards. In addition, holiday shopping adds to the volume of pedestrian and vehicle traffic in these two months.

Sergeant Glenn Dafoe emphasized. "To increase their safety, motorists and pedestrians must work at it every day. You can't take safety for granted."

In Memoriam

Wm. Ratigan Writes Story of Lakes

(Continued from page 1)

remaining 15 crewmen.

The account of this disaster as told by the survivors and so often recalled at this time of year and the stories of other November storms, such as the one of Nov. 9, 1913, when 12 ships vanished in a storm that struck the entire Great Lakes area and a more recent storm of Nov. 11, 1940, when a former Charlevoixan, Clyde Cross, and his tug, "Three Brothers" rescued the crew of the grain carrier, Novadoc of Ludington are told in a new book written by Charlevoix author, William Ratigan.

In this book, entitled "Great Lakes Shipwrecks and Disasters", which was actually prompted by the Bradley disaster, Mr. Ratigan brings to life the legends that are a part of Great Lakes lore.

This record of major shipwrecks and disasters bridging the history of the Great Lakes almost from the time the first Jesuits poked the bows of the their canoes into the fresh water seas to Nov. 18, 1958, are compiled in this books which features illustations by Roymon H. Weidenaar of Grand Rapids depicting "The Death of the Bradley" on the jacket and inside covers of the volume published by Wiliam B. Eersmans Publishing Co. of Grand Rapids.

The book has been met with enthusiasm by critics and book shops everywhere and has the distinction of being displayed in the windows of Chicago's largest book shop and in other cities, especially those that border the Great Lakes.

A book of true stories re-told by generations of lakesmen, "Great Lakes Shipwrecks and Disasters" is best described as a "kalediescope of hundreds of men and dozens of ships, of screaming disaster and fantastic heroism"

The author has made his home in Charlevoix since 1947. In addition to writing, he teaches in the Charlevoix public schools and during the summer is a student himself, attending classes at Bay View or at Michigan State University. Among his other books, all of which have a Great Lakes setting, are "Soo Canal!", Straits of Makinac", "The Long Crossing", "Highways over Broad Waters", and a novel, "The Adventures of Captain McCargo".

The 1960 Charlevoix Raydar football taam who finished the season with a record of three wins, two ties and two losses, tieing for third placa with Harbor Springs in loop standings.

Mary Ann Puhek Shares Travel Experiences With Courier Readers

Mary Ann Puhek, daughter of Mr. and Mrs. Albert Puhek who operate the Sunset Lodge on West Dixon ave., is serving as a secretary with the Point Four program in Addis Ababa, Ethiopia. The Puheks have agreed to share letters of her travels and experiences with Charlevoix Courier readers. The letters will appear in composite form in this and future issues of the Courier. The first follows:

Left Idlewild April 14. Did some sightseeing in Madrid. In Rome had a marvelous time . . . bought a gorgeous custom-made pink raincoat lined in white leather.

Eleanor (a traveling companion) left on a plane for Istanbul, Tehram. New Delhi, Bankok and Indonesia and will return home through the Orient. I may take a steamer home via the Orient so I can have a trip around the world too. Did a lot of sightseeing in Athens. Saw Princess Soroya and her mother at a shoe shop . . . she is truly beautiful and regal. There was a big crowd and a photographer following her.

Most of my travel was during the day so I saw lots. Flew over the Mediterrnean . . . saw Capri and Mt. Vesuvius.

At the Addis Adaba airport there was a welcoming group who took me to my hotel and then on to a cocktail party and dinner. Everyone is friendly and so willing to show me around. Social life is amazing. Parties go on constantly and I'm getting to prize an evening to myself. Last Sunday five bachelors invited me out for the day!

Living at this hotel is really an experience because of the variety of people it attracts. Met a man from Kuwait who sells women's clothes to stores in various countries. He calls himself a gypsy and is so funny he should be on T.V.

Gave up on hotel food as it is awful and am cooking in my room. Point 4 will supply us with an electric refrigerator. I have a hot plate and electric coffee maker so between being taken out at least once a day for a big meal and managing in the room for the rest, I am doing fine.

On the Ethiopian Easter had Monday and Tuesday off and went on a camping trip with a group of young people. Got a suntan. The sun here is tricky at 8,000 feet above sea level. We went to Lake Langano. a five-hour drive from Addis and on the way saw hundreds of ant hills ranging in height from two to 12 feet. The Lake is pretty but had a murky color due to some chemical and, though every one said it was clean, it looked dirty to me. The thing that really bothered me was the flies . . . millions of them. Our happy hour was between six and seven . . . after the flies and before the mosquitoes. Dad would enjoy this country for hunting and fishing. The fellows waded along the shore, scooping up good sized fish in an old curtain, five or six at a time, and shot some geese along the shore. We also saw some jackals. The birds are gorgeous too, having brilliant coloring.

There is almost always an audience of natives watching us and I do mean natives. These tribes live the same way their ancestors did 2,000 years ago. They raise cattle. The women do all the work and wear camel butter in their hair and when it turns rancid the odor is awful The men carry spears and they all wear shabby clothes. They do not even use the wheel and either haul their budrens behind them or carry them on their heads. They sat and watched us for hours and gathered fire wood in trade for out empty tin cans, which they prize more than money. In fact, even in Addis you see servants in front of homes selling empty cans.

Yesterday afternoon I went for a two-hour drive in the country and saw wild monkeys, some gazelles, quail and hawks. Further into the country there are alligators, baboons and lions.

Justice Court News

Justice John J. Connolly reports the following cases which appeared in his court recently:

Freeland E. Merchant, 33, of Grand Rapids, charged earlier with breaking and entering in the nighttime and with attempting a breaking and entering in the nighttime, was remanded to justice court from circuit court at the request of his attorney, Norman D. TIMELY TOPICS Past and Present

An Insurance Company Custom of the 1800'S was that of identifying the homes they insured with metal Fire Marks. Volunteer fire brigades knew, for instance, that the HARTFORD would reward them for saving any home bearing the Company's mark.

HARTFORD

Today, Fire Marks are only collectors' items but the name HARTFORD still stands for prompt help when trouble strikes. Whether you need insurance for family, home, car, business, farm . . . let us tell you more about quality Hartford protection and service.

Schneider Motor Gets Dealership For 'Jeep' Family

Schneider Motor Sales, Petoskey, has been franchised by Willys Sales Corporation to handle the "Jeep" family of 4-wheel drive vehicles, according to Joseph H. Schneider, owner-manager of the agency. The dealership also will offer complete parts and service facilities for the "Jeep" line.

Schneider Motor Sales, located at 402 W. Mitchell st. has been in the automotive business for the past 25 years and has had the Studebaker dealership for the last 10 years.

The "Jeep" line now offered by Schneider is designed to serve a wide range of purpose from six-passenger family service to the roughest kind off-road hauling, according to Mr. Schneider.

Newest in the line is a two-wheel drive station wagon introduced as a "Maverick Special". It is powered by the Willys 4-cylinder, F-head "Hurricane" engine. It is the same power plant used in military and civilan "Jeep" models. Other models available are the new station wagon, utility wagons, utility delivery, economy delivery and 1-ton pickup. Many of the models are available in four-wheel drive to meet the needs for traveling over particularly difficult off-road terrain.

SOMETHING'S MISSING ON THANKSGIVING DAY when all the family can't sit down together to share the turkey. But still, it's easy to have a holiday visit with out-of-town relatives. Call them Long Distance! You can take advantage of the lower rates—they're in effect all Thanksgiving Day!

COME NOVEMBER, the ladies start thinking about fixing up the house for the holidays ahead. That's where your Yellow Pages come in handy! If you've been putting off repairing that lamp or repainting the walls, just reach for your Yellow Pages! You easily can find a professional who will be happy to do the job. Use your Yellow Pages often for any product or service you need —9½ out of 10 people do.

YELLOW PAGES

ONE OF CUPID'S BIGGEST HELPERS this 20th century seems to be the telephone. We recently heard via the grapevine (or should we say the telephone wire?) that when Crown Prince Akihito of Japan met his present wife, Michiko Shodo, on the tennis courts, they were denied a courtship in the American sense because of Japanese tradition. How did love find the way? By telephone. Akihito called Michiko several times a day, and she accepted his proposal of marriage during one of the conversations.

My thanks to all those people who supported me in any way during the recent General Election.

Thanksgiving Shopping List

It's time again to plan that Thanksgiving dinner and write out your shopping list so that you'll overlook nothing. Here's a suggestion:

FRESH FRUIT COCKTAIL
TURKEY
CRANBERRIES
SWEET POTATOES
FRESH LIMA BEANS
PEARL ONIONS.
LETTUCE
WATERCRESS
PUMPKIN
WHIPING CREAM
NUTS
COFFEE

An interesting thing about this shopping list is that everything on it gets to your favorite shopping center by truck—and many of the items—out of season where you may live—come miles and miles to grace your happy table on Thanksgiving Day. As a matter of fact everything you eat, wear, or use comes to you by truck—so thanks be to trucks for better living!

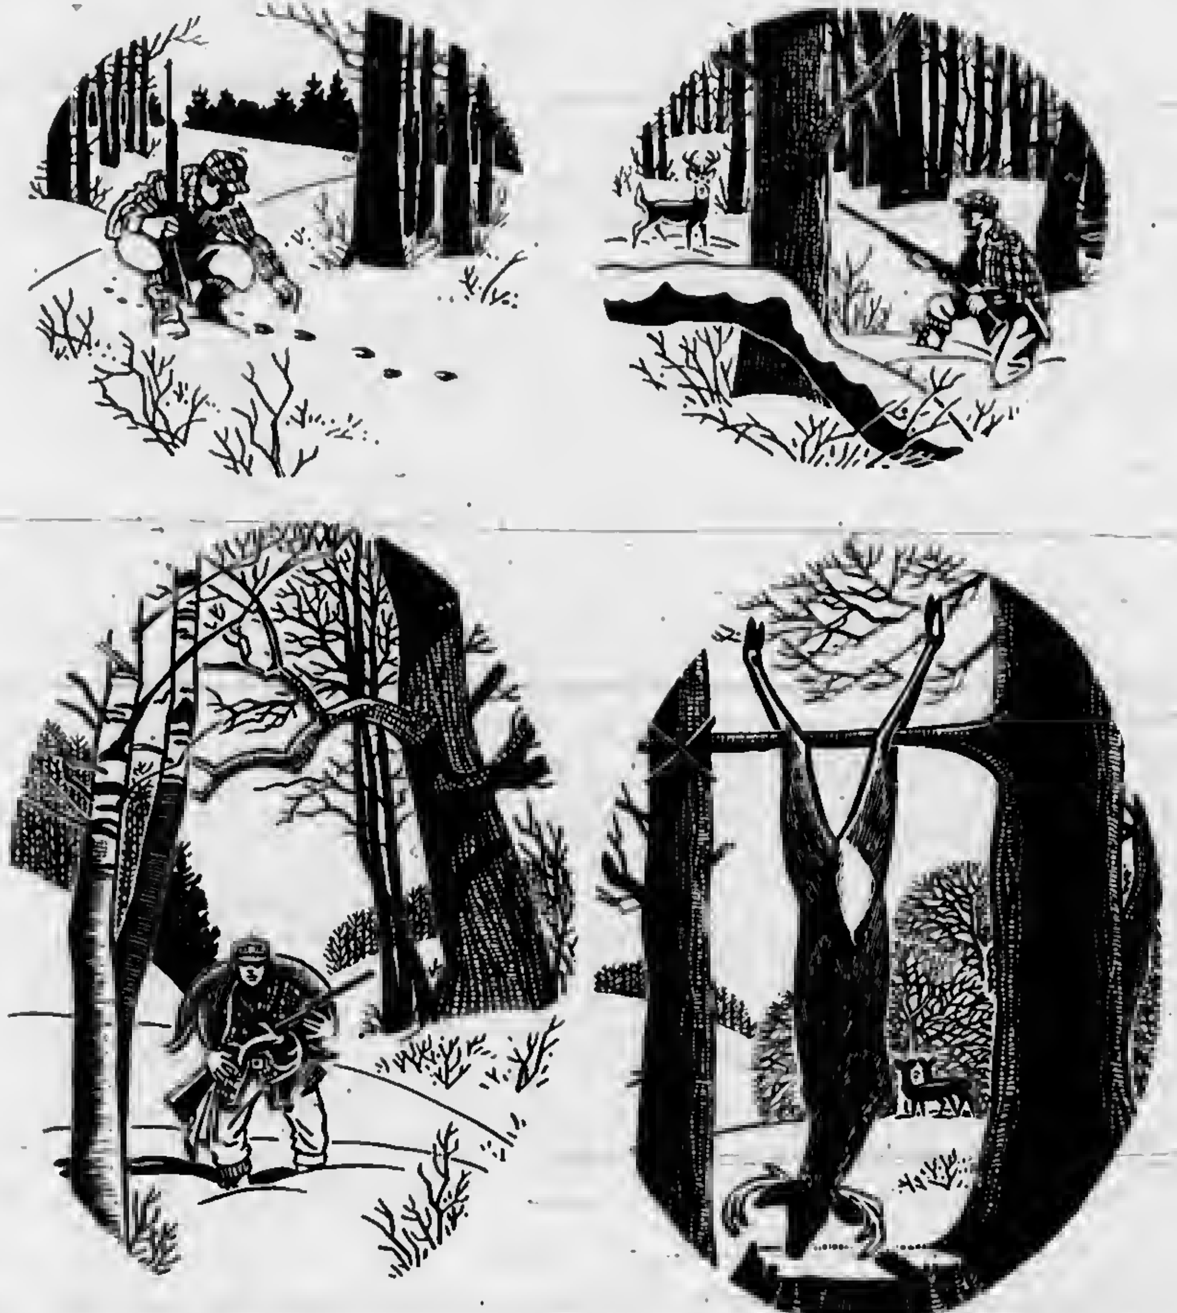
NO HUNTING! GAME REFUGE
NOVEMBER IN MICHIGAN
BY HAROLD E. KOHN



THE STORY OF A DEER HUNT

* In the year 1787 the state of Tennessee paid its officials in pelts. The governor was paid 100 deer hides, while the chief justice of the state supreme court got 400. (The governor's secretary collected 500 raccoon skins.)

* * *

* Last year ninety-four-year-old William Nash of Newland, Virgina, killed an eight-point deer, the first in his eighty years of hunting. He said his eyes were too weak to see squirrels anymore but he plans to hunt deer as long as he is able.

* * *

* If, while you're in the "deer woods", you are frightened by a bear, pull out a white handkerchief. A bear won't bother you if you are carrying a white handkerchief, provided you carry it fast enough!

* * *

* "Whenever my husband goes deer hunting I miss him badly," said one housewife, "and I hope the other hunters will do the same."

* * *

* Making a noble game animal go lame or sick the rest of its life ought to weigh heavily on a person's conscience and is certainly not sportsmanlike. Don't shoot unless you can make a clean kill.

Catholics Sponsor Clothing Collection For Use Overseas

The 1960 Catholic Bishops Thanksgiving Clothing Collection will begin Sunday and continue through Nov. 27, the Rev. E. Frances Denay, pastor of St. Mary's church here, has announced.

This is the twelfth consecutive year that the appeal for wearable used clothing, shoes, blankets and bedding supplies has been made through the Catholic churches in the nation.

The general need for clothing overseas remains unabated. American Catholic aid programs are in operation in Spain, Portugal, Italy and Greece, in the countries of the Near, Middle and Far East, in Latin America and in the newly independent countries in Arica. Clotning stocks from the Thanksgiving Week Colthing collection make it possible for Catholic Reflief Services to move rapidly and fully to assist in emergencies and disasters in all parts of the world.

St. Mary's school has been designated as a depot where parishioners may bring discarded but useful clothing to the parish drive.

Trucking companies in the area are again donating transportation serives from the parish depots to Grand Rapids and New York Terminals.

SUNDEW REPORT

The Sundew was underway Wednesday for Aids to Navigation operations in northern Lake Michigan and Lake Huron. This was the inital run as we commenced our fall buoy removal season which will be concluded when all the buoys we are responsible for are taken from the water for the winter season.

In all, six Lake Huron buoys were serviced and five others withdrawn for the season. The latter were stored at Mackinaw City for the winter.

This last run also included stops at Cheboygan, Mackinac Island and Mackinaw City. We returned to Charlevoix Sunday.

Sundew Scuttlebutt

Emil Leistikow will be discharged from the U. S. Coast Guard this week after being in and out of the Detroit USPHS Hospital the past six months. He returned to the ship last weekend to pick up his gear before going to Detroit for his final examination . . . Bob Clark, EN1, and Miss Jean Hansen of Sturgeon Bay, Wis. were married here this past weekend. Lawrence Opel and Frank Stolpe served as best man and usher, respectively, at the wedding. Congratulations to them both from the crew and officers of the Sundew.

Set Deadline to Register for Scout Expedition

Reservations are now being accepted for the 1960 Philmont Scout Ranch Expedition, Harvey Griswold, northern district Boy Scout executive, has announced.

Deadline for registering for the 17-day Philmont expedition is Dec. 1.

The 17-day expedition includes a sightseeing trip in Chicago, a trip from Chicago to Denver via Burlington's VistaDome Denver Zephyr, a half-day sightseeing trip in Denver and then on to Trinidad, Colo., via Zephyr.

The trip from Trinidad to Cimarron, site of 127,000 acre Philmont where Scouts will spend 12 days roughing it over mountain trails in the sky-high back country will be made by bus. After the days on the trail where Scouts will cook out and camp out the entire time, they will spend a night at old Fort Carson and tour Pikes Peak before returning home via train to Chicago and bus to Petoskey.

The entire 17-day trip costs $175. Anyone wishing more information may call Mr. Griswold or contact Louis Edwards, Scoutmaster or Bob Somerville, Sea Scout advisor.

In 1959 Charevoix sent five Sea Scouts on the Philmont Expedition.

Boyne City is sending 16 Explorer Scouts on the trip and Petoskey and Pellston are sending several Boy Scouts.

The Charlevoix public and St. Mary's parochial schools will close at 2:30 p.m. Wednesday for the annual Thanksgiving recess.

Classes will be resumed at the regular hour, 9 a.m., Monday Nov. 28.

I WISH TO THANK OUR MANY FRIENDS FOR THEIR SUPPORT AND THE VOTERS FOR THEIR CONSIDERATION.

NMCC Basketball Candidates Get In Practice for Openers

Candidates for Northern Michigan Class C basketball squads have taken to the hardwoods for serious practice sessions in anticipation of the 1960-61 season which is scheduled to open shortly.

The Boyne City Ramblers will open the current season Friday when they host the Petoskey Northmen, coached by Bob Taylor who came to Northern Michigan from his native Indiana.

Harbor Springs and Grayling will open their schedule with non-loop games on Tuesday, Nov. 29 with the Rams hosting Petoskey St. Francis and Grayling traveling to Kalkaska.

The league schedule will open the following Friday, Dec. 2, with Charlevoix entertaining Pellston, Boyne City playing at Harbor Springs, East Jordan traveling to Gaylord and Grayling hosting Mancelona.

The Charlevoix Rayders with a record of 16 straight wins in league play are the defending champions.

This season, however, the Rayders are not expected to be among the strong contenders for the title as they find themselves with one returning veteran.

On the basis of returnees, Harbor Springs, Mancelona, East Jordan and Boyne City are expected to be among the top teams in the loop with Grayling, always strong on the basketball court, a possibility. Other coaches will be going with some lettermen or returned squads up from the J-V ranks.

At Charlevoix where Coach Don Carey has been conditioning his team in fundamentals and basic plays, one regular from last year's team, Sam Supernaw, is among the 20 or so players who are candidates for the Varsity squad. Others are seniors who saw limited action including Jim Dennis, Don Nowland, Terry DeYoung, Perry Smith and Tom Martin and a seventh senior Lee Weilenga, who did not play last season but showed promise as a sophomore. Other candidates will come from among juniors up from reserve ranks and one or two sophomores. The junior candidates are Stan Martin who was up for one game with the Varsity last season, Gary Spencer, a transfer from Belding, Henry Wagner, George Majors, Barry Pierce, Jack Stewart, Bruce Bartlett and Tony Duerr, all juniors, and the Pearl twins, John and Dan, sophomores.

At Harbor Springs Coach Charlie Paige has four of his starters back from last season plus 6-ft. 4 in. Junior center, Don VanAvery, a transfer from Pellston as a nucleus for his '60-'61 squad.

The regulars are the Lauer Cousins, Fran and Frank, both forwards who are 5-10 and 8-ft., respectively, and guards Gary Stutzman anl Tom Graham. In addition are two lettermen, Jay VanHoven and Pat Proctor. Other candidates are juniors up from the reserves including Don Juilleret, Tom Kuashak, Steve Foster and Don Sellers and one senior, a 6-ft., 2 in. candidate for the center post, Bob Cole.

At Mancelona Jake Schurmann has three of his starting five returning. Larry Bengtson and Tom Moeke, forwards who average 5- ft., 10-in., and guard Walt Klein along with two lettermen, Denny LaCroix and Ken Johnson who played quite a lot. He also has three other seniors including Terry Webster, Bill Sanders and Charles Lennon who saw limited action. Other candidates are Dick Dickinson, Ed. Garlick, Bill Neland, Larry McCarty and Ken Stradinger, all juniors up from J-V ranks.

Coach Paul Pfahler of Boyne City counts among his candidates two regulars, three lettermen and an experienced transfer student plus five juniors up from the reserves.

The regulars are forward Jack Dixon, 6-ft., 1-in., senior and a speedy guard, Doug Grubbe.

Thanksgiving Day Services to be Held At Church of God

The traditional Union Thanksgiving service sponsored by the Charlevoix Ministerial association will be held at the Community Church of God at 10 a. m. Thursday, the Rev. George L. Majors, president of the sponsoring organization has announced.

The Thanksgiving message will be presented by a layman, Edward Koteskey of Hortons Bay.

Mayor E. James Hiller will read the annual Presidential Thanksgiving Proclamation.

Special music will be by the choir of the host church directed by Mr. C. J. Fiedler with Mrs. Robert Gill at the organ.

The call to worship will be given by th host pastor, the Rev. Mr. Majors; the prayer by the Rev. William Harmon, of the Ironton Congregational church and the responsive reading of Scripture by the Rev. James P. Sherman of the First Congregational church.

Worshippers of all faith are invited to attend the Thanksgiving service. The offering at this special service will be used to underwrite the cost of sending used clothing collected during the Church World Service clothing drive to Napanee, Ind., where it will be processed for shipment to the needy overseas.

To Hold Hearing on Rezoning Hurlbut Avenue Property

A public hearing will be held at 8 p. m., Monday, Dec. 19 regarding the rezoning of the Charlevoix hospital property on West Hurlbut ave., from residential to commercial following action taken at the reguuar meeting of the city council Monday night.

Arthur S. Osborn who now owns the property had petitioned the council to rezone it for commercial use. The council then set the date for the public hearing at which time residents may appear.

Five bids on the new car for use by the city superintendent and the police department were opened and turned over to the police department for tabulation. The committee will report at the Dec. 5 meeting. The bids ranged from $1,040 to $3,000.

Approval was given a proposal to offer cash prizes for the best decorated home during the forthcoming holidays. Prizes of $15, $10 and $5.00 will be offered in each of the city's three wards and $10 for the best decorated home outside the city limits using city utilities.

Paul Kohler, secretary-manager of the Chamber of Commerce, appeared before the council to discuss Christmas decorations for the community. He agreed to contact businessmen and ask them to place trees in the parking meter posts in front of their places of business and decorate them. He also agreed to ask all local businesses to decorate their stores for Chirstmas.

Bills totaling $15,215.50 were approved and ordered paid. The figure includes $3,000 for fuel oil and $6,000 for salaries and wages.

Ralph V. Hess, Sr. Has Heart Attack

Ralph V. Hess Sr., local businessman, remained in serious condition Tuesday at the Charlevoix hospital where he is being treated following a heart attack, according to members of his family.

He was admitted to the hospital early Sunday evening after suffering the attack at his home. He had returned home earlier in the day from a hunting trip on Beaver Island.

To Launch Fund Raising Drive At M. E. Church

A Campaign to raise funds to finance the remodeling and redecorating of the First Methodist church will be launched shortly it was announced this week.

Final plans for the drive will be announced at the 11 a.m. Worship service Sunday by the Rev. Charles Swafford of New York City who met Monday night with the church board to complete arrangements for the campaign.

The goal of the drive has been set at $20,000 to finance the cost of redecorating the church proper and the remodeling and refurnishing of the chancel. The program also includes some new wiring and lighting and new carpeting.

L. E. McGhan, chairman of the church board, has been named general chairman of the forthcoming fund drive. Dr. Robert G. Martin will head the solicitations committee; Lee Moerland, special gifts; Mrs. Clayton Trimble, printing and clerical committee; R. L. Huoper, publicity and Mrs. A. C. Belding, devotions.

Members of the church board who have planned the remodeling and redecorating progam are: Mr. McGhan, Mr. Moerland, Dr. Martin, Mrs. Lyla Arvilla, Mrs. Harry Stewart, Mrs. Phil Martin, Mrs. Arthur Emmons, Rowley Williams, Mr. Hooper Curtis Burlin, Miss Mildred Jones. Dewey Bruce, Mrs. Trimble, Joseph Williams, Leonard Burns, Mrs. Harold Totten, Mrs. Jake White and Kenneth Sweet.

The Rev. Raymond McBratnie is pastor of the shurch.

Worship services are being held in the Community Room of the City Hall while the redecorating and remodeling program is underway.

Chest Fund Drive Nears Completion

The 1960 Community Chest drive neared a close this week with another $386 contributed during the week, Mrs. Jeannine Essenberg, fund campaign chairman, said this week.

She added that one worker in the business-industrial and professional division was to report this week. She was hopeful that this would bring the drive to a successful conclusion.

Early next month Mrs. Essenberg plans to make a final repirt to the Community Chest committee before announcing the results of the drive. Anyone who has not contributed to date is urged to do so at the earliest possible date in order that the campaign may be closed out.

Congregationalists To Vote On Joining United Church of Christ

The congregation of the First Congregational church of Charlevoix will decide by vote whether to join or remain apart from the recently-organized United Church of Christ following the 11 a.m. worship service Sunday.

They will also vote on whether to approve or disapprove the new constitution of the United Church.

The United Church of Christ is a new denomination that has been formed through the merger of the Congregational Christian churches with the Evangelical and Reformed church. This merger will change the names of the respective participants but will in no way alter the essential nature of historic Congregationalism.

All Christian churches believe that the authority for their existence and activity rests ultimately with God. Politically, however, they differ in their understanding of how that authority is best mediated to the local congregation. Congregationlists have always believed that the Holy Spirit apeaks most authoritatively through the medium of the local congregation of believers as they sit in worship and deliberation. Traditionally, this has meant that the local congregation must stay free of ecclesiastical constraint in the selection of its ministry, the execution of its program, and the disposition of its property. This condition of freedom, known as 'local autonomy', is in no way being changed by the new merger.

The formation of the United Church of Christ is an attempt to bear witness to the essential unity of all Christians in this time of world crisis. Already this new congregation has shown signs of increased vitality and capacity to act creatively in the pressure of need.

President's Proclamation For Thanksgiving

By the president of the United State of America.

A proclamation:

Whereas it has long been our custom as a people to pause from our labors for one day at the close of the harvest season and give special thanks to Almighty God for the bounty He has bestowed upon our land; and

Whereas again this year we have been blessed with an abundant harvest; and

Whereas it is fitting and appropriate at this time of national thanksgiving that we should remember and respond to the needs of those of other lands; and

Whereas the congress of the United States, by a joint resolution approved Dec. 26, 1941, has designated the fourth Thursday of November in each year as Thanksgiving day:

Now, therefore, I, Dwight D. Eisenhower, president of the United States of America, in consonance with the aforesaid resolution of congress, do hereby proclaim Thursday, Nov. 24, 1960, as a day of national thanksgiving; and I urge the people of the United States to give grateful thought to the observance of this day.

Furthermore, I call upon our people, while giving thanks for our blessings, to direct their thoughts to the peoples of other lands less fortunate than we. In particular, I urge my fellow Americans to support and assist the efforts which we as a nation, working individually and in co-operation with other nations, are directing toward the solution of the world-food problem.

Under our food-for-peace program, a distinguished company of volunteer citizens, groups and religious societies is making heart-warming contributions to this effort. I ask our people to give them continued support.

At the same time, I urge my fellow Americans to assist in the freedom-from-hunger campaign of the United Nations food and agricultural organization. Our government fully supports the objectives of this organization. But success of its campaign requires the active co-operation of generous citizens, and public and private groups, in our country and around the world

Let us hope that someday, under a benevolent Providence and through the best use of the world's God-given resources, each nation will have reason to celebrate its own Thanksgiving day.

In witness whereof, I have hereunto set my hand and caused the seal of the United States of America to be affixed.

Done at the city of Washington this eleventh day of November, year of our Lord 1960, and of the independence of the United States of America the one-hundred and eighty-fifth.

Emerald Isle to Go On Winter Schedule Dec. 1

The Beaver Island ferry, Emerald Isle, will go on its winter schedule of three trip per week effective Thursday, Dec. 1, officials of the Beaver Island Boat Co. have announced.

The ferry will make trips on Monday, Wednesday and Friday, weather permitting, leaving the island at 8 a.m. and returning at 1 p.m. on these days. This schedule will continue through the month of December, James W. Gallagher, boat company manager, said.

Mr. Gallagher also reported that approximately 400 hunters from Ohio and Indiana as well as Michigan went to the island via boat and plane for the deer hunting season. He said approximately 300 made the trip via ferry with the others flying via McPhillips Air Service from the local airport.

After Dec. 31, all traffic with the island is by plane with the McPhillips Air Service carrying passengers, mail and all supplies to the island located in northern Lake Michigan. Ferry service to the island will be resumed as soon as ice conditions permit in the spring.

List Local Kennel In 'Dog' Directory

Cedar Ridge Kennels, located on US-31 south of here, have been listed in a unique directory recently published by the Gaines Dog Research Center of New York.

The directory titled, "Where to Buy, Board or Train a Dog" provides a listing of breeding kennels as well as a section devoted to boarding and training kennels, a description of facilities offered and their use.

If you are having company over the Thanksgiving weekend, won't you share your news with the readers of the Charlevoix Courier by calling LI 7-6558 or 6633.

City Marine Club To Elect Officers

The regular meeting of the Charlevoix Marine Club will be held at 7:30 p.m in the Community room of the City Hall December 8. New officers to be elected for 1961 are: commodore, vice commodore and secretary-treasurer.

All members and prospective members are urged to attend. You need not have a boat to belong to the club.

An interesting program has been planned by the committee to be followed by refreshments. A large canned ham will be given away as a door prize.

Charles Heise Has Major Surgery on Deer Hunting Trip

Charles Heise who underwent emergency surgery at St. Francis hospital in Escanaba when he became ill shortly after arriving at a hunting camp at Cornell 40 miles north of that Upper Peninsula city, is expected to return home via ambulance Wednesday, Mrs. Heise said Tueaday afternoon.

Mr. Heise and his hunting companions, C. B. Meggison, Capt. Alfred Browe, Louis 'Mike' Hamlin and Don Meggison had left Charlevoix Sunday for Cornell. Mr. Heise became ill during the night and was taken to the Escanaba hospital where he underwent surgery.

His daughter, Mrs. Don Jadwin, who with her children, were visiting here, and Mrs. Hamlin went to Ecanaba and remained with him until later in the week.

Mrs. Heise said Tuesday he was greatly improved and expected to return home Wednesday with Don Meggison and Mr. Hamlin who were going to Ecanaba for him.

Four Win Recognition In NMCC All-Conference

Four members of the Charlevoix Rayder football team won recognition on the 1960 Northern Michigan Class C All-Conference team named this week by the coaches of the eight teams in the league.

One Rayder, Sam Supernaw, was awarded a berth on the All-Conference first team while three others, Jerry Keiser, Terry DeYoung and Darrell Somerville, were given honorable mention.

The league champions, Boyne City and Mancelona, placed three and two players, respectively, on the conference 'dream team' while other teams in the loop, East Jordan, Harbor Springs, Gaylord, Pellston, Grayling and Charlevoix each placed one player on the first squad.

Supernaw, a senior, played in both the quarterback and halfback positions during the season and was the Rayders' chief ground gainer in addition to being the top scorer on the squad.

Keiser played in the guard position, DeYoung at end and Somerville at tackle.

Other members of the backfield on the All-Conference first team are Jerry Bengtson of Mancelona, top scorer in the league as well as its most versatile player; Glen Tatham of Boyne City and Harvey Kasuske of Harbor Springs.

Line positions were filled by the following players Ends, Ron Ward of Boyne City and Tom Mocke of Mancelona; tackles, Bill Sherman of East Jordan and Jim Groulx of Pellston; guards, Mike Goodrich of Grayling and Paul Bray of Boyne City and center, Fred Moore of Gaylord.

The line of this team would average 180 pounds. All are seniors with the exception of Kasuske and Ward who are juniors. Groulx won a second team berth and Goodrich honorable mention in 1959.

Winning positions on the All-Conference second team were backs, Ken Johnson of Mancelona, Fran Lauer of Harbor Springs, Doug Grubbe and Tom Kujawski of Boyne City; Ends, Louis Kraemer of East Jordan and Pat Proctor of Harbor Springs; tackles, Bob Sanders of Mancelona and Mike Pray of Gaylord; guards, Bob Sherman of East Jordan and Tom Cassidy of Harbor Springs and Larry Kerridge of Pellston who tied for the other guard postion and center Richard Dickinson of Mancelona.

All are seniors with the exception of Johnson, Grubbe, Kujawski, Sherman and Dickinson who are juniors. Kujawski, however, will not be eligible next season becsuse of the 19-year age limit. Grubbe and Proctor were on the second team and Lauer and Kraemer received honorable mention in '59.

Receiving honorable mention besides Keiser, DeYoung and Somerville of Charlevoix were Ron Sulak and Harold Murray of East Jordan; Tom Graham of Harbor Springs; Steve Sink of Grayling who also received honorable mention last fall; Bob Merry of Gaylord; Charles Vincent of Boyne City; Walt Klein of Mancelona and Tom Bricker of Pellston. All are seniors with the exception of Somerville, Vincent and Bricker who are juniors.

Coaches making the selections were Matt Jacobson of Mancelona, Paul Pfahler of Boyne City, Wesley Fleet of East Jordan, Charles Paige of Harbor Springs, Robert Ferguson of Grayling, Don Burnison of Gaylord, Francis McMahon of Pellston and Don Carey of Charlevoix.

Charlevoix to Host Pellston for First Basketball Game

The Charlevoix Rayders will open their 1960-61 basketball schedule Dec. 2 when they host the Pellston Hornets on the local hardwoods.

Basketball practice has been underway for the past week with the sessions being confined to the basic principles of the game and routine conditioning drills, according to Coach Don Carey.

Among the candidates for this year's squad is one regular of last year's squad, Sam Supernaw and lettermen Don Nowland, Jim Dennis, Tom Martin, Terry DeYoung and Perry Smith, all seniors.

Others candidates will include those up from the reserves, Among them will be Stan Martin, Barry Pierce, George Majors, Henry Wagner, and Jack Stewart, all juniors, and John Pearl, a sophomore.

To Hold Funeral Services Tuesday For Russell Curtis

Russell E. Curtis, 54, former Detroit resident who has lived here since spring, died unexpectedly while working as a carpenter at the Colonial Club property on Meech st. Monday afternoon.

Funeral services will be held at the Winchester Funeral Home at 3 p.m. Friday with the Rev. L. L. Lewis officiating. Burial will be in Brookside cemetery.

Mr. Curtis was a native of Hillman where he was born April 26, 1906. In 1933 he was married to the former Regina Mayer in Pontiac. They made their home in various southern Michigan communities until 1948 when they came to Charlevoix. From 1948 until 1953 he was employed by the Penn-Dixie Corp. in Petoskey. They then returned to southern Michigan where they lived until last spring when they returned here to live with their son-in-law and daughter, Mr. and Mrs. Robert Russell at 317 Antrim st.

Besides his wife, he is survived by two daughters, Mrs. William Lechenfeld of Detroit and Mrs. Russell of Charlevoix; five grandchildren; two sons, William of Los Angeles, Calif., and David of Detroit; a sister, Mrs. Myrtle Reaune of New Boston, and a brother, Thomas of Oxford.

Enraged Bull Seriously Injures Jerry Aardema

Jerry Aardema, well-known dairy farmer who resides on the Central Lake-Eastport road, was critically injured Saturday afternoon by an enraged bull. He suffered a crushed chest, internal injuries and fractures of an arm and leg. He was taken to Little Traverse hospital where he is reported improving.

Aardema and a companion, Irving Holecheck, were attempting to put the bull in a pen. When the animal charged Aardema. Holecheck attempted to drive the bull off with a timber only to have the bull turn on him, pinning him against the wheel of a tractor. As the bull backed away for a second charge Holecheck ducked under the tractor and escaped with minor bruises. The bull then left for the area where the cows were yarded.

Gary Kies 8, Enters University Hospital

Lest We Forget
The "Thank" in Thanksgiving

Most of us were taught the origin of the first American Thanksgiving but over the years the true significance of the day has been more or less lost. True, the first Thanksgiving was a day of feasting and rejoicing for our forefathers, but they also paused to observe the fundamental meaning of the occasion by thanking their Creator for giving them the strength, courage and endurance to overcome the hardships they faced in a new world.

The getting together of families and friends for the feast deserves some thankful thought. And from there on the category of blessings is almost endless in these United States. But in the hustle and bustle we take these things for granted and too often look to government to correct misgivings instead of looking to the Supreme Ruler for guidance and strength to correct them ourselves.

We sometimes wonder if, in this century, we have not been so overendowed with blessings that we neglect to acknowledge our thanks to the Provider of all things. We can have all the feasting, celebrating and pleasures of the day but we can still keep the "Thanks" in Thanksgiving.

NO HUNTING! GAME REFUGE
NOVEMBER
IN MICHIGAN
BY HAROLD E. KOHN

The ancient Anglo-Saxons called November the "Wind Month" and "Blood Month" — "Wind Month" because of the extreme turbulence of the air "Blood Month" signifying the time for slaughtering animals, both domesticated and wild, to be salted down for winter food.

Since those earlier days, none of the changes of advancing civilization have robbed November of its ancient character. November is still "Wind Month" and "Blood Month." As I jot these notations in my journal it is not yet 6 o'clock on the morning of November 21st. The house is still. Outside my study windows the wind-tortured lake is making lonely, wailing sounds. Teased by boisterous breezes the tall, golden chrysanthemums in our lakeside planter frantically whip about in the light streaming from my window. And out in the dark woods winds are testing and trying the trees, probing for their weakness. Frail twigs snap. Rotten limbs and trunks break. And here and there the tenacious grip of a stubborn, lone leaf is loosened and it falls. November is still "Wind Month."

Few of us would regard November as "Blood Month" in the ancient sense, now that America has become predominantly urban and since many farmers have departed from the early practice of November butchering. The arts of killing, salting and pickling domestic animals are rapidly being lost But whereas the city man, and country man too, has largely abandoned the custom of killing and preparing his own domestic meats, in this century there has been an astounding rise in man's killing of wild game. The hunting of wild birds and beasts, especially pheasants, quail and grouse, rabbits, squirrels and deer, has perhaps involved more Americans in killing than did even the countryman's butchering. For hunting engages the interest of the city man, the suburbanite, the villager and the farmer alike.

Concerning America's favorite big game animal, the whitetail deer, the game experts estimate there are eight and a half million of the graceful animals living outside national parks and refuges, and an army of four and a half million licensed hunters march into the woods after them in the average year. Of course not nearly all of these hunters get deer blood on their hands, but they all have "blood in their eye," and a wish to get a shot and a trophy. And some careless hunters spill human blood as well. As of this morning one huntress has been killed and thirty-seven hunters have been wounded in Michigan so far this deer season. The Anglo-Saxons were right: November is "Blood Month."

SOME THINGS TO WATCH FOR THIS WEEK:

- Cedar waxwings may be seen feeding on the coral-red berries of the mountain ash.
- Wasps are now leaving their paper nests for more sheltered resting places, such as on the undersides of old bridges, in the cracks of boards in out-buildings, and in roof corners.
- And, above all watch for the fellow who doesn't know (or care) how to carry a deer rifle and who shoots at sounds. One such "sportsman" is reported to have come out of the woods, looking breathless and excited. He asked a hunting companion, "Where's Jack?"

"Jack's sitting on a stump right over there by the fence."

"Where's George?"

"He's in the car, getting warm."

"Where's Ed?"

"Can't you see him? He's standing by that white pine no more than thirty yards away."

"Is every one here? Is everbody safe and accounted for?"

"Yup!"

"Whooooooopeeeeee ! ! !

Then, I've shot a deer!"

Mary Ann Puhek Writes From Kenya in Africa

This is the second in a series of letters written by Mary Ann Puhek from Addis Ababa, Ethiopia, where she is serving as a secretary with the U. S. Point Four program. This one comes from the Outspan Hotel at Nyeri, Kenya, while on a trip through Africa.

The vacation continues to be marvelous. Had a pleasant train trip from Mombasa to Niarobi and spent one day taking care of little chores and visiting the dentist. They are very short of dentist and ordinarily you need to make an appointment four weeks in advance.

The country is quite well developed, certainly in comparison with Ethiopia. The Ouspan Hotel is a sprawling English-type hotel with gorgeous lawns and flowers with a long veranda facing Mount Kenya. Had lunch at the Ouspan. Packed an overnight case of warm things, left the rest of my luggage and set out in one of three Land Roves for a ten mile drive. We then left the cars and took a 10-minute walk to the Treetops Hotel where we stayed until morning.

Spent the time watching game as it visited the waterhole below. It is really a unique place. They have expanded it so they can now have 22 guests a night. They have electricity, bedrooms with cots and a cozy dinning room and, bar Baboons sit on the railing and snatch food if they can. Saw lots of baboons, than deer and deer-line animals came for water, then huge wart hogs. Saw some rare Columbus monkeys (black and white fur) and gradually buffalo came by. The most exciting game we saw, however, were 11 rhino which came for salt in the rocks right below us and stayed for hours. You have to wear slippers and talk in whippers as noise frightens the animals. Only disappointment was that no elephants came though they often do.

Had a very interesting group with us—Margaret Sheppard who writes for the Atantic Monthly (Africa Today articles) and the Herald Tribune who invited me to travel with her into the Congo but I have to return to Ethiopia so can't join her. There also was a titled English Lady, five other Americans and assorted Englishmen.

This is the second Treetops Hotel. The first burned down by the MauMau. Princess Elizabeth was visiting the first Treetops when she received the news of her father's daath.

Canadian Schools Study U. S. Elections

Students in Calgary, Alberta, Canada, will have a greater knowledge of United States general elections as the result of a request made by the U.S. Consul in that Canadian city to Charlevoix city clerk.

A former Charlevoixan, EdwinJ Madill is the U. S. Consul there. He had received requests for ballots used in the recent general election from classes studying U. S. history in the Calgary schools. He directed a request for such ballots to City Clerk Hugh Mayne who has obliged by obtaining as many copies of sample ballots as possible and forwarding them to Mr. Madill.

This is another example of the good neighbor policy as practiced by Mr. Madill.

P. O. Bowlers Host Kalkaska Team

The Charlevoix postoffice bowling team hosted a team from the kalkaska postoffice in a best two out of three game play-off at the Paul Bunyan lanes Friday night.

The visitors were a higher scoring team but the handicap of the local team gave the Charlevoix lads two out of the three games played as well as total points.

A return match will be played at a later date.

STRENGTH FOR THESE DAYS
from The Bible

In God is my salvation and my glory; the rock of my strength, and my refuge, is in God.—(Psalm 62:7)

Let us then daily affirm—not once but continually—that the only true and lasting happiness on earth is to be found in God and in serving Him: that in Him alone can we find the strength to bear life's inevitable sorrow and adversity; that in Him alone is the joyous peace we all seek.

About This Question

The first Thanksgiving was celebrated by the Pilgrims in gratitude to God for an abundant harvest. Today, as never before in this country, we are blessed with an abundance of material goods. But beyond this we have the greater wealth of Freedom — to worship, to thing, and to speak as our conscience dictates. We truly have reason to be thankful.

Mrs. Noonan Tells Shakespeare Club of State Aid to Libraries

Mrs. Fannie Noonan, director of State Aid for Libraries, was the guest speaker at a meeting of the Shakespeare Study Club held recently at the home of Mrs. F. F. McMillan.

Purpose of the meeting was to hear from Mrs. Noonan what funds are available for library aid on a local level and plans for solving the problem of a library in Charlevoix.

Mrs. Noonan outlined the early history of the library system as it is known today, stating they were first started by townships, which were then assisted by women's groups before cities and in some instances, as in Charlevoix, schools assumed the responsibility of operating the libraries. In 1920 penal fines were channeled to the support of libraries. Until 1920, she continued, funds provided by the Carnegie Foundation were used to build libraries which were then financed by the city or school, as happened in Charlevoix.

However, with the increased school population, schools are now confining their facilities to the education of the children and providing library service for this age group whereas libraries are for all age groups, old and young alike.

Thus communities are faced with the problem of providing funds and deciding how best to use them so that more people benefit from the library the funds will support.

To aid the program, federal funds were made available in 1956 for library service in areas of 10,000 or less population. A survey has been made of the state in order to utilize these state and federal monies so that every person in the state might have access to a library with large city libraries and state libraries in Lansing, East Lansing and Detroit serving as reference centers.

For communities which cannot afford to finance its own library Mrs. Noonan suggested a county library service, financed by federal and state funds, comparable to that in the Grand Traverse area where it serves five counties out of Traverse City Under this plan the community or county provides the initial investment of $1.00 per book for a given number of books, giving the library several hundred books with which to operate. As these are used they are returned to a central point and a revolving supply of books obtained so that the community or county has access to an unlimited supply of books under the direction of a library board. Federal and state funds could supply the books and the community a trained librarian and clearical assistant. If this were done on a county-wide basis, the librarian would be shared by the communities in the county with the clerical worker in each library checking out books.

This could be financed by the levying of extra millage as needed with the board of supervisors setting up a library board, as provided by law, with the county superintendent of schools as an ex-officio member and three others. This board would have jurisdiction of state funds, penal fines and county government of the libraries. Boards of Education, which previously operated the libraries, would appoint six members of the city library committee to work with the county organization.

Mrs. Noonan said that she would be available to any group, without cost, to discuss this proposed solution to Charlevoix's library problem which must be solved shortly for, with the opening of the new junior-senior high school, the books now in the public library will be moved to the school library.

Mrs. Harold Geiken, president of the Shakespeare Study club, Mrs. Gordon Freedman, Mrs. T. R. Miller and Mrs. Robert Foss club members, were named to a Friends of the Library Association committee to help work out a satisfactory solution to the problem with representatives of others groups. Mrs. Roy G. Bennett, Mrs. Chester Belfy, Mrs. Harold Totten and Mrs. Charles Duerr will represent the Dicken's Study club.

Guests at the meeting were Supt. of Schools R. G. Bennett, Mr. Freedman of the Board of Education, Jack Grubaugh of the city council and Mrs. Bennett of the Dickens Study club.

Mrs. Lyla Arvilla was co-hostess at the club meeting.

Ohmer J. Curtiss to Speak at Joint Meet Of Women's Clubs

Ohmer J. Curtiss, dierctor of the Community Relations Department at the Traverse City State Hospital, will be the guest speaker at a joint meeting of the Shakespeare and Dickens Study clubs to be held at the community room of the city hall at 1:30 p.m. Monday.

The Dickens Study club headed by Mrs. Charles A. Duerr will be the host club at the meeting at which Mr. Curtis will speak on the subject of "Mental Health".

The Traverse City State Hospital was the first such hospital in the state to realize the need of a community relations department. Mr. Curtiss, a graduate of Albion College and Wayne State University, was selected to head the new program designed to acquaint the public with the state hospital, its services and needs.

4-H Club Members To Sell Buttons For Camp Kett Fund

4-H club members from the Charlevoix area will join forces Saturday to sell Camp Kett buttons to raise funds for the Michigan 4-H Training Center bearing this name now under constrution on the eastern shore of Center Lake in Osceola county three miles east of Tustin south and west of Cadillac.

The buttons will be sold for a minimum of fifty cents with the funds going to support the building fund of the camp named for the veteran—4-H club leader, A. G. Kettunen.

The camp is being built to provide a central location in which to focus a new and increased emphasis on leadership training and leadership development for the changing and more complex program for the more than 70,000 4-H members enrolled in the Michigan program. In the past, this has been done at Michigan State University whose facilities are now over-crowded. It is the hope that the training center will inspire and promote new programs in leadership made possible because they will be accessible to more people closer to their homes.

It is the aim of the camp program to fulfill an urgent need for a training center for teen-age leadership, adult leaders, rural-urban youth exchange, training youth camp personnel and the appreciation of natural resources.

Some Insurance Doubly Disastrous Says Atty. General

Insurance policies purchased through the mail on the basis of high pressure bait advertising can mean a double disaster., warns Paul L. Adams, state attorney general.

The first disaster—death, an accident or fire, causes the individual to seek to collect on his policy.

The second disaster occurs when he discovers that he doesn't have the kind of insurance he thought he had, or that the policy doesn't cover what it was supposed to cover, or that he has been made the victim of a fly-by-night insurance company.

Such a company often uses colorful high pressure double-talking advertisements sent through the mail. Another gimmick is that the fly-by-night concern will use a name very similar to that of some reputable nationally known insurance company.

If the insurance firm is a Michigan concern, or if it is from another state but licensed to do business here, the complaint can be handled by the Michigan Department of Insurance. But if the insurance company is from another state and is not licensed in Michigan, the unfortunate buyer is generally out of luck.

The moral of this report should be clear. The first step in buying insurance is to deal with a reliable insurance man in your community. The second is to be sure that the company from whom you purchase insurance is licensed with the Michigan Department of Insurance. This way you can help make sure that disaster doesn't strike twice.

City Band to Stage Benefit Concert At East Jordan

The Charlevoix city band will make one of its infrequent winter appearances Monday when the 40 piece group presents a concert at the East Jordan high school at 8 p.m., C. A. Odmark, director of the band, has announced.

The band will appear in a benefit concert for the East Jordan high school which is conducting a fund-raising drive for new uniforms. The East Jordan group is directed by Dwight Smith, a local resident and a member of the city band during the summer months.

A popular program will be presented by the band composed of area residents and members of the Charlevoix high school band. For the concert Monday evening, the band will be augmented by nine members of the East Jordan band and Mr. and Mrs. Smith, making a group of approximately 50 pieces preparing for the concert.

Adult members of the band who form the nucleus of the musical organization are: Mrs. Jerry Shupert, flute; Arthur Nettleton and James Bearss, clarinets; Rev. R. J. Kegley of East Jordan, tenor sax; Ilo Helms and John Kroken, cornets; Robert Gill, baritone; Pat Moran, Jack Stebe and Dr. Robert Benfer of Bellaire, trombones and Clifford Riley, bass.

Clifford G. Riley Named to Head Band Parents

Clifford G. Riley was elected president of the Charlevoix Band Parents Association at the annual election of officers held during a meeting Wednesday evening.

Rex Davis was named vice president; Mrs. Llya Arvilla, secretary and Mrs. Hugh Mayne, treasurer.

Versal Seymour, retiring president, presided at the meeting at which Mrs. Mayne presented a report on the results of last year's various fund-raising projects and Mr. Odmark, director of the Charlevoix high school music department, outlined the year's activities for the band estimated needs.

The association, composed of parents of members of the reserve and senior bands in the local schools, numbers a record 128 parents this year. The association has done since its organization to provide the band with such things as uniforms, Interlochen scholarship, hotel accomodatons on band trips and needed equipment in the department.

Tentative plans were also made for the annual band dinner scheduled to be held the second week in January.

Basketball Candidates Practice for Opener

(Continued from page 1)

Lettermen are Tom Kujawski, Tracy Newville and Louis Gray and the transfer, Glen Tatham, a guard who has proven himself as a capable athlete.

Chances are the Boyne starters against Petoskey Friday will be selected from among these six players.

Other candidates are Ron Ward, Lawrence Thompson, Bob Snyder Dennis Christiansen and John Hale, all juniors.

Coaching the East Jordan squad for the first time will be Tom Regan, a native of Lexington, who was graduated from Eastern Michigan University in Ypsilant after two years at Port Huron Junior College. While at Eastern he was associated with nearby Lincoln Consolidate School as a practice teacher and last year taught Physical Education at Milan.

He will have as a nucleus for this year's squad two regulars Louis Kramer, 6 ft. 1 in forwarl and Pete Knudsen, 6 ft. 3 in. center, both seniors along with five players who saw limited action. This group includes a junior transfer from Carson City, Bill Cox, a 6 ft. forward, Duane Raymond, 6 ft. 3 in. guard, John Nueman, also a guard, Doug Hayden and Bill Sherman, candidates for forward positions; both over 6 ft. Two others, Gary Nemec and Bud Gee, up from the Reserves are likely candidates for the Varsity.

At Grayling Coach Bruce Smith has two returnees, 6 ft. 2 in. Frank Gross, a forward, and Joe Robertson, a guard, both seniors. He also has two players who saw limited action. Jim Sorenson and Alan Stewart, both seniors who are candidates for the guard positions, two 6 ft. sophomores, Tim Neal and Tom Wright, candidates for the forward slots and two juniors up from the J-V's who are vieing for the center position, Ted Carlson and Sherm Neal. Both are six footers.

Coach Jim Mongueau of Gaylord has one regular, 8 ft. junior forward John Johnston, and a letterman 6 ft. 1 in. center, Dave Dresback, as a nucleus for this year's team.

Two other upper classmen who are likely candidates are Fred Moore, 6 ft. forward, and Tom Tapio, a 5 ft. 10 in. forward or center who chose skiing to basketball last year and six players who saw action with the J-V's, Larry Simpson and Jerry Fitzek, both juniors and sophomore Jamie Guggisberg, all guards, and forwards, Dick Bottomley, and Art Teboe, both sophomores, and Doug Styles, a junior.

At Pellston Coach Francis McMahon will be re-building this season around one letterman, Merle Cameron, a junior who will play either a forward or center position. One other letterman, Denny Steele, who suffered a concussion in foootball, may be available later.

Other likely candidates for the Varsity will come from among the following players up from the Reserve ranks, Richard Anderson, Tom Bricker, Les Clear, Tom Cornell, John Gillett, Gary Grant, Clyde McMichael and Jack Pasney, all juniors who range from 5 ft. 7 in. to 5 ft. 11 in. Some consideration is being given five seniors, who are out nightly, Dan Boda, Len Forrieder, Gary Judson, Pat Robbins and Phil Schmalzried; underclassmen, Stan Bodzick and John Stanley, both sophomores, and Ken Cassidy, Ed Clear, Bert Cameron and Mike Thompson.

Right now Coach McMahon will make no commitments regarding starting line-ups.

Mrs. Robert Yonkman To Host Garden Club

The Garden club will meet at the home of Mrs. Robert J. Yonkman at 2 p.m. Tuesday.

Mrs. Malcolm MacDowell will present a lesson entitled " Holiday Enchantment". Members are asked to bring a holiday corsage, arrangement ir gaily wrapped package to be judged.

The garden tip for the meeting follows: soak evergreens well before ground freezes to insure their survival.

A silver offering will be accepted and be used to underwrite the cost of gifts for Santa's Helpers.

Mrs. Robert Ashdon and daughter, Andrea, came Saturday from Park Forest, Ill., to spend some time with her mother, Mrs. Henry Partridge, who has been ill. Mr. Ashdon, who brought them and returned to Chicago Sunday, will join them for the Thanksgiving weekend.

Adventures in Understanding

Notes from a northerner's diary

By Harold E. Kohn

Trouble Is A Revelation

Stripped "to the bone", now, are most off our hardwoods. The maple, elm, birch and poplar are bare. So are the ash and apple tree. These most plentiful hardwood trees of Hidden Brook can no longer hold the secrets they have so carefully kept all summer and into early autumn. The long-concealed nests of thrushes and robins, of scarlet tanagers and purple finches, indigo buntings and their many neighbors are plainly revealed. So are the scars left by broken limbs and the wounds left by woodpecker bills.

And the strengths of the trees are clearly seen now, too—the massive boles and the stout, knobby limbs that seem to send their anchors far down through the great trunks to where groping roots are intimate with rock. The frost and wind have wrenched confessions from the complaining trees as to where lie the secrets of their weaknesses and strengths.

Is this not one service trouble renders for us all?—Unlike lush comfort, prosperity and summery success that sometime hide what we are, trouble bares our souls disclosing our frailties, and our powers.

Trouble is a revelation.

SUNDEW REPORT

The Sundew was underway Tuesday for Aids to Navigation operations in northern Lake Michigan Lake Huron, However, heavy fog presented us from accomplishing any of the work so we moored at Mackinaw City. The following day the fog lifted but heavy wind prevailed and were unable to leave Mackinaw City.

On Thursday we departed the port for Mackinac Island but again were prevented by heavy winds from continuing out planned work scheduled so remained for the night.

Friday we were underway for Aids to Navigation operations with the use of the starboard ramp boat. Aids to Navigation operations were performed in the Poe Reef and Cheboygan area. We returned to Charlevoix Friday night

Saturday we were underway for Lansing-Shoal light station to secure a door on the station that had been broken loose as the result of heavy seas. We then proceeded to the Mackinac Bridge where we commenced testing the two fog bells on the piers for audibility at various distances. We moored at Mackinaw City for the night.

Sunday we were underway for Aids to Navigation in northern Lake Michigan including the withdrawal of Charlevoix LBB 1A. Heavy winds again prevented Aids to Navigtaion operations so we returned to Charlevoix Sunday afternoon.

Sundew Scuttlebutt

Richard Selissen has been advanced to Boatswain Mate Third, Robert Gildeon to Quartermaster Third and Walter Wenzel to Quartermaster Second . . . Frank Kasper is currently on convalescent leave from USPHS Hospital in Detroit on completion of minor surger . . .

From where I sit ... by Joe Marsh

The Milky Way Tragedy

Chub Jackson, the town's only milkman, tells us he missed on an important delivery the other day.

Up way before dawn, Chub went busily about his daily rounds. Three quarts of milk for Mrs. Anderson, a gallon of milk for the Fishers, and so on.

Finished with his deliveries, Chub pulled the empty truck up to his front door. "What would you like for breakfast?" called his missus. "A big bowl of cereal with cream," answered Chub. "Sorry, dear," said Mrs. Jackson, "the milkman passed us by today."

From where I sit, it's wonderful the way folks forget themselves to do things for others. My neighbors are like that. When I have supper with them, they always serve my favorite foods and my favorite beverage—beer! They drink tea themselves, but they're happy to accommodate my preference. If we all accepted each other's right to have preferences, we'd never "milk" our friendships dry.

Michigan Bell To Install New Dialing System

Michigan Bell Telephone Company announced this week that the telephone number of all its customers will get a new look sometime within the next five years.

The new style telephone number will consist of seven numerals instead of the two-letter, five-numeral type of telephone number in use today, the company said.

For example, a number such as KLondike 5-2368 would become 555-2368.

The new system, the company said, technically will not change anyone's telephone number. It will simply express it in a different form. In the KLondike example, Michigan Bell explained, the letters K and L are in the same dial slot as the numeral 5.

The change to the new system will start on a progressive basis in most communities beginning next April 1. In several communities, however, the conversion to the new telephone numbering system will be made simultaneously when their service is converted from maunal to dial operation within the next year.

Conversion to the new system—known as ALL Number Calling (ANC)—has been necessitated because Michigan Bell and other Bell System companies' throughout the country are running out of the present type of telephone numbers.

Besides providing additional telephone numbers needed to serve a growing population, ANC also has significant customer advantages, Michigan Bell said. The company explained that ANC will simplify dialing since most people find it easier to locate numerals than letters on the dial. It also will eliminate the confusion between the letter "O" and the zero, and between the letter "I" and the numeral 1.

CHARLEVOIX COURIER

"Read by More Than 10,000 People" "In the Heart of the Resort Country"

Letter Claims News Story Detrimental To East Jordan

The Charlevoix Courier was accused this week of publishing a "clear Falsehood" in a Nov. 17 news report relative to the closing of the Temple theater and ballroom in East Jordan. The unsigned letter, supposedly from the mayor and council of East Jordan, further stated the news story contained other "misinformation detrimental to the city of East Jordan."

It is not the intent of the Courier to knowingly publish untruths or misinformation to any person, group or community. The story referred to, pertained only to the claims of Bill Lyon who stated his reasons for closing the two entertainment businesses.

It is possible the heading on the story could have been misinterpreted by those who wished to do so. An apology is due those who want to get technical on word usage in headings.

Headings are briefly written as lead to the context of the news story which follows and in this instance it referred to the claims made by Mr. Lyon as to why he could not continue to operate the two enterprizes under the provisions of the ordinance recently approved by the electors of East Jordan.

To the extent that the heading could have been intepreted to mean that it was the judgment of the Courier that the provisions of the ordinance prohibited the operation of the Temple theater and ballroom, the reading is retracted. The heading might have been more to the point had it read, " Lyon Claims He Can't Operate Theater and Ballroom Under New Ordinance."

Through published announcements by the proprietor that he could not operate the businesses under the provisions of the new ordinance, the theater and ballroom are now closed.

The Courier has no reason to get involved in an East Jordan controversial issue. The fact that Mr. Lyon announced the theater and ballroom would close Nov. 27, made a news story of interest to many Courier readers. Including his reasons wos a matter of routine reporting with no intent to pass judgment on either the conduct of the business or the ordinance.

S. Roscoe Smith, Retired Postman Taken by Death

S. Roscoe Smith, 86, retired postal clerk who had resided at 411 Prospect ave. for the past 10 years, died late Tuesday, Nov. 22, at the Charlevoix hospitol where he had been a patient for a month.

To Observe Civil Defense Day Dec. 7

Wednesday, Dec. 7, Pearl Harbor Day will again be observed as Civil Defense Day Gen. George Ely, Charlevoix county Civil Defense director has announced.

"This is the time set aside for each of us to remember Pearl Harbor and act to make sure that such a blow will never be hurled at our county again" General Ely said in announcing the special day.

Kenneth Staley, city Civil Defense director, added his views to those expressed by General Ely stating that "to keep America strong, we must prepare our homes and selves spiritually, ideologically and physically to meet any attack the enemy might pose".

Suggested ways to prepare a family and home for any attack may be obtained at the county Civil Defense office in the county building here.

C of C Subscribes To Publication from U. S. Dept. of Comm.

The Charlevoix Chamber of Commerce has subscribed for the U. S. Department of Commerce publication, "Synopsis of U. S. Government Proposed Phocurement, Sales and Contract Awards", Paul Kohler secretary-manager of the chamber, has announced.

This daily report contains purchase intent notices and invitation for bid notices of unclassified materials purchased by all branches of the federal government. The information included is avaiable to all local and area businesses interested in bidding on government contracts at the Chamber of Commerce office in the Brown building here.

For the past month the Chamber has obtained information on several items adaptable to local plant facilities.

Contract bids are under serious consideration by Lake Construction Co. (26,000 pallets); Paul-Reed Inc. (221,000 canvas mechanics pouches) and Great Lakes Fabrication (13,605 steel clothing lockers and 6,823 steel cash boxes) Mr. Kohler said.

While no bids have been entered on these items at this time the Chamber is encouraged by the enthusiasm and cooperation of the the three local firms contacted to date, Mr. Kohler added.

1960 - 1961 NMCC Basketball Season To Open Friday

The Northern Michigan Class C Conference will officially open its 1960-61 court season Friday with all eight teams meeting league rivals.

The defending champions with a record 16 straight victories including two wins over Petoskey, the Charlevoix Rayders, will host Pellston; Harbor Springs will invade Boyne City; East Jordan will travel to Gaylord and Grayling will entertain Mancelona in opening games.

The following Tuesday will find East Jordan playing at Cheboygan; Pellston hosting Petoskey St. Francis and Mancelona traveling to Kalkaska.

On Wednesday Coach Don Carey said he was undecided about the starting line-up for Friday's game with Pellston. At the present time he has 17 candidates for the squod including Sam Supernaw, a regular from last season, six other seniors who had some experience with the varsity squad Jim Dennis, Don Nowland, Terry DeYoung, Perry Smith, Lee Weilenga and Tom Martin, eight juniors up from the J-V squad, Henry Wagner, Stan Martin, Jack Stewart, George Majors, Barry Pierce, Bruce Bartlett, Tony Duerr, and Gary Spencer, a transfer from Belding and two sophomores, John and Don Pearl. Coach Carey added tbat he prohably wouldn't know until game time Friday who would start this week. "A lot depends on how they shape up during the week", he concluded.

Pellston's line-up for the game is equally as uncertain, occording to Hornet Coach Francis McMahon, who like Coach Carey, is starting almost from 'scratch' to build a team.

Elsewhere in the loop, the Harbor Springs are favored over Boyne City though the latter could give the Rams a tough game; East Jordan over Gaylord and Mancelona over Grayling, all on the basis of returning veterans and lettermen. However, Boyne City and Grayling could be strong, especially later in the season.

3rd Class Mail Adds to Deficit Dept. Reports

Every time you find a piece of direct mail advertising in your mail box, it costs you a penny, even though you did not order it or know it was coming, according to Post Office Department estimates, reports Senator Francis Case.

Plunking for an increase in the third class mail rate, the department says losses resulting from this "hidden subsidy" represents a substantial part of the $6.8 billion postal deficit.

Congregational Church to Join With United Church of Christ

The congregation of the First Congregational church of this community voted Sunday to become a member of the recently-formed United Church of Christ.

The vote was taken at a meeting following the 11 a.m. worship service Sundoy.

The United Church of Christ is a new denomination formed by the union of the Congregational Christian churches with the Evangelical and Reformed church, the Rev. James P. Sherman, associate pastor of the local church, explained.

He went on to say that the historic merger carries on the finest of the tradition of the uniting bodies. It also carries on the spirit which has led both of these bodies into previous mergers. Where there hod been four denominations there will soon he one.

Such a process must inevitably involve the necessity of compromise and the willingness to sacrifice parochial interests for the sake of a larger goal. This spirit of trust and good will has shown itself to be abundantly prepresent in the steps which have sent led up to this final union. This spirit has exhibited itself in others denominations, also such as the Lutherans, Baptists, Methodists, Presbyterians and Disciples of Christ where steps toward merger have olready been taken.

One reason for this new spirit within many denominations is that the church of Jesus Christ faces larger ond more urgent tasks than it can deal with effectively in its present fragmented condition.

One such condition is the vital need for expanded activities in the fields of home and foreign missions. Another is the growing problem of meeting spiritual human needs in an increasingly complex society.

The Church has found that it needs to speak with a more united voice if it is to be a potent factor in what the sociologists call a "powerstructured" society. These growing concerns have led to the development of various councils of churches and, in many places, to a significant "dialogue" between Protestants and Roman Catholics.

The merger is a product of this growing spirit of 'one-ness' among the churches.

Stream-Eze, Inc. To Move Plant to Mishawaka, Ind.

Stream-Eze Inc. which manufactures fiberglass products including fishing tackle and rods and archery tackle, will move its plant to Mishawaka, Ind., late this moth, Harold J. Rohm, vice president and manager of the company, has announced.

The plant which has been operated at the Ferry ave. site for the past seven years is being moved in order to be closer to the source of supply of materials and to the market for its products, Mr. Rohm said.

Machinery ond office equipment will be moved to the new plant site this month in preparation for opening early in January. In Mishawaka the plant will become known as the United Archery Co.

The company formerly employed 17 men and women a at it local plant. However, during the past four months the operation has been cut in half.

Stream-Eze Inc. came into existence in 1947. Until then it was a subsidiary of the South Bend Tool and Die Co. The operation was moved to Charlevoix in 1953.

The company manufactures extruded fibre-glass products including fishing tackle and rods and archery tackle. The company has extruded enough fibreglass since 1947 to encircle the globe and is now starting to encircle it the second time.

Mr. Rohm will move to the Indiana city with the company. He will be accompanied by his son, James, a Charlevoix high school sophomore.

The Charlevoix Marine Co. Inc., also owned by Robert Schleman, will continue its operation here. William Schleman is vice president and secretary of the latter company.

Cutter Sundew Is Called to Rescue Grounded Freighter

The U. S. Coast Guard cutter Sundew in command of Lt. Cmdr. William R. Richard departed at 1:40 a.m. Wednesday to render assistance to the 246 ft. Liberian freighter, Francisco Morazan, which went around on the southwest side of South Manitou island late Tuesday.

The distress signal, Mayday, (M'Aidex) wos received by monitoring stations along the Great Lakes at 8:49 p.m. Eduardo Triulzas, said the vessel, up-bound enroute from Chicago to Rotterdam with a general cargo, had 18 persons aboard including the crew and his wife. At that time he said the ship was in no immediate danger from heavy seas and gale winds up to 60 miles an hour out of the northwest,

The cutter Mesquite, stationed at Sturgeon Bay, Wis., was dispatched at once to the scene with the Sundew ordered out at approximately 12:30 a.m.

At 10:30 a.m. Wednesday the Sundew, which had reached a point off North Monitou island, was ordered to return to Charlevoix to pick up breeches' buoy equipment at the Charlevoix Lifeboat station for use in the event it become necessary to remove the crew from the stricken vessel which reported three feet of water in its holds.

The ship is aground approximately 52 miles from here and closeot lifeboat station. Aircraft from the Traverse City Air station were also participating in the operation.

Ramblers Win Over Petoskey 46 to 37

The Boyne City Ramblers bowed to the Petoskey cagers by a score of 46 to 37 in the opening game of the 1960-61 cage schedule Friday.

The Northmen romped over the Ramblers 11 to 8 and 25 to 20 before the Boyne City quintet cut the margin to one point, 29 to 28, as the third period closed. The Ramblers, however, were unable to continue their offensive attack as the Northmen, paced by Brook Smith with 17 points, pulled away for a nine-point victory. Jack Dixon had 13 points for Boyne City.

Adventures in Understanding

Notes from a northerner's diary

By Harold E. Kohn

A Mark Of Greatness

No matter how low the temperature or how severe the weather, blackcapped chikadees will flit among the spruces, balsams and hemlocks chanting their familiar little songs, "dee-dee-dee-dee," "Chick-a-dee-dee." Never downhearted, these gray, black and white wisps of energy cheer the heavy silences of the winter forest. With sharp, high-pitched call notes they strike sparks of joy against winter gloom.

Chickadees are undiscourageably resourceful. Scorning sleet and spurning blizzard, they wing their determined way through the snow-lacquered landscope, seeking a living in Nature's lean cupboard. Somehow they always find food and shelter on the worst winter days. From the tips of twigs they snatch the frozen eggs of insects, and from crevices of bark along tree trunks and limbs they chisel out dormant bugs. And amidst the frugality and hardships of a shadow-haunted wintry forest these, undaunted birds find reasons for a song.

Is this not a mark of greatness wherever it is found, in ever so small a woodland creature or in the spirit or man—the capacity for discovering amidst life's difficulties some reasons for singing?

Smith-LeLievre Nuptial Vows Spoken at St. Mary's Church

St. Mary's church was the scene Saturday of the wedding of Bonnie M. Smith and Richard L. LeLievre, U. S. Coast Guard.

The bride is the daughter of Mrs. Lester Payne and Chester Smith. Mr. and Mrs. Anthony LeLievre of Sault Ste. Marie are the parents of the bridegroom.

Arrangements of yellow and white mums decorated the altar for the Nuptial Mass celebrated by the Rev. Fr. David LeLievre of Marquette, brother of the bridegroom, who also officiated at the double ring service. Mrs. Frank Oleksey was the organist and Mrs. Donald Falting the soloist.

Given in marriage by her father the bride chose a ballerina length gown of white lace and net over satin for her wedding. The fitted lace bodice was fashioned with a scalloped Sabrina neckline and long tapered sleeves. The bouffant skirt was of net over satin. A crown of seedpearls secured her fingertip veil. She carried a bouquet of white mums centered with red roses.

Madelyn Wojan, as maid of honor, wore a ballerina length gown of light blue satin fashioned with a scoop neckline, short sleeves and full skirt. Her headband was of matching blue satin with a nose veil and she carried a bouquet of blue and white mums.

Billie Kay Smith, sister of the bride, and Sue Left, as bridesmaids, wore gowns of pink satin styled identical to the honor attendant's matching pink headbands and veils and carried bouquets of pink and white mums.

Charles Hanshaw, assisted the bridegroom as best man. Robert Barrett and Frank Stalpe were groomsmen. Edgar Culbertson and Richard Lane seated the guests All are members of the U. S. Coast Guard.

Mrs. Payne chose a light blue sheath dress and crystal accessories for her daughter's wedding. Mrs. LeLievre, mother of the bridegroom, wore a multicolored print satin dress and pearl accessories. Their corsages were of white carnations.

An evening reception was held at the Charlevoix Rod and Gun club.

Following a wedding trip to Wisconsin the couple will make their home at 217 Park ave. For traveling the bride selected a blue sheath dress, matching accessories and corsage of red rosebuds.

The bride is a graduate of the Charlevoix high school. The bridegroom is a graduate of Loretto Catholic Central high school in Sault Ste. Marie and a veteran of two years in the U. S. Coast Guard. He is presently serving aboard the U. S. Coast Guard cutter Sundew.

Wedding guests were present from Sault Ste. Marie, Traverse City and Ann Arbor.

Mr. and Mrs. John Kroken and son, Bruce, returned home Friday from Marquette where they spent the Thanksgiving holiday with relatives.

Mrs. Philip Lemieur left last week to spend the Thanksgiving weekend with relatives in Sturgis before going to Detroit for the winter.

Mrs. E. K. Shanahan visited last week with relatives in Chicago. Her son, Bruce, a student at the University of Michigan, joined her there for the holiday weekend.

DECEMBER

IN MICHIGAN

By Harold E. Kohn

December is here. This is the month of wonder. All months have their marvels and all seasons their awesome miracles, but it is the peculiar combination of fascinations that distinguishes December.

December is a month of snowflakes silently brushing against a vast stillness. But December is also a time of gay, crystal laughter rising from happy Northland brooks dancing between great banks of snow.

Some December days are marked with somber skies scowling over bleak, cheerless lonesome hills, and other days are incredibly clear, and all the things of earth are wrapped in sparkling ermine.

This is a month of frosty, whirling winds hurrying past. December nights witness snappish winds nipping at the eaves of little cottages where old folks, cozy in their woolens, nod by cheerfull open fires.

Hardwoods stiffen under the weight of snow and ice, while evergreen limbs bow low with a humble grace.

Now in December one lone, frails sheet of dates hangs on the calendar like a last leaf upon a wind-whipped tree. It reminds us of days that are gone. But the last thin page suggests, too, that an old ending means a new beginning, as an old calendar is discarded and replaced with the latest edition. The wonder of passing time looms large in December.

In December gentle emotions are stirred by the memory of a star, a young mother, cattle lowing in a manager, awestruck shepherds drawing near, Wise Men coming from afar, and all because of a Babe, then and now the world's great Wonder.

* * *

SOME THINGS TO NOTICE THIS WEEK:

- Now the tracks of the ruffed grouse are beginning to change their appearance. From spring through autumn the feet of the grouse closely resemble those of a domestic chicken. But as winter weather approaches, the bird grows "snowshoes" that keep him from sinking into winter snows. Each toe becomes fringed with a flexible, horny material which spreads as the bird places weight on its foot, distributing the creature's weight over a greater area.
- Look beneath evergreen trees and see for yourself that the popular belief that live evergreens do not shed their needless is false. Underneath the lowest boughs of every sizeable evergreen will be found a carpet of needles. On a spruce tree twigs more than three years of age may have no needles at all. As a rule, the greenness of a "Christmas tree" is contributed by the youngest parts of the twigs
- Notice how much pleasure you derive from reading a good book when sleet pelts the window panes. Is there any other time when reading is such fun?

Blanket of Snow Covers Charlevoix

The first storm of the season with northwest winds up to 60 miles an hour struck the area Tuesday

Driving was hazardous after a freezing rain early Tuesday.

For the first time this winter, snow covered the ground and more was falling Wednesday.

Clear Callendar For Open Dates

Locals groups, especailly church organizations, are urged to take advantage of the service offered them in clearing dates for special events they are sponsoring.

Mrs. Thomas Maxwell Sr. keeps a calendar of events planned for future dates. By clearing with her before setting a date for a church supper or bake sale, a lot of confusion could be aboved.

This service was established a number of years ago but in recent months people have not used it Mrs. Maxwell said. As a result there have been a number of coflicts in staging certain events which have been damaging to all concerned.

SPECIAL MEETING OF SCHOOL BOARD

October 31, 1960

Present: Freedman, Lieberman, Blanchard, Dinwiddie, Martin, Al Smith, C. Smith, and Supt. Bennett. Absent: None.

A special meeting of the School Board was held at the City Hall, meeting jointly with the City Council.

This joint group discussed at length the problem involved in the location of the City Garage and the new high school building.

It was moved by Martin, supported by Dinwiddie, to offer $2,500.00 to the City of Charlevoix to raze existing buildings on the school site, payment to be made out of Building & Site Funds if legally possible—otherwise, payment to be made within one year; small storage shed to be removed at once, and larger building to be razed by May 1, 1961. Motion carried: 5-2.

This proposal was acceptable to the City Council.

MINUTES OF SCHOOL BOARD MEETING

November 7,1960

Present: Lieberman, A. Smith, C. Smith, Freedman, Martin, Supt. Bennett. Absent: Blanchard.

The meeting was called to order at 8:08 p. m. Minutes of the meeting of October 17 were read and approved.

It was moved by Martin, supported by Freedman, that bills in the amount of $3,982.28, payable from General Fund, be approved and ordered paid. Motion carried: 6-0.

Motion was made by Freedman, supported by Dinwiddie, that bills in the amount of $66,595.64, payable from Building & Site Fund, be approved and ordered paid. Carried: 6-0.

Mr. Jack Bond, former Vice President of the Michigan Association of School Boards, and Col. Reppard, a member of the Harbor Springs Board, appeared to explain this organization and its aims.

Mr. Matson, project engineer, reported on the progress of the new high school.

In accordance with the policy established of having at least a part of a meeting each month given to education problems, Mr. Bingham—high school principal—made a report of the current standards required by the North Central Association, and a discussion followed as to the place of Charlevoix in this Association. Also discussed in this connection were: The physical plant; curriculum; teacher load; courses of study; teacher qualifications, and other policies.

It was moved by Freedman, supported by Martin, that this Board join the Michigan Association of School Boards, and that the dues be approved and paid. Carried: 6-0.

Motion was made by C. Smith, supported by Al Smith, that the balance of the bill still owed the Northland Septic Tank Service, in the amount of $76.78, be approved and ordered paid. Motion carried: 6-0.

The following were discussed:

Substitute bus drivers for the deer hunting season; also permanent substitutes. In this connection, it was suggested that Harvey Hamilton be hired as a substitute mechanic while Martin Elzinga is incapacitated.

The report of the County Board of Education on the transfer of certain properties from the Charlevoix School District to the Banks Township school district, and the assessing problem of levying the tax for debt retirement on the transferred property until said debt is paid in full.

Furniture for the new high school, with Mr. Bennett authorized to submit lists to suppliers for bids, to be opened on Dec. 5.

The accumulataion of dust in the school, Mr. Freedmon offering to meet with the maintenance men to suggest possible improvement.

Decision to continue the use of the gym for Indepentent basketball use, as in the past, with a fee of $15 when games are played and charges made, but practice time to be free.

The meeting adjourned at 10:45 p. m.

It's wonderful to feel cared for

Behind those doors . . . *his dream just came to life.* It's a boy. What'll he be? Doctor? Lawyer? Merchant? Chief? It doesn't matter right now. The important thing is he's a lusty, healthy youngster and his mother's doing just fine. It's a wonderful feeling. And at a time like this it's especially comforting to know you are providing the best hospital and medical care available for your wife and that new boy. You can be sure of this, you know, if you have Blue Cross-Blue Shield.

To Promote a Merry Christmas For TCSH Patients

The Traverse City State Hospital is again asking the support of the residents of northern Michigan that its 3,300 patients, many of whom will not receive gifts or cards from family or friends, may have a joyous Christmas season.

Churches, schools civic groups and individuals are invited to have a part in this extremely worthwhile holiday season program by sending Christmas gifts, candies, fruit and Christmas cards to the institution, for use by its patients.

All Christmas gifts should be new though they need not be expensive. Gloves, bandkerchiefs, scarves, hosiery, shaving preparations, soaps, dentifrices, smoking supplies, games, puzzles, cosmetics, jewelry, stationery and many other items for patients from eight to 90 years are acceptable. Gifts should not be wrapped but should be accompanied by a sufficient amount of wrapped materials. Funds are also needed.

Because of the tremendous task of sorting and wrapping gifts for individaul patients, it is necessary that they be received by the institution by Dec. 10, if possible.

Call Letter Auto Plates Available To Radio "Hams"

"Ham" radio operators are reminded that Dec. 15 and not Feb. 28 is the stationary deadline for ordering the call letter automobile plates issued to holders of amateur radio licenses.

The law that premits radio amateurs to obtain special car plates was broadened last year to permit radio technicians licensed by the Federal Communications Commission to order call letter plates. These technicians and conditional, advanced or extra class amateur radio license holders who are making their inital requests for special plates should apply immediately, Secretary of State James M. Hare warned.

The list of these license holders is furnished to all sheriffs and disrectors of civil defense in Michigan's 83 counties by the Department of State.

Local Hunter Bags Freak Buck

Courier Photo

Nearly every deer season a few hunters return with a freak deer or oddity. Pictured above is a freak taken near Eastport by a local hunter, Cal Gould.

This particular deer had three complete horn bases instead of the usual two to make up the rack. Why is anybody's guess.

Somtime in the past this buck had been injured in the right eye and it might be assumed that for reasons unexplainable by humans that an extra horn, developed on the right side, was natures way of affording extra protection.

Ann Arbor Firm to Study City Electric Power Situation

The Charlevoix city council, at its regular meeting Monday night, voted to engage the Cummings and Bernard Co. of Ann Arbor to conduct a study of the power situation here.

Included in the study will be the generation and distribution of electricity by the municipally-owned power plant and electric rates.

Six bids for the proposed study were received by the council.

The study is the result of several months of discussion regarding electric rates and how to reduce them.

The council also voted to build a new city street department garage on the former Gillispie property on Stover road now owned by the city to replace the present garage located on May st. near the Garfield intersection. The concrete block building owned by the city is consthucted on property owned by the school district. The board of education recently offered the city $2,500 to help underwrite the cost of razing the present garage.

Robert Winchester of the Winchester Funeral Home appeared before the council to offer to again operate an ambulance service for the city. He said he would operate the service with minor assistance from the city in the way of labor when needed on a call.

Approval was given the transfer of a Class B hotel license with dance permit from E. L. Kramer to Scott L. and Eva Wilson who recently purchased the Charlevoix Beach Hotel. A copy of the resolution is to be forworded to the Michigan Liquor Control Commission.

The bid of $1,040 for an eight-cylinder Chevrolet for use by the city superintendent and the police department was approved. The bid was one of five received earlier.

Approval also was given the renewol of a contract with Cities Service for a period of one year for No. 2 fuel oil for use at the municipal power plant.

Bills totaling $24,285.20 were approved and ordered paid. The figure includes $3,521.40 for the purchase of accounts receivable by the electric fund; a $3,714 payment to Hodgkiss & Douma of Petoskey for the resurfacing of Clinton and Mason sts. and a $2,885.75 for fuel oil.

Long Range Lake Trout Program Shows Progress

Spawn-taking operations by the Conservation Department this fall have given added thrust to the long-range lake trout restoration program in the upper Great Lakes which was launched experimentally in 1959.

Although spawn take from inland lakes was down, some 2,878,000 green eggs were collected between mid-October and November 8, more than twice the 1959 figure.

Spelling the difference was Marquette state hotchery where 2,450,580 eggs were taken. With its buildup in mature brood stock, the hatchery will continue to be a mainstay in the loke trout restocking effort in the Great Lakes. Last year, it contributed obout 950,000 eggs.

Department fisheries men took 315,745 green eggs from Elk, Higgins, and Walloon lakes, about 113,000 below the 1959 figure. Part of the drop was due to money troubles which forced the Department to reduce its netting crews and scratch two lakes from the eggs collecting list.

Injections of carp pituitary extracts failed to hike spawn take as fisheries men were unable to come up with a proper dosage pattern. Pituitary injections have worked successfully on other fish.

Exploratory netting yielded 78,360 eggs at Walloon lake, Charlevoix county. Department crews were unable to locote spawining concentrations in Elk lake of Antrim and Grand Traverse counties and, as a result, egg take skidded from 150,000 last year to 48,528. Lake trout spawned about two weeks earlier thon usual in Higgins lake, Roscommon county, but 190,857 eggs were token as compared with last year's 61,000-egg effort.

All eggs beyond those needed for inland lake plantings will be reared as plonting stock for the upper Great Lakes. The Great Lakes Fishery Commission has set an annual planting goal of 7,000,000 yearling trout in Lakes Michigan, Huron, and Superior, pending control of the sea lamprey.

To Remove Cargo From Abandoned Liberian Boat

A Liberian freighter, Francisco Morazon, remained aground on the southwest shore of South Manitou island Wednesday awaiting a break in the weather so the Roen Salvage Co. of Sturgeon Bay, Wis. Could remove its cargo and make arrangements to tow the ship to the shipyards for repairs.

The ship's captain, Eduardo Trivizas, and the crew were removed from the stricken vessel Sunday by the U. S. Coast Guard Cutter Mackinaw and brought to Traverse City from where they departed for New York enroute to their various homelonds.

The skipper's wife, an expectant mother, was taken from the vessel Thursday by small boat to the Mackinaw and then brought ashore by helicopter. She left Traverse City via plane Friday for New York to stay with relatives while awaiting the arrival of her husband. They will then return to their home in Athens, Greece.

The ship outbound from Chicago to Rotterdam with a general cargo including lard, hides and oher commodities went aground in a snowstorm the night of Nov. 29. The U. S. Coast Guard cutter Sundew was dispatched along with the cutter Mesquite out of Sturgeon Bay and the Mackinaw to assist the ship which was being pounded on the rocks by a northwest gale. The decision to abandon the ship to the Roen Co. was made after company officials from New York had gone aboord the vessel later in the week.

The Sundew returned to port here late Thursday after two days at the scene of the disaster.

Hold Graveside Services for Bergmann Infant

Graveside services for Larry Brent Bergmann, infant son of Mr. and Mrs. Lawrence G. Bergmann of Grand Rapids, were conducted at Brookside cemetery by the Rev. C. W. Thompson of East Jordan Wednesday.

The infant was born at Butterworth hospital in Grand Rapids Sunday and died the following day after undergoing major surgery.

Beaides the parents he is survived by his paternal grandparents, Mr. and Mrs. George Bergmann of Charlevoix and Mr. and Mrs. Levi Donaldson of Ellsworth and great-grandparents, Mr. and Mrs. Charles Stevens of Grand Rapids.

Drop in Deer Kill Blamed On Weather

Michigan deer hunters experienced a drop in kill from last year during the first half of the November 15-30 season, Conservation Department field reports indicate.

Fog and drenching rains greeted upwards of 400,000 hunters on opening doy and in many areas made the going rough on side roads through the first weekend.

Hunting pressure remained fairly high in the upper peninsula and light as usual for week days in the northern lower peninsula during the season's early stages. The southbound flow of hunters and deer was very heavy Sunday, November 20. Hunter activity was expected to pick up on Thanksgiving and the final weekend in the northern lower peninsula, and better conditions were in prospect.

Hunters generally complained that deer were hard to find. Some pinned the blame on "any deer" kill in previous years. However, deer sightings were also below average in areas where special seasons have not been held and where ontlerless take has been kept low, such as in club areas.

Part of the problem was due to a lack of snow. Left free to roam, deer were widely scattered over their range.

Department traffic counts at the Straits of Mackinac and along major highways supported field district reports that the kill was down from last season. Despite the apparent drop, biologists were kept busy examining deer at the Department's roadside biological checking stations and in locker plants.

Checks at lower peninsula stations turned up some important information concerning the impact of the severe winter of 1958-59 on the fawn buck crop that following spring. Only 58 percent of the legal bucks examined were yearlings born in the spring of 1959. Last year, yearlings made up a more-normal 68 percent of the buck kill in the northern lower peninsula.

Checking station figures also revealed that antlerless deer accounted for 43 percent of the lower peninsula's harvest. Above the Straits, they comprised about 40 percent of the total.

Approximately 115,000 whitetails were harvested during the state's regular and special firearm deer seasons in 1959. Department game men predicted hunters would take some 113,000 deer this fall.

Pre-season Department estimates put this year's antlerless harvest at 44,500; buck kill was expected to hit 88,000, same as in 1959.

Beware of the Chain That Binds Down

The "chain referral plan" chains more people to a contract they can ill afford to pay than almost any other con-man device.

This gimmick is used by door-to-door salesmen, selling vacuum cleaners, carpeting, siding, recording machines and many other articles. These fast talkers would have you believe that you and you alone can get your purchase for free because of the bonus you will receive for each prospect you recommend.

You can't win on this deal:

First, because there are only so many people in the community who need the product being sold. The saleman makes the same pitch to each person he sells to. It doen't take long to clean out all the prospects. You end up paying the top price for whatever you have purchased.

Second, even if you do furnish some prospects, the price for the product is usually so much higher than the normal one that the seller can afford to give you a part of the purchase price back and still make a big profit. If you doubt this statement, take time to check what a similar items would cost ot a locol store.

No matter what a solesman tells you, you will not get something for nothing. Your best bet is to patronize local reputable merchants. They will be in business long after the gimmick boys are gone.

Excessive speed is responsible for 80 per cent of Michigan'a highway fatalities. Of these 45 per cent of the total accidents happened on rural roads and 35 per cent in cities and urbanized areas.

City Takes On Holiday Air

It's beginning to look a lot liko Christmas as city light crews install overhead Christmas decorotions and other holiday decorations.

In addition to the regular overhead decorations at the street intersection on Bridge st., a string of lights in traditional Christmas colors have been strung on the east side of the street adjacent to the city parks. Elsewhere business men will place lighted Christmas trees in parking meter standards.

A string of these lights have been placed over the north side hill midway between the bridge and Dixon ave. Plans are underway to place a second string at the top of the south side hill.

A Christmos tree which grows in the north end of East Park has yet to be decorated and the Santa and reindeer placed in the park.

Local business places are also beginning to take on a holiday atmosphere as owners decorate windows and interiors for the Christmas season.

Community residents are reminded of the home decorating contest sponsored by the city electric deportment which offers prizes of $15, $10 and $5.00 for the decorated homes in each of the city's three wards and $10 for the best decorated home outside the city limits using city utilities.

Rod and Gun Club Hosts District Conservation Meet

The Charlevoix Rod and Gun club was host last Thursday to the regular meetng of District 16 of the M. U. C. C.

A poncake supper at the clubhouse followed by a business meeting at which Sid Harris of Bellaire, district vice chairman, presided.

Other district officers present were Walter Majewski of Elk Rapids, district field representative of the Michigan Conservation Department and Joe Bugoi of East Jordan, a director.

Four conservation department representatives were also present. They were Don McBeth of the Game Division, John Winship, game biologist, Don Petersen, district superintendent, and Max Hunt of the Fish division.

A discussion regarding fishing licenses, Great Lakes fishing and the present deer herd were features of the business meeting.

To Hold Annual Christmas Party at V.F.W. Home Dec. 18

Plans for the annual V.F.W. and Auxiliary fomily Christmas party to be held at the post home Sunday, Dec. 18, were made at the regualr business meeting of the Auxiliary held Thursday

The dinner will be held at 1:30 p.m. This will be followed by a visit from Santa Claus. Parents are to bring gifts for their children marked with their names. Adults are to bring gifts marked "Mr. and Mrs." for exchange. Committees will be named at a later date.

Mrs. A. M. Allard was named to send cards to all patients at the Grandvue Medical Facility and Mrs. Elmer Gibson to send Christmas greetings to all the Charlevoix men and women in the armed services.

The group voted to send a $5.00 check to the VA hospital at Battle Creek for the disabled veterans Christmas party: $5.00 check the to Charlevoix Community Christmas fund; $2.00 check to the National Children's Home at Eaton Rapids for Christmas seals and $8.45 check or 15 cents each for 43 members to help underwrite the cost of a new district banner.

The report from the district president regarding the November meeting she attended was read. The report gave the local group a fine standing and suggested that 1961 dues be paid so the group would be 100 per cent by Dec. 31.

One new member, Mrs. Ernest Foster, was accepted.

A film on the construction and use of fall-out shelters emphasizing their importance and furnished by the Civil Defense was shown.

Methodist Women Sponsor Supper, Bazaar Tonight

The Woman's Society of Christain Service of the Methodist church will hold their holiday dinner and bazaar tonight in Harmony Hall at the church.

The bazaar, featuring gift items made and contributed by the members, will be open at 2:30 p.m.

Supper will be served from 5 to 8 p.m. The menu will include roast turkey and dressing, mashed potatoes and gravy, brown bread, rolls, cole slaw, pickles, cranberry jelly, apple pie coffee and milk.

The pronghorn antelope can outrun a man when it is only four days old.

Have Gavel---Will Travel

The legend "Have Gavel-Will Travel" and Interclubbing Friendships . . . Friendships widening poths" in the handle of the gaint-sized gavel held by E. J. Edwards, president of the Charlevoix Kiwanis club, tells briefly the history of the gavel.

Pictured with Mr. Edwards are Vice President-elect Barney Englebart (center) and Glenn B. Snider, chairman of the Interclub committee of the local club, holding the Inter-club Scroll.

The gavel was taken to St. Ignace recently by Ralph S. Hamilton, Lieutenant Governor of Kiwanis Division 15, Mr. Edwards, Mr. Englehart, Curtis Burlin and E. K. Shanahan.

The gavel started on its journey Jan. 21, 1959, at the birthday party of Kiwanis club No. 1 of Detroit, birth place of Kiwanis International. It is known as an Inter-clubbing gavel and must be taken by four members or more to another club within 30 doys of the date it is received. The local club received the gavel from the Gaylord club Nov. 7. In its nearly two years of travel, the gavel has been at most of the clubs in the 15 divisions in the stote. Also found on it are the signatures of International presidents ond past presidents and many of the past and present governors of the stote.

DECEMBER

IN MICHIGAN

By Harold E. Kohn

Now December stealthily advances upon the land of hemlock, balsam, spruce and pine. King Cold reigns over the sparkling silence of wintry nights. At his command a stinging, caustic chill creeps into every crack and cranny of rocks and trees, of garden walls and woodland cottages, and reminds all citizens of his sovereignty.

Some creatures of the North never prepare for winter. They simply die. Many insects do. After leaving their eggs deposited in a sheltered spot, thus assuring the perpetuation of their race, they succumb to the first hard freeze. Many animals pass the critical months in a death-like state of torpid lethargy after storing up fatty food reserves in their bodies, as do the woodchuck, chipmunk and bat. Others sleep deeply most of the winter, waking on rare occasions for a stroll, as do many bears, raccoons and skunks. Many birds escape oncoming cold by migrating southward.

Every animal that does not die, hibernate or migrate as winter comes on needs protection from frosty whirling winds and from the biting cold that haunts the North. Seed-eating birds that over-winter in the North, such as chickadees, blue jays, grouse and certain sparrows, and birds that eat insect eggs and larvae from the crevices of tree bark, as do woodpeckers and (again) the chickadees, have dense insulating coats of down. The countless tiny barbs of feathers trap air next to the skin and form a barrier that keeps heat from escaping from the birds's body. Most mammals are active in winter. Weasels and minks prowl at night over wind-scoured drifts, seeking their prey. Foxes and wildcats bound among the diamonds of the snow, pawing amidst the glitter for the hidden white-footed mouse. Rabbits, wrapped in a warm fuzziness, hunt for browsings above a wind-whipped dazzle of whiteness. A greater consumption of food than summer requires helps keep the fires of life burning comfortably during the winter in the active mammals. Also, the winter coats of most mammals, like those of humans, are heavier than those worn the rest of the year. Thus most of these creatures survive the severest cold.

Our deer neighbors need the ultimate in protection against loss of body heat if they are to live to see the arrival of spring. Deer are heavy winter eaters, when the food available is plentiful, but they often find browsings scarce; then the flame of life flickers low within them. Therefore, every bit of body heat must be conserved by insulation if they are not to die of the cold.

While the reddish summer coat of the whitetail deer is extremely thin and light, and the hairs are quite straight, this animal's bluish-gray winter garb is heavy. The individual winter hairs are thick, crinkly, and filled with a light insulating pith. Besides the warm overcoat, the whitetail wears an undercoat, or a kind of sweater, of coarse hairs next to the skin. The deer's winter insulation against the cold is so nearly perfect that the snow where a deer lies in its bed is seldom appreciably melted from the creature's body heat!

When rowdy winter winds growl around our cottage and gleefully rattle lean hardwood limbs and playfully swish snowladen evergreen boughs, when our thoughts move out beyond the crackling fireplace flames and wonder about the welfare of our wild woodland neighbors, it's good to know that the grandest creatures of the North are not completely miserable, but are sheltered by a warm wall of well-insulated flesh and fur.

* * *

SOME THINGS TO NOTICE THIS WEEK:

- The tails of foxes are now the bushiest they have been all year, being a third as large around as the animal's bodies. During the cold months, the fox uses his tail somewhat like a blanket, curving it closely around his body while he sleeps.
- Now the snowshoe hare is growing long, stiff hairs upon his big feet. These hairs will help the snowshoes to keep on top of the fluffiest snow drift. (The Canada Lynx also has similiar snowshoes—perhaps to help him catch the hares!)
- See those hunting accident reports in the daily newspaper? Nearly every accident could be avoided, and this fact heightens the tragedy of accidental shooting. Yet, because gun-shot deaths are spectacular, they probably receive notice disproportionate to their incidence. According to insurance actuaries there are 16 sports more dangerous than hunting in terms of serious accidents per 100,000 participants. Among these more dangerous sports are skiing, horseback riding, football, boating, skating, and swimming. And more perilous than any of our common sports is a Sunday afternoon pleasure ride in an automobile.

Grade Teachers Attend Clinic

A representative of the American Book Co., Miss Topping, conducted an English teaching clinic at the second, third and fifth grade levels of the Charlevoix Elementary school on Wednesday, Glenn B. Snider, school principal, has announced.

Verbs were the subjects of the lesson in the second grade, poetry in the third and poetry and composition in the fifth grades. All classes had an opportunity to attend the sessions confined to the teaching of grammar and English.

June Guild Ross Marries Mr. Pulver in Quiet Ceremony

Arrangements of chrysanthemum, carnations and roses formed a setting for the recent wedding of Mrs. June Guild Ross of this city and Benjamin A. Pulver of Lansing.

The bride is the daughter of Jule Guild and the late Mrs. Guild. Mr. and Mrs. T. A. Pulver of Lansing are the parents of the bridegroom.

The Rev. Robert J. Yonkman of Christ Episcopal church officiated at the service Saturday evening, Nov. 26, in the presence of relatives and close friends at the home of the bride's brother-in-law and sister, Mr. and Mrs. Jerry Paul.

The bride, given in marriage by John H. Kroken, selected a violet print silk sheath dress and violet accessories for her wedding. She carried a bouquet of pink roses.

Mrs. Paul, as her sister's only attendant, wore a gold wool jersey sheath dress and gold accessories and carried a bouquet of yellow roses.

David Pulver of Lansing assisted his brother as best man. Mrs. Kroken wore a winter white wool sheath dress and gold accessories. Her corsage was of red roses. Mrs. Pulver, mother of the bridegroom, wore an avocado print sheath dress and gold accessories. Her corsage was of yellow roses.

Seasonal flowers decorated the refreshment table at the small reception which followed. Mrs. Gerald Danbert presided at the refreshment table.

Mr. and Mrs. Pulver are making their home in Lansing.

Miss McMurray To Appear Dec. 10 On Concert Series

Concert audiences in northern Michigan will hear Mary McMurray, mezzo-soprano on Saturday, December 10th at the Petoskey high school auditorium under the auspices of the Northern Michigan Community Concerts Association.

Miss McMurray made a most auspicious solo recital debut in Manhattan's Town Hall, November 20, 1958. Gotham critics were no less enthused about her than had been the scribes of other metropolitan cities.

Born in Webster City, Iowa, Mary McMurray became interested in music when she was very young. Her college career at Grinnell college in Iowa, was punctuated with public appearances whenever she had the chance to sing. She went to New York for further study.

Since 1950, both in Europe and America, she has studied voice and repertoire exclusively with Andrea Palestrina.

This will be the second in the 1060-61 series of concerts under the auspires of the Northern Michigan Community Concerts Association. The next Concert will be Herman Godes on Feb. 11, 1961. Admission is by membership in the association only.

Mrs. Louis Hooper Heads Hospital Guild Committee

Mrs. Louis Hooper has been named to head a committee in charge of obtaining volunteers to man the information desk at the Charlevoix hospital during the evening hours, Mrs. Floyd Brown, president of the Women's Guild of the Charlevoix hospital which sponsors this service, has announced.

Mrs. Hooper succeeds Mrs. R. G. Bennett who has served as chairman for the past year. Mrs. Bennett, in giving up the post, expressed her gratitude to those persons who have offered their services in this manner.

Anyone wishing to contribute time to this project may do so by calling Mrs. Hooper.

Krulik - Burke Marriage Vows Spoken at Community Church of God

Joyce Krulik and Forrest Gerry Burke exchanged their wedding vows in a double ring service solemnized at the Community Church of God Saturday evening.

Parents of the couple are Mr. and Mrs. Kenneth Krulik and Mr. and Mrs. Gerald Burke.

The Rev. George L. Majors officiated at the ceremony in the presence of more than 100 guests. Arrangements of pink and white prompoms and chrysanthemuns formed a setting for the service. Mrs. Charles Bellinger, at the organ, played the traditional wedding marches and accompanied the soloist, Mrs. Lee Moerland, who sang "I Love You Truly" and "The Wedding Prayer".

Given in marriage by her father, the bride selected a floor-length gown of white net and lace over slipper satin for her wedding. The fitted bodice was fashioned with a scalloped neckline and long tapered sleeves and the full skirt was of net over satin. A secopearl crown secured her lace-edged finger-tip veil. She carried a bouquet of white pompoms centered with red rosebuds.

Mrs. Harrison Elzinga, as her sister's matron of honor, wore a pastel pink ballerina length gown and matching pink headband. Her bouquet was of blue and white pompoms.

Audry Krulik, cousin of the bride, and Roberta Zeitler, as bridesmaids, wore gowns identical to the honor attendant's in pastel blue and matching blue headbands and carried bouquets of pink and white pompoms.

Carla Elizinga, niece of the bride as flower girl, wore a soft pink dress and matching headband and carried a colonial bouquet of blue and white pompoms. Richard Stewart of Petoskey; nephew of the bride, was ring bearer.

Nancy McDermott and Sharon Louiselle, as candlelighters, wore aqua gowns.

Sam Kane assisted the bridegroom as best man. Dale Burke, brother of the bridegroom, and Edwin Louiselle were groomsmen. Thomas Louiselle and De-Mar Bodley seated the guests.

Mrs. Krulik chose a gown of light blue lace over taffeta and navy accessories for her daughter's wedding. Mrs. Bruke, mother of the bridegroom, wore a royal blue velvet gown and matching accessories. Their corsages were of red and white pompoms.

A reception followed at the Community Church of God Fellowship hall which was decorated with pink and white streamers and wedding bells. Pine bough decorated the refreshment tables. An informal party hosted by Mr. and Mrs. Burke followed at the V.F.W post home.

For traveling on their wedding trip to Tahquamanon Falls, the bride wore a black and white checked suit and black accessories complemented by a red rose corsage

The couple will live in the upper peninsula where the bridegroom is employed as a lumber inspector.

The bride is a 1059 graduate of the Charlevoix high school. The bridegroom is a 1956 graduate of the local high school and the National Lumber Grading School at Memphis, Tenn.

Wedding guests were present from Petoskey, Lansing, Dearborn, Mt. Pleasant, Boyne City and East Jordan.

Rev. and Mrs. Lewis Honored at Party

The Rev. and Mrs. L. L. Lewis were honored at a surprise party at the Baptist parsonage on the occasion of their thirty-second wedding anniversary.

Twenty-seven members of the First Baptist church gathered for a potluck supper followed by a social hour.

Among the gifts presented to the couple was a large supply of canned goods, all with the labels removed. Thus the Lewises problems will no longer be confined to their congregation but also to the kitchen where meals will continue to be a surprise.

To Hold School of Hotel Management

A Motel-Resort-Hotel management seminar which should be of great interest to area business people is being sponsored by the School of Hotel, Restaurant and Institutional Management of Michigan State University in East Lansing Dec. 13 to 16.

The entire program is intended for all sizes of businesses and will prove valuable for the family type of operation as well as those with hired management. There will be an opportunity ot discuss with resort operators problems posed by the changing trend in tourist travel.

Northern Mich. Feeder Cattle Sales Total $775,830 in 1960

The raising of feeder cattle is rapidly becoming one of northern Michigan's major agricultural enterprises a report released recently on the results of the Northern Michigan Feeder Cattle Sales for 1960 reveals.

A total of $775.830 was paid to beef breeders in the upper peninsula and the upper lower peninsula of the state where 6,900 head of steer and heifer calves and yearling steers and heifers were sold at six sale sites.

The average weight of the animals was 444 pounds for which an average of $25.35 per hundred weight was paid for an average of $112.24 per head. A total of 3,060.408 pounds of feeder stock was sold at the six sales.

Sale sites are at Bruce Crossing, Ontonagon county in the northwestern section of the upper peninsula; Escanaba, also in the U.P.: Alpena on Lake Huron; Gaylord in north central Michigan which is also the site of the largest sale; West Branch in Ogemaw county and Baldwin in Lake county.

The newest and smallest sale of the six was at Baldwin where 383 head of young stock brought the top average price of $125.88 per head. The top price of $25.81 per cwt. for heifer calves was also paid at this sale.

The sale at Gaylord, conducted by the Northern Michigan Beef Breeders Association which boasts approximately 100 consignors from 14 northern Michigan counties including 20 from Charlevoix county, is the largest of the six. Here 2,302 head of young stock, a new record total, was sold for the average price of $119.82, second higest price paid at the six sales. The top price of $135.03 was paid at this sale for yearling heifers. Other prices paid at Gaylord were second among those paid at the six northern Michigan sales with the Baldwin sale bringing the top price of $173.24 for yearling steers and also the best prices for steer and heifer calves.

The total amounts paid at the various sales follow: Gaylord, $277,992.79 for 2,302 head; West Branch, $178,041.83 for 1,635 head; Alpena, $112,201.28 for 1,020 head; Escanaba, $104,970.47 for 1,014 head; Bruce Crossing, $55,178.16 for 546 head and Baldwin, $47,445.56 for 383 head. This totals $775,830.09 or an average $112.44 a head for 6,900 head as compared to $853,594.04 or an average of $133.42 paid in 1959 for 6,398 head.

The majority of young stock offered for sale at the six sites is purchased by feeder lot operators from southern Michigan who transport the stock to that area where the feed is grown and prepare them for market.

In many instances, the distance from the sales from feeder lots has a bearing on the prices paid the breeders for the young stock. The Baldwin sale, for instance, is much closer to feeder lots than any other and, as a result, better prices can be paid. The beef cattle are mostly Hereford and Angus breeds with a few Durham and cross breeds.

The trend to more commerical beef brood cow herds from which feeder stock is marketed each fall verifies the statement that beef breeding is a 'natural' for northern Michigan.

The northern section of the state because of its climate, location with respect to merkets and its splendid ability to produce forage and pasture crops are a few of the factors leading to a continuous growth of commerical beef herds in both the northern district of the Lower Peninsula and the Upper Peninsula.

Beef cattle are conservative of labor requirements and the feeding and management program is easily adjusted to suit part-time as well as full-time farming. In addition, housing requirements for beef cattle during the winter months are simple. The most thrifty commerical herd owners are feeding their brood cows out of doors on clean snow. Mature cows are fed once a day some 20 to 23 pounds of hay. Water is provided outside also.

The cows are bred for late winter and early spring calving. As spring approaches, the barn where hay has been stored provides dry clean quarters for newborn calves and by fall these calves have grown to 400 pound feeder cattle.

The cooperative feeder cattle sales have played no small part in the development of this ¾ million dollar enterprise which brings sorely needed 'new' money into northern Michigan.

The first feeder sale was held at West Branch in 1945 with 540 cattle selling in uniform lots for $15.60 cwt. The following year the Gaylord sale, now the largest, started with only 222 head that sold for $18.31 cwt. By 1955 Alpena started with 666 head selling at $19.03 cwt; Bruce Crossing was next in 1957 with 251 head that sold at $21.32 cwt and the following year the Escanaba sale was established with 643 head that averaged $28.75. A year ago a sirth group started the Baldwin sale where 301 feeder cattle averaged $27.16.

Since the first sales were held, the number of sales as well as feeder cattle offered for sale have increased as more and more northern Michigan farmers utilize their land by raising breeder herds. Though a lower price per hundred weight than during the last two or three years was offered this year and there is possibility the price may be even lower another year, breeders feel that the program is sound and feed lot operators have learned to like these local produced feeder cattle.

Charlevoix county breeders who were consignors at this year's Gaylord sale include E. K. Shanahan and James W. Gallagher of Charlevoix; William Schmidt of St. James, Beaver Island; Clayton Healey, Mark Saunders, James Folsom, Clifton Hellar, Kenneth Russell and Russell Hughes of East Jordan; Joe Habasco, W. J. Nulph and Norval Korthase of Boyne City; William Gallop, Ash Stewart; Gus Matz, John Howard, Arthur Edson, Robert Fraley, Leo Penfold and Mrs. George Penfold of Boyne Falls.

Three other Charlevoix county farmers purchased young stock at the 1960 Gaylord sale for the purpose of starting breeder herds. The late Arlo Wilkersham purchased 110 Hereford heifers; Gerald Buck, 19 Hereford heifers and Peter Winnick, three Charfords, a cross-breed of Charbary and Hereford stock.

O. J. Curtiss Speaks On Mental Illness At Club Meeting

Ohmer J. Curtiss, director of Community Relations at the Traverse City State Hospital, spoke on the subject of "Patients are People" at a joint meeting of the Shakespeare and Dickens Study Clubs held Monday at the community room of the city hall.

Mrs. Charles Duerr, president of the host club, the Dickens club, introduced Mr. Curtiss who said that the state hospital at Traverse City now had more than 3,000 patients ranging in age from eight years to more than 80 years.

He touched briefly on the treatment and said that 70 per cent of those admitted were returned to their homes.

He defined the mentally ill as people who are no longer able to function properly in society. He added that during the past 75 years 32,000 patients have been cared for at the institution.

He related incidents regarding patients ready to be returned to their homes where they were unwanted; of patients who had had neither visitors nor mail for many years, completcy forgotten by their families and of the effort of the staff at the hospital to see that every patient receives a remembrance at holiday time and on his birthday.

He emphasized that these people, when they are released, have something to contribute to society and should be given an opportunity to become a part of that society.

Charl-Em Chorus to Present Annual Concert Tuesday

The 75-voice Charl-Em Chorus, comprised of residents of Charlevoix and Emmet counties, will present its annual Christmas concert at the Petoskey high school auditorium at 8 p.m. Tuesday.

This is one of two concerts presented annually by the group directed by George Stewart of Petoskey, widely known area musician. The accompanist is Prof. August Hybrechts of Petoskey.

Grovesnor Ward of Petoskey, president of the group, has issued an invitation to persons interested in singing with the chorus to attend the rehearsals held at 7:30 p.m. the first and third Tuesdays of the month at the Petoskey high school music room.

Tickets for Tuesday's concert may be purchased at the door.

Pamona Grange to Meet at Deer Lake

Pamona Grange will meet at the Deer Lake Grange hall at 8:30 P.M. Saturday, Dec. 17, for a brief business meeting followed by the annual Christmas party.

All Grangers are urged to attend the meeting and party. They are to bring a 50 cent gift and a potluck lunch.

World 'Friendship' Cub Scout Theme For December

World Friendship yill be carried out in the Cub Scout theme for December, (South America), assistant Cub Master Earl Holburn said following the monthly Pack Meeting held Wednesday.

A committee composed of Don Anders, Jerome Lescoe, Louis McKenzie, Robert Cook and Eugene Bergmann was appointed to work out and present to Den Mothers an idea for fulfilling the project. As a result Charlevoix's six Cub Scouts dens will compile a scrapbook to be sent to a South American country. In it will be pictures of each den plus pertinent information about Charlevoix with each den assembling information on various phases of the community.

The theme of the November pack meeting held Wednesday was "New Worlds".

The Webelo den composed of boys who will advance to Boy Scouts this year presented a clever skit about 'moon men'. Den No. 1 with Mrs. Bill Six as den mother also presented a skit portraying their version of peoples from another world.

Plans were made for the "World Friendship" month at this meeting.

Lawrence Foley was in charge of group singing which opened and closed the meeting attended by parents of Cub Scouts.

The Webelo den which has grown to 14 boys since it was organized in September has noy been divided into two dens with Harvey Hamilton as the new leader. Earl Holborn will continue to work with half of his original den.

Am. Legion and Aux. To Hold Dist. Meet

The Lower 11th district meeting of the American Legion and Auxiliary will be held at the post home in Harbor Springs Sunday beginning at 1:30 p.m. with the showing of a special film.

A business meeting and dinner will follow.

Mrs. Edna Schuitema of Holland, Auxiliary Department president, will be present at the meeting.

The first electric refrigerator was introduced in 1913.

John Zeitler Family Unite in Florida For Thanksgiving

Joining Mr. and Mrs. John Zeitler Sr. at their Lake Worth, Fla., home for Thanksgiving dinner were their son and daughter-in-law, Mr. and Mrs. Harry E. Zeitler and two children, their daughter, Mrs. Jean Gallagher and son, Micbael, their grandsons, Bud Zeitler and John Zeitler III, Mrs. Harry Zeitler's brother and sister-in-law, Mr. and Mrs. Albert Rayman, Mr. and Mrs. Peter Gaskin and Mr and Mrs John Coppens and four children.

Following a cooperative dinner in the yard, they enjoyed a social afternoon and evening.

Draft Board Calls Four for Physicals

Four Charlevoix county draft registrants will be called for pre-induction physical examinations in January, the clerk of the draft board said this week. The names of the men to be ordered to report will be selected at a meeting of the draft board scheduled for later this month.

There will be no draft call for January, she added.

On Monday Lincous B. Erber of Boyne City, a volunteer, left for induction into the armed services at Detroit. There was no call for registrants for pre-induction physical examinations in December.

Justice Court News

Justice John Connolly reports the following cases which appeared in his court here recently.

Levi Wanegeshick, 21, charged with forgery, waived examination and was bound over to the March term of circuit court. Bond was set at $500. He was remanded to the county jail after failing to furnish bond. He made out a check in the amount of $30 and cashed it after signing the name of a local businessman. The summons was issued by the city police.

John J. High, 37, charged with being drunk and disorderly, was ordered to pay $20 fine and $5.00 costs and was sentenced to 10 days in the county jail. If fine and costs are not paid he must serve an additional 20 days in jail. Summons was issued by the city police.

George W. Roff, 53, of Neosho, Mon., charged with reckless driving, was ordered to pay $25 fine and $4.30 costs. Summons was issued by the State Police.

David D. Walker, charged with driving too fast for highway conditions, was ordered to pay $5.00 fine and $4.30 costs. Summons was issued by the Sheriff's Department.

Edwin J. Sharrow, 45 charged with having no valid operator's license and having expired registration plates on commercial vehicle, was ordered to pay $5.00 on each charge. Summons was issued by the State Police.

Gordon L. Willis, 23, of Bay Shore, charged with ignoring a stop sign, was ordered to pay $5.00. Summons was issued by the State Police.

Allen R. McWatters, 22, of East Jordan, charged with furnishing alcoholic beverages to minors, was ordered to pay $100 fine and $5.00 costs and sentenced to 60 days in the county jail. If fine and costs are not paid he must serve an additional 30 days.

The arrest was made by the State Police as the result of an accident in which three minors, Martin Sobieskey, 20, of East Jordan and his brothers, Gerald, 17, and Ronald 16, were involved at 1:30 a.m. Monday on M-66 in Antrim county.

Cornelius D. Dyer, 34, of Highland Park, charged by the Conservation Department was attempting to kill an antlerless deer in a closed area, was ordered to pay. $25.00 fine and $7.30 costs. His deer rifle was also confiscated.

Frank A. Winnick, 46, charged with failure to report a property damage accident, was ordered to pay $5.00 fine and $4.30 costs. Summons was issued by the State Police.

Charles J. Ness, 19, of Petoskey, charged with allowing an unlicensed minor to drive his automobile, was ordered to pay $5.00 fine and $4.30 costs. Summons was issued by the State Police.

An Ohio report shows that most traffic accidents happen to motorists who were familiar with the roads on which they are driving. All but 5 per cent of the drivers involved in accidents were from Ohio and 70 per cent were residents of the counties in which the accidents occurred.

CARD OF THANKS

I wish to thank Dr. Grate, Martin and Saltonstall, the nurses and nurse aids at the Hospital for the care they gave me. Rev. Lewis for his kind words. Mr. Bennett and all members of the school staff, the kindergarten classes and bus students, neighbors, friends, V.F.W., church's, American Legion Auxillary and members of my family for the many flowers, gifts and cards.

Many thanks,
Martin Elzinga

Sundew Reports

The Sundew was underway Tuesday for Aids to Navigation operations in northern Lake Michigan and the Grand Traverse Bay area. Stoney Point LBB was withdrawn for the season in the Beaver Island area and two buoys were withdrawn for the season in the Grand Traverse Bay area. We returned to Charlevoix Tuesday night.

Thursday we were underway for Aids to Navigation operations just beyond the pierheads and the removal of Charlevoix LBB 1A. Heavy winds prevented us from removing the buoy so we returned to Charlevoix.

Friday we were underway for A/N operations including the removal of the Charlevoix LBB 1A. This time the weather conditions were ideal and the buoy was successfully withdrawn for the season. We continued north in the direction of Boulder Reef. Again the weather conditions were perfect and the Boulder Reef buoy, largest on the lakes at 13 tons, was removed for the season. Additional A/N operations were performed in the South Fox area and on completion we returned to Charlevoix.

Saturday we were underway again, this time in the northern section of the lake where three buoys were withdrawn. We continued on to Mackinaw City to unload and moor for the night.

Sunday we were underway in Lake Huron for A/N operations. Four private aids were withdrawn for the season in the Port Dolomite area. They were then left there for winter storage.

Sunday night we received a message concerning a buoy afloat in the Persque Isle area. On location of the floating buoy which was a hazard to navigation, it was taken aboard. We came about and headed for Charlevoix. During our return, we encountered winds that reached gusts of 60 to 70 MPH. We returned to Charlevoix Monday afternoon.

Sundew Scuttlebutt

Congratulations and best wishes from the officers and crew of the Sundew to Richard LeLievre, BM3, and Bonnie Smith of Charlevoix who were married Saturday at St. Mary's church. A reception followed at the Rod and Gun Club . . . Billy L. Six re-enlisted for six years this past week. He has completed 13 years in the U. S. Coast Guard.

Tuesday night the Sundew was underway for South Manitou island as the result of a distress message from the Liberian motor vessel, Francisco Morazon.

Due to winds of 40 to 45 MPH and heavy seas it took us nine hours to reach the island. The CGC Mackinaw and the CGC Mesquite were also present in the area. On our arrival we were directed to return o Charlevoix to pick up Breeches buoy equipment and a crew skilled in the use of it.

Being unable to get into Charlevoix because of the storm, arrangements were made to pick up the men and apparatus at Harbor Springs. Eight hours later a heavily iced Sundew arrived in that port. After chipping the decks free of ice we headed back for South Manitou Wednesday night.

On arrival we anchored along with the Mackinaw and the Mesquite to await the calming of the seas. By Thursday evening it had calmed enough to allow us to return to Charlevoix inasmuch as services were no longer necessary.

Saturday we were underway for Aids to Navigation operations on Lake Huron and northern Lake Michigan. Two buoys were withdrawn from Lake Huron and one from Lake Michigan. In addition, the personnel on Spectacle Reef light station was taken off for the season. We then moored at Mackinaw City for the night.

Sunday we were underway in Lake Huron for further ATN operations. Two regular buoys and four bridge buoys were withdrawn for the season and taken to Mackinaw City for storage.

Monday we left Mackinaw City, where we had spent the night, for further ATN operations in northern Lake Michigan where we withdrew four buoys in the Greys Reef area. We returned to Charlevoix Monday afternoon.

Betrothed

Mr. and Mrs. William Ratigan have announced the engagement and forthcoming marriage of their daughter, Anne Colleen to Arthur John Pelton.

The prospective bridebroom is the son of Mr. and Mrs. Arthur Willis Pelton of New York City, N. Y.

The wedding will be an event of December 31 at St. Mary's church here after which the couple will resume their studies at the University of Chattanooga at Chattanooga, Tenn.

Adventures in Understanding

Notes from a northerner's diary

By Harold E. Kohn

Communion With The Skies

A forest community has an astounding appetite. It is ravenously hungry for energy and must have a constant supply of it. A single acre of beech and maple forest, together with its plants and animals, will each year consume energy equivalent to the electricity needed to supply your home with power for the next half-century! Nearly all the energy entering the forest community comes in the form of sunlight, only one per cent of which is manufactured into the chemical energy of food by green plants. (The other ninety-nine per cent is dissipated as heat, reflected from the leaves, or spent in some other way.) The food manufactured by the plants—trees, shrubs, grasses, and multiform other living green things—is passed through the tissues of plants to plant-eating animals, and from these animals to predators, and from the predators at last to scavengers and then returned to the earth in the form of dead animal and vegetable matter

Some energy in form of food builds tissue; some becomes fuel to drive the organic engines in animal bodies—the equipment that makes for movement, growth and reproduction. All day long energy pours into the forest where some of it is stored in food or in the body tissues of creatures living there, and where some is lost, such as by the giving off of heat by animal bodies.

Life continues in the forest, as elsewhere in our world, because of the daily influx of new energy in the form of sunlight. This is true even on a wintry day when the normal processes of life seem almost suspended, when the sun is far away and disinterested in the welfare of a Northland forest, when even a bewildered little snowflake drifting uncertainly to earth seems more energetic than all the cold light falling on shadowy timber. Yet on the bitterest winter days the sun is still losing over four millions of tons of matter per second—matter that is converted into heat and light. Although the great blazing bonfire of the skies is more than ninety million miles away, and although just now in December its light and heat strike only a glancing blow on the North nevertheless its light reaches out through the cold blue silences to bless all the acres of this land with nearly two thousand calories of heat per square foot per minute on the suniest days and a suprizingly generous measure of heat and light in the gloomiest hours.

Now in the polar hours, buds continue to develop on knobby limbs. Roots grope deeper into the dark, rich soil, feeding on nutriments found there. Deer browse soundlessly among the long, dark shadows. Winter birds pick up sunshine sandwiches in form of seeds and insect eggs. The forest and its creatures, on the best days and worst, gather in their harvest of light and warmth from the distant sun. They can remain alive on earth only if they hold communion with the sky.

An openness to Heaven is the secret of any life worth living. Spiritually exhausted people are those who have no inflow of energy to match their outgo. While trying to make a living they forget how to live. Their busyness is greater than their receptiveness, and they spend too much time in frenzied activity in proportion to their quiet hours of inspiraton, prayer, and glad, open-hearted hospitality to the Highest. Their lives are not open to the skies and to the sunlight.

In man, as well as forest, life continues by virtue of a vast inflow of power from above. Keep your spirit open Heavenward.

Charlevoix Defeats Pellston Squad 50-16

The Charleviox Rayders rolled over the Pellston Hornets by a score of 50 to 16 to officially open their 1960-61 basketball schedule Friday night

In the starting line-up for the Rayders were three seniors, Sam Supernaw and Jim Dennis, forwards, and Don Nowland, a guard with two players up from the reserves, George Majors, center, and Stan Martin, a guard. The latter played in the final game of the season last year and saw limited action during the tournaments.

Henry Wagner a junior, replaced Nowland at the guard spot in the first period; Tom Martin a senior, and John Pearl, a sophomore, joined the line-up in the second period. In the final qaurter the line-up changed often as Dan Pearl, a twin and a sophomore, Gary Spencer, a junior transfer from Belding, Terry DeYoung, Perry Smith and Lee Wielenga all seniors, and Barry Pierce and Tony Duerr, juniors, saw action.

Starting for Pellston were Merle Cameron, the Hornets' only returning letterman, Rick Anderson, Gary Grant, Clyde McMichael and John Gillett. Others who saw action were Stan Bodzick, Stan Hiar, Mike Thompson, Ken Cassidy and Les Clear.

The Rayders forged into a 10 to three first period lead, increased their advantage to 24 to seven at halftime and to 36 to 10 at the three-quarter mark before winning by a lopsided margin.

Supernaw dumped in three field goals and a free throw and Dennis a field goal and a charity shot to give the Rayders 10 points to three for the visitors who had one field goal and one free throw in the opening quarter.

Going into the second period Supernaw added two field goals and three free throws, Tom Martin two field goals, Wagner one and Dennis a free throw for 14 point as the Rayders held Pellston to two field goals.

Going into the second half, Dennis, Majors, Stan Martin, Nowland, Wagner and John Pearl scored one field goal apiece to put the Rayders ahead 36 to 10 as Pellston was limited to three free throws.

In the final period with players coming and going Dan Pearl scored one field goal and four free throws. Smith dumped in a field goal, Pierce two free throws and Dennis two field goals for 14 points. Pellston had two field goal and two free throws.

Supernaw paced the game with 14 points followed by Dennis with 10. Eleven Rayders got into the scoring colum. Camerson had nine for the Hornets.

Charlevoix Reserves Win Over Pellston J-V Squad 57 to 22

The Charlevoix Reserves came through with a 57 to 22 win over the visiting Pellston J-V squad here Friday night to open their 1960-61 cage season.

Numerous new players made their initial appearance in this meeting in which the major part of the squad saw action.

In the starting line-up Bruce Murray and Frank Curtis, sophomores and three freshmen, Pete Ance, Bruce Kroken and Brendon LaBlance.

Others who saw action were Garry Balch, Jim Rohm, Herb Cummings, Melvin Holburn, Joe Smith and John Tuomela, all sophomores and Gary Stutzman, Steve Bergmann, Ben Cunningham, Nick DeYoung, Larry Edwards, Jim Holm, Rick Miller, Dave Novotny and Jim Stewart.

The Little Rayders romped into a 20 to 6 first period lead; doubled it at halftime as they went ahead 40 to 13 before scoring only eight points in the third period for a 48 to 18 lead going into the final period. The line-up changed throughout the last half as most of the squad saw action.

Ance and Curtis scored three field goals each, Kroken added two and LaBlance and Murray one each to account for Charlevoix's first quarter scoring as the Hornets were limited to three field goals.

In the second period Curtis dumped in four, Stutzman three field goals and a single, Balch three points and Edwards two for another 20 points. Pellston had two field goals and three gift shots.

Ance and Curtis had four points each in the third period while the visitors enjoyed their best scoring quarter with two field goals and three free throws.

In the final quarter Stutzman had three points and Balch and Holburn one field goal each as Pellston scored one field goal and two free throws for four points.

Curtis had 18 and Ance and Stuzman 19 points each to pace the scoring for the victors. Balch got into the scoring column with five; LaBlance and Kroken with 4 each; Murray, Edwards and Holburn with two points each.

Fosmore with five points was top scorer for Pellston.

All NMCC Teams Played Openers Friday Night

Two favored teams were toppled while two others came through with victories in the opening night of play in the Northern Michigan Class C Friday.

Boyne City dumped Harbor Springs 38 to 34 and Grayling knocked off Mancelona 56 to 48 in games that might be listed as minor upsets while East Jordan rolled over Gaylord 58 to 46 and Charlevoix defeated Pellston 50 to 16.

Boyne City 38 Harbor Spring 34

Tough the Rams were slight favorites in this gamo, they trailed the Boyne City Ramblers 13 to 10 at the quarter, 21 to 14 at halftime and 27 to 21 going into the final period in a game which saw Tom Kujawski of Boyne City and Fran Lauer and Gary Stutzman of Harbor Springs go to the bench with five fouls apiece. However, Kujawski dumped in 13 points before leaving the game midway in the final quarter. Tom Graham had eight points for the Rams.

Greyling 56 Mancelona 48

Though the Mancelona Iron-17 in the field goal department, men outscored the Vikings 20 to Grayling capitalized on its free throws, scoring 22 of 27 to dump the favored Mancelona five who were successful on only eight of 27 attempted free throwa. The victors collected 21 and Mancelona 23 personal fouls.

The Manclona outfit managed a one-point advantage for three periods, 13 to 12; 26 to 25 and 42 to 41 before being outscored 15 to six in the final period to end up on the short end of a 56 to 48 score.

Grayling lost guards Joe Robertson and Jim Sorenson via the foul route while Mancelona ended the game without the services of Denny LaCroix for the samo reason. Frank Gross who had a total of 23 points went to the bench with a leg muscle injury with three minutes remaining. Walt Klein had 18 for the Ironmen.

East Jordan 58 Geylord 46

With veteran Louis Kraemer pouring in 26 points including 12 field goals, the Red Devils romped over Gaylord 15 to 13; 29 to 26 and 42 to 32 by quarters before taking the game by a 12-point margin. Larry Simpson had 12 and Art Tebo 11 for Gaylord.

This Week's Games

This week will find the Charlevoix Rayders going against the strong Mancelona Ironmen on the latter's floor while Boyne City and East Jordan will battle it out for possession of first place on the Red Devil hardwoods.

In other games Harbor Springs will host Gaylord and Grayling will invade Pellston.

On the following Tuesday Charlevoix will travel to Harbor Springs to take on the Rams in the only game of the night.

The Rayders romped over Pellston last week but the visitors had little to offer as they scored only five field goals. Coach Don Carey played all 15 candidates for the squad to see how various combinations would work against outside opposition.

With so little opposition, it was difficult to determine the abilities of the various combos.

Friday's opponent, Mancelona, led Grayling all the way before losing on the free throw lino in a game marked by a total of 44 personal fouls. If the Rayders can keep from fouling and throw up the tight defense that worked against the Hornets they may be able to top the veteran Ironmen.

On Tuesday they'll have another tough game, this one with a veterans Harbor Springs five who should shape up shortly after dropping their opener with Boyne City.

By hard work and determination the Rayders could develop into a pretty fair outfit. One thing is for certain: they will have to play heads-up ball all the way if they are to successfully defend their title during the coming week.

When the smoke dies away Friday, one of the other two teams in Charlevoix county will no longer be in first place. Whother it will be East Jordan or Boyne City will be determined this week as the arch rivals tangle in Red Devil territory.

Both teams boast experienced starters but East Jordan seems to have the most bench strength.

This game will be a toss up between two squads that have had little opportunity thus far to show their potential.

Harbor Springs, by virtue of its experience, should come up with a win over the Gaylord Blue Devils who have been hurt by the loss of John Johnston, a regular from last season, who probably won't be playing because of a recurrence of a knee injury.

Grayling has been hurt by the loss of high-scoring Frank Gross who was still in the hospital early this week for treatment of a muscle injury suffered in the Mancelonaa game. If he gets back in the line-up the Vikings should have no trouble with Pellston, a team composed almost entirely of newcomers.

From where I sit ... by Joe Marsh

Shorty Johnson's "Sound" Remover

Our volunteer firemen's convention is quite a noisy affair. It often takes 15 minutes to bring the meeting to order. So this year, "Shorty" Johnson, our chairman, tried a new approach.

Amid all the noise, Shorty got up and began to speak. At first, you couldn't hear a word he said. But he kept on until things suddenly quieted right down.

Said Shorty, later: "I figured if I spoke softly enough, someone would wonder what I was saying and shush the man next to him. That man would quiet down the man next to him, and so on. All I was saying up there was 'Meeting will come to order.' And it did."

From where I sit, Shorty's quiet method proves there's more than one way to do things. If a neighbor, for example, prefers a glass of beer while you prefer iced tea, that's just two different ways of cooling off. It's all a matter of personal taste. And when you're tolerant of the other fellow's choice, you can be sure of "meeting" with friendship.

LANSING OBSERVER

By FRANK G. MORRIS

If the Republican party is to change from its underdog status in Michigan during the 1980's, a new leader must emerge with a clear program and the ability to sell it.

That statement is about as pungent as saying a husband cannot win a domestic argument without money.

But where in this puzzling era of split-ballot voting can the GOP find a talented patriot with ability to act on TV?

Because of his comparatively good race for the governorship this year, Paul D. Bagwell could become the figurehead of the party if it were not for two decisions, one by himself and the other by the voters.

The personal decision by Bagwell was that he will not again run for the office and will return to the faculty of Michigan State University.

The decision by the people was the re-election of conservative state legislators who believe the party must have positive direction back to old-fashioned thrift and common-sense service to everyone.

The election in Michigan widened the gulf between Republican conservatives and liberals in the same way the national voting created two distinct factions, one to be led in the future by Arizona's Senator Barry Goldwater and the other aligned to New York's Governor Rockefeller.

Michigan's legislators did not defeat Bagwell, as one Detroit newspaper charged. They worked as sincerely for a Republican sweep in Lansing as they worked for their own election.

The conservative lawmakers won, regaining control of the House of Representatives by the margin of one seat.

The state ticket lost for the seventh consecutive time.

At the two ends of the party organization today are Bagwell representing the liberals and Senator Carlton H. Morris of Kalamazoo representing the conservatives.

The new leader needed so desperatly for the welfare of our frustated state must be a moderate with personality and ability to bring the two factions together.

From the standpoint of government he must have a program that will be fair to the sick and the needy as well as to the taxpayers—and protect impartially both industry and the unions.

From the standpoint of politics, however, the first requirement is a personality that will attract the people like Eisenhower captured their imagination in two elections and governor Willims hypnotized them in six.

Veteran legislators this time will embark on this difficult search, instead of relying on the party organziation to produce a miracle man.

But watch especially the activity of the younger members like Senator John W. Fitzgerald of Grand Ledge, son of former Gov. Frank D. Fitzgerald; Senator-elect Farrell E. Roberts of Pontiac who is being elevated from the House and Senator-elect Milliken of Traverse City, son of the late Senator James T. Milliken.

Their importance will grow.

Lia Drenth, Exchange Student Shares Holland Christmas Traditions with Readers

By Fran Martin

"My first American Christmas . . . I haven't been this excited about Christmas since I was a little child" was the comment made recently by Charlevoix's foreign exchange student regarding her first major holiday in this country as well as her first away from her family.

She is Lia Drenth whose bright blue eyes sparkled as she spoke of the forthcoming holidays which she will enjoy at the home of Dr. and Mrs. Robert G Martin with whom she is spending the school year while attending the Charlevoix high school as a senior student. The daughter of Mr. Mrs. C. W. Drenth of Sneek in the province of Friesland in the north of Holland, she is here under the Youth for Understanding program sponsored by the Michigan Council of Churches.

"If I had been home, St. Nichols, or as you say, Santa Claus, would already have visited us for in Holland he comes on December 5 or 8" she explained. She went on to say that the legend of St. Nicholas dates back to the First Century when a good bishop traveled through the countryside on a white horse helping the poor and leaving candy for good little boys and girls. Just as Santa will visit the children here Saturday and give gifts of candy, so good St. Nicholas who, according to legend comes from Spain, visits the children in Holland. Wearing a long white robe similar to one worn by a bishop, a tall red cap and a flowing red cape, he rides through the streets on the white horse, accompanied by colored servants who throw candy to the children who gather along the street to view him as he visits the community early in December.

"Of coures, all children know that his helpers are listening at every chimney and if they aren't good they will find coal instead of candy in their shoes on St. Nicholas' Day", she continued.

Lia, a tall blonde who speaks with a charming accent, went on to say that this, too, is the day when the people of Holland exchange gifta though the giving is more or less confined to members of the family and dear friends.

Christmas Day itself is observed as a religious day with everyone attending church services and enjoying a family dinner. The day after Chritsmas, however, is set aside for visiting with every one calling on friends and enjoying tea, she continued.

New Year's Eve is another "family event", Lia said. I understand that in this country everyone gives or attends a party at someone's home. At home, she went on, New Year's Eve is the time when the family and a few friends gather to watch the New Year in.

As the clock strikes midnight however, the scene changes and every one rushes into the street to welcome in the New Year and to wish everyone a 'Happy New Year.' Children who have been awaiting the bewitching hour light their fireworks, mostly sparklers and small noisemakers, and the whole city takes on a holiday atmosphere. Later people return to their homes with their friends to drink a toast to the new year and enjoy refreshments.

Lia said the younger people usually gother at some pre-arranged place in the community to exchange good wishes and then return to join their families.

"So you can see why I am looking forward to your American Christmas. It sounds wonderful and I feel as though I can hordly wait. I know I won't be disappointed though I may be a little homesick for my parents and friends". Lia continued.

Winter complete with snow is another thing she is looking forward to. "In Holland we never have snow as you have here so I am looking forward to that and to an opportunity to ski. At home we must travel to Switzerland or other ski resorts to enjoy the sport. Here you have a ski slope neor home. I hope to apend a lot of time there this winter" she said.

Dr. and Mrs. Martin, their daughters, Ann, home from her studies at Northern Illinois Teachers College in Napierville. Ill., and Elaine, a high school student, and young Paul are putting forth every effort to make this a memorable Christmas and holiday season for the newest member of their family.

Columbia Foods Complete 1960 Canning Process

ELLSWORTH — Columbia Foods plant of Ellsworth has completed canning operations for the year, according to Henry Ruis, plant manager.

The plant began operations July 18th with the packing of red tart and dark sweet cherries and closed November 16th when the last carrots from local acreage were processed. The carrot crop wos the best it had been for several years.

During the four months packing season employment reached a peak of 240 and up to 100 tons of produce were processed daily.

Maintenance and shipping crews will be employed during the winter months to label and ship canned goods and overhaul machinery in preparation for next year's pack.

Charlevoix Co-op Holds Annual Business Meet

The Charlevoix Co-operative company did a gross business of $201,000 during the fiscal year ending August 31, Fred W. Willis, manager of the local store, told members who gathered at the community room of the city hall for the annual meeting Monday night.

This is an increase of 14 per cent over the previous year Mr. Willis added.

As a result of the good business year, the board of directors voted to pay a four per cent cash dividend on outstanding common and perferred stock and to retire $5,000 of the oldest outstanding stock of the corporation.

Four directors including one new diretor were elected at the business meeting for terms of two years each. Frank Sneathen was named to the board for the first time Rowley Williams, Carlton Smith and Joseph Stutzman were re-elected to the board.

Howard King of Lansing, store supervisor for Farm Bereau services, spoke on the financing of co-operatives on local, regional and state level and how patronage refunds are distributed

A social hour and refreshments followed the business session.

Plans Made to Open Mt. McSauba Ski Club for Season

Tentative plans for the opening of the Mt. McSauba Ski club for the 1960-61 winter season were made at a meeting of the Charlevoix-Mt. McSauba Recreation Corp. held Monday night at the Weathervane Lodge.

William Fochtman, president of the association which operates the ski resort, said that it was hoped the slopes would be opened before the holidays if the cold weather remained and the snow fall continued.

Plans were made for a feather party to be held at the K. of P. hall at 8. pm Monday for the benefit nf the park. Funds derived from the party will be used for improvements

Season tickets, which have been suggested as Christmas gifts, are now on sale and may be purchased from Charles Meier or from Ralph Gillam at the Weathervane lodge

Charles Meier will operate the ski slopes this season, Mr Fochtman announced

The anual meetig at which three held i January

Mr. and Mrs. Joseph Allard of Grand Rapids spent the weekend with relatives here.

Santa Claus Will Be in Town Sat.

A special communication from Santa's headquarters at the North Pole to the children of the Charlevoix area brings the news that he will pay a preholiday visit to the community on Saturday.

The message stated that he would arrive via air at the Charlevoix airport shortly before 2 p.m. and escorted into town by the Charlevoix fire department. This year plans have been made to clear the south side of Clinton st. between Bridge st. and East Park where Stanta will distribute gifts of candy and nuts to all the children in the area.

He will be assisted by Charlevoix's volunteer firemen.

Remember the time and date: 2 p.m. Saturday, Dec. 17, in East Park.

In the event of inclement weather, he will come directly to the fire hall.

Ambulance Service to Be Resumed Here

The Charlevoix area will again have its own ambulance service following an agreement between Robert W. Winchester of the Winchester Funeral Home and the Charlevoix city council.

Mr. Winchester announced earlier that he was giving up the service effective Nov. 15.

At that time the Petoskey Ambulance Service agreed to serve the community.

After several informatl conferences, Mr. Winchester agreed to continue the service if he could expect assistance in the way of personnel when needed from the city. The city agreed to this and as a result this community again has its own ambulance service

Abandon Efforts To Save Grounded Ocean Freighter

The Roen Steamship Co. of Sturgeon Bay, Wis., Saturday abandoned efforts to save the freighter, Francisco Morazan, which is being battered on the rocks of South Manitou island as gale winds continued to strike the area.

The 38-year old ocean-going vessel went aground on the island the eve. of Nov. 29 while enroute from Chicago to Rotterdam via the St. Lawrence Seaway with a 900 ton general cargoes in its holds. The ship was racing against time when the seaway was to be closed when it went aground.

Rayders Rack Up Victory Over Harbor Springs

The Charlevoix Rayders racked up a 51 to 41 victory over the Harbor Springs Rams Tuesday night for a record of two wins and one loss going into Friday's game with Gaylord.

The game with Gaylord here Friday will mark the last appearence of the Rayders until their traditional holiday meeting with the Petoskey Northmen Dec. 30.

Starting for the Rayders Tuesday were Sam Supernaw, John Pearl, George Majors, Gary Spencer and Stan Martin. Don Nowland and Tom Martin joined the action in the seond period; Henry Wagner in the third and Dan Pearl, Barry Pierce and Perry Smith in the final quarter. Jim Dennis, who has been starting regularly, was benched because of illness.

The Rayders jumped into a 16 to 9 first period advantages; increased it to 30 to 23 at halftime and 44 to 29 going into the final period when the line-up hanged often.

Charlevoix outscored the Rams 19 to 18 in the field goal department while hitting on 13 of 27 throw attempts and collecting 16 personal fouls. Harbor Springs connected on nine of 20 free throw attempts and had 20 personal fouls.

Three Rayders hit double figures in the game. Supernaw scored 17. Stan Martin 11 and John Pearl 10. Fank Lauer had 13 for the Rams.

Mrs. Badger, Third Grade Teacher Dies Sunday at Hospital

Mrs. Dorothea Badger, third grade teacher in the Charlevoix public school since 1947, died Sunday at the Charlevoix hospital where she had been a patient for 10 weeks.

Funeral services were held Wednesday at the Winchester Funeral Home with the Rev. Harold E. Kohn officiating. Buriol was in Brookside cemetery.

Born in Springport Michigan, Sept. 11 1901 the former Dorothea Geiger was graduated from the Battle Creek high school in 1919 and later attended Oberlin college and Albion college. Following World War 11 she returned to Eastern Michigan University where she was awarded a B. A. degree in 1948. Later she did graduate work at the University of Michigan. She had been a member of the faculty of the Charlevoix public school since 1947, having come here from Ann Arbor. In recent years she taught puppetry to youngsters during the summer months. She was a member of the First Congregational church.

Surviving are a son, William of Adrian; a daughter, Rebecca, who teaches in Birmingham and three grandchildren.

The family has asked that those wishing to honor Mrs. Badger's memory make a contribution to the American Cancer Society in her name.

Issue Warning Not to Molest Yule Decorations

Please, when people take the time and expense to decorate their places of business and homes for the holidays, won't you enjoy the decorations instead of destroying them is the plea issued this week by merchants and residents of the community.

A number of these people have been hesitant to again decorate trees in front of their places of business or their homes because a few youngsters, bent on destruction, have removed bulbs and broken them on the sidewalk 'just to haar them pop'.

Parents are asked to warn their youngsters regarding this wanton destruction of property.

One householder who decorated a hedge with dozens colored of lights lost a total of 35 outoor bulba, a costly project. As a result he does not feel that he ean offord, at this rate, to decorate his home again this year. Others hove the same feeling. As a result, more and more persons are reluctant to spend the time and money on decorations only to have them destroyed.

Community Churches Announce Special Christmas Services

As Christmas draws near, plans for special services held in observance of the birthday of Christ are being made by pastors and priests.

Special Sunday school programs are also being planned in honor of the birth of the Christ Child in Bethlehem.

First Congregational Church

The First Congregational church is prepating the way in atmosphere and program for the celebration of the coming of the Christ Child. Symbols of the season, evergreen boughs; Christmas trees, candles and an original painting above the altar form a reverence - inspiring background for the retelling of the Christmas story.

At the 11 a.m. service Sunday, the beautiful Christmas Sunday morning worship service will be held. Christmas music will be played by the organist, Mrs. Charles Bellinger; the Senior and Cherub choirs will sing Christmas anthems and the congregation will unite in singing the best-loved carols.

The Rev. Harold E. Kohn will present a Christmas sermon he has entitled " What a Difference a Day Makes".

The church school, meeting at 9:45 a.m., will study the Christmas Bible lesson.

The Church school Christmas program will be presented at 7 p.m. Sunday. The play "The World is in Bethlehem" and favorite carols will highlight festivities. Sant Caus, with candy for the children, will make an appearance at the close of the program.

At 11 p.m. Christmas Eve the inspiring Christmos Eve candlelight service will be held at the church.

Favorite carols will be sung by the congregation, passages of Scripture telling of the birth of the Prince of Peace will be read and, Christmas anthems will be sung by the the choirs under the direction of C. A. Odmark.

The Rev Harold E. Kohn will present a brief Christmas Eve meditation entitled "The Tinsel and the Hay". The service will close near midnight with the service of the lights when the sanctuary will be softly illuminated with candles while the choirs sing the closing anthem.

Mr. Odmark directs the Youth and Senior choirs and Mrs. E. D. Hawley the Cherubs choir. Mrs. Robert Hamilton and Miss Katherine Fitch are in charge of the Church school program. The ministers are Rev. Kohn and Rev. James P. Sherman.

Community Church of God

The Missionary Aid Society of the Community Church of God will open the Christmas season at the church by joining in a worldwide prayer vigil being conducted by the Church of God National Missionary Organization. The prayer vigil will be held today (Thusday) from 10 until 10:30 a.m. as part of a chain of prayer around the world.

A business meeting and cooperative luncheon meeting will followed by the Christmas party and gift exchange.

The young people of the church will present their Christmas play entitled " Tidings of Peace" at 7:30 p.m. Sunday. The program will be under the direction of Mr. and Mrs. Glen Bearss.

The Sunday school will present its annual Christmas program at 7:30 p.m. Thursday under the direction of Mrs. William Kerr.

The children will receive a treat at the close of the program.

First Methodist Church

The 11 a.m worship service Sunday, Christmas Day, will be devoted to the Christmas story

The Sunday school of the First Methodist church will observe Christmas at the hour of 9:45 a.m. Sunday with the showing of the film, "Joy to the World". Santa Claus will pay a visit to the Sunday school at the close of the program.

The choir of the church will present the Christmas cantata, "Child of Heaven" by Roger C. Wilson at the 11 a.m. worship service Sunday.

On Christmas Sunday the worship service will be devoted to the Christmas story and special Christmas anthems will be sung.

Activities in the church are ing and redecorating project now limited because of the remodelunder way.

Adventures in Understanding

Notes from a northerner's diary

By Harold E. Kohn

Bank The Fires Of Your Heart

Now high above the white wintry innocence hangs a wispy banner here and there, a brave little flag of smoke fluttering over northern cottages, witnessing to man's resistance against a fierce onslaught of cold. At the earthward end of the banner frolics a fire, the magic that since prehistoric days has kept coldness, man's greatly feared enemy, at bay.

As I write, the thermometer just outside our window reads nine degrees above zero, and a few hours ago it was only two degrees above. Still, inside this cottage the air is warm. We remain comfortable because long ago man learned to gather the stored-up sunshine of good days, as it is found preserved in wood, coal and fuel oil, and discovered how to release the imprisoned heat and light by ignition and how to keep the fire alive.

Our forefathers mastered the skills of preserving a fire. Before retiring at night they were careful to bank fire in the fireplace, the kitchen range and the round oak stove so that during the night it would not burn itself to the point of exhaustion. Then when morning came the ashes were stirred with a poker, the glowing coals were fanned into flame, and more fuel was added. Our ancestors knew how to make use of the sunshine stored in fuel and how to bank a fire, preserving its afterglow and using it to warm them in hours and days to come.

Is there any way that we can similiarly bank the fires of the heart? Can we preserve the richness our best hours so that their warmth and glow can be felt long after the monent of lumination? In particular, is there someway we can retain the afterglow of good feeling that flames within us now at Christmastide so that in days to come, between this Christmas and the next, the coals can be stirred to warm our world once more? It can be done. The shepherds conserved the wonder and reverence of the First Christmas. The Gospel of Saint Luke says of the shepherds, "And when they had seen it"—the Babe—"they made known abroad the saying which was told them concerning this child. And all they that heard it wondered at those things which were told them by the shepherds." In the days that followed, the shepherds relived the monents spent at the manger, frequently poking up the embers of fading memories until the whole experience flamed once more and warmed their world. Mary, too, banked the flickering glories, the glowing reverence, and the smoldering wonder. Again and again she stirred the live coals and added fuel. "Mary kept all these things, and pondered them in her heart."

Our lives would be infinitely better all year long, warmer, more cheerful and as joyous as the dancing flames of a hearth fire if we could retain the afterglow of Christmas into the weeks ahead. At Christmas we are reminded that Christ is Emmanuel, "God with us," and a heightened God- awareness is part of any meaningful celebration of this Holy Day. Again, we remeber how King Herod's forces were arrayed against the Infant, but to no avail. It is the Christ Child's birth we now celebrate, and not Herod's. How fragile are the fame and might of the world's great ones and how mighty is the power of God's frail One! moreover, at Christmas we see how darkness and light, trouble and revelation belong to each other, and that Wise men, then and now, look for God's light in the darkness, and they follow it. Christmas rekindles our awareness of these matters and many more.

But there is one particular Christmas attitude I hope many will take from this festival and preserve the afterglow of it throughout their lives. The shepherds and the Wise men illustrate it. Shepherds came to the manger, giving reverence and homage to the Babe, and Wise Men, bearing gifts of gold and frankincense and myrrh—and love—all giving freely and asking nothing, or even for a blessing from the Christ. They came to give and not to get. That is essentially a Christmas attitude wherever it is found, in southern Palestine or Northern Michigan. Have you noticed the change in your Christmases as you have grown older: once when you were very small the anticipation of Christmas was connected with what you hoped to get for Christmas. You wrote to Santa Claus, or you expressed a wish to your parents and grandparents, but you were little concerned with what you would give. But, as you matured, less thought was given to what you wanted for Christmas and more to what you could do for others. Christmas, then finds us where we ought to be all along, aflame with the spirit of giving. Can we retain the afterglow of this Christmas spirit? Is there some way of banking our hearts' warmth so that next month it can be stirred, and fuel can be added, and it will blaze once more in a cold world.

We can sustain and stir the spirit of Christmas until Christmas comes again. Let us suppose that all of us resolved that every evening before retiring we should ask ourselves one direct question and unflinchingly answer it—"Have I this day given to the world more good than I have taken from it?" What a difference that would make! And each morning we would stir the thought once more—"How might I this day give to the world more good than I get from it?"

People will have to try to understand me. I shall receive understanding. Let me be sure to give more than I get.

I may blunder and fumble, and in spite of my good intentions I may hurt somone. Some people may find it necessary to be forgiving. May I forgive more than I am forgiven.

People whom I have never seen and whom I can never know have harvested food for my meals. In distant parts of the globe men, women and children of many races and religions other than my own toil and sweat and die that I might have food and clothing and security. They have never received my thanks and know nothing about my appreciation. They never will. May I gladly toil for the good of others, not caring whether credit or thanks come my way.

Such self-examination stirs up the Christmas spirit of giving. Christ did not stay in Bethlehem. He was taken by Joseph and Mary into Egypt and then to Nazareth, and, when grown, He walked many roads and paths of the Holy Land. When the days of His flesh were over His Spirit spread throughout the world. We must not try to return Him to Bethlehem and confine Him to a manger, nor should we confine the Christmas spirit to Christmas Day.

Bank the Christmas fires. Stir them. Add fuel to them daily. Every day the whole year through the world needs their warmth.

New F M Radio Station To Be On The Air Next Summer

The frequency modulation (FM) radio station in northern Lower Michigan will be placed on the air next summer by Fetzer Television Inc., present operator of station WWTV on Channel 13 in Cadillac.

The new station will have its transmitting antenna on the company's television antenna tower southeast of Cadillac and its signal will reach out effectively nearly 100 miles in all directions.

Fetzer Television's new FM station will broadcast on a frequency of 92.9 megacycles (Channel 225) with an effective radiated power of 100,000 watts. It will be affiliated with the CBS radio network and its programming will consist principally of popular and classical music plus regular news broadcasts.

"Dear Santa . ."

All over Amreica, boys and girls are eagerly awaiting the coming of Christmas . . . looking forward to the toys for which they've asked in their letter to Santa. It's a big job for Santa—keeping all these boys and girls happy—but he has a big helper in the trucking industry. The hundreds of thousands of trucks and trailers that all year long bring Americans everything they eat, wear, or use are kept extra busy at Christmastime .From factory to showcase to Santa's pack, the toys and other gifts that bring so many happy smiles on Christmas morning depend on trucks to get where they're going . . Elementary School Students to Present Christmas Program Tuesday

The annual Christmas program featuring more than 500 Charlevoix elementary school students will be presented at the Charlevoix high school auditorium at 2:30 p.m. Tuesday, Glenn B Snider has announced.

A cordial invitation is extended to parents and friends to attend the traditional program which will again be opened by the Kindergarten Rhythm band playing and singing "Thirty-two Feet and Eight Little Tails of White" and "Santa Claus Is Coming to Town". Directed by Mrs. Dorothy McRae and Mrs. Colleen Wright and accompanied by Judy Ikens, this group can be expected to live up to its reputation of being the 'hit of the show'.

A fourth grade dance group will then present an original dance, conceived and directed by Mrs. Geraldine Goss. This group which will dance to the popular "Suzy Snowflakes" will include Cheryl Kenney, Jean Mutz, Dena VerWys, Julie Hill, Patty Cross Barbara Smith, Kay Lewis, Becky Hiller, Lori Goss, Kathy Klooster, Debby Crandall, Lynn Weidman, Judy Potter, Betsy Johnson, Ann Willis and Sharon Olson.

Following the presentation of these two numbers, a tableau "The Quiet Chrstmas" will be presented. This year's performance will feature a choral reading choir trained and directed by Mrs. Helen Richards. This group will recite lines of poetry and the Christmas story in unison, a very effective and unusual type of presentation.

Music for the narrative will be provided by the Early Elementary Chorus and the Later Elementary Chorus, each composed of 250 voices, singing appropriate carols. The tableau scene will be a feature of the stage background. The choral groups will be directed by Mrs. Frieda Novotny and C. A. Odmark with Mrs Leonard Burns as the accompanist

Members of the speaking chorus are Erin Arvilla, Jeanne Bergmamn, Kathleen Gill, Nancy Hoffman, Kristine Lieberman, Beth Lyons, Nancy Neff, Virginia Ochs, Donna Opel, Janet Pease, Robert Sneathen, Doyle Warner, Jerome Kimble, Ellen Arvilla, Susan Grain, Linda Curtis, Nancy Green, Lenore Livingston, Larry Martin, Barbara Meggison, Joy Ann Pierce, John Schmidt, Patty Skelton and Rebecca Gallagher.

Ceremony Marks Investiture Of Girl Scout Leaders

Four Charlevoix Girl Scout leaders and three from Ellsworth were among the 20 from the area who were invested as Girl Scout leaders at an impressive investiture ceremony held Monday evening at the close of a 16-hour Girl Scout leader training course conducted by the Charlevoix and Petoskey Girl Scout Councils.

Mra. Eugene Bergmann, Mrs. Elden Telgenhof, Mrs. Leland Warner and Mrs. Gordon Walgomatt received their leader pins from Mrs. Robert O. Bergmann, president of the Charlevoix Girl Scout Council

Ellsworth residents who took the course in preparation for starting a council there next year were Mrs Chester Farrell, Mrs. Al Taylor and Mrs. Loren F. Hulsizer.

Others were from Petoskey, Boyne City, East Jordan and Bay Shore.

The training course was taught by Mrs. Lloyd Arnold of the local council and Mrs. George Malloy and Mrs Edward Bielas of the Petoskey council.

A series of special training sessions will be held in January and later in the spring, Mrs. Arnold, training chairman said. These will be related to crafts, camping skills snd outdoor lore.

Local Druggists Host NMRA Meet

Charlevoix pharmacists were hosts to the regular monthly meeting of the Northern Michigan Pharmaceutical Association held at the Masonic Temple Thursday evening.

Thirty members and guests from Harbor Springs, Petoskey, Boyne City, East Jordan and Charlevoix gathered at the meeting at which Stephen Spencer of Petoskey presided as president. John Schroeder is vice president of the group.

Pharmacists from Bellaire, Mancelona and Central Lake were invited to attend as guests of the association.

Robert Johnson of Lansing representing the Michigan State Pharmaceutical Assoication, was the guest speaker and talked on new pharmacy laws and on fair trade.

A social hour with Harley Ochs and Franklin Ochs of Central Drug and Mr. Schroeder and David Fowler and their respective wives as hosts followed.

County Clerks and Supervisors to Meet In Traverse City

LANSING OBSERVER

By FRANK G. MORRIS

Any number of issues could make the 1961-02 session of the Michigan Legislature the liveliest in years. Perhaps three stand out above the others.

From where in the state to elect the extra congressman Michigan became entitled to after the 1960 census.

What to do about the overall tax muddle?

Provisions to bring about a constitutional convention if one is approved by voters at the spring election.

Add to these the routine and recurrent problems such as appropriations and pork-barrel legislation and you have the makings of a session that could outdo the year-long "cash crisis" session of 1959 for fireworks.

—†—

Both Republicans and Democrats, of course, want the new congress to be of their political faith.

Because of Michigan's rural-urban split, the area which is given the right to elect the new congressman will pretty much determine what party he represents. Either party can make a pretty good case for at least one or two areas where it is stronger.

One obvious solution would be to split one of the highly populous areas of Wayne county. That would almost certainly give the seat to the Democrats.

—†—

Two other suggestions affecting southeast Michigan although not Wayne county would very possibly result in Republicans claiming the seat for one of their members. One plan would detach Macomb county from the Seventh district, which also stretches up into the thumb.

Democrat James G. O'Hara of Utica holds this seat, and while he would probaby hold the new Macomb county seat, a Republican would have an excellent chance in the newly created district.

—†—

The other suggestion calls for division of populous Oakland county, presently represented by Republican William S. Broomfield, into two parts.

While Democrats would stand a fairly good chance of electing a representative from a divided 16th, Republicans would almost certainly retain Broomfield and it seems likely a second congressman of his party would be swept into office with him.

Theoretically, each congressman should represent the same number of people.

—†—

Many Democrats insist that some of the spacious but sparsey populated congressional districts of northern Michigan, now all represented in Washington by Republicans, should be consolidated.

With the GOP dominating the senate and holding a one-seat edge in the state house of representatives, this is unlikely.

There is a possibility that a complete redistricting could be attempted to bring populations into line with each other among the districts. However, Republicans don't want to lose any of their 11 seats and would like to gain another. Democrats will insist they are entitled to their seven seats and should get the new one.

—†—

Another Problem that could lead to bitter wrangling - - - both inter-party and intra-party - - is taxes.

Though a problem nearly every year, revenue for the state will be even more pressing in the upcoming session because of the aftermath of the cash crisis.

Voting a penny hike in the sales tax as approved by the people could make little difference in the legislative tax squabble.

—†—

White Republicans may hold out for the four-cent sales tax nothing else, there is considerable agitation among members of both parties to carry out total tax revision aimed at making the budren of paying for government fall equitably.

If the tax picture is touched up, the sales tax will still be the focus of attention.

Any adjustments would be made in the subsidiary and auxiliary taxes which art imposed on sperial groups or sperial types of transactions. This would mean special interest forces would fight hard for advantage.

—†—

CON-CON PROBLEMS can be expected to haunt lawmakers for some time to come.

Not only must they provide for the means of selecting the delegates to a Con-Con, they must make provision for a place to hold one and vote the money to pay for it—estimated at better than $2 million.

The thorny question of whether to nominate candidates for Con-Con delegates in party convention, party primary or non-partisan paimary could by itself be dynamite.

Recalcitrant lawmakers could, by dragging their feet,put a serious hitch in Con-Con plans even if voters give quick approval right down the line.

Masons to Install Officers at Open Ceremony Saturday

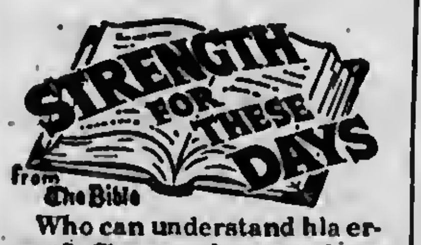
DON'T WASTE YOUR ....
SONGS ON DEAF EARS ....

There's a song in every heart! Most of us feel that we could write a hit song. All we need is the market.

Many advertisements currently running in various publications, offer to take lyrics composed by amateur composers, set them to music and sell them, according to State Attorney General Paul L. Adams. The would-be composer is assured that the world has a great need for his lyrics, and that if he will send in a payment to cover the cost of finding a suitable melody and get it to the market, he will reap much profit. Take care, friends, lest the song turn to discord!

Investigation by the attorney general's office shows that of the many who send in their lyrics and their payments, most never hear of a sale being made. If they hear from the "musician" at all, it is a request for more money.

Save your money and your lyrics. Don't waste them on mail-order conmen.



Who can understand his errors? Cleanse thou me from secret faults.—(Psalm 19:12)

It is easy enough to see the faults of other people, difficult to recognize our own When we notice traits we do not like in others, should we not prayerfully examine ourselves to discover whether we, too, are guilty of the same faults?

Boyne City and Grayling Share League Lead

The Grayling Vikings continued to share the league lead with Boyne City by dumping the East Jordan Red Devils 63 to 50 on the latter's floor Tuesday night.

The league leaders will pair off Friday night on the Viking hardwoods to decide which of the two teams is to have sole possession of the top spot in loop standings.

In Tuesday's game Frank Gross scored 18 points, Tim Neal 17 and Tom Wright 14 as the Vikings to 23 and 52 to 33 by quarters. led the Red Devils 14 to 12; 32

Louis Kraemer paced the game with 22 points for the Jordanites who were without the services of their big center, Pete Knudsen, who was sidelined with the flu. Bill Cox had 14 points for the Red Devils.

George A. LaBlance To Cast Electoral Ballot Monday

George A. L. LaBlance, who operates his own insurance agency here, will be among the 20 members of the electoral college who will cast their ballots for the president of the United States in Lansing Monday.

The electors who usually get the honor as a reward for working for their party are free legally to vote for anyone they want for the offices of President and Vice President.

The members of the electoral college were named at the Democratic State convention in Grand Rapids in August.

Mr. LaBlance, who has served as area coordinator for the Democratic party in northern Michigan, has been active in county politics and as a member of the Business and Professional Division of the party.

Mrs. LaBlance will accompany her husband to Lansing for the electoral college vote.

The branch office of the Secretary of State which they operate here will be closed Monday and Tuesday in their absence.

Francis Partridge To be Ordained To Priesthood

Francis C. Partridge, a member of St. Mary's parish here, will be ordained a priest of the Holy Roman Catholic Church at the North American College in Rome Sunday

The announcement of Mr. Partridge's ordination to the holy priesthood has been made by His Excellency, the Most Reverend Martin J. O'Connor, Titular Archbishop of Laodicea in Syria and Rector of the Pontifical North American College in Rome.

The ordination ceremony will be held at the College Chapel of the Immaculate Conception Sunday, December 18.

Mr. Partridge, son of Mrs. Francis C. Partridge Sr. and the late Mr. Partridge, is the first member of St. Mary's parish to be ordained into the priesthood.

Mr. Partridge. was named to study at the North American College in 1957 by His Excellency, the Most Reverend Allen J. Babcock, Bishop of the Grand Rapids Diocese, after he had completed his studies at St. Jerome's Seminary in Kitchner, Ont. He will return to the Grand Rapids Diocese in July.

A native of Charlevoix, Mr. Partridge is a graduate of the Charlevoix high school and Aquina College in Grand Rapids. Later he received an M.A. Degree in Library Sciene from the University of Michigan. He taught in the high shool of the Beaver Island Community School for two years before leaving the teaching profession to study for the priesthood.

Schools Close Wed. For Holidays

The Charlevoix public schools and St. Mary's parochial school will close Wednesday at 2:30 p.m. for the annual Christmas recess.

Classes will be resumed at the usual hour on Tuesday, Jan. 3

Yule Program to Be Featured at H. S. Assembly Wed.

Christmas will be observed by the Charlevoix high school student body at a special program to be presented at the high school auditorium at 1:30 a.m. Wednesday, H. E. Bingham, high school principal, has announced.

While the program is planned as an assembly program, parents and friends of the school are invited to attend.

The Rev. James P. Sherman, associate pastor of the First Congregational church, will give a short talk entitled "A Christmas Message" as a feature of the holiday program.

Also appearing on the program will be the Charlevoix high school girls' glee club and the senior band.

Yuletide selections including "Shepherds Awake!", by Davis; "Jesn Bambino" by Yon; "Patapan", a Bergundian carol by Wilson and "The Lord is My Shepherd", an adoption of the 23 rd Psalm by Fran Schubert will be presented by the girls glee club who will close the vocal section of the program with Pierpont's traditional "Jingle Bells".

A group of Christmas numbers including "The Christmas Rhapsody" by Long; portions of "The Christmas Suite"by Walters and several of the lighter Christmas tunes, "Winter Wonderland", Frosty the Snowman" and White Christmas" will be played by the Charlevoix high school band to conclude the special assembly program.

Both the girls glee club and the band will appear under the direction of C. A. Odmark. Mrs. Leonard Burns will accompany the vocal group.

Everyone is cordially invited to attend this student observance of the Christmas holiday at 10:30 a.m. Wednesday at the high school auditorium.

Little Rayders Edge Harbor With Narrow Margin

Charlevoix's Little Rayders edged the Harbor Springs Reserves 25 to 22 in a game in which a total of only 13 field goals were scored.

The Rayders went ahead 11 to 3 at the quarter but were outscored in the second period as the Rames trimmed their margin to 17 to 13 at halftime. In the third period the Rayders scored three field goals to remain ahead 23 to 18 before going into the final period when they scored on one field goal as the Rams cut the winning margin to three points.

Pete Ance had eight points for the victors followed by Brendon LaBlance and Bruce Murray with seven points each. Gary Balch had two and Frank Curtis one. Others who saw actions were Bruce Kroken and Gary Stutzman. Ranney paced the game with 10 points for the Rams.

Churches to held Yule Services

Charlevoix IN UNIFORM

Corporal Charles R. Pierce was chosen soldier of the month for December at Fort Gordon, Ga. for his outstanding military qualities in performance of duty, courtesy, bearing and appearance.

He was presented with the Soldier of the Month award by Brig Gen. H. M. Hobson, commanding general, in a ceremony Dec. 1.

Cpl. Pierce has been in the Army and at Fort Gordon for the past two years. He is an instructor, NCO Academy, Post Schools, where has been assigned since July. Prior to his enlistment in the Army, he served two years with the Marine Corps.

A native of Charlevoix, he is the son of Mrs. Doris Pierce. He is a 1956 graduate of the Charlevoix high school. He is married to the former Judith Pearce of Flonia, Iowa. They have two daughters, Theaesa, 11 months and Loric, three weeks.

* * *

Pfc. Glenn C. Mayhew, serving in Korea with the I Corps, recently participated with other personnel with the 51st. Signal Battalion in Operation Snow Tiger, an 1 Corps command post exercise.

The exercise was planned to test the doctrines and procedures which would be used in the employment of nuclear weapons in the field.

A mechanic in the battalion's Headquarter company, he entered the army in June 1959 following his graduation from the East Jordan high school, completed basic training at Fort Leonard Wood, Mo., and arrived overseas the following November. He is the son of Mr. and Mrs. Clifford W. Mayhew of East Jordan and the grandson of Mrs. Harvey O'Brien of this city.

Richard G. Goike, SN, until recently stationed at the Naval Air Station, Brunswick, Ga., was among the 25 men of exceptionally outstanding in dress and posture at the CIC school at the base.

The men were written up on the spirit at the personnel inspection held recently by the Commanding Officer of the School.

The names of the men were then dropped in a box and shuffled thoroughly. Two names were drawn at random. Seaman Goike's was one of the two lucky men. Lucky for their exceptionally outstanding uniforms and posture at inspection won them each a ticket plus expenses to the annual football game at the Gator Bowl in Jacksonville, Fla.

The son of Mr. and Mrs. George Goike, Seaman Goike has since been transferred to duty aboard the destroyer Ingram stationed at Mayport, Fla., and will leave early in January for sea duty.

James R. Browe AB has been transferred from Lackland Air Force Base, Tex., following the completion of basic training to Keesler AFB, Miss., where he has the following new address: AF 1685 8473 3380th Tech. School. Keesler AFB, Miss.

He is the son of Mr. and Mrs. Ted Browe.

Ellsworth News

By Mrs. John Osterbaan

John's Health Center was a busy place Saturday as Elsie the cow and the Borden man were on hand to introduce Borden's Ice Cream and to hand out prizes. Jerry Klooster, son of Mr. and Mrs. Versile Klooster drew lucky names for the adults. Mrs. Neil Kruse won first prize, second prize went to Mrs. Fred Van Stedum and third prize to Mrs. Cyrus Goeman. Shirley Jo Drenth, daughter of Mr. and Mrs. Arthur Drenth drew lucky names for the children. Gordon Harthorn won a dart game, Beth Ann Drenth brick blocks and dolls were won by Artis Drenth, Garry De Vries and Jerry Alward. All children recived balloons.

Wesley Shooks was in Grand Rapids Tuesday and found his mother, Mrs. Tillie Shooks much improved.

Mr. and Mrs. Lloyd Reibel were called to Royal Oak by the death of his sisters' husband.

Mr. and Mrs. Leo Waffle and children had Sunday dinner at the Verd Lamberts home and they all went to Bellaire and had supper at the L. Lambert home.

For out of towners information the lake is now frozen but not much snow. The village is all decked out in bright holiday trimmings. Christmas teas and parties are the order of the day.

Members of the Ellsworth Extension club attending the Christmas tea in Bellaire last week were the Mrs. Fred Denny, Maud Patterson, Gordon Reeves, John Tillotson and Mrs. Peter Weiland.

Mr. and Mrs. Robert Van Hoven (Charlene) spent a few days last week with her parents, Mr. and Mrs. Bernie DeYoung enroute to Fort Lewis, Washington.

Mr. and Mrs. Harm Fielstra and Albert Fielstra spent the weekend in Grand Rapids.

The Public School Christmas program will be given on the 20th of Dec. at 8:15 the regular P.T.A. meeting date. The Ebenezer Christian school program will be given in the Ellsworth Christian Reformed Church 8:00 p.m., Dec. 22.

Mr. and Mrs. Darwin Orcutt attended the funeral of his father Saturday held at the Karr Funeral Home in Onaway. Burial was at Williamburg.

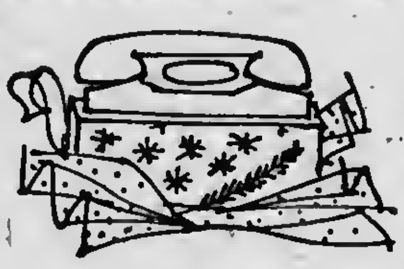
telephone lines

By LES JOHNSON, *Manager*

IF YOUR CLUB, church or civic group is planning a program, we'd like to remind you that there are more than thirty top-notch movies available for your use from Michigan Bell. Most are in color, and cover a range of subjects wide enough to entertain almost any group. There is no charge for using them. An attractive 14-page booklet describing these films is available from your Bell Telephone Business Office. Drop by, or call, and we'll see that you get one.

PROMISE A PRINCESS to someone you treasure this Christmas. A Princess phone, that is—the new *little* extension phone that goes anywhere, and goes beautifully. Put it down on your Christmas list today—for Dad in his den, for Mom in the kitchen, for the children in their bedrooms. Just call your telephone Business Office and we'll make all the arrangements for you.



A VERY MERRY CHRISTMAS to you from all of us at Michigan Bell. We've enjoyed serving you this year—and we all look forward to bringing you ever-improving telephone service in the years to come.

. . .and, of course,
A HAPPY NEW YEAR!

How Do You Know Your Business Is Really Covered By The Right Insurance?

You don't—unless you insure through an independent insurance agent. Here's why: **No single insurance company offers every type of business insurance.**

If you buy directly from an insurance company, you'll hear only about the policies that company offers. But as independent insurance agents, we give you this extra service at no extra charge: 1. We survey your plant or working site. 2. We suggest ways to reduce the premiums you pay. 3. We determine your insurance needs. 4. We choose for you the best insurance for your business out of hundreds of policies offered by different, competing companies.

You can be sure your business has the right insurance coverage when you insure through an independent insurance agent. Look for this Big "I" Seal when you buy insurance. To display it, we have had to meet professional standards designed to protect you.

Ministers Hear Rev. Geo. Dominic T.C.S.H. Chaplain

The Charlevoix Ministerial Association joined the Petoskey Ministerial Association in a joint meeting at the First Christian church in Petoskey to hear George Dominic, chaplain at the Traverse City State Hospital.

The Rev. Mr. Dominic spoke on the needs of the hospital and said there was a great need for spiritual assistance through pastoral visitations. He went on to say that understanding and love were the major needs of the patients confined to the hospital which, at the present time, house more than 3,200 persons ranging in age from eight years to 90 years.

He also spoke on tentative plans for a workshop for ministers and priests of the area to help in establishing a regular visitation program.

Following the joint meeting, the Charlevoix group convened at a Petoskey restaurant for a luncheon meeting with the Rev. George L. Majors, president of the group, presiding.

During the meeting Rev. Majors reported that more than half a ton of good used clothing was contributed through Charlevoix churches during the recent clothing drive. It has been sorted, packed and shipped to headquarters in Indiana where it will then be routed overseas for distribution. Funds totaling approximately $80.00 contributed at the Union Thanksgiving service accompanied the clothing. This was possible after the Sunday school department of the First Congregational church underwrote the cost of shipping the clothing.

Charlevoix Rayders Bow to Mancelona

In a game marked by personal fouls, the Charlevoix Rayders bowed to the Mancelona Ironmen 55 to 45 as the Ironmen moved into the win column for tbe first time this season.

The Charlevoix five got off to a slow start, trailing 16 to 9 at the end of the quarter and though they came back later in the game, failed to make up the deficit as they continued to trail 29 to 23 at halftime and 43 to 33 going into the final period.

Starting for the Rayders were Sam Supernaw and Jim Dennis in the forward slots, Tom Martin at center and Don Nowland and Stan Martin in the guard positions. Henry Wagner, John Pearl and Barry Pierce joined the action early in the game; Dan Pearl entered the line-up in the second period with Gary Spencer, Perry Smith and Terry DeYoung seeing actioo in the final period. Missing from the line-up was George Majors who has been out with a throat infection.

Mancelona made 27 of its 55 points from the free throw line where the Ironmen connected on 60 per cent of their free throw attempts as the Rayders had 30 personal fouls called on them. The Rayders hit on 21 of 35 attempts. Mancelona had 23 personal fouls.

The Ironmen jumped into a 18 to 9 first period lead on four field goals and eight free throws while Charlevoix had nine points on five points including a field goal and three free throws by John Pearl, a field goal by Stan Martin and a free throw by Pierce.

In the sceond period the Rayders outscored the Ironment 14 to 13 on four point each by Wagner and J. Pearl, three by Dennis and a field goal each by S. Martin and Pierce. Mancelona had three field goals and seven charity shots to lead 29 to 23 at halftime.

As the game went into the second half Supernaw and T. Martin hit on two buckets each and Pierce, added a free throw for 10 points. Mancelona connected for five field goals and scored four points from the key to increase their lead to 43 to 33 as the game went into the final period.

Both teams scored 12 points in the final perlod but the Rayders' efforts were not enough to put them ahead. S. Martin scored five points, all from the free throw line before leaving the game with five personal fouls, Supernaw added three from the key, Dennis and J. Pearl hit on one bucket each from the floor and T. Martin added one gift shot. Dennls also collected his fifth personal foul and went to the bench.

Mancelona had two field goals and eight free throws in the final period.

Walt Klein and Denny LaCroix paced the scoring with 14 points each for the winning cause. John Pearl had 11 for the Rayders.

Rayders to Play Dist. Tournament In Petoskey

The Charlevoix Rayders are among the five Class C teams assigned to the District Basketball tournament to be held at Petoskey March 7 through 11.

Other teams assigned to the same tourney include Boyne City, Harbor Springs, Pellston and Cheboygan Catholic Central. This is the first year the latter will participate in the Petoskey district meeting.

Seven Class D teams have also been assigned to this tournament. They include Alanson, Boyne Falls, Central Lake, Ellsworth, Inland Lakes of Indian River Mackinaw City and Petoskey St. Francis.

Petoskey will also be the site of the regional tournament scheduled for March 15 through 18. Scheduled to appear in the tourney will be the winners of district tournaments at Grayling, Traverse City, Frankfort, Gaylord and Petoskey.

Class D district champions will be assigned to regional tourneys to be held at Traverse City and Cheboygan.

Rayder Sam Supernaw goes up for a rebound in the Charlevoix- Mancelona game Friday night, won by the Ironmen by a score of 55 to 45.

Waiting for their team mate to come down with the ball are Jim Dennis (25) and Tom Martin (55) while three Mancelona cagemen cover the play.

Rayder Reserves Rack Up 46 to 30 To Defeat Mancelona

Charlevoix's little Rayders made it two in a row as they reaked up the Mancelona Reserves, 46 to 30 Friday night.

In the meeting, the Rayders led 5 to 3 at the quarter before going ahead 17 to 14 at halftime and increasing their advantage to 28 to 19 going into the final period.

Brendon LaBlance, Pete Ance, Bruce Murray, Frank Curtis and Bruce Kroken started for the local quintet; Gary Stutzman, Dwight Boss, Gary Blach and John Tuomela joined the action in the second period; Steve Bergmann and Ben Cunningham in the third quarter and Ric Miller, Larry Edwards, Nick DeYoug, Jim Stewart and Dave Novotny in the final period.

Murray and Curtis had one field goal each and Ance a free throw in the first period to a field goal and charity shot for Mancelona.

In the second period LaBlance and Boss scored two field goals each and Ance and Kroken one each for 12 points and a 17 to 14 lead at halftime as the Ironmen tallied for field goals and three free throws.

Going into the seond half Murray added five points, and Ance, Curits and Kroken one field goal each for 11 points and a 29 to 19 third period advantage after Mancelona's scoring was held to two field goals and a free throw.

The Rayders found their stride in the final period with Curtis dumping in five field goals. Balch adding three points, Miller a field goal and Cunningham a free throw for a total of 18 points. Mancelona had seven free throws and two field goals.

Curits paced the scoring with 14 pints for Charlevoix. Dutcher had the same number for the Ironmen.

This Week with Class C Teams

The Charlevoix Rayders will entertain Gaylord here Friday to close out their pre-Christmas basketball schedule while Harbor Springs travels to Mancelona; East Jordan invades Pellston and Grayling hosts Boyne City.

The following Tuesday Mancelona will play at Gaylord and Pellston will be to Boyne City.

Unless the Rayders let down after their tough game with Harbor Springs Tuesday night, they should have little trouble with the Gaylord Blue Devils who are a young and inexperienced outfit. The game will mark the last appearance of the Rayders on the hardwoods until Friday Dec. 30, when they travel to Petoskey to take on the Northmen in a traditional holiday meeting.

The Harbor Springs-Mancelona game will be the game of the week with both teams giving their all in an effort to remain in the win column. The Rams lost to Boyne City in their opener and last week dumped Gaylord while the Ironmen have a record of one loss to Grayling and a victory over Charlevoix. If the Rams can avoid the Ironmen's fouling tactics and keep the host team from the free throw line this should be a close game. The Ironmen will have the advantages of playing on their home floor and perhaps this will be all they need to take the Rams who, until this week had looked good on paper but had not been too impressive on action.

The tall East Jordan outfit should have no trouble with the Pellston Hornets who have shown little thus far.

The Boyne City-Grayling game, however, will be another story for it will put two undefeated teams against each other in a meeting which will decide the league lead. The results of this meeting is a toss up with the coolest team coming up with the win and the top spot in league standings.

Barring major upsets, Mancelona should come through with a lop-sided win over Gaylord and Boyne City should do equally as well when they take on the Pellston Hornets in action scheduled for Tuesday.

Boyne City and Grayling Win To Compete for Class C Title

With only two weeks of the 1960-01 basketball season gone, only two teams remained undefeated after Friday games in the Northern Michigan Class C league.

They were Boyne City and Grayling who defeated East Jordan 39 to 38 and Pellston 50 to 33 respectively to keep their records clean.

In other games Mancelona moved into the credit side of the ledger with a 55 to 45 win over Charlevoix and Harbor Surings racked up its first loop victory since the 1957-58 season when they advanced to the semi-finals in state competition. The Rams defeated Gaylord 62 to 38 to accomplish this.

Boyne City 39 East Jordan 38

In a game which saw the lead change numerous times and the score tied several times, the Ramblers came through with a one-point victory over the taller East Jordan Red Devils.

Boyne City went ahead 11 to 9 at the quarter only to see East Jordan take the lead 27 to 24 at halftime. As the third period drew to a close the score was knotted 33-all. However, the Ramblers sunk a long one from the floor in the opening minute of the final period and managed to keep the lead by a one or two point margin until the final whistle.

The Ramblers outscored the Red Devils 18 to nine from the floor but the Jordanites capitalized on 30 atempts from the free throw line to stay in the Game. Louis Kraemer paced the game with 19 points including 11 free throws for the Jordanites. Tom Kujawski and Bob Snider had eight points each for the Ramblers.

Grayling 50 Pellston 33

The Pellston Hornets got off to a fast start for a 12 to 5 first period lead but failed to hold on as the Vikings went ahead 20 to 18 at halftime and more than doubled their lead, 43 to 20, going into the final period.

Frank Gross continued to lead the Viking scoring attack with 19 points. Clyde McMichaels had seven for Fellston.

Harbor Springs 62 Gaylord 38

The Harbor Springs Rams got back on the victory trail for the first time in two seasons Friday night when they defeated Gaylord by a lopsided score. The Rams had been in a slump after having lost all veteran material following the 1957-58 sason. However, it looks now as though they are again well on their way with another experienced team.

In their meeting with Gaylord the Rams romped into a 21 to 9 first period lead and increased it to 35 to 18 at halftime before going a head 50 to 28 at the three-quarter mark. Frank Lauer with 16 points was top scorer for the Rams. Larry Simpson had 13 for Gaylord.

It's wonderful to feel cared for

Comfort means more to the aged. A favorite chair. A newspaper at evening. The privilege of slipping silently off to sleep. These things grow in meaning with each year. And then there's the special comfort of knowing that sudden illness will not be a financial hardship on others. That's where Blue Cross-Blue Shield can help. You can keep your Blue Cross-Blue Shield protection after retirement if you are employed in a firm having Blue Cross-Blue Shield. And there's no need to worry about having it canceled because of recurrent illnesses or repeated hospital stays. These are added reasons why Blue Cross-Blue Shield protection is chosen by nearly half of the people in Michigan. How about you?

Jeanette Novak and Donna Berg Win Pie Baking Contest

Jeanette Novak and Donna Berg, Charlevoix high school juniors placed first and second, respectively, in the annual cherry pie baking contest held at the Charlevoix high school and thereby have earned the right to participate in the county pie baking contest scheduled to be held here next month, Mrs. C. A. Odmark, homemaking teacher, has announced.

The local contest is the forerunner of the county, state and national contests to be held later this winter under the sponsorship of the Michigan Canners and Freezes Association, Michigan Cherry Producers Association and the Michigan Cherry Commission.

Donna, daughter of Mr. and Mrs. Leo Berg, was the county winner in 1959. Jeanette, daughter of the Max Novaks, was local runner-up last year.

Others contestants who baked cherry pies in the high school homemaking room Monday under the watchful eyes of the judges, Mrs. Marcia Miller, Petoskey high school homemaking teacher and Mrs Clare Wade Brown, Charlevoix county home demonstration agent, were Dagmar Brock, Kathy Kenyon, Janet Schroeder, Irene Bascom, Betty Reynolds and Elaine Martin.

Ability to bake a winning pie is only part of the contest Mrs. Odmark said and explained that each contestant is also judged on her personal qualifications as well. The ability to express herself, her posture, natural poise and grooming are also taken into consideration by the judges.

The county winner to be named at the county contest to be held here in January will go to Grand Rapids in February to participate in the state contest.

Girl Scouts and Brownies to Spread Cheer to Shut-ins

Brownie and Girl Scouts will bring Christmas to patients at the Charlevoix hospital and to shuts ins in the community with their carolling during Christmas week.

On Monday the Brownies will sing carol at the Charlevoix Hospital. They are asked to gather at the school where they will be picked up at 7 p.m. and transported, via bus, to the hospital where they will sing carols and enjoy a treat furnished by Miss Ann Baumgartner, of the hospital. They will then be returned to the school where parents may pick them up at approximately 7:45 p.m.

On Thursday, Dec. 22, Girl Scouts will meet at the city hall at 7:30 p.m. and go caroling at the homes of shut-ins in the community. They will then go to the Retarded Children's Day Center on Petoskey ave. for refreshments before returning to their homes.

Both Girl Scout and Brownie Scouts will join this year in sharing their Christmas with needy families in the community. Each Scout is reminded to bring canned goods, fresh fruits or vegetables or a toy to their leader by Saturday or leave it at the city hall. The gifts will then be placed in baskets for the needy in the community. Like other local groups, the Scouts are cooperating in the Community Christmas project headed by Mrs. Keith Miles, school nurse.

Interest in Election Rising as Filing Deadline Nears

With the announcement that E. James Hiller, who has served as mayor for the past six years, and Clare Staley, incumbent first ward alderman, would not be candidates for re-election to their respective posts, interest is mounting in the forthcoming primary-election in the city.

Though the deadline for filing nominating petitions is 12 days away, four nominating petitions have already been filed.

E. D. 'Pat' Hawley, who is completing his first year as first ward alderman, has announced his intention of seeking the nomination to the office of mayor being vacated by Mr. Hiller.

Incumbents Annabelle Cunningham, who is completing her first year as city treasurer, and Hugh Mayne, his thirteenth year as city clerk, have also filed nominating petitions for their respective offices.

Edward P. Hansen, incumbent third ward alderman, has filed a petition seeking re-election to the post he held for the past four years.

Richard Donaldson, second ward alderman, is the only incumbent who had not filed for re-election Wednesday. However, it is understood that he will be a candidate for re-election to the post.

Though no one else has announced plans for seeking election to any of the city posts listed above, it is understood that a number of petitions are being circulated and may be filed before the deadline Jan. 2.

Deadline for filing nominating petitions is 4 p. m. Monday, Jan. 2, 1961. Because this is a legal holiday, office seekers may call either city clerk Hugh Mayne or deputy city clerk Herbert Campbell at their respective homes. One of the two will then be on hand to accept the nominating petitions.

Mr. Hiller who is not a candidate for re-election has served two years as first ward alderman in addition to six terms as mayor. He was appointed to the latter office in 1955.

Mr. Staley, incumbent first ward alderman, is completing four years in the office. He has stated that he will not seek re-election.

Funeral Services Held Tuesday for Mrs. Glenn S. See

Mrs. Glenn S. See, 60, who had lived in Flint for the past two years, died Friday at St. Joseph's hospital there. She had been admitted the day before. She had been in failing health for some time.

Funeral services were held at the Winchester Funeral Home here Tuesday with the Rev. Harold E. Kohn officiating. Burial was in Brookside cemetery.

Born in Petoskey June 10, 1900, the former Dorothy Barnes was married to Mr. See in Florida in May 1922. They returned here in 1926 and from then until his death in March 1951 operated the See Funeral Home here. Mrs. See continued to make her home here until going to Flint to live with her nephew and niece, Mr. and Mrs. Leroy S. Zelley Jr.

She was a past matron of the Charlevoix Chapter, No. 72 O.E.S., a member of the First Congregational church, the Charlevoix Garden Club and the Dickens Study club.

Surviving are a son, Glenn, of Encinitas, Cailf.; a nephew, Leroy S. Zelley Jr. and a niece, Mrs. Jeanne O'Connell of Hollywood, Fla.

Lieut. Etienne Retires from U. S. Coast Guard

Joseph Etienne, veteran U.S. Coastguardsman who served as commanding officer of U. S. Coast Guard Group Charlevoix for 10 of 14 years from 1946 through March of this year, was retired Tuesday after 27 years in the country's oldest sea-going service.

Known as "Mr. Coast Guard" in northern Michigan, Mr. Etienne was retired with the rank of full lieutenant. Since April he had been stationed aboard the cutter Madrona stationed at Portsmouth, Va.

Mr. Etienne received his retirement papers and service records from CWO Albert J. Bates, who succeeded him as group commander here in a brief and informal ceremony held Tuesday at the Group Office.

What is he going to do, now that he's retired? After some thought Mr. Etienne said he was going to enjoy himself this winter, spend some time with his family and learn to live as a civilian. Then, perhaps next spring, he plans to look around for a job for, as he puts it, "after 27 years of being busy I just can't quit working".

He plans to live here though he is a native of Wilmette, Ill. "All I have to do is mention leaving Charlevoix and my wife and children join forces against me for, like me, they all consider this their home".

Mr. Etienne enlisted in the U. S. Coast Guard at Wilmette Feb. 20, 1932, and during the early years of his enlistment served aboard a cutter and later aboard an ice patrol ship in the Atlantic before being returned to the lifeboat station in Wilmette Harbor in 1938.

With the threat of World War II he was attached to the U. S. Marine Corps under the U. S. Navy where he taught amphibious landing operations until he was transferred to the Pacific theatre early in the war to serve with an Attack Transport Amphibious Force, serving aboard the Liggett. Later he was executive officer of the cutter Salvia and in 1945 was named commanding officer of the cutter Hydranga. In 1046 he was returned to the Ninth Coast Guard district and assigned to the ice breaker Mackinaw and later to the cutter Tamarack.

In 1947 he was named commanding officer of the newly-created Group Charlevoix and remained here until 1950 when he was transferred to the District Office in Cleveland. Two years later he returned here as group commander, an assignment he filled until going to the cutter Ojibwa in 1954. He was returned here in the fall of 1955 to again head the group which in 1957 was doubled in size when installation on Lake Huron as far south as Alpena were added to the original group which took in installations from Grand Traverse Bay to the Straits of Mackinaw.

Name Winners of Home Decorations For Christmas

Charlevoix's residential area has taken on a holiday look judges in the annual Christmas decorating contest found when they toured the community Tuesday evening to select prize winners.

The judges, Mrs. E. James Hiller, Mrs. Harold Geiken and Paul Kohler, reported many beautifully decorated homes which showed outstanding workmanship, planning and cleverness, making it difficult to select winners.

However, after 3½ hours they did make the following choices: First ward: first place, Ralph V. Hess Jr.; second, Kit Carson; third, Hal Forbrig. honorable mention, William Fochtman, E. D. Hawley, Dr. G. B. Saltonstall, Franklin Ochs, Dr. Robert Martin, E. J. Edwards and Byron Wright.

Second ward: 1st place, Walter Russell; 2nd, Harley Ochs; 3nd, George LaBlance; honorable mention, Mrs. Jeannine Essenberg, Bert Pearl and Earl A. Young.

Third ward; 1st place, Edmund Bishaw; 2nd, Ted Browe; 3rd, Dean Davenport; honorable mention, Jack Grubaugh, Peter Timmer, Ralph S. Hamilton, John Curtis, Athur Emmons and C. D. Geikens.

Outside the limits first place went to Grover Geneit with Robert Withers, Edward Thorp, John Schroeder and Clark Coulter receiving honorable mention.

The judges commended the Weathervane Lodge, the U.S.C.G. cutter Sundew and the city for their outstanding holiday decorations and efforts to make the city more beautiful for the Christmas season.

Mrs. Frank Boss, Banks Township Resident Dies

ELLSWORTH — Funeral services for Mrs. Frank Boss, 71, a resident of Banks township were held Wednesday at the Atwood Reformed church with the Rev. Douglas VanGessel officiating. Burial was in the Ellsworth cemetery. The Hastings Funeral Home was in charge of arrangements.

Mrs. Boss died Sunday at the Charlevoix hospital where she had been a patient for three days. She had been in failing health for some time.

Born in New Era, July 30, 1889, the former Ida DeGroot came to Antrim county as a young woman and was married to Mr. Boss in 1908. They had always made their home in Banks township. She was a member of the Atwood Reformed church.

Besides her husband she is survived by a daughter, Mrs. David Matchett of Charlevoix; two sons, Harold of Charlevoix and Bernie of Ellsworth; five grandchildren and a brother, Oscar DeGroot of Charlevoix.

Approve Plans For Collecting New Sales Tax

The new four per cent sales tax which will be effective Jan. 1 is posing a new headache for the retailer. The question is what price brackets will be used in collecting the one, two, three and four cents?

Members of the retail division of the Charlevoix Chamber of Commerce met for a Tuesday morning breakfast at the Sugar Bowl to discuss suggestions made by the Michigan State Chamber of Commerce. The plan favored locally is nearly a straight four per cent mathmatically accurate bracket.

The tax is likely to be collected locally on the following basis until a uniform schedule is adopted by the state.

Price	Tax
$ 0 to .12	None
.12 to .37	.01
.38 to .62	.02
.63 to .87	03
.88 to 1.12	.04

All local Chambers of Commerce in the state have been requested to submit their opinions to the State Chamber which will tabulate the results and recommend to the legislature that a uniform bracket of collections be established.

California, with a four cent sales tax, uses a somewhat more liberal formula of collection as far as the buyer is concerned. Under that plan the merchant with a large volume of small sales is forced to pay part of the sales tax out of his business.

The meeting of local merchants was arranged by Paul Kohler, secretary-manager of the Chamber of Commerce in co-operation with the state Chamber.

City to Build New Municipal Golf Clubhouse

Plans to build a new clubhouse at the municipal golf course and to request permission from the Conservation Department to trade the Colonial Club property for property needed to expand the present airport were made at the regular meeting of the city council Monday night.

The council voted to go ahead with plans to replace the present club house located on Central ave. with a new structure. Plans and specifications will be drawn up and approved before bids for the construction of the building are requested. The new structure will replace the present club house which has been in use for many years.

Permission will be requested from the Michigan Conservation Department to trade the north section Colonial Club property obtained in 1958 for property located west of the present airport owned by Mr. and Mrs. Edward Thorp. The proposed trade was taken under consideration in order to acquire property needed to extend the present runways at the airport. The Thorp property consists of 13 acres of land located west of the present Norwood road. The property he is asking in trade includes the former Meek resident and adjacent garage and the property located north from the dwelling to Petoskey., a total of six lots.

In explaining the proposed trade, City Manager James Taylor, said that the city needed the property now owned by Mr. Thorp. Initial inquiries regarding the trading of the two pieces of property have been given the nod by the Conservation department which caqulred the property through delinquent taxes and later sold to the city for a token sum

Churches Announce Special Christmas Worship Services

"Behold, I bring you good tidings of great joy . . . for on this day is born to you a Saviour who is Christ the Lord. You shall find the babe wrapped in swaddling clothes and lying in a manger".

As the shepherds heeded the massage of the angel and made their way to Bethlehem and found the infant Jesus in a manger so Christians around the world will make their ways to the churches of their choice this Christmas Day 1960 to hear re-told the age old story of the birth of the Child Jesus to Mary and Joseph in a humble manger because there was no room for them at the inn. As the shepherds and later, the wisemen came t oworship, so Christians will gather to worship on the anniversary of the Saviour's birth Sunday.

All ministers and priests have issued invitations to visitors to the community to join with them in worship services on Christmas Eve, and Christmas Day.

First Baptist Church

The Rev. L. L. Lewis has selected as his sermon topic for Christmas Day "He Shall Be Called Wonderfull' which he plans to deliver at the 11 a.m. worship service.

The Sunday school will meet at 10 a.m.

There will be no evening service on Christmas Day.

The Sunday school of the church will present its Christmas program at the church at 7:30 p.m. tonight (Thursday).

Barnard Reformed Church

The Rev. Charles A. Stoppels, pastor of the church, will speak on the subject of "The Re-discovered Star" at the 11 a.m. worship service at the church Christmas Day. His sermon topic at the evening service scheduled for 8 p.m. will be "Another Way".

Special music will include the Christmas anthems, "The Christmas Story" and "Christ is Born" by the choir directed by Mrs. John L. Boss.

The Sunday school of the church will present its pageant, "The Sweetest Story Ever Told" under the direction of Mrs. Marinus Veurink of Petoskey at the church at 8 p.m. tonight (Thursday).

Christ Episcopal Church

A Christmas Eve service at 11 p.m. Saturday will open the observance of Christmas at Christ Episcopal church.

The Holy Eucharist will be preceded by a sermon entitled "God is With Us" by the pastor, the Rev. Robert J. Yonkman.

There will be special anthems and carols by the choir.

The service on Christmas Day will be held at the usual hour of 11 a.m.

The Sunday school program wil be presented at the church at 7:30 p.m. Friday.

Ironton Congregational Church

The Christmas Eve service scheduled for 7 p.m. will mark the observance of Christmas at the Ironton Congregational church.

The pastor, Rev. William Harmon, will deliver the Christmas message and the choir will sing traditional anthems and carols. A feature of this will be a sola, "O Holy Night" by William Cooper.

The Sunday school program will be presented at 8 p.m. tonight (Thursday). The Youth Fellowship will present a Christmas play and the younger classes will give recitations and sing carols.

First Methodist Chuch

The Rev. Raymond J. McBratnie will deliver a sermon entitled "A Baby Makes All the Difference" at the 11 a.m. service on Christmas Day.

The choir will present special music including the anthem "Hark, the Herald Angels Sing".

The re-decorating of the church has been completed and the new chancel furnishings will be installed in time for this service, the Rev. McBratnie has announced.

Rezoning Old Hospital Property Given Approval

Approval was given a request to re-zone the former Charlevoix hospital property now owned by Arthur Osborne from Residential District 3 to Industrial District 2. Earlier Mr. Osborne had presented a petition signed by property owners in the area, giving their approval to the re-zoning of the property. There were no objections registered at the hearing Monday.

The council also gave its approval to a resolution permitting city police or firemen to assist in an emergency in the operation of the Winchester ambulance service. Earlier the city had agreed to furnish personnel when necessary to Mr. Winchester in order that the community could have its own ambulance.

Approval was given an application made by Mr. and Mrs. Oscar Ward for the renewal of their taxi-license.

Bills amounting to $35,784.42 were approved and ordered paid. The figure includes a $24,166.67 payment of school taxes collected by the city for the schools. It also includes a $1,930.50 payment for fuel oil.

To Hold Funeral Services Friday For Mrs. J. Adams

Mrs. Jay Adams, 79, resident of this community since 1913, died Tuesday at the Charlevoix hospital where she had been a patient for 17 days. She had been in failing health for several months.

Funeral services will be held at the Winchester Funeral Home at 1:30 p.m. Friday with the Rev. Raymond J. McBratnie and the Rev. L. L. Lewis officiating. Burial will be in Brookside cemetery.

Born in Iberia, Mo., Feb. 6, 1081, the former Alice G. Shockley was married to Mr. Adams in St. Louis, Mo. in 1913. They made their home in Marion township until the early 1050's when they moved to their present home at 805 Bridge st. Mr. Adams preceded her in death in January 1958. She was a member of the First Methodist church and its Isabella Thoburn circle.

Surviving are two sisters, Mrs. Maude Marshall of Charlevoix and Mrs. Anna Doubkin of St. Elizabeth, Mo.

Adventures in Understanding

Notes from a northerner's diary

By Harold E. Kohn

A Christmas Prayer

Ed. Note—A prayer offered by the Rev. Harold E. Kohn, pastor of the First Congregational church last Sunday morning is published under this heading by request.

O God, our Father, we thank Thee for a faith so strong that it binds a distant star to the manger bed of a Baby, showing us that Heaven is concerned with earth, and even the humblest place can be alight with Thy love. At Christmas time an effulgence of glory from above touches our common days, bringing joy to our world, and we are grateful. Accept, Thou, our thanks.

If Thou canst come to Bethlehem, we trust Thou wilt come to our town, too, at Christmas—in fuller measure than before. Fill our hearts with deep and abiding peace as peace came to shepherds long ago. Make us wiser men and women that we, like Wise Men of other days, may know where Christ can be found, and bring Him our reverence, our gifts, and our whole-hearted devotion.

Hear our prayer, O Lord, for those who will have no real Christmas this year: for millions in far-off places who go to bed tonight and all their nights hungry; for little children whose faces press against store windows while their eyes feast upon glories their hands can never touch; for all whose hearts yearn for blessings ever beyond them. Bless those everywhere whose hearts have no room for Jesus because they are already overcrowded with unworthy guests—selfishness, hatred, bitterness or haughty pride. Soon may they bid unworthy guests depart and make room for Christ.

Make of this Christmas time a true Holy Day, when Christ will be born anew in human hearts everywhere, bringing into our humble lives a kindlier spirit, a new thoughtfulness and understanding, brightening sadness and making lasting joy to abound. Because we have communed awhile with Him, may we be able to walk more patiently with our fellowmen. Send us forth with love for the fallen, with strength to give freely to the weak and the wayward and with hope for the discouraged. As in olden days, so now, may glory shine around us, a splender not of our own, but a bright radiance from Above.

In the Christ Child's name.
Amen

Voice of Our Readers . . .

Dear Editor,

State Bans Selling by Supervisors.

Lansing, Nov. 30, 1960

Attorney General, Paul L. Adams ruled today that a member of a county board of supervisors cannot sell merchandise to the county government. Adams said the applicable law says no supervisor can be directly or indirectly interested in any business with the county during his term of office and one year thereafter. The same law applies to our city officials but never is enforced on account not to hurt anybody's feelings.

A nice little Christmas present was given to us in the form of a $3.40 tax increase per thousand. Wait till our beautiful and expensive high school is finished then they will ask for more taxes. How long can you people with small incomes and pensions carry this burden? Nobody is to blame but yourself. If you would show a little more interest in your elections and not only vote for a candidate because he was born here and attended our school. Get busy and circulate nominating petitions for a candidate who is fair and square with all the people, not just the ones in the upper class. Petitions to be turned in the city hall the last part of December.

Mrs. Ralph Cooper, Former Resident Dies in Wisconsin

Mrs. Ralph Cooper, 59, former local resident, died Monday, Dec. 12, in Kenosha, Wis., where she had lived for the past 25 years.

Funeral services were held Thursday at the Church of God in Kenosha. Burial was in a Kenosha cemetery.

Born in Hayes township, the former Dora Chew was graduated from the Charlevoix high school and in 1929 was married to Mr. Cooper. They lived in Lansing and in the Charlevoix area until going to Wisconsin in 1035. She was a member of the Church of God and was active in church work in Kenosha.

Besides her husband, she is survived by a son, Allan, of Milwaukee, Wis.; three daughters, Mrs. Hilbert (Celia) Klempel of Menominee Falls, Wis., Mrs. James (Audrey) Tice of Jennores, Pa., and Ailene at home; 13 grandchildren; her father, M. K. Chew who is spending the winter in Bay City; two brothers, Galo of Alma and Milo of Flint and two sisters, Miss Alice Chew of Bay City and Mrs. John E. Boss of Charlevoix.

Joseph H. King, 82 Former Chicago Club Pres. Dies

Joseph H. King, 82, president of the Chicago Club here for more than 50 years, died Wednesday at this home in Chicago.

Funeral services were held Saturday at the Graceland cemetery chapel.

Mr. King was one of Charlevoix's oldest summer residents. In recent years he spent the Major part of the year at the Chicago club where he had served on the board of directors and as an officer of the board. He also was a member of the advisory board of the Charlevoix hospital for many years.

He was a founder of the National Register company, manufacturers of thermostatic devices which later merged with the Minneapolis-Honeywell Co. He was a director of the Public Service Co. and Koppers Products Co. prior to his retirement in 1938. He was a member of the Institute of Medicine and served as chairman of the Red Cross blood donor service.

He is survived by his wife, the former Margaret Lord; a son, John of California; three grandchildren, and one great-grandchild.

SUNDEW REPORT

The Sundew remained in port most of the week of Dec. 5 as plans were made for our final buoy run and the removal of personnel from all in the light stations in Lake Michigan and Lake Huron.

Saturday we were underway for Aids to Navigation operations in the two big lakes. By Saturday night 15 buoys had been withdrawn including all the bridge buoys. This left but two to withdraw, both in Grand Traverse Bay. In addition light keepers from White Shoals, Grays Reef, Lansing Shoals and Poe Reef light stations were taken off for the season. We moored at Mackinaw City Sunday night.

Tuesday we were underway for Sault Ste. Marie to deliver six buoys, batteries and acetylene bottles. On the way the keepers of Martins' Reef light station were picked up. This concluded the closing of all the light stations for the season. We moored at the Soo Tuesday night.

Wednesday we departed Sault Ste. Marie enruote to Saginaw Bay to relieve the C. G. Cutter Acacia of the ice breaking duties in the area. The tankers Lio and Comet were escorted through four to six inches of ice to open water. After anchoring out Wednesday, night we moored at Essexville Thursday night.

Our next assignment was to await the arrival of the tanker Daniel Pearce. Having fairly good power itself, the tanker was able to make it into Essexville on its own. We stood by until the tanker was ready to leave early Saturday morning and opened the way to open water. We then proceeded to Grand Traverse Bay for the withdrawal of our last two buoys. On completion of this operation, we returned to Charlevoix, arriving Sunday afternoon.

On Monday we moved to our winter mooring station at the municipal dock.

Sundew Scuttlebutt

Charles Hort was advanced to Second class Engineman . . . David Eddy departed for USPHS Hospital in Detroit for in-patient treatment. Best wishes to Gerald and Dean Schramski who celebrated their tenth wedding anniversary last week . . . New men reporting aboard the Sundew on our return include Gary Armstrong SN, James Lewicki and Robert Schuon ET3 . . . And from the Officers and Crew of the Sundew a very merry Christmas and a happy New Year to everyone . . . .

Webelo Scouts, Cubs Participate In Tribute Program

Charlevoix's Cub and Webelo Scouts are participating in the 50th anniversary tribute program now underway, Robert L. Hooper, Cub Master, has announced.

Purpose of the program is to pay tribute to all who have had a part in Scouting since 1910, especially the eight million leaders of the Boy Scouts of America by the erection of a beautiful commemorative tribute in Washington, D. C. This is to serve as a constant reminder to all who visit the nation's capitol that Scouting's first-half-century membership cared enough to say 'thank you' in a lasting manner.

In the local program each Cub who wishes to is contributing a dime which is placed on a coin card. He then signs the tribute Scroll. The name of Scout and his unit will be placed at the site of the national monument.

City Band to Hold Holiday Recess

City band rehearsals will not be held Monday, Dec. 26, or Jan. 2 because of the major holidays, Christmas and New Year's, C. A. Odmark, band director, has announced.

Maurine Sanford To Reign as Queen At Christmas Ball

Maurine Sanford, Charlevoix high school junior, and her escort, James Sneathen, president of the senior class, have been named queen and king, respectively, of the annual Christmas ball to be held at the high school gymnasium Friday evening.

They will receive their crowns from James Dennis, vice president of sponsoring class.

The gymnasium will be transformed into a "Wonderland at Night" for the ball which is expected to attract students home from college as well as high school students and their guests.

Churches Announce Christmas Services

(Continued from page I)

Christmas Day will feature a sermon by the pastor entitled "Beneath the Wrappings" and a special selection by the choir, "Day of Wonder". The choir will also sing traditional music under the direction of Glen Bearss. A special Christ's Birthday Missionary Offering will be accepted during the service.

The evening service scheduled for 7:30 p.m. Christmas Night will be held around the fireplace in Fellowship hall.

The Sunday school will present its annual Christmas program at the church at 7:30 p.m. tonight (Thursday) under the direction of Mrs. William Kerr. There will be a treat for the youngsters following the program.

Christian Science Society

The 11 a.m. service at the Christian Science Society will be appropriate to the season as will the lesson to be studied in the Sunday School at 10 a.m.

Norwood and Barnard Methodist Churches

The Rev. Harold C. Cox of East Jordan, who also serves the missions of Norwood and Barnard, has selected as his sermon topic for Christmas Day "The Light and Life of Christmas".

The service will be held at Norwood at 12 noon and will feature special music by the choir including a solo "The Heavens Resound", by Mrs. George Light Jr.

The service at the Barnard church is scheduled for 2 p.m. and will feature a duet "Heaven's Christmas Tree" by Mr. and Mrs. David Malchett as well as traditional music by the choir.

A Christmas Eve service scheduled for 11 p.m. Saturday evening will be held at the East Jordan Methodist church. Rev Cox has selected as his Christmas sermon "The Original Christmas Gift". There will be special music by the choir and a special Christmas scene-o-felt by Mrs. Cox.

The Sunday school of the Norwood church will present its annual Christmas program at the church at 8 p.m. tonight (Thuraday).

Bible Baptist Chuch

The Sunday school will present its program at the church at 7:30 p.m. Friday.

The program will feature a play "They Presented Unto Him Gifts" with the entire Sunday school participating. Marilyn Brown will sing a solo, "O Holy Night" and a quartet composed of Mrs. Percy Butler, Mrs. Norma Brown and Rev. and Mrs. James E. Lugibihl will sing " I Gave My Life for Thee".

The program will conclude with recitations by the primary and beginners' departments, singing of carols by the congregation and a treat for the children. Mrs. Klaus Anderson is the pianist. Mrs. Brown and Mrs. Frank Pop are in charge of the program.

Christmas will be observed at the chuch on Chistmas Day.

"Good News in Swaddling Clothes" will be the topic at the Sunday School at 10 a.m.

The Rev. Mr. Lugibihl will speak on the subject "The Word Dwelt Among Us" at the 11 a.m. worship service. There will also be special Christmas music.

Rayders Edge Gaylord With Penalty Shots

The Charlevoix Rayders moved into second place in Northern Michigan Class C league standings Friday after defeating Gaylord 44 to 38 to close out the 1960 section of the current loop standings with a record of three wins and one loss.

Charlevoix's next cage appearance will be at Petoskey on Dec. 30

In last week's game, the Rayders rolled up a 14 to 10 first quarter lead and remained ahead 23 to 17 at the half and 33 to 25 at three quarter mark before they were outscored 13 to 11 in the final period.

The Rayders won the game on the free throw line after both teams had scored a total of 15 field goals.

Starting for Charlevoix were Sam Supernaw, John Pearl, George Majors, Stan Martin and Gary Spencer. Jim Dennis joined the action in the first period; Henry Wagner, Barry Pierce, Don Nowland and Dan Pearl made their entries into the line-up in the second quarter.

The Rayders rolled to a 14 to 10 first quarter lead after Martin had scored three field goals and Supernaw and Pearl had scored four points each on a field goal and two gift shots. Gaylord had a total of five goals.

In the second quarter Supernaw scored four points, Spencer and Nowland dumped in one field goal each and Majors added a free throw to keep the Rayders in the lead 23 to 17 after the visitors had scored three field goals and a charity shot.

Supernaw scored two field goals, Spencer contributed four points on a field goal and two free throws and Dennis hit on two points from the free throw line to open the second half. Gaylord countered with three field goals and two free throws. Martin went to the bench early in the third period after collecting his third personal foul and saw little action during the remainder of the game.

Playing indifferent ball, the Rayders managed to stay ahead in a game that gathered momentum as the last period continued. J. Pearl and Dennis scored three points each and Supernaw and Martin had one field goal each for 11 points in the final period. Gaylord had four field goals and five free throws as they outscored the Rayders 13 to 11.

Supernaw paced the scoring with 14 points for the Rayders. He was followed by J. Pearl and Martin with eight points each. Larry Simpson had eight points for the Blue Devils who were bolstered by the return of John Johnston to the line-up. Johnston had been out of the line-up with a knee injury.

Santa Claus paid an early visit to Charlevoix Saturday and distributed gifts of candy and nuts to the children of the area.

Pictured here is an unidentified wide-eyed little girl receiving her gifts while other youngsters who have already received their gifts, look on.

Members of the volunteer fire department assisted Santa on his visit. Pictured with him are Alfred Bergmann, a volunteer, and Patrick Martin, assistant fire chief, who met the visitor at the airport and escorted him to East Park where he greeted more than 750 youngsters. Santa also called on the patients at the Charlevoix hospital.

Over one-third of all the clothing produced in the U. S. is manufactured by firms in New York State.

Chas. McFarland, Area Resident Dies at Grandvue

Charles McFarland, 59, lifelong resident of this community, died Wednesday at Grandvue Medical Facility near East Jordan where he had been a patient since Dec. 5.

The body is at the Winchester Funeral Home. Funeral arrangements have not been completed.

Born in Charlevoix Dec. 16, 1901, Mr. McFarland had always resided in this community. He had been in failing health for several months.

Surviving are one son, Charles Jr., of Fullerton, Calif.; and two sisters, Mrs. Richard Meyer of Charlevoix and Mrs. Gerald Lowing of Oak Park, Michigan.

Charlevoix in Uniform

Louis Holm Jr. who enlisted in the U. S. Army earlier this fall is now receiving basic traing at the U. S. N. T. C. Great Lakes, Ill.

He is the son of Mr. and Mrs. Holm Sr.

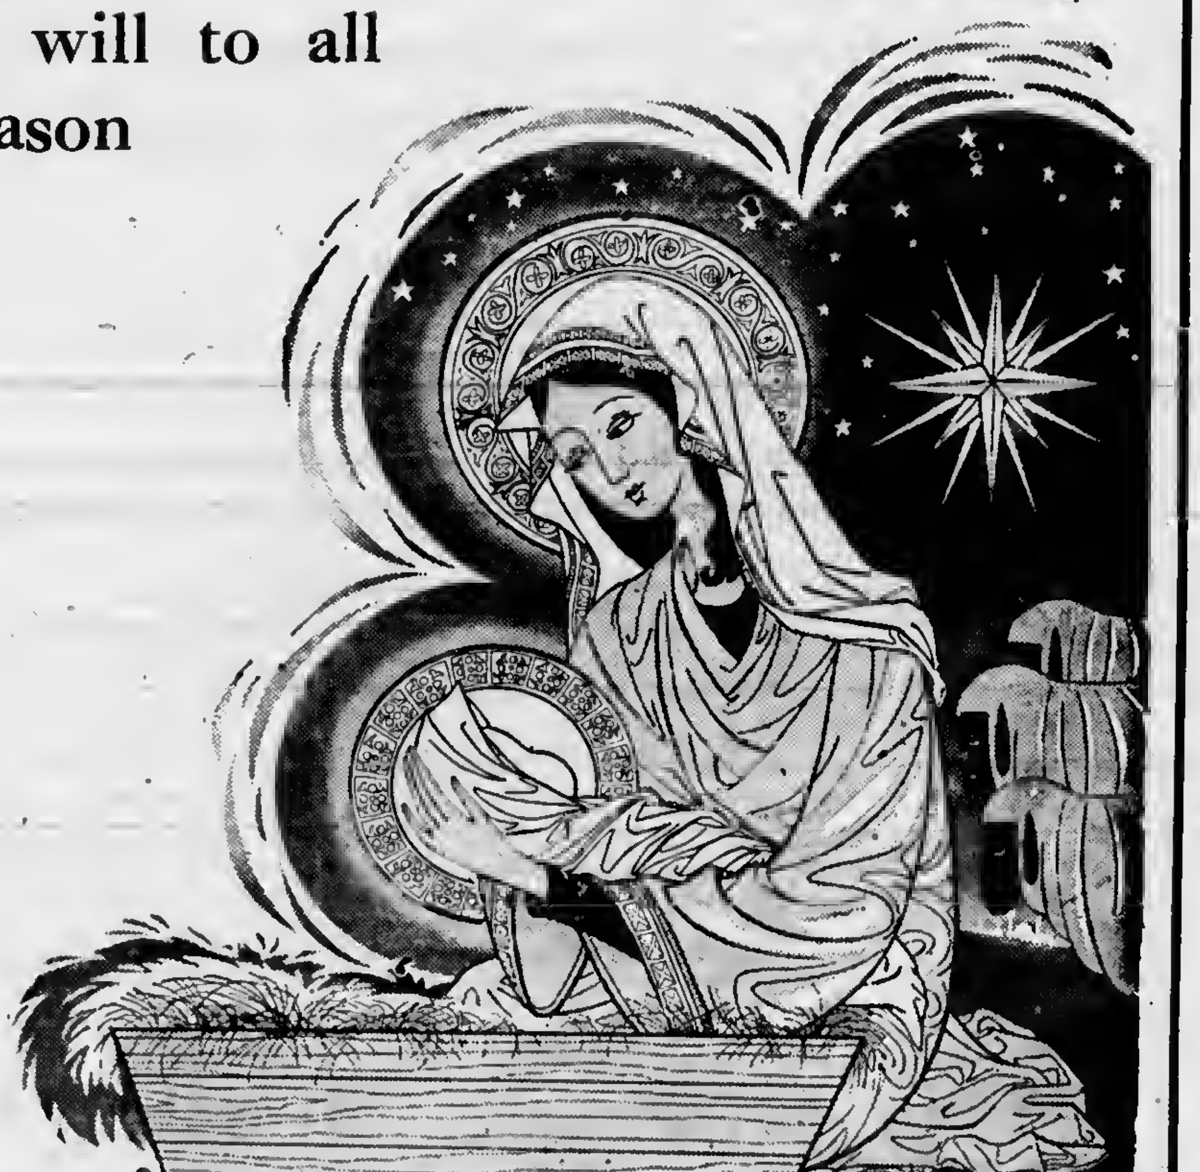
Peace on earth, good will to all at the joyous Christmas season



'Ye shall find the babe wrapped in swaddling clothes, lying in a manager. And suddenly there was with the angel a heavenly host praising God and saying, 'Glory to God in the highest, and on earth peace, good will toward men.'"

Across the years echo the words of the Christmas story, an inspiration, a promise and a blessing to all mankind. At this holy, joyous season, we wish to all our friends and customers a holiday rich in the spiriutal rewards of Christmas and a full portion of all the good things that a happy Yuletide holds.

ANNOUNCING PAYMENTS TO RAMBLER BUYERS AS RAMBLER'S SALES VOLUME INCREASES

Why You Should Join Rambler's New Crusade For Adequate Progress Sharing With Customers

"I believe participation by all consumers in economic progress is absolutely necessary in meeting the nation's economic needs."

GEORGE ROMNEY
President, American Motors Corporation

Rambler's rise to a top position has put us in position to undertake a new crusade. This program, which could provide greater individual and national benefits than any we've yet undertaken, calls for customer progress sharing.

As volume goes up, costs come down. So, sharing economies that would result from a 50% Rambler sales gain over last year for the period December through March could provide payments to customers of $18,698,062.

But, before presenting our new Rambler crusade, let me review some highlights of the first one.

When we forged our basic Rambler concepts, U.S. cars were in a size, horsepower and styling-change race that cost the car buyer money. So, we developed the compact, economical, modernly engineered Rambler.

CONSUMER BENEFITS FROM LOWER PRICES

Because of low volume, we had to price our first Rambler Americans about equal with Chevrolet and Ford, traditionally "lowest priced."

As our output and economies increased, we shared the resulting economic advantages with Rambler customers. Despite inflation, we kept prices low. We also concentrated on durability and quality. That is why Rambler excels in trouble-free operation, as shown by trade surveys made by others.

What has this done? It has increased our sales—made us a vigorous new competitive factor, compelling *all* competitors to introduce compact cars. Their compact cars unquestionably are better buys than their big cars, because their big cars don't have the compacts' advanced engineering.

Despite these moves to meet Rambler competition, **Rambler American models are now priced not only below competitive big cars but below their economy compacts as well.**

In addition, Ramblers provide customers several exclusive trouble-free engineering advances such as the acid-proof, rustproof Ceramic-Armored muffler and tailpipe.

The Rambler line includes three basic sizes of compact cars—Rambler American, Rambler Classic and Ambassador, the latter two developed after the original American series.

RAMBLER SALES SOAR

In two years, Rambler's per cent of market has more than doubled. For the last 38 straight months, Rambler sales have established a new record for that month. We want to continue this growth by serving you even better.

THE NEW RAMBLER CRUSADE

Our new Rambler crusade, like our compact crusade, is based on sharing Rambler progress with car buyers.

We believe the new Rambler crusade has timely significance. Our country currently is experiencing a mild economic slowdown—with rising foreign competition and weakness of the dollar. Our larger competitors are considering partial manufacture and importation of cars for the U.S. market from abroad. There is a general profit squeeze.

We believe the greatest single economic cause is that relatively too much of the fruit of industrial effort has been going to a few well organized economic groups, not to the consumer.

CUSTOMERS TO SHARE RAMBLER PROGRESS

We decided there was something we could do. We decided to share future progress with ALL customers who take delivery of a new Rambler or new Metropolitan between December 1, 1960, and March 31, 1961, from an authorized Rambler dealer (excluding governmental sales), giving them most of the benefit of additional cost reduction resulting from further increases in Rambler sales volume.

This can mean a sharing with Rambler buyers during the 4-month period of government savings bonds (Series E) with a maturity value from $3,679,850 (10% sales increase), to $24,930,750 (50% increase). See chart for details.

HOW PAYMENTS TO BUYERS WILL BE DETERMINED IN AMERICAN MOTORS' CUSTOMER PROGRESS SHARING PROGRAM

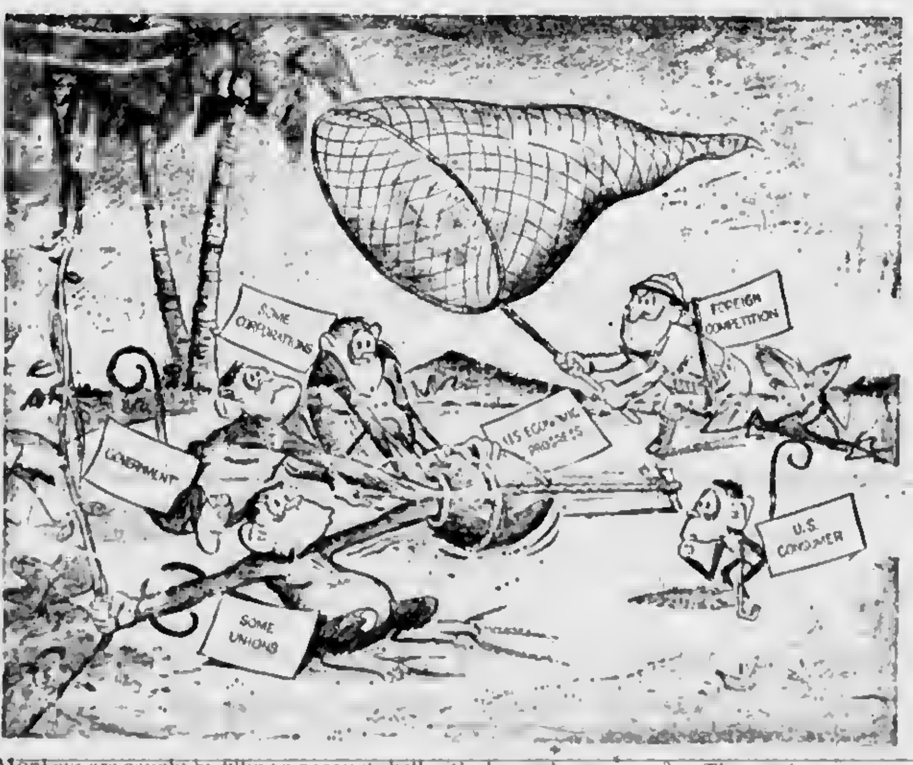
IF SALES ARE UP over last year	BUYERS RECEIVE U.S. SAVINGS BONDS (Maturity Value)	BOND PAYMENT SALES LEVELS: DECEMBER (Dec. sales)	JANUARY (Dec.-Jan. total)	FEBRUARY (Dec.-Jan.-Feb. total)	MARCH (4-month total)
50%	$125	45,247	97,671	140,139	195,946
40%	$100	42,231	91,159	130,796	182,883
30%	$ 75	39,214	84,648	121,453	169,820
20%	$ 50	36,198	78,136	112,111	156,757
10%	$ 25	33,181	71,625	102,768	143,694
SALES FOR SAME PERIOD LAST YEAR		30,165	65,114	93,426	130,631

NOTE: *In all cases, "BUYER(S)" means a person who actually takes delivery, not places an order.*

WHY IT WILL PAY YOU TO BUY NOW. This unique program is cumulative and retroactive. Early buyers can get more, but never less bonds, than buyers in succeeding months. Your Rambler dealer will be happy to give you the complete details of the plan but here is a quick example of how it works and keeps on working for you:

If December Rambler deliveries increase 20% over last December, December buyers of new Ramblers or Metropolitans will receive $50 bonds. As the four-month period progresses, additional bonds will be mailed to the December buyers each time the cumulative sales reach a higher bond payment sales level.

Also, if sales increase for the four-month period exceeds 50%, proportionate additional payments will be made to all buyers during any of the four-months.



Monkeys are caught by filling a coconut shell with chopped coconut meat. The monkeys grasp a fistful and, unwilling to let any go, cannot withdraw their paws. So, they are easy victims. The U.S. consumer is not yet as scrawny as shown, but unless there is a more equitable division of the productivity increases, he will get that way. One of the three American groups must let go and set an example—or all will be captured and, along with the consumer, all will suffer.

BOTH CUSTOMERS AND AMERICAN MOTORS GAIN

You have everything to gain and nothing to lose by joining this crusade. The same is true for us.

You can't lose because Ramblers are better than big cars and the best of the compacts. Ramblers are more trouble-free, more useful, lower priced.

You make your regular deal in the regular way for a new Rambler. You then may share proportionately in the economies and profits of higher Rambler volume in December, 1960, and the first three months of 1961.

We gain by acquiring more Rambler owners, which will make our growing market even larger in the future. That's because Rambler owners become Rambler salesmen and are the most loyal "repeat buyers" of any make.

Ask your neighbor all about his Rambler, then join the Rambler crusade. Join us in focusing the nation's attention on the essentiality of equitably sharing economic progress with ALL consumers if the WHOLE NATION is to prosper.

George Romney

P.S. Some may say one company can't do much about national problems as big and complex as those cited above. Well, that's what skeptics said about Rambler's first crusade. Let's remember, every great thing is born small. If this new Rambler crusade is right, it can succeed and spread, just as the compact car concept did.

Mr. Romney's recent New York Press Conference on "Customer Sharing and the Nation's Economy" attracted nationwide notice. For complete text of his statements, write American Motors, Box 29, Detroit 32, Mich.

If there's such a thing as political climate, it seems to be changing for the better in Michigan. The constant thunder and lightning of clashes between Republicans and Democrats under the Capitol dome could even change into the soft zephyrs of compromise and cooperation.

More realistically, the opposing sides of the political aisle may be trying just a little harder to work together and to see the value of the other's point of view.

* * *

To draw the weather analogy just a bit farther, with a Democrat in the Governor's chair and Republicans in control of the legislature, it's always partly cloudy.

Though a sudden and violent squall can arise from a 'cold front' of partisan disagreement, it need not blow hard in all directions for a long period of time.

The recent special session in which lawmakers voted a penny hike in the sales and use taxes came off without a hitch. The bitter wrangling of the 1959 and 1960 regular sessions, caused in part by the inflexibility of both parties was missing.

* * *

True, the tax hikes were dictated by the people when they voted on the question Nov 8. But Governor-Elect John B. Swainson who served two terms in the State Senate and presided over that body as Lieutenant Governor for two years, showed an ability to get along with his former colleagues.

More important, most of the 22 Republicans in the Senate made an effort to get along with Swainson.

* * *

Gov. G. Mennen Williams and the GOP lawmakers were at odds almost constantly on almost every issue during the entire 12 years he spent as chief executive.

An analysis of the vastly complex reasons why this was so is rich ground to be explored by the authors of weighty tomes in the realm of political science. Needles to say, neither Williams nor the Republihans wanted to hold back the state's progress.

* * *

Many reasons for squabbling were outside the particular area being argued at any given time. Political and personal pressures completely unrelated to the realm of everyday state operations were at work during the entire time Williams was bringing the Democratic party to prominence in Michigan.

Animosities sprang up quickly and centered themselves in the Governor and the Senate Republicans.

* * *

A new face in the front office, particularly since Swainson lacks the "hand-picked by Williams" plus a realization that both parties are going to have a strong voice in government, could lead to a new era of legislative harmony, if not outright togetherness.

Michigan hunters heeded a warning, and as a result nobody died from faulty heaters in trailers during the 1960 season.

Last year, nine fatalities were recorded because carbon monoxide gas crept into the mobile sleeping quarters of cold weather nimrods.

Specifically, the 1959 deaths were attributed to an improperly designed vent which permitted the fumes to remain inside.

Trailers owners, health department engineers, heater manufacturers, trailer dealers and State Police joined in a concerted effort to prevent deaths in 1960.

Of equal importance was the work of newspapers and other publications and media.

During and after last season, word of the faulty system was spread through reports of the deaths and the reasons for them. Before and during the 1960 season, warnings were put out and repeated, and checks were made

Car Collision Fatal To Two Women; Four Other Persons Injured

A Charlevoix woman was among two persons killed Christmas Day in a near head-on collision on the Levering-Cheboygan road seven miles west of Cheboygan in which five other persons, including four from Charlevoix, were seriously injured.

Mrs. D. H. Wood, 76, a passenger in a car driven by her husband, died at the Cheboygan Community hospital three hours after she was admitted. Death was due to multiple injuries received when she was thrown from the car in the collision which occurred at the crest of a hill at 10:20 a.m. Sunday.

Mrs. Paul C. Billiau, 71, of Mendon, who was riding in a car driven by her husband, died enroute to the hospital.

Injured in the accident were Mr. Wood, 75, driver of the car in which Mrs. Wood was riding. He suffered a fractured lower leg, fractured rib, concussion and cuts and bruises.

Mrs. Harvey (Linda) Campbell, 73, a passenger in the Wood car, suffered a badly fractured knee which will necessitate surgery, a concussion and cuts and bruises.

P. D. Campbell, 72, who with his wife, Mildred, 50, was also a passenger in the Wood car, suffered a left shoulder injury, a fractured hand that may necessitate surgery, a concussion and cuts and bruises.

Mrs. Campbell, received a concussion, severe contusions and lacerations plus cuts and bruises.

Paul C. Billiau, 71, of Mendon driver nf the second car incurred a fractured arm, fractured ribs and cuts and bruises.

and huts and bruises.

Mr. Wood remained in serious condition Wednesday while the condition of Mrs. Harvey Campbell was reported as 'fairly good' and that of the others as good.

According to State Police of the Cheboygan post, the Wood-Campbell party was traveling east, enroute to Cheboygan to spend the holiday with Mr. Campbell's son-in-law and daughter, Mr. and Mrs. Charles Carey, and other relatives at the time of the accident. The Billiaus, who had been visiting relatives in Cheboygan, were traveling west on the county road, enroute to Levering to attend church services and to visit relatives in Cross Village.

State police said that the accident occurred at the crest of the hill and that both cars seeied to be near the center of the 22 ft. roadway which was reduced to 15 ft. by the snow.

Funeral services for Mrs. Wood will be held at the Winchester Funeral Home here at 1:30 p.m. Thursday with the Rev. Harold E. Kohn officiating. Burial will be in Brookside cemetery.

A native of Cheboyagn where she was born Oct. 25, 1884, the former Minnie V. Corlett was a member of the First Congregational church, Charlevoix chapter No. 72, O. E. S. and Dickens Study club. She had been in ill health for some time.

She is survived by her husband; two sisters, Mrs. Jessie Meyers and Miss Margaret Corlett of Nampa, Ida. and two brothers, Dan Corlett of Cheboygan and Maynard Corlett of Boise, Ida.

Mr. Wood was associated with his brother, C. F. Wood, in the Wood Brothers Hardware here until their retirement three years ago. Mr Campbell, brother-in-law of Mrs. Wood and of Mrs. Harvey Campbell, owns and operates the Campbell Boot shop here.

Charlevoix to Meet Northmen Friday Night

The Charlevoix Rayders will return to the hardwoods for a traditional holiday battle with arch rivals, the Petoskey Northmen, scheduled for Friday night.

It will mark the first appearance of the Rayders since Dec. 16 when they defeated Gaylord 45 to 38 on the local court.

The Rayders go into Friday's game against the Northmen with a record of three wins and one loss, the latter to Mancelona, while Petoskey goes into the fray with a record of three wins (Boyne City, Cadillac and Cheboyagn) and two losses (Manistee and Alpena).

Coach Bob Clark is expected to statt Brook Smith, returning letterman who averages 17 points per game and Duane Cilke in the forward positions, John Meyer at center and Willie Shomin, letterman guard and Dave McCarthy in the back court. The Petoskey lineup will average a little better than 6 ft.

Coach Don Carey is expected to use the line-up he has utilized most of the season with Sam Supernaw, Jim Dennis or John Pearl in the forward positions; George Majors at center, Stan Martin and Gary Spencer, Henry Wagner or Don Nowland in the guard stops.

During the 1959-60 season the Rayders took both games from the Class B outfit which was then coached by Ace Zagraphos. Over period of years, the series is about evened up with both teams having a fair share of victories.

1961 Almanacs Available at Michigan Bell

Man's search for faster, more dependable means of communicating with his fellows—from Tom-Toms to telephone to the dawning of the new era of communication by satellite—is the theme of the 1961 Telephone Almanac now available in all Michigan Bell Telephone Company business offices.

Calendar pages of this perennial favorite include illustrations of communication by courier, ship, balloon, carrier pigeon, stagecoach, and through the launching of Project Echo in August of 1960.

In addition, there is the familiar rebus for young readers, along with astrological information and important historical events.

The Telephone Almanac first appeared in 1922. Only one issue —the 1945 edition, omitted because of wartime paper stortages —his been missed since.

Charles McFarland Burial Rites Held Friday

Funeral services for Charles McFarland, 58, were held Friday at the Winchester Funeral Home with the Rev. L. L. Lewis officiating. Burial was in Brookside.

He died Wednesday at the Grandvue Medical Facility near East Jordan where he had been a patient aince Dec. 5.

C. of C. Reports Membership Increase for '60

The voting membership of the Charlevoix Chamber of Commerce has been increased by 17 new and 9 re-instated members, bringing the total to 150, an increase of 21%, Paul Kohler, secretary-manager announced this week. Collected subscriptions to October 31 amount to $7,228.75. The new and re-instated members have contributed $744.50, 13% of this amount.

Pledges not paid amount to $941.50. The Chamber activities, advertising and management are confined to a budget based on subscription pledges and the assistance of the city government. Assistance from the city cannot be increased, therefore it is absolutely necessary that the outstanding 1960 pledge subscriptions be paid to maintain an effective Chamber of Commerce, Mr. Kohler said. The 23 members, (15.3%) who have not paid their 1960 subscription pledges are asked to do so at once. Non-payment of pledges will inevitable result in a cutback of Chamber of Commerce advertising and publicity. The planned publication of a completely new Charlevoix brochure similar to those distributed throughout the state and the midwest area by other Chambers of Commerce to attract tourist business and industrial development, will have to be abandoned if the outstanding 1960 pledges are not paid.

William Carey, president of the Chamber, has announced the formation of five committees, 10 members on each, to formulate plans for Chamber activities during 1961 and to follow through to see that these plans are properly executed. The committees and co-chairmen are financial, K. B. Wright and John Norton, advertising and publicity, Harold Totten and A. C. Mort; industrial, Lee Moerland and Fay Davis program, Glenn Kenney and Katherine Fitch; retail, Frank Novotny and Gordon Neff. The co-chairmen of these committees will call meetings soon after the first of the year and it is predicted that they will have completed the bulk of their work before the busy summer season.

Members of the Chamber of Commerce in good standing are invited to sit in on these forthcoming committee meeting and voice their opinions and ideas.

Funeral Held Wednesday for Richard J. O'Neill

Richard J. O'Neill, 82, lifelong resident of this community, died Friday at the Charlevoix hospital where he had been a patient for eight days.

Funeral services were held Monday at the Winchester Funeral Home with the Rev. Harnld E. Kohn officiating. Burial was in Brookside cemetery.

Born in Marion township July 12, 1878, Mr. O'Neill was married to the former Effie Walker in 1909. They operated a farm in Marion township until moving to their present home in 1925. Mr. O'Neill was employed at Brown Motors until his retirement in 1952. Since then he has worked as a gardener. He was a member of the First Congregational Church and a former member of the Modern Woodmen of America.

Surviving are his wife, a daughter, Mrs. William A. 'Esther' Porter of East Jordan; a son, William, nf Birmingham; five grandchildren and a sister, Mrs. Margaret Hipp of Petoskey.

Writing in the New York Times Magazine, Paul A. Samuelson reports that total installment credit now amounts to $40. 74 billion as compared with $14. 703 billion only 10 years agn. Automobile loans have led this spectacular rise.

Aliens to File Address Report Forms by Jan. 1

All aliens in this country on Jan. 1, 1961, are reminded that they must file address report forms as required under provisions of the 1952 Immigration and Nationality Act.

The deadline for filing these forms is Jan. 31.

Alien address cards are available at the postoffice. The alien must fill out the card and return it in person to the postoffice.

Only aliens exempt from filing tbe address cards are those having diplomatic status, representatives of certoin international organizations and persons admitted temporarily as agricultural laborers.

Failure to comply with this order can mean a fine, jail sentence or deportation for willful violation.

Announce Cribbage Tournament to Start January 5th

The first round of the annual winter cribbage tournament between the Oddfellows and Masons will be held Thursday at 8 p.m. January 5th in the I. O. O. F. hall over Williams Cigar store.

The Masonic team will be captained by Al Bates, Fred Bergmann is captain of the Oddfellow team. Players are asked to bring a friend to participate in the matches which are held each Thursday evening. The matches are being held on Thursday evening to accomodate the Monday night bowlers.

Thursday night will mark the beginning of the thirtieth year of the cribbage tournament sponsored by the local fraternal organizations.

Want Information About Schooner 'Rouse Simmons'

Who remember when the three-masted sailing schooner "Rouse Simmons" carried freight on the Great Lakes? The Courier last week had a request from Theodore S. Charrney, 3737 Armitage Av., Chicago 47, Ill., for information about the old schooner often referred to as "The Christmas Tree Ship".

During the last years of her life she is believed to have been owned by Jnhn Manus Bonner of Beaver Island and her home port was St. James.

She was reported lost Nov. 12, 1912, with all hands off Two Rivers Point, Wis., enroute from the Manistique area to Chicago with a load of Christmas trees.

Mr. Charrney would like information about her career, her crew or persons connected with her history.

Ironton Ferry Closes for Winter

Freezing temperatures that caused ice to form on the cables which guide the Ironton ferry across the South Arm of Lake Charlevoix forced the discontinuance of ferry service without notice Fridayaccording to George Granger, Charlevoix County road Commission Superintendent.

Weather permitting, the ferry which had been in operation since April 19, usually nperates until noon on Dec. 31. Earliest closing date in recent years was Dec. 11, 1958, the winter of the 'big snows'

Traffic is nnw re-routed on the north side of Lake Charlevoix or via East Jordon.

The ferry carries traffic across the 550 ft. South Arm of Lake Charlevoix at Ironton, connecting M-66 via county road with Bnyne City.

Contest Develops In Third Ward For Alderman

At least one contest in the forthcoming primary election was assured this week when Robert S. Hamilton announced his candidacy for third ward alderman, opposing incumbent Edward P. Hansen who is seeking nomination for his third term in the office.

Only other candidate to file a nominating petition during the past week was Harry Gebeau, incumbent third ward supervisor, who is seeking his second term in the office.

No one has made known his intentions to run for the office of first ward alderman to succeed Clare Staley who will not be a candidate for re-election.

Earlier E. D. Hawley, present first ward alderman who has another year to serve on his two year term in the office, filed for the office of mayor to succeed E. J. Hiller who is not a candidale for the post after serving since 1955; incumbent treasurer, Annabelle Cummingham and incumbent clerk Hugh Mayne also filed nominating petitions for re-election to their respective posts.

Other officers whose terms expire in the April are: second ward alderman Richardson Donaldson; first ward supervisor Ivan Phillips and second ward supervisor T. R. Miller.

Deadline for filing nominating petitions is 4 p.m. Monday, Jan. 2. City offices will not be open on this date but candidater may call Mr. Mayne or deputy city clerk Herbert Campbell at their respective homes in order to file petitions by that time Monday.

City Attorney Norman D. Ance, however, urges all candidates for city offices to file nominating petitions prior to Jan. 1 at the office of the city clerk and not to rely upon the holidays to be absolutely assured of the legality of their filing. He announced that a review of the legal authority and a conference with the Michigan Department of Elections officials disclosed that there is no settled authority that assures the legality of filing on Jan. 1 or 2. Mr. Ance said candidates should file early to be on the safe side.

Fire Damages Farm Home of F. Gamble

Fire of undetermined origin early Wednesday evening completely destroyed an addition on the rear of the farm home of Floyd Gamble, six miles south of Charlevoix on the Ellsworth road. Damage to the main part of the two story frame house was limited mainly to some smoke and scorching.

Volunteer firemen from both Charlevoix and Ellsworth answered the call, and were able to confine the blaze to the addition which was filled with stove wood. Freezing temperatures ant deep snow hampered the firemen and a strong wind fanned the blaze. The wind however was taking the blaze away from the main part of the structure.

A pumper from the Charlevoix fire department and a pumper and tank truck from Ellsworth were manned by the volunteers.

Unemployment ?

The Saturday Evening Post says in an editorial: The statistics on total unemployment make no distinctions among many diverse situations. The sole support of a large family unable to find work counts no more heavily in the figures than a teen-ager looking for a baby-sitting jnb. It is even possible for four persons to be counted as unemployed when the head of the family lnses his job and the housewife and two children in college go looking for work. Among the labor force are many on temporary or seasonal work who have been laid off for a time, are changing jobs or don't really want to work.

Charlevoix Co. Supervisors to Convene Today

The Charlevoix county board of supervisors will meet at the county building here at 9:30 a.m. Thursday, Jan. 5, for the biennial January meeting.

Primary purpose of the meeting is to approve the bonds of recently elected county officers. However, several other business issues including the engaging of a tax coordinator to head the office established by the board at the October meeting will be included on the agenda.

Ice Skating Rink Opened at School

Charlevoix youngsters had their first opportunity to try out Christmas skates Tuesday night when the ice rink located on the tennis courts between Mason and Clinton sts. at the school was opened for the first time.

During the remainder of the vacation period, the rink will be open daily from 1 to 5 p.m. and 7 to 10 p.m. with the last hour form 9 to 10 p.m. reserved for high school students and adults.

When school begins Tuesday the rink will be open after school until 5 p.m. and 7 to 10 p.m. every night and from 1 to 5 and 7 until 10 p.m. Saturday and Sunday.

Anyone having 78 RPM records they would like to contribute for use at the skating rink, please leave at the warming house.

The sliding area on the Grant St. hill is also open for the enjoyment of those who like to coast.

During the vacation there will be a man on the hill from 1 to 5 and 6 to 8 p.m. and When school starts the hours will be from 3 to 5 and 6 to 8 except on weekends when the hours will be the same as they are now.

Carl Mitchell heads a crew of three who care for these facilities.

A World of Distraction

If there is one word which decribes the condition under which we and all civilized peoples live today, it is the word "Distraction".

This is a common enough word, but it has wide and significant meaning. For one thing, the dictionary tells us, it means a drawing off or diversion of the mind. It means confusion and perplexity. Then, at the far end of the spectrum, it means aberration, frenzy, even madness.

We have a plentitude of distractions these days. The cold war goes on and on, even broadening, with no end in sight. The world's eyes were recently riveted on an unprecedented meeting of chiefs of state at the United Nations in New York where, literall, one well-aimer rifle shot could have marked the beginning of World War 3. We have just gone through a political campaign of unique intensity, in which the decision was agonizingly close. We have witnessed a reign of terror in Africa which reads like a chapter from the Dark Age. We have seen the establishment of what amounts to a Communist-dominoted state a few miles fron the Southeastern tip of this nation. And—in a single year—some 40 new countries with their own flags, parliaments, aspirations, and latent and unknown powers, have come into being.

On top of all this, we have our deep and passionate controversies at home—as to what should be done in such diverse fields as education, medical care for the old and indigent, the production of electric power in the nuclear age and, above all, the proper role of government in ordering and directing the lives of the people.

So "Distraction" is the symbolic word. Our minds are torn in a hundred fragments. The problem has been compounded to an enormous degree by magical progress in the arts of communication, visual and verbal. In a matter of seconds, some event taking place half a world away is made known to us, in words and pictures. In a matter of hours, we ourselves can physically travel half a world away from our homes.

It is no wonder that, living as we must in this turmoil, it becomes, as the old French proverb has it, more and more difficult to see the forest because of the trees. Fundamentals become dim and may even be lost beneath the cruel and blinding light of changing and threatening events.

But some things do not change. That is what we, because of our heritage and because of our ineseapable position as leader of a free world confronted by a slave world which wants to destroy us, cannot afford to forget.

The question is: What is it all for, this spending of almost unimaginable resources of energy and treasure on a scale never before so much as approximated in history? Why may we be asked, as a people, for personal, material sacrifices greater than any we have yet known?

There is a simple answer—that we must defend ourselves and our friends among the nations against the forces of darkness which are our enemies. But that is not the whole answer by any means.

The real answer is that we are doing this—if it is to have any real and permanent meaning at all—in order to preserve the best and oldest idea that history knows, which is freedom. Freedom means many things. It means a high degree of personal responsibility and pride, in which one cares for himself and his family without looking to government for aid unless no other avenue is open. It means, in the fine old sense of the phrase, a government which is the servant and never the master of the people. It means that leadership and national purpose come from the people and are not imposed upon them from above. It means a deep spiritual belief that every man is important, as a person and an entity—and that men in the mass can never be allowed to submerge the individual, and make him a number among faceless millions of numbers.

Whatever we have done, are doing, or must do, will be worth every necessary cost if this ideal is kept bright and shining before us. But if we lose it—if we allow the individual to become a powerless, driven pawn in a game played by rulers—everything worth-while will be lost too.

DECEMBER IN MICHIGAN

By Harold E. Kohn

Now the Old Year, knee-deep in snow drifts and tugging a sleigh-load of memories behind, trudges to its close.

These last days of December are the first of winter, and the season is beginning to make itself felt. Winter lies inches thick on our window sills, tingles in our nostrils and stings in our lungs. It cuts the bridge of the nose and the point of the chin like a knife and prickles bare knuckles like nettles. Winter cleanses the air and polishes the stars to an unaccustomed brightness.

In late December streams and pounds of the Northland are armored with ice, and the great timbers of houses and barns heave tired sighs under heavy burdens of snow. These are days of continuous chimney smoke rising above fireplace fires, and nights of sharp winds whetted on the abrasive edge of a frozen moon, days and nights of tortured snows screaming complaints under foot of man and beast. This is the time for snowball fights along village streets, for sledding on country hills to the accompaniment of shrieks of joy and gay abandon, for a roaring fire that makes a room ever so cozy and for a hot chimney that forms a strong, solid brace against heavy, snow-laden skies.

* * *

SOME THINGS TO DO THESE LAST DAYS OF DECEMBER:

★ Watch for signs of tree girding just above the snowline. By gnawing the bark of trees, deer mice and meadow mice damage young orchards during winter, but rabbits and hares are worse offenders. Rabbits have a sharp appetite for oak seedlings and saplings and keep down the growth of oak forests by their winter attacks on these trees.

★ If you have trouble lighting a fire of snow-dampened wood in your fireplace, try this: take wood ashes and add just enough fuel oil to form a semi-dry paste. Knead this into a lump the size of a baseball and keep it in an air-tight tin can until wanted. Then place it under your firewood and light it. It does the fire-lighting trick in a most satisfactory fashion.

★ Notice how the worst weather brings out the best in some people. This is true of many painters, poets and writers. John Burroughs, one of Amercian's foremost nature writers, made this entry in his JOURNAL in his forty-fourth year: "Finished my SIGNS AND SEASONS today. Stormy days — either snow or rain, though snow is best — are my best days."

Legion Aux. Holds Christmas Party

The American Legion Auxiliary met recently at the home of Mrs. Leo Allard for a business meeting and Christmas party.

Mrs. John Johnson presided at the meeting and reported on the district meeting held earlier in Harbor Springs; Mrs. Edgar Smith and Mrs. Martin Pedersend reported on their visit to Grandvue Medical Facility with Thanksgiving gifts for the patients; it was reported that cards were sent to out of town members and Christmas remembrances sent to families in the community by the Legion and the Auxiliary.

A social hour an exchange of gifts, and refreshments followed. Mrs. Smith was co-hostess with Mrs. Allard.

IN MEMORIAM

In loving memory of our dearest husband, father and Grandfather, Charles Tuhy, who passed away January 2, 1956, five years ago today.

You left us, Dad, and went away.
We know you're happy, contented too.
But, dear Dad, how we miss you.
Each time we hear your favorite song
It seems the world has all gone wrong.
Your old books you loved to read
Are carefully wrapped and put away.
It's a part of you we cannot share
Since you brought them home and and put them there.
Now with our daughter, son and brother there,
A happy reunion it must be up there.
Your prayers are answered and for you we are glad
But we miss you down here so much, dear Dad.

Sadly missed by your loving wife, Mary, daughter, Anne, and all grandchildren.
